おどおど..

That place was like a prison. I just wanted to get out of there as fast as I could.

However...

I am Maeter. I am a servant to the feudal lords..

UMM... SO YOU'RE A... SLAVE?

Yes-

So I used a teleportation spell that I wasn't familiar with, and then everything turned white...

And the next thing I knew, I was here...

Is it okay for something like me to drink this?

HERE.

IT'S JUST MILK, BUT IT'LL FILL YOU UP A LITTLE.

YEAH, I SAID IT WAS FINE.

WHA-? DID YOU KNOCK IT OVER?

Lick Lick Lick

That's what the feudal lords told me... and I must always obey the feudal lords...

WHA!

Something like me only deserves to drink what has spilt on the ground...

Hafu~ What a monster this turned out to be! And here I thought I had washed my hands of this months ago.. Finally, an oppai work that caught my attention! Dig in, boys~

Even though it took awhile to get this one done, I'm really glad we did it. I really grew attached to this one and kinda wish we could get a sequel, but I guess it already has a happy ending~

Also, TL note that some of you may find interesting. Through out the manga, Maeter refers to the guy as "Goshujin-sama" or "Master", but on the final page she calls him "Danna-sama" which is commonly used to mean "Husband", but can also be used as "Master" too. So in a way she still calls him master, but now she says so lovingly and not as a slave <3

Inkblot

Jeez, this thing's taken forever to get out. At least the boobs and thighs are awesome.
