Secret night... 005

Afterword / Colophon 034

Alexa Mahone

You can only observe it at night, before she goes to sleep.

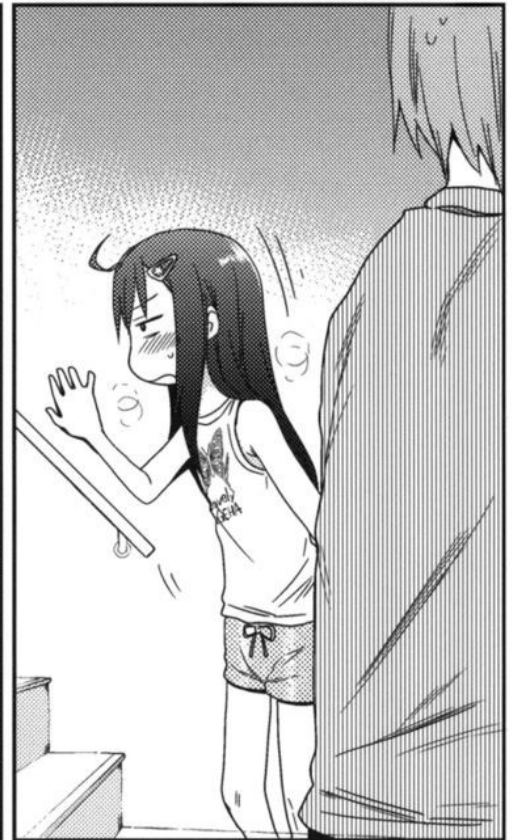

Lately, my little sister has been displaying some noticeably aberrant behaviour.

03: In fact, she's clearly trying to avoid me.

02: If I ask her about it she won't look me in the eye.

01: Her breath is heavy for some reason

I'm absolutely okely-dokely!

A-OK!

Aoi... You haven't been yourself the past few days, is everything alright? Are you feeling sick or...

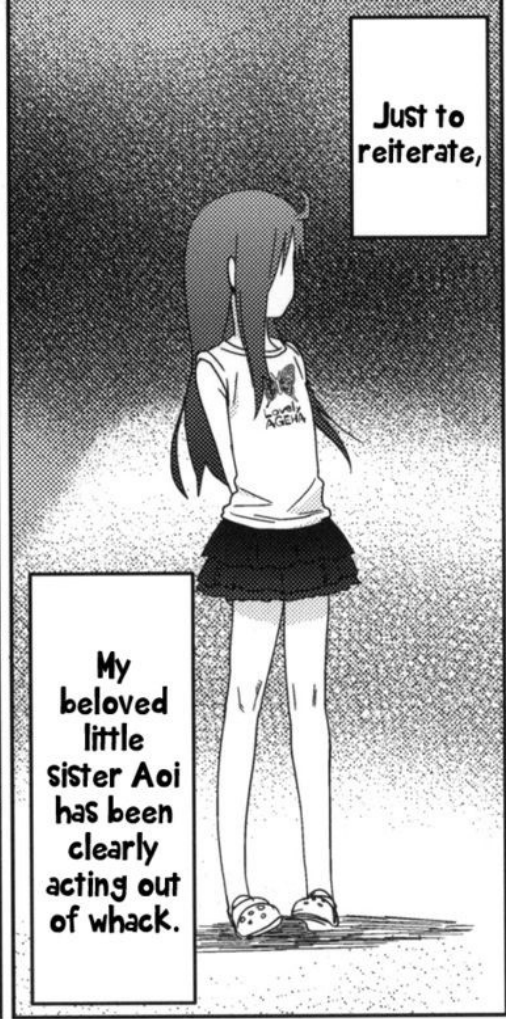

Chapter 2: Secret Night

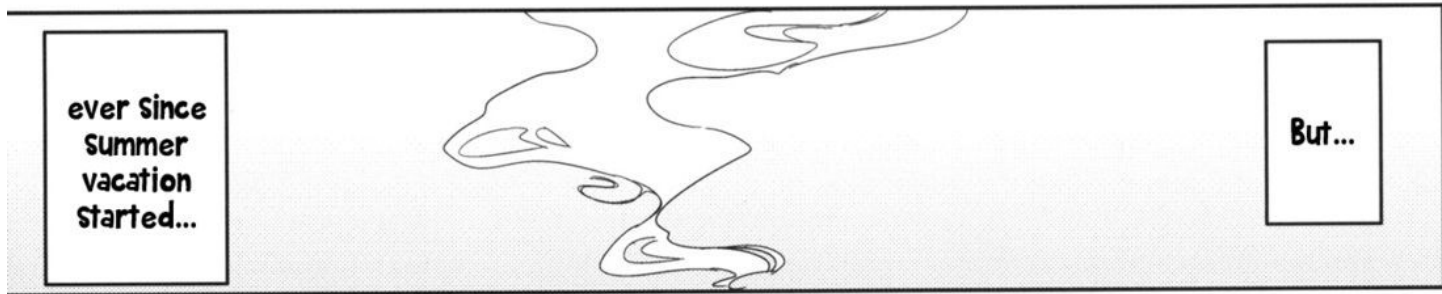

This is how Aoi normally acts like.

Every day is splendidly brilliant when she's around.

Just to reiterate,

My beloved little sister Aoi has been clearly acting out of whack.

ever since summer vacation started...

But...

As her brother, it is my duty to get to the bottom of this...!!!

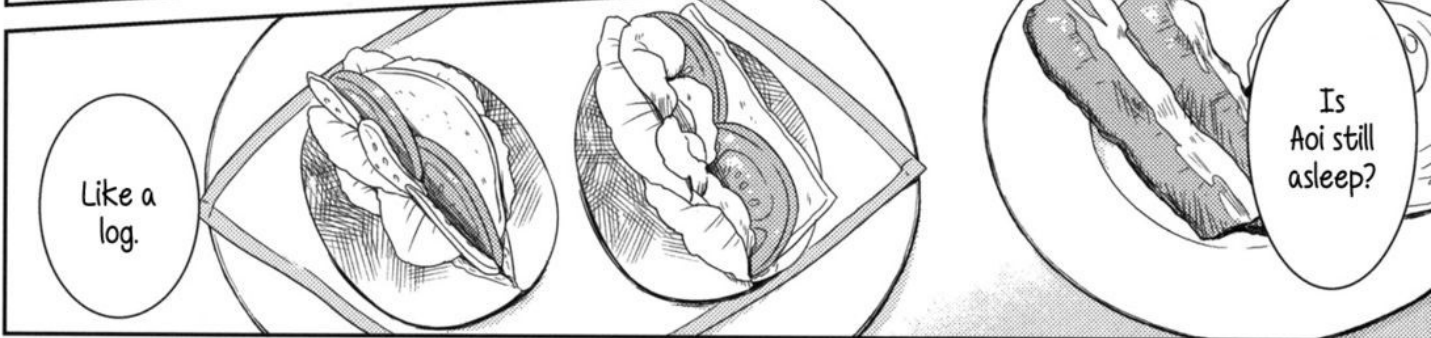

All right.

Just what is going on with that girl...?

What the devil happened to my cute little Aoi...?!

Like a log.

Is Aoi still asleep?

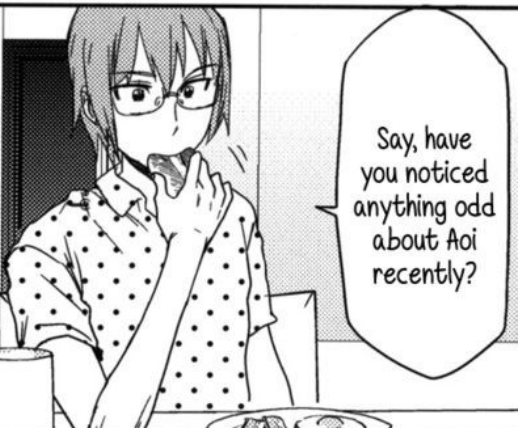

She's obviously avoiding you. Don't you have any idea why that might be?

But why are you asking me...? I mean...

Now that you mention it, yeah... I've tried asking her about it, but she won't tell me anything..

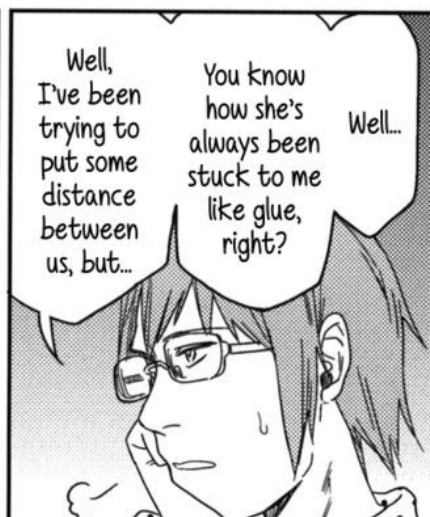

Say, have you noticed anything odd about Aoi recently?

Yeah, but still...

Just drop the act and keep spoiling her.

That girl won't get off her butt unless you're around.

Well, I've been trying to put some distance between us, but...

You know how she's always been stuck to me like glue, right?

Well...

...

Wake Aoi up, will you?

Ah, it's time! Look, I've gotta go.

Hmm... You have, have you...?

it's not
that I
dislike
babying
my little
sister...

Y'know...

**But
Aoi is
just too
fricking
cute!!**

I mean,
how could
I ever
abandon
such an
adorable
creature
as my
sister...

And thanks
to that, I
haven't had
a girlfriend
in eleven
years!

But
how
would
I go
about
doing
that..?

If
only
I had
some
sort of
hint...

Aoi's
worries
are my
worries.
I want to
help her
in any way
I can...

As her
older
brother,
I must
guide
her down
the right
path...!!

First, I need to figure out what she's trying to hide.

I can't think of anything it might be...

I can't see her shoplifting or anything like that...

.....

It's already noon, y'know?

Rise and shine.

Aoi!

Aah, now I'm worried...

Could I have offended her without realizing it...?

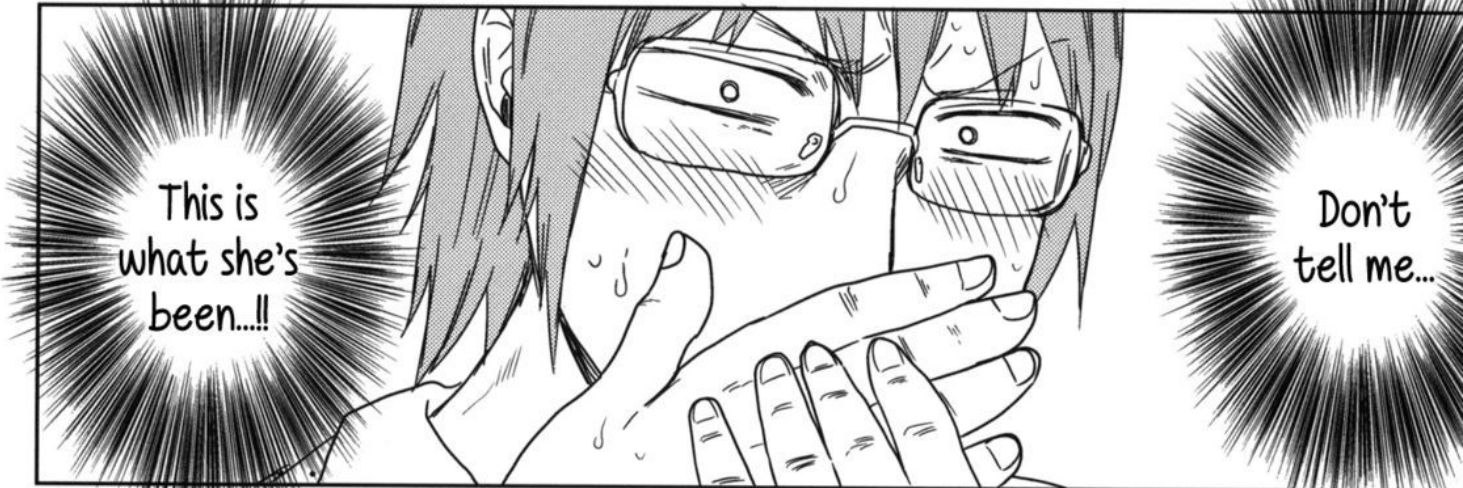

Wh...

What
the
crap
...?!

Ha...!

⋮

This is what she's been...!!

Don't tell me...

Yep, she got a hold of one of my wank mags...

Was it those?

No matter how you look at it, this is the aftermath of her masturbating...
But Aoi doesn't have a PC or a phone, she shouldn't have any knowledge about sex...

Oh, man. I'm starting to panic!
Gotta get a grip...

So
sexycute!
♥

Ha
|
.....

Still...
I can see
why she was
so reluctant
to tell me or
our parents
anything
about
this...

Maybe it's
because she's
matured so
much lately,
but I'm
bordering my
limit, here.

Aah...
She has the
face of an
angel when
she sleeps...
Add that
to her half-
nakedness
and...

I'll just
put a little
note inside
the book
for now...

But it's not like
she was shlicking
while thinking
about me, so if
I made a move
on her, she'd
never speak to
me again.

I know for
a fact there's
a story in this
one with the
title "Onii-chan
Will Teach You!!"

Weren't
you gonna go
out with your
friends?
Well hurry up
and come have
lunch.

C'mon, Aoil!
It's noon!
Wake up!!

Hmm...
What should
I do...?

52
.....

ア

...

.....

Whoa, judging from her face, she really thinks I'm gonna get mad at her.

O... Onii-chan... Can I come in?

.....

.....

Sure.

By reviving one's member with prana...

Masturbation is...

humanity's single greatest weapon to drive away the inseparable bestial nature of man and reach enlightenment!

one can defy God himself and get closer to understanding the secrets of this world!

Pra??

Onii-chan...?

That's not right! What the hell am I saying?!

Understand?

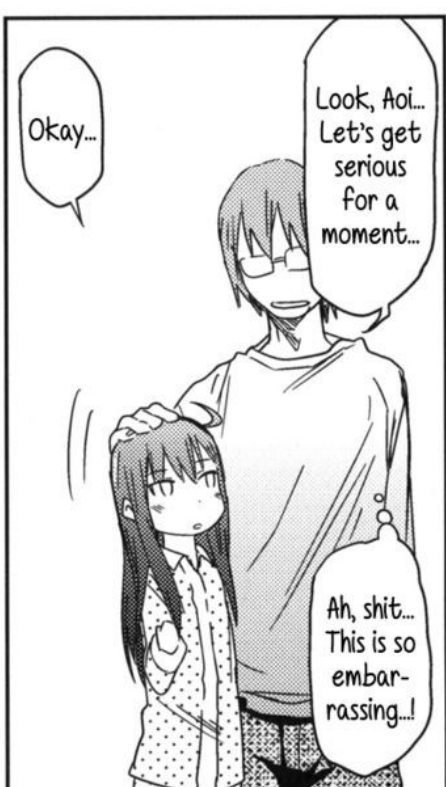

Sort of...

So as you can see, masturbation is actually very good for your health...

Leaving that arousal unchecked is bad news, so to rein it in, people masturbate.

Generally, when people, be they male or female, get left to their own devices, they start getting aroused...

Okay...

Look, Aoi... Let's get serious for a moment...

Ah, shit... This is so embarrassing..!

What's the proper way to masturbate?

So...

Well, of course it would. Yeah.

I see. So it's come to this.

L-Like this, I guess...

モイ

モイ

Wah!!

Erm...

How do you usually do it, Aoi?

Er...

I did not seriously just ask her that...

Onii-chan!
What do I do to make it end?

Y...

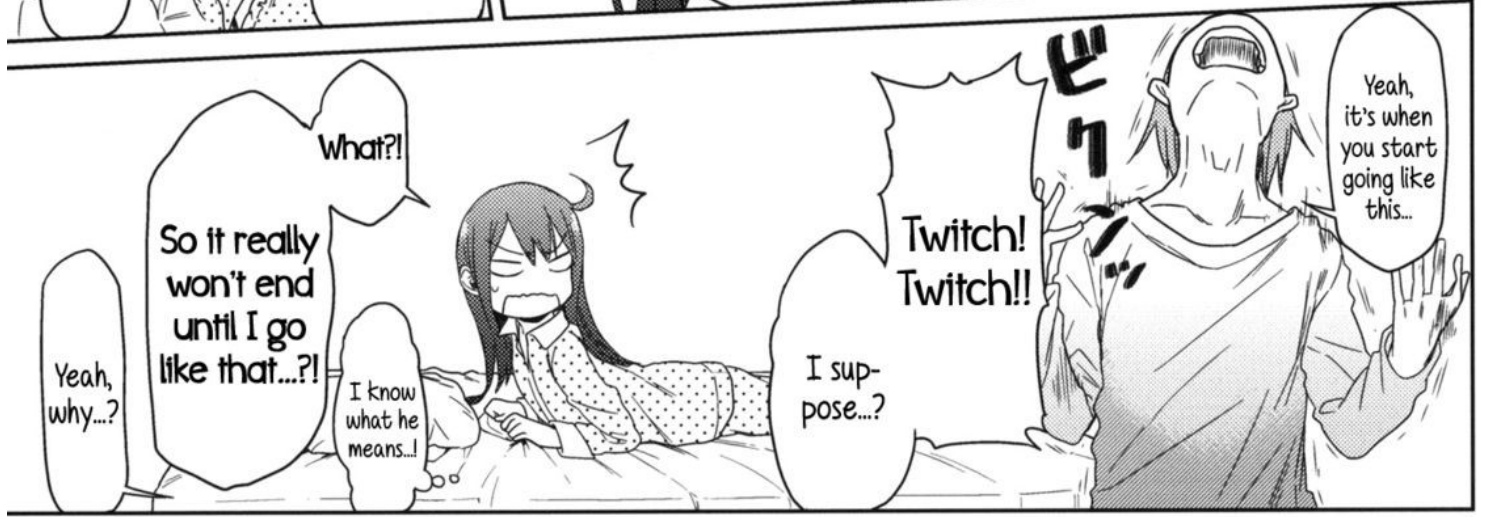

This has turned into quite the sticky situation...

How... How is it? Does it feel good?

Cum...?

Huh...? You cum, I guess...?

Yeah...

What?!
So it really won't end until I go like that...?!

Yeah, why...?

I know what he means...!

I suppose...?

Twitch! Twitch!!

Yeah, it's when you start going like this...

I'm sorry, Aoi, but I'm a virgin, so I'm not privy to all the details.

I heard women are more sensitive than men, I wonder if the same is true for ~~schoolers~~ schoolers...

Seems this was indeed the cause for her unusual behaviour these past few days.

But...

Then you don't get any release that way, right?

Whenever I get close to getting like that, I stop...

It's like my head goes completely empty... and then I get scared...

Uuh...

Hmm... She's scared, huh?

はー！

Onii-chan...

I-I think I could cum...

If you did it for me...

Erm...

I've never done anything like that, though!

Seriously...?

Yep...

Let me get this straight...

You want me to help you masturbate and make you cum...?

I mean, you're an adult, Onii-chan, so you must've done the things I saw in your book before, right...?

Huh?

Of course it is! Do you realize what you're asking your own brother to do?!

What do you think?!

Ca... Can't you just, y'know... figure it out by yourself?

Is that a no...?

ア...

But in the book it said that having someone you love do it for you feels a lot better...

Grr! Damn you, porn manga...!

She's only *n* years old, after all... She's not thinking about sex, she's just puzzled about her own body...

Now is the time to put my qualities as a brother to the test...!!

Damn it...!! I'm gonna do it...!! All for the sake of my cute little sister...!!

Before... No, even now, Aoi is mustering up the courage to say all these things.

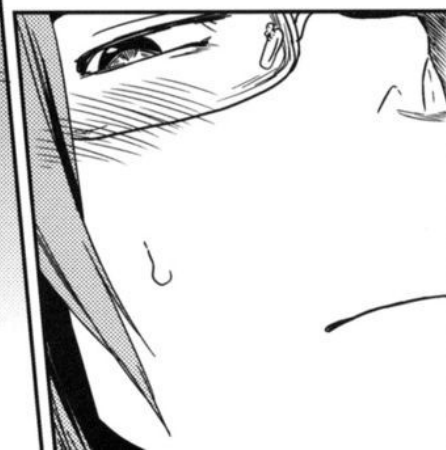

She must be insanely embarrassed right now.

The only person that can teach her the right way to masturbate is me!!

Although, she's spent about a week now without being able to cum, so she must be pretty frustrated...

And I do want to help her release all that pent up stress...

I'll try...

Do you think you can do it by yourself afterwards?

I would never...

Then we're good.

Oh, and please don't ever tell mom about this.

If it hurts or you get scared, tell me.

All right... But be warned, I'm new to this too.

ドキ
ドキ

This is just sexual education... This is just sexual education...

Fuh...

Okay.

ドキッ

O... Okay.

All right... Take off your panties.

Really?

Y'know...
What you were
doing before
felt really
great...

All right.

Yeah...
Keep doing
it.

Ehehe!
We're the
same!

Ah!
Onii-chan!
Your heart is
beating like
a drum!

Like yours
isn't, Aoil

Idiot...
If you raise
your voice
we'll be in
trouble!

!!!?

Uuh... But...

Don't worry, there's no need to be afraid.

Then that means we're nearly there...

That startled me, I thought that was gonna happen again...

That? Oh, you mean you were about to cum?

Yeah.

Now you don't feel as scared, right?

All right, here, I'll hold hands with you.

Ah...

No, not like that!

Like this?

I knew it...

There's no way this is what she wants.

Huh? Why...?

Could I get a kiss too?

Again...? That's the second time now, I've really gotta hide that thing where she can't find it...

'Cuz that's what they did in the manga.

Do it this way and hold it...

?

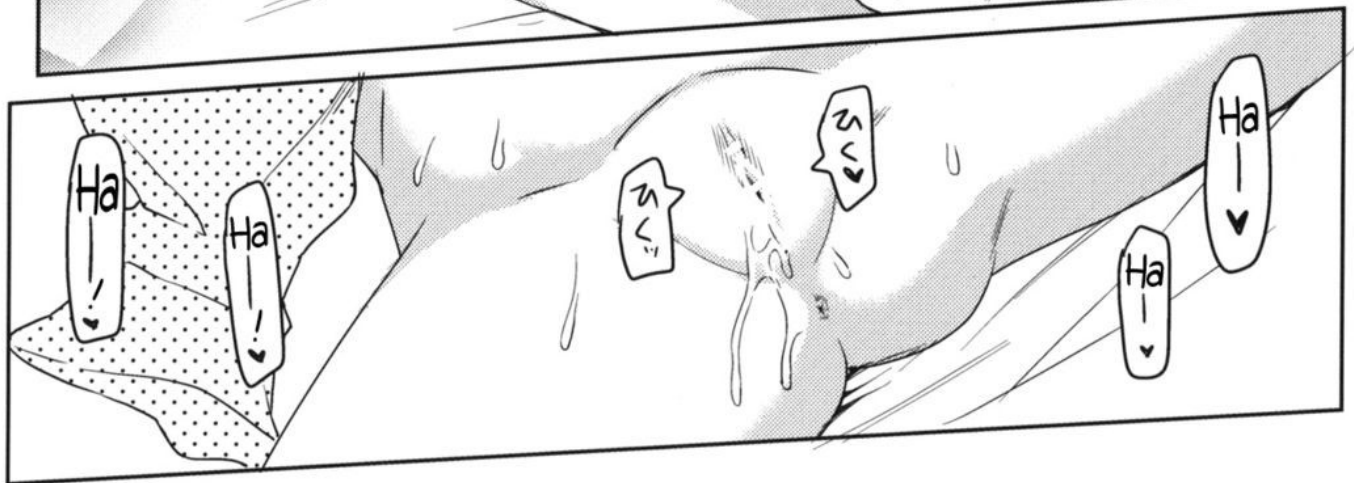

N-No reason.

Come on, why are you getting embarrassed now?

You're doing something else right now far more deserving of that shame, you know?

Wipe down your crotch, otherwise you'll soil your pajamas.

'Kay...

How did you like it?

Looks like you managed to cum.

I'm a little dopey.

Fuah...

Are you gonna get up or what?

Ha...

Ha...

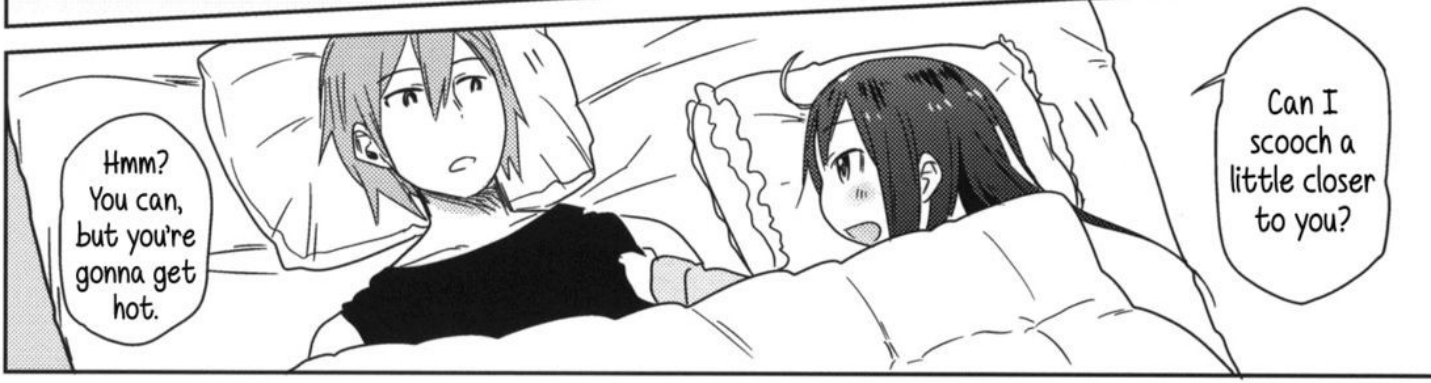

Ha...

Let's get you to your room.

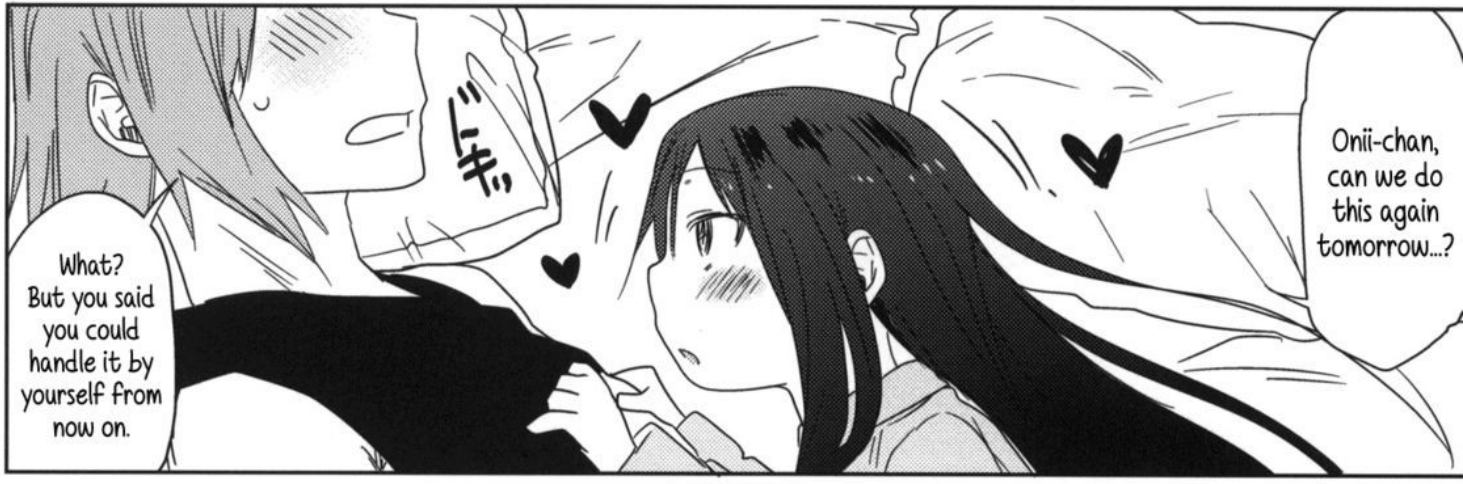

Eh?

Boo...! I wanna sleep with you, Onii-chan!

Hmm?
You can,
but you're
gonna get
hot.

Can I
scooch a
little closer
to you?

What?
But you said
you could
handle it by
yourself from
now on.

Onii-chan,
can we do
this again
tomorrow...?

Welp...
Now it's just
a matter of
endurance...

Hah...
So
cute!

Fine.
Whenever
you get in
the mood,
just come
to my
room.

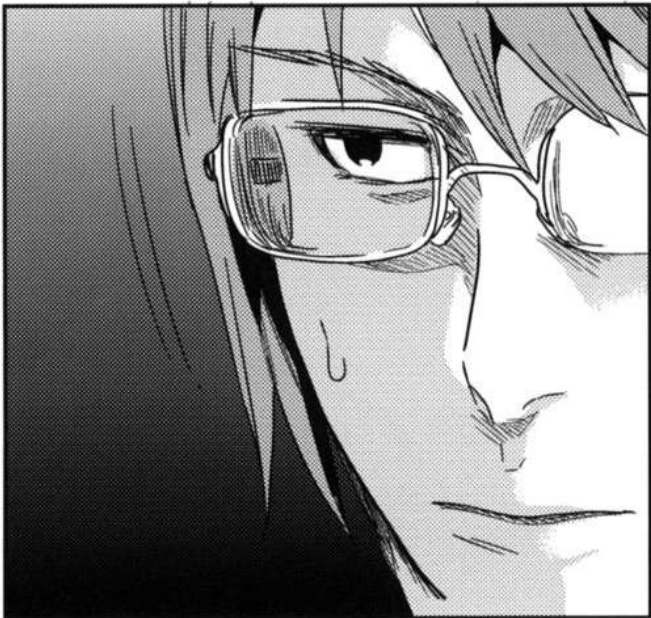

Thanks!

I know, but...
If I'm on my
own, I'll get
scared before
cumming again...

Plus,
it feels
better
when you
do it, Onii-
chan...

Please!
