

To whom it may concern
Field Trip

The new season is upon us
Every year at this time we have
field trip but this year there
is a new strain of influenza.
Not to worry, we have a new
report on the matter.
The field trip will be
5 days and 4 nights

It's good
they are
going as
planned,
Aoki

With that new
strain of flu going
around, I wondered
what would happen
with your field
trip next month.

Yeah, but if
I go on the
field trip,
in the hotel,

everyone is
going to go
in the bath
together,
right?

Why's
that?

Isn't it
going to
be fun?

It's not
good
at all...

I wish
they'd
just
cancel it.

Ahh

That's also part
of a personal
experience of
living with
a group.

It's one
of the goals
of a field
trip.

Well, that's because...

A h a h a

You're too embarrassed to show your penis to your friends!

Even though you're still a kid, you're so precocious.

Because what?

Aha! Don't tell me...

I can't stand bathing like that...

あ

That's... You mean phimosis?

What?

あ

My... My dick...

I haven't peeled my foreskin yet.

あ

Yeah but I'm still so embarrassed!

But surely there's plenty of boys your age that have the same thing.

So you don't have to be so concerned...

They'll probably call me by some weird nicknames...

...at your penis.

Let me take a look...

Weird nicknames, that's probably true.

...

Well, that's because maybe you just think you have phimosis.

Let your mother take a look to make sure that's what it is.

Wha... What's this!?

Why do I have to show my dick to my own mother?

か

...then mother will also get naked.

That should be fine then, shouldn't it?

But... but...

It's embarrassing.

Well, if that's the case...

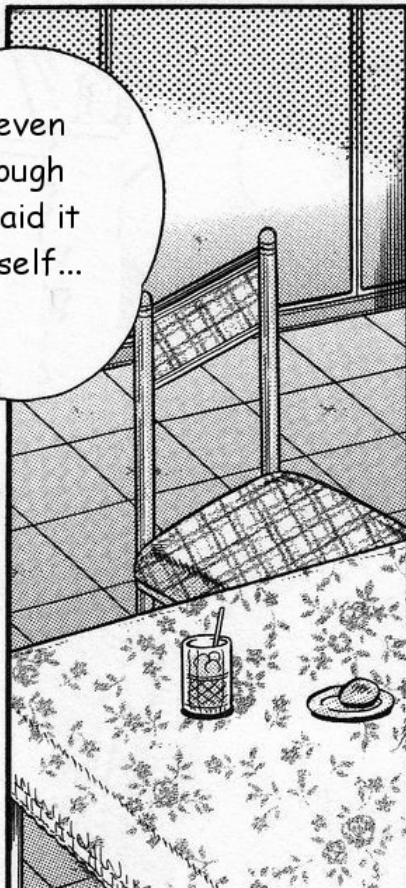

Mother will too...?

What!?

...honestly it's pretty embarrassing.

...even though I said it myself...

If your father on his out of town assignment knew of this, he'd probably flip out!

...being naked in front of my mother...

It feels the same for me too...

It's been since you were in grade school Aoki, when we were in the bath together that you've seen me naked.

W... Wait!

Come on, Aoki.

Now is not...

Let me see your penis.

Huh, huh...

Just as I thought, it's gotten hard.

But really, this is...

Hey!

After all this, why are you getting embarrassed now?

Here, move your hands.

Together, we're going to fix it!

What???

There's still a month before your field trip.

It's OK Aoki.

Isn't it?

If everybody saw my phimosis...

because you're touching it.

Th... that's

Aoki, all of a sudden, isn't your penis getting harder?

getting harder?

...we're both naked

...and of top of that...

A a h h

I'll make it feel even better!

Uhu...

Does it feel good when mother touches it?

See? Well, then...

Your penis is delicious, Aoki.

Let me clean all that stuff that's sticking to it for you.

I can't believe she's not just touching my dick...

...she's licking it!

...most beloved son, Aoki!

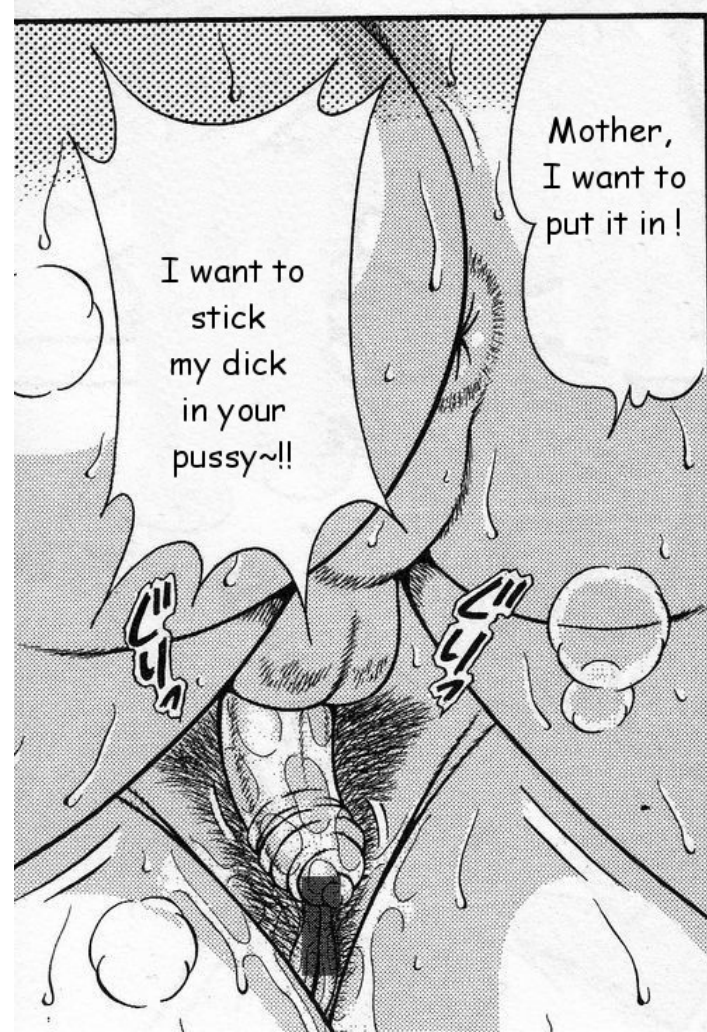

You're my most important...

Why would you go that far, mother?

W... Why?

Well that's obvious, isn't it?

All right,
Aoki

Stick it
inside your
mother's
pussy~!!

Soo great!

Wha...?
What
is this!?

Mother,
your pussy
is wrapping
around
my dick...

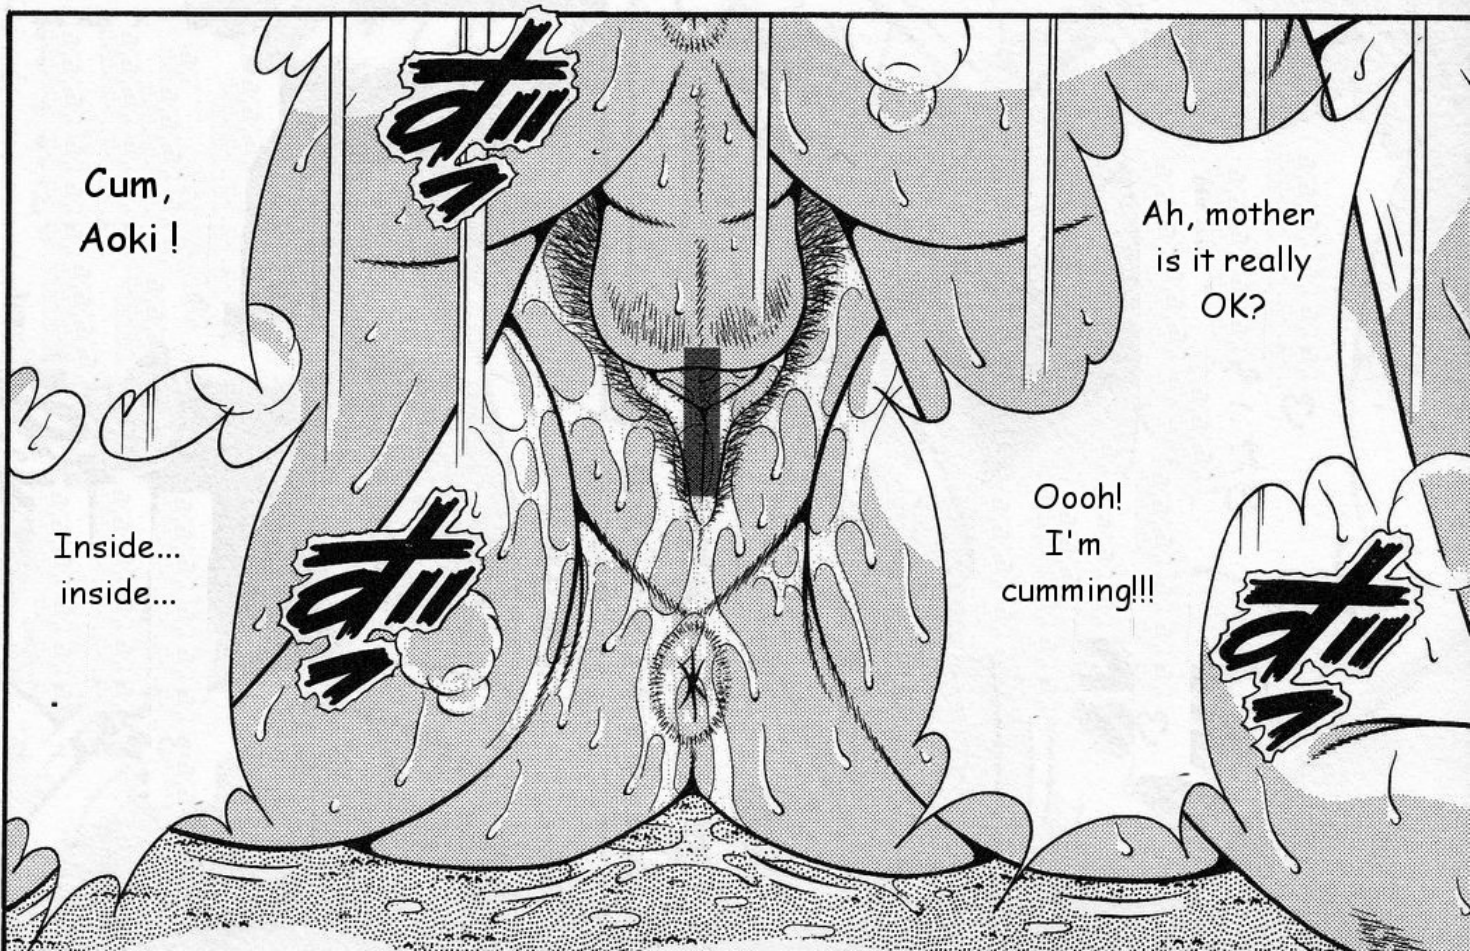

I couldn't
wait to
get it!

Aoki!
Me too!

I have to
say it...
When I saw
your penis,
Aoki...

...inside
my
pussy!!!

MOTHER!!!

Aah!

Ever
since
that day,
Aoki
and me...

...every
day,
as if we
were
posses-
sed, we
continued
to fuck.

morning
till night,
in order to
cure his
phimosis...

and
finally
...

...a small worry rose up inside me...

There's just one thing...

Aah... unh...
♡

Ahh, feels great, Aoki!
♡

Aoki's penis finally became like a full-fledged adult's ♡

...in time before his field trip, as a result of all that sex...

I'm putting it in, mother.
