Onii-chan, ain't ya gonna swim?

...I don't wanna work~!

And then it's work, work, work, every single day again...

Sigh... Only two more days until my vacation ends...

Mmh... Let me laze away a little longer.

The reason we come play in the river every year is also so I can get a glimpse of her swimsuit.

It would be no exaggeration to say that I took a trip to my family home solely because of her.

Geez Louise~! Lately it's been a tiny bit o' swimmin' an' a whole lotta sunbathin' witcha.

Ya asked fa' this.

Hah... Kanna-chan. What an angel.

Back when I still lived with my parents, her and I would play together a lot since Kanna lived fairly close to us.

I'm pretty sure she's still in the sixth grade, but as we fooled around, our relationship eventually got to this point.

Hmm? Can you tell me in exact words how you want me to do that? Otherwise I won't understand.

Nhhf! Onii-chan,

I wanna warm up from the inside out.

You're such a spoiled little girl, Kanna-chan.

Mh~ Not yet.

Well, aren't you the sweetest.

I just wanted to please ya, Onii-chan.

Nnh! Even if you move like that, you're not gonna be able to squeeze any more out of me...
