

Listen, Shuuichi.

Do you have any request for tonight's supper?

Even now, I still can't believe

what I saw last night.

In other words, you want me to cook meat!?

I want to stuff myself with lots of side dishes.

Let me see...

Alright, I'll think about it.

...mother's  
spectacle  
...

Aah!

That  
feels so  
good!!

Right  
now...

I'm  
plunging my  
fingers deep  
inside my  
pussy...

...in and out...

Enchanted by Mother

海野幸

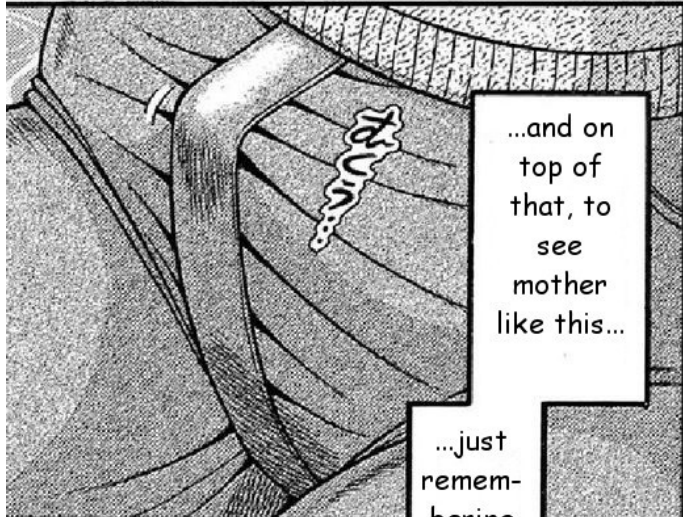

I want it... I want to stick it inside my pussy...

Are you rubbing your erect penis?

Darling, what are you doing now?

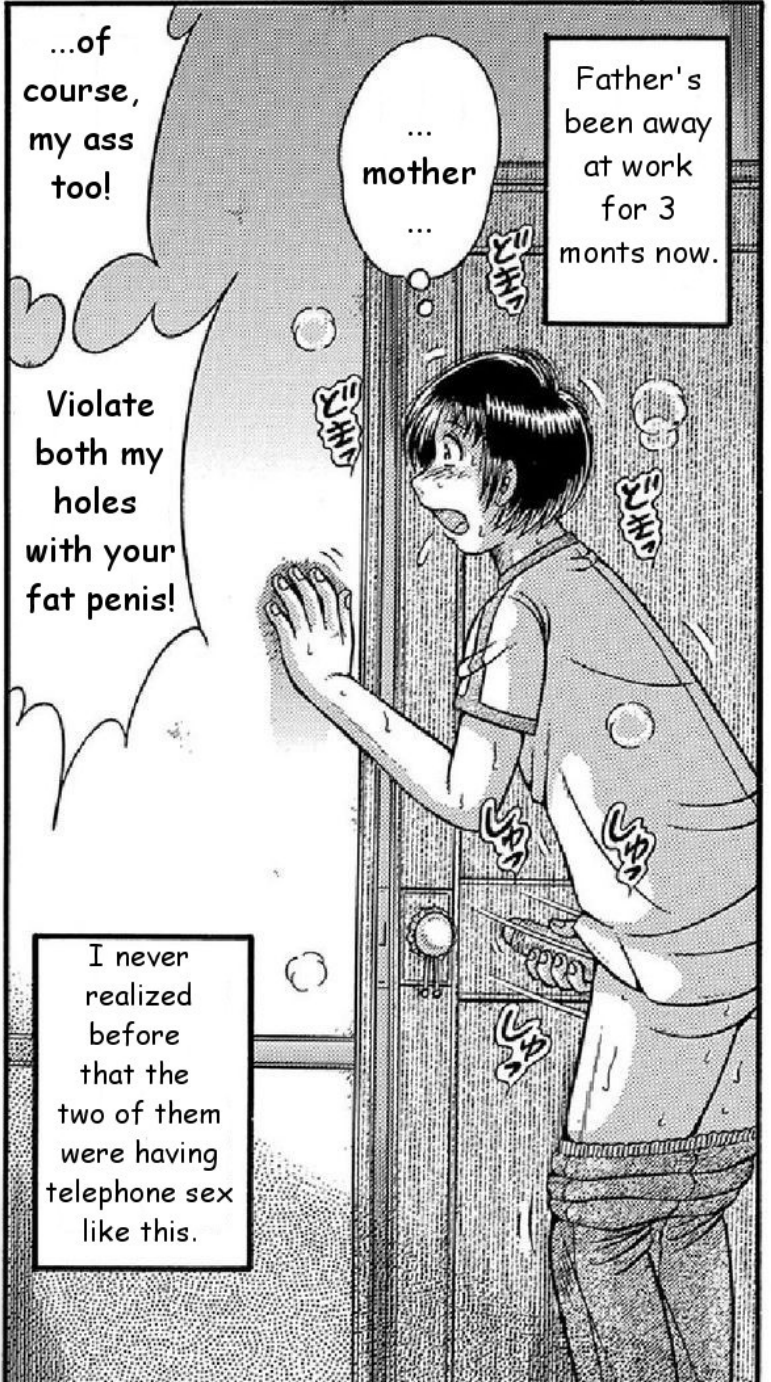

...and on top of that, to see mother like this...

...just remembering that now...

Shuu-ichi?

...of course, my ass too!

Violate both my holes with your fat penis!

I never realized before that the two of them were having telephone sex like this.

... mother ...

Father's been away at work for 3 months now.

Tonight, are they doing it again?

Tele-phone sex...

My ass feels so good!

Usually kind and modest mother is...

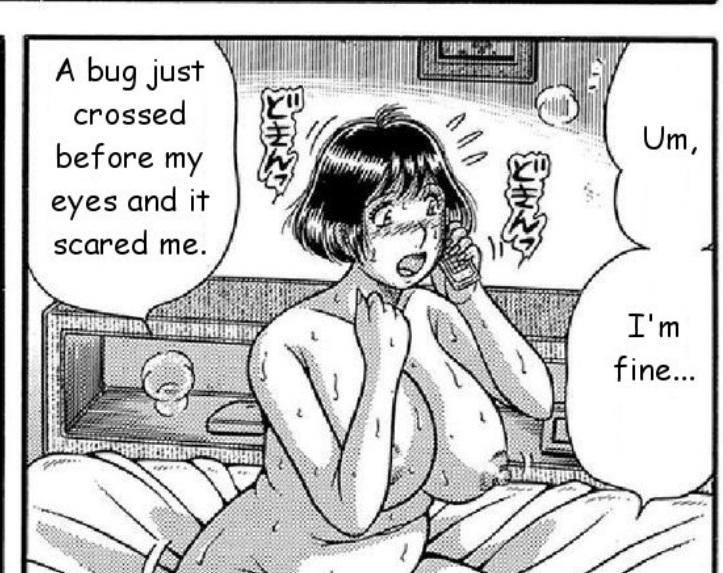

Seeing my own mother like this, I don't know what I'll do!

...stretching her pussy wide open,

jamming fingers in her ass and farting!

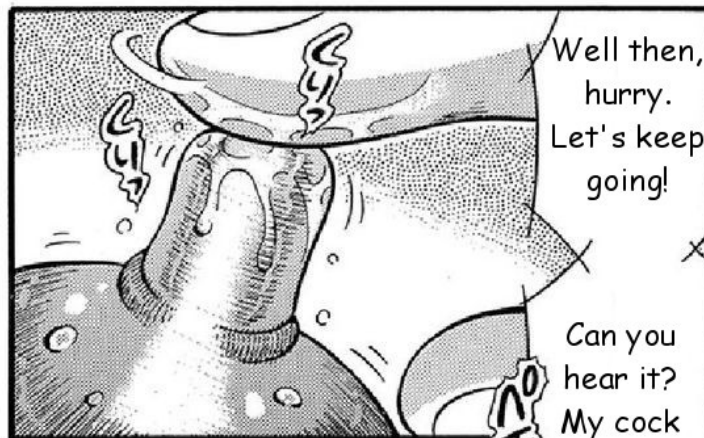

How long will you keep quiet?

Dad will think something is weird.

Cut it out, Shuuichi! We can't do this, we're mother and son!

But...

But!!

Well then, hurry. Let's keep going!

Can you hear it? My cock is so hard!

Oh, you!

Even though Shuuichi is here...

Eh?

Ah, no, it's gone now.

What's going on, Kayoko?

Is the bug still there?

I'll give you a hand, mother.

Eh... Eeh...

Kayoko, let me hear the sounds of your pussy. It must be sopping wet with your pussy juices by now.

Shuuichi ...

I want to stick it in, Kayoko!

My cock into your pussy!

Really?

Ooh? I can hear it, Kayoko!

Your lewd pussy noises!

Mother ...

What are we doing, in front of Shuuichi...

I want your penis too!

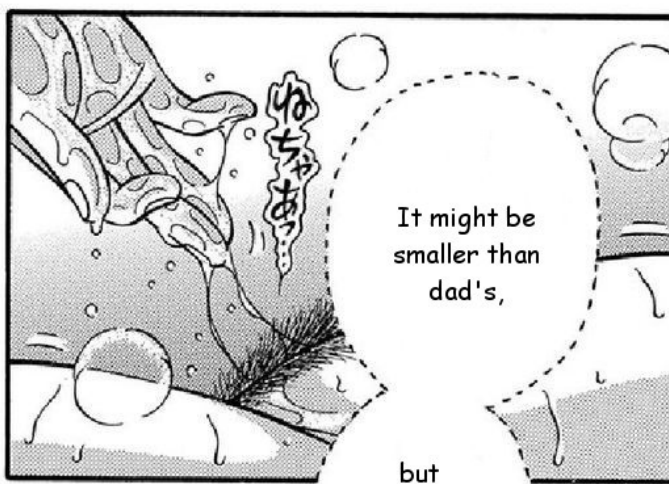

Your fat, hard penis...

But mother, you are so...

I told you before, we're mother and son!

You can't stick it in, Shuuichi!

It might be smaller than dad's,

but I'll stick my cock in!

A a h !?

You are so seductive, I can't help myself!

When you came into the bedroom I thought my heart would stop, Shuuichi.

Well I never thought I'd do something like this!

did I ever think I'd be doing it with my father...

While we were having incest, dad too... Never, in my wildest dreams

I couldn't completely allow myself to indulge in sex.

I was so worried your father would find out we were committing incest...

Soo...

I couldn't control myself,

when I saw you like that, mother.

Shuu-ichi...

You said it right, just now.
