

せんぱいとわたし

senpai to watashi

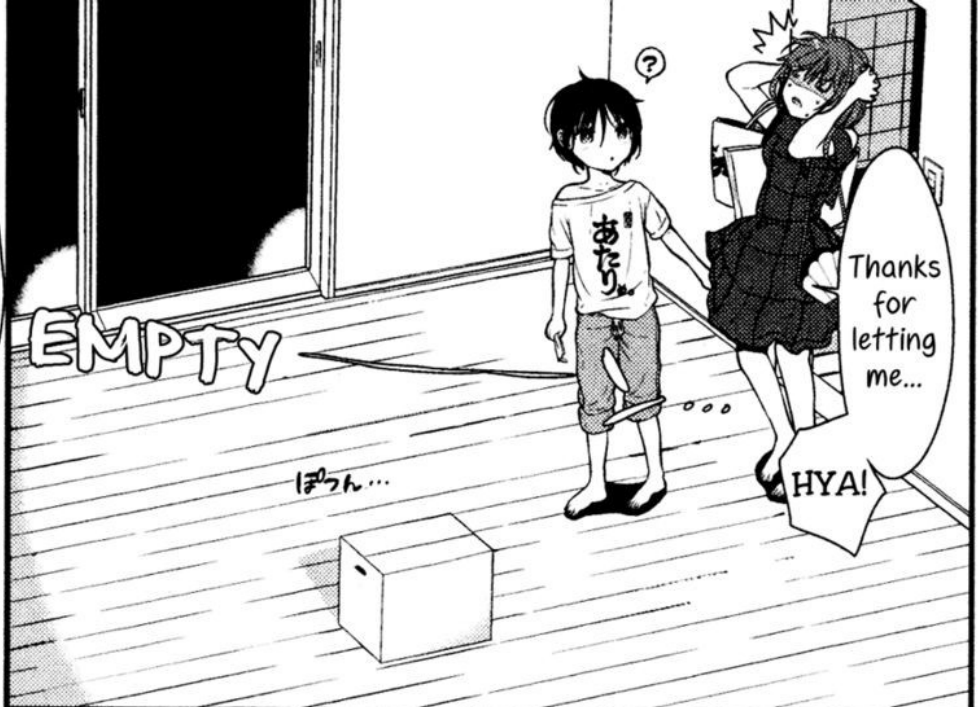

That was the moment when I realized love at first sight truly does exist.

I found Senpai at a book store I just happened to visit.

After some time, she graduated, but I ended up entering the same world as her.

Mmm

Think of it as my birthday present.

I'd rather have a kiss as a show of your gratitude.

Plus...

I'm Okay!

I'm glad I did all I could to come over today.

There were others from your class there, too.

You ignored the party invitation I sent you. I was certain you had forgotten!

So you remembered when it was, then?

Owww!! Owww!!

You were born in April, Me-chan.

rub rub

I chose to enter this industry so I could be closer to you, Senpai.

And yet...

We're together!

We live in different worlds now.

I graduated.

squeeze

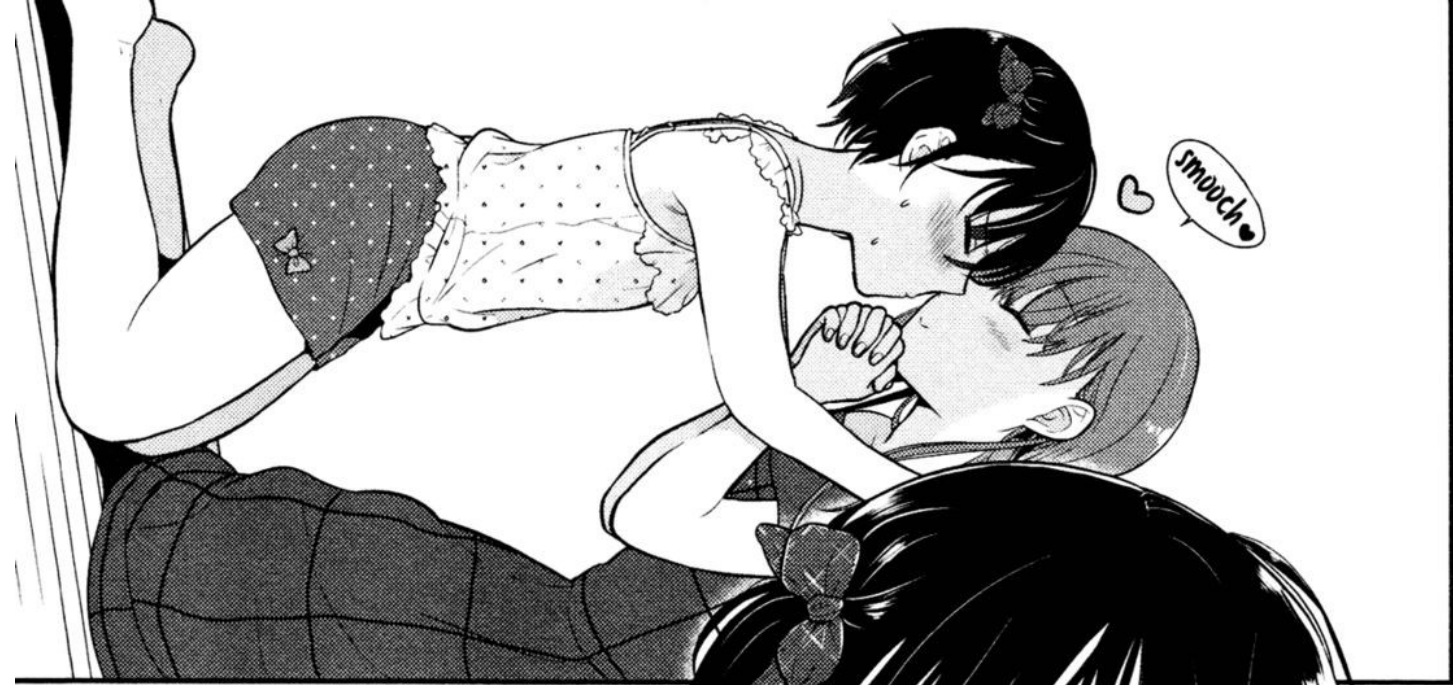

Senpai... you're aware of how I feel, right?

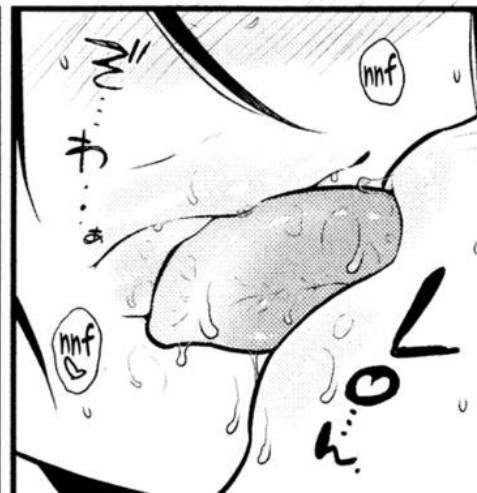

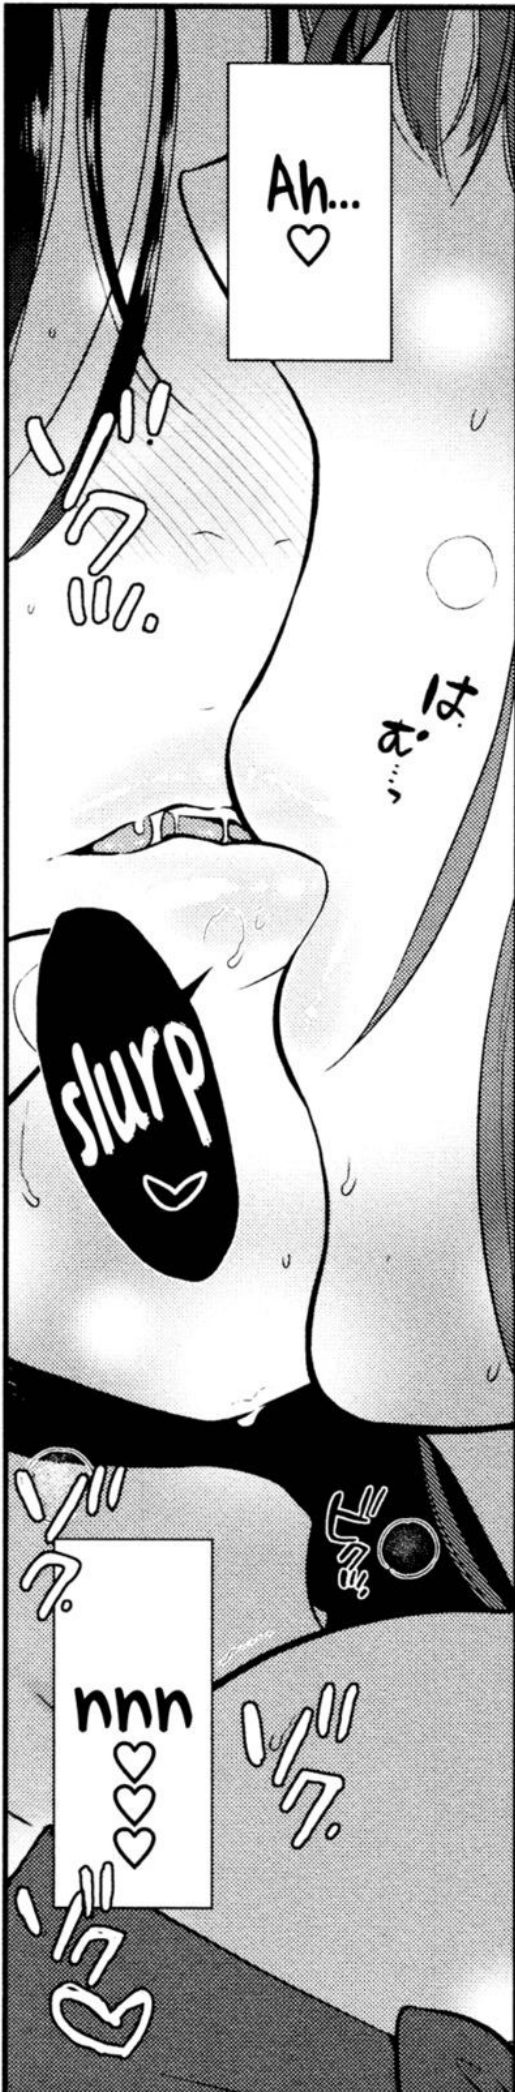

By any chance, are you a kissless virgin?

Me-chan...

Senpai ...

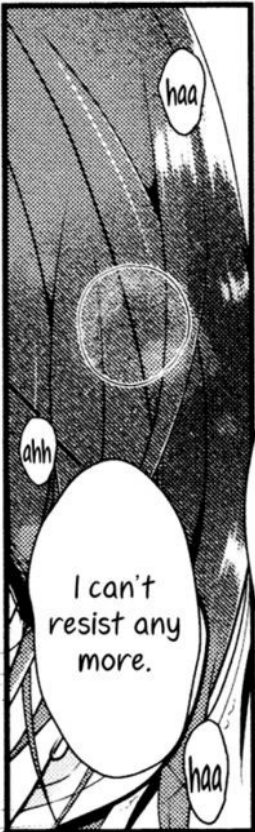

I want to put it in Senpai's pink hole.

squish

haa
ah

I can't resist any more.

haa

ahh

You're quite sensitive around your mouth, Senpai.

It's so small, but your lips are quivering, it's adorable.

haa

Call it a French kiss!

You ARE talking about kissing, right?!

Can you tell that we're connected?

Don't suck on it!

Love juice keeps pouring out of your mouth...

C-Call it spit!

Concentrate on your mouth, Senpai.

It's good...

This feels... good!

More... I want to experience more of this!

You look like a little puppy, Senpai, it's adorable.

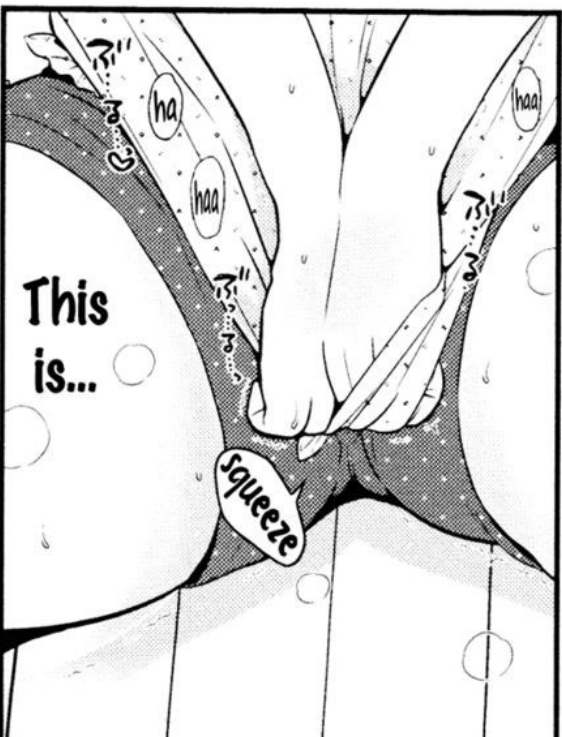

Does my saliva really taste that delicious?

fwah

We're both girls, there's nothing to be ashamed of.

But there is...!!

But...

Unfortunately, I'm out of time.

It's over...

It's... over...

I'll text you again later!

But...

Senpai ...?

You can...

The last train of the night will be leaving soon.

Thanks for being with me today.

We went past... midnight?

Hmmm, what should I do?

I hate to say it...

but you're simply lusting for me, Senpai.

There's nothing special about today, it's just any other day now.

That reminds me, Senpai...

She's cute when she's frantic too!

I want to know everything about you, Senpai.

I'll get mad!

I promise I won't hate you for it.

いた

ほた

I won't laugh at you.

I won't do that!

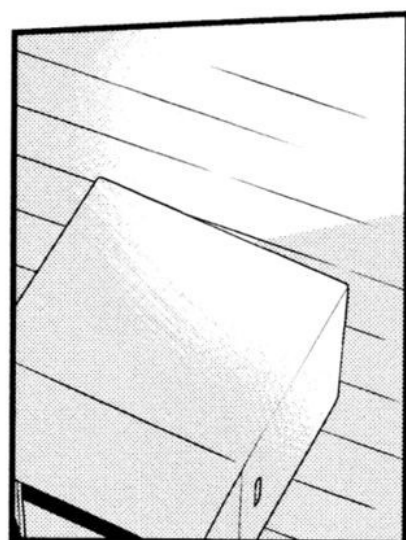

Eh!?

I'll kiss you if you tell me what's inside that box.

Absolutely not!

Me-chan opened up "everything" there was...

Senpai...

But as if it were so simple...

It is not.
