Debaucherous Relationship

Higenamuchi

we've been
living an
extremely
unhealthy
lifestyle...

And since we got along so well,

We've been partners in crime since high school.

We never cut off the relationship, and now it's become completely unsavory...

...or rather debased.

Itsuki?

....

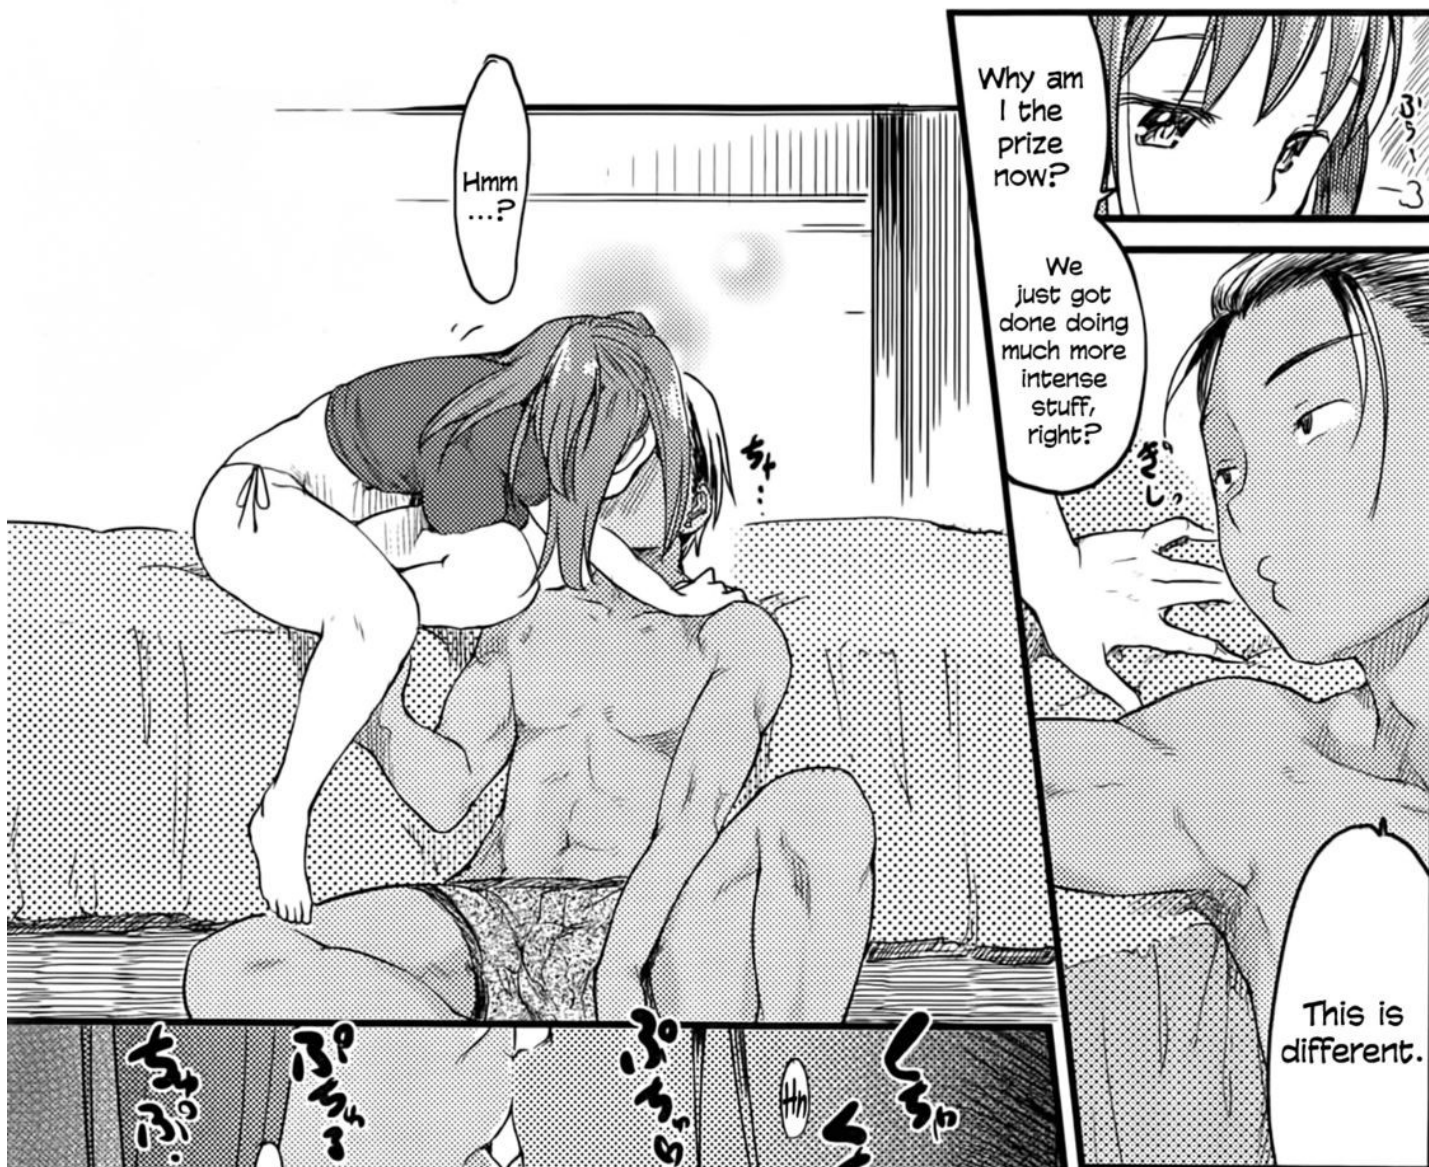

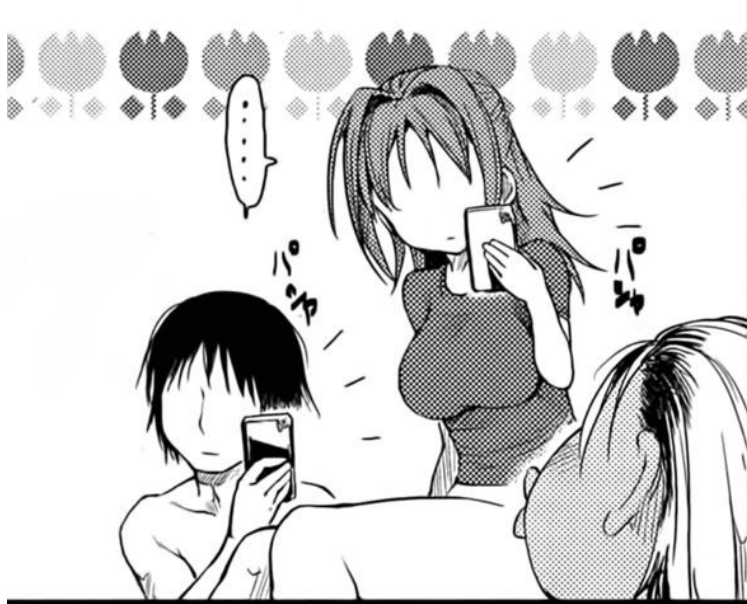

Uhm~ well, you see...
Never mind. Look at that fool.

What are you spacing out for? You screwed up so many times.

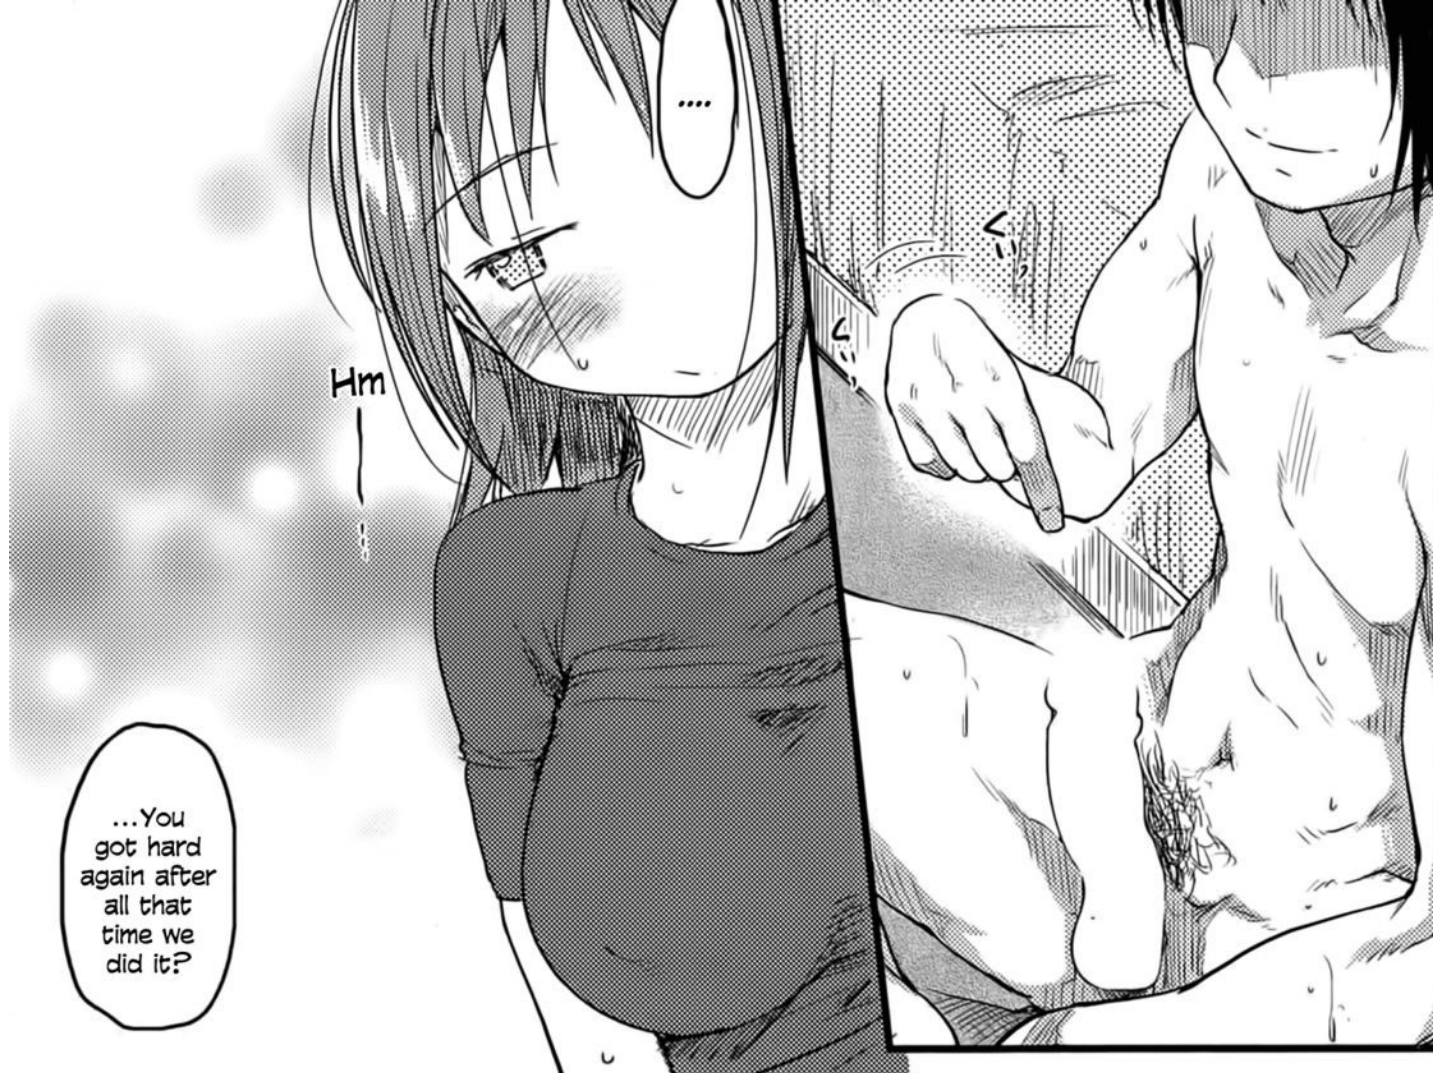

YEAH!

You lost?

Oh.

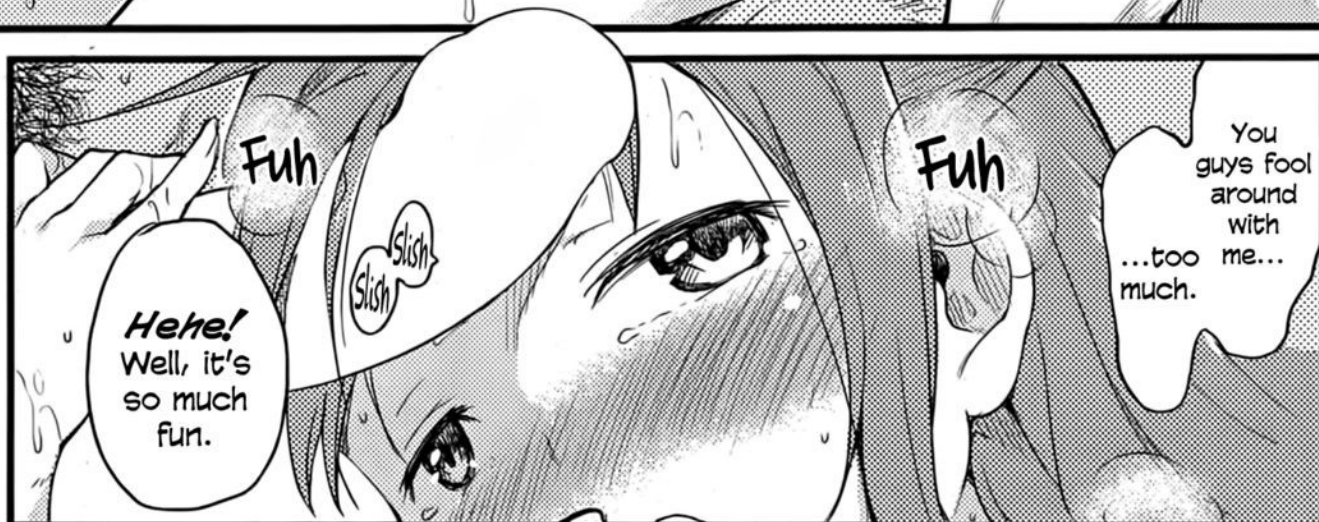

...You
got hard
again after
all that
time we
did it?

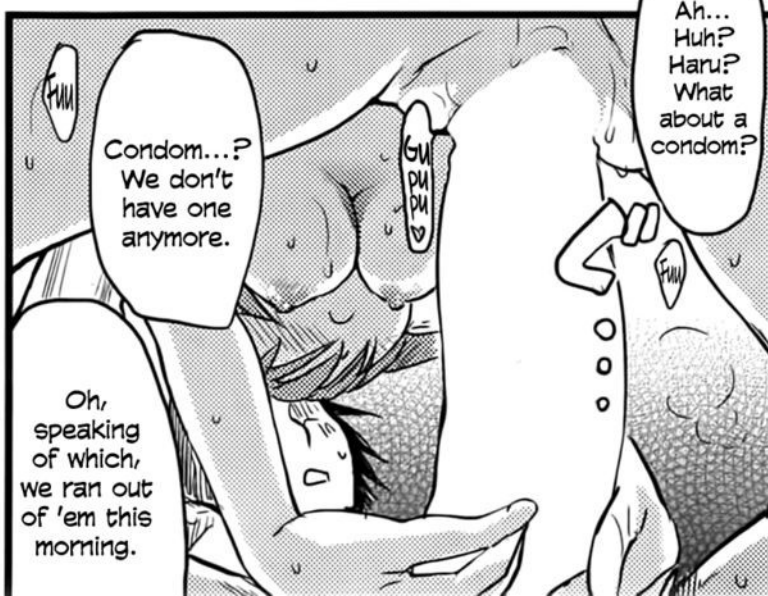

Damn.
Both of
you need
a girl-
friend.

I
can't
just...
Mn...

...keep
taking
care
of you
forever.

And then, because I didn't want him to feel left out,

You're a pathetic guy who came crying to me, a friend who happened to be a girl, after getting shot down...

And so we ended up having sex...

I ended up getting pressured into having a threesome with you ex-virgins.

You guys are so lacking in virility.

My womb isn't so weak as to be impregnated by the likes of you...

Tap Tap

... Yeah.

Fuh

You can't help but get agitated after all that. Right, Itsuki?

Ngh

ほぅ...
ほぅ...
ほぅ...

Fuh

I don't care how many loads it'll take, but I'm gonna keep shooting good, thick cum.

Fuh

I'll impregnate her with the seed of a mere sex friend!

Nmp

Heh... Your womb isn't that weak... is it...

It has become very soft and sensitive... but it's not weak.

After all, Itsuki and I have been stabbing the hell out of it.
