Why are you

focusing just on there?

Because you were ignoring me.

I wanted to tease you, of course!
You can't cum yet!

Why, you say...

cum-mingg!

Then, can you promise you won't look away from me anymore?

Mhh! Ah! I... promise...

ehehe, so obedient. That's why I love you.
I'll reward you

Girls notice things like that, you know? Do you regret it now?

Nhh! Yes!

Isn't it more suspicious if you act strangely around me?

Worried that our relationship might get discovered?

Nh! But that's

Aren't you always trying to avoid looking at me in front of the class?

Eh?

I'll let
you cum on
your favorite
place.

U, your
pussy!

Whoa

Here!

I'm gonna
cum on
your loli
pussy!

Hii

Hmm?
Still not
tired
yet?
You
can
keep
going.

Ah!

Hyah!

Ah!

Mh!
Can
I
stick
it in?

Mh!

Hya!

Ahh! I
can't hold
it anymore!

I'll move
a whole
lot more
for you!

Seeing how
your dick
spurred so
eagerly
just now

Hey
now!

You have
to look
at me!

Hey.
Even when
we're having
sex, you
promised.

Were
you
listening
to me?

The face
you make
when you're
feeling
good...

The one
you make
when you
cum, let
me see
them all!

I'm
cumming
inside!

You
can't!

Then I'll
 help you
 out!

I can't
 do it
 anymore!

Don't
 stick
 anything
 in
 there!

Gyah!

Hiii!

I'm saying,
 show me the face
 you make when
 you cum from
 masturbating, and
 do it right now.

S-sorry
 It felt so
 good that
 I just...

I hate
 you!

Then
 take it
 out again

Eh?
