

BLACK WITCH

SCREAMER

Ok, i must admit it...this is fun!  
This program (even with all its  
limitations)...it's FUN!!

This third comic is the proof, and just  
like the other ones, i hope and i wish  
you to enjoy the read!

As you'll see, i'm into yuri and soft-core  
but i still want to show everyone my  
last work!

By Screamer

Yes!!

This must be the place!!

SAEKO - NOVICE WITCH HUNTER

The Black Witch!!

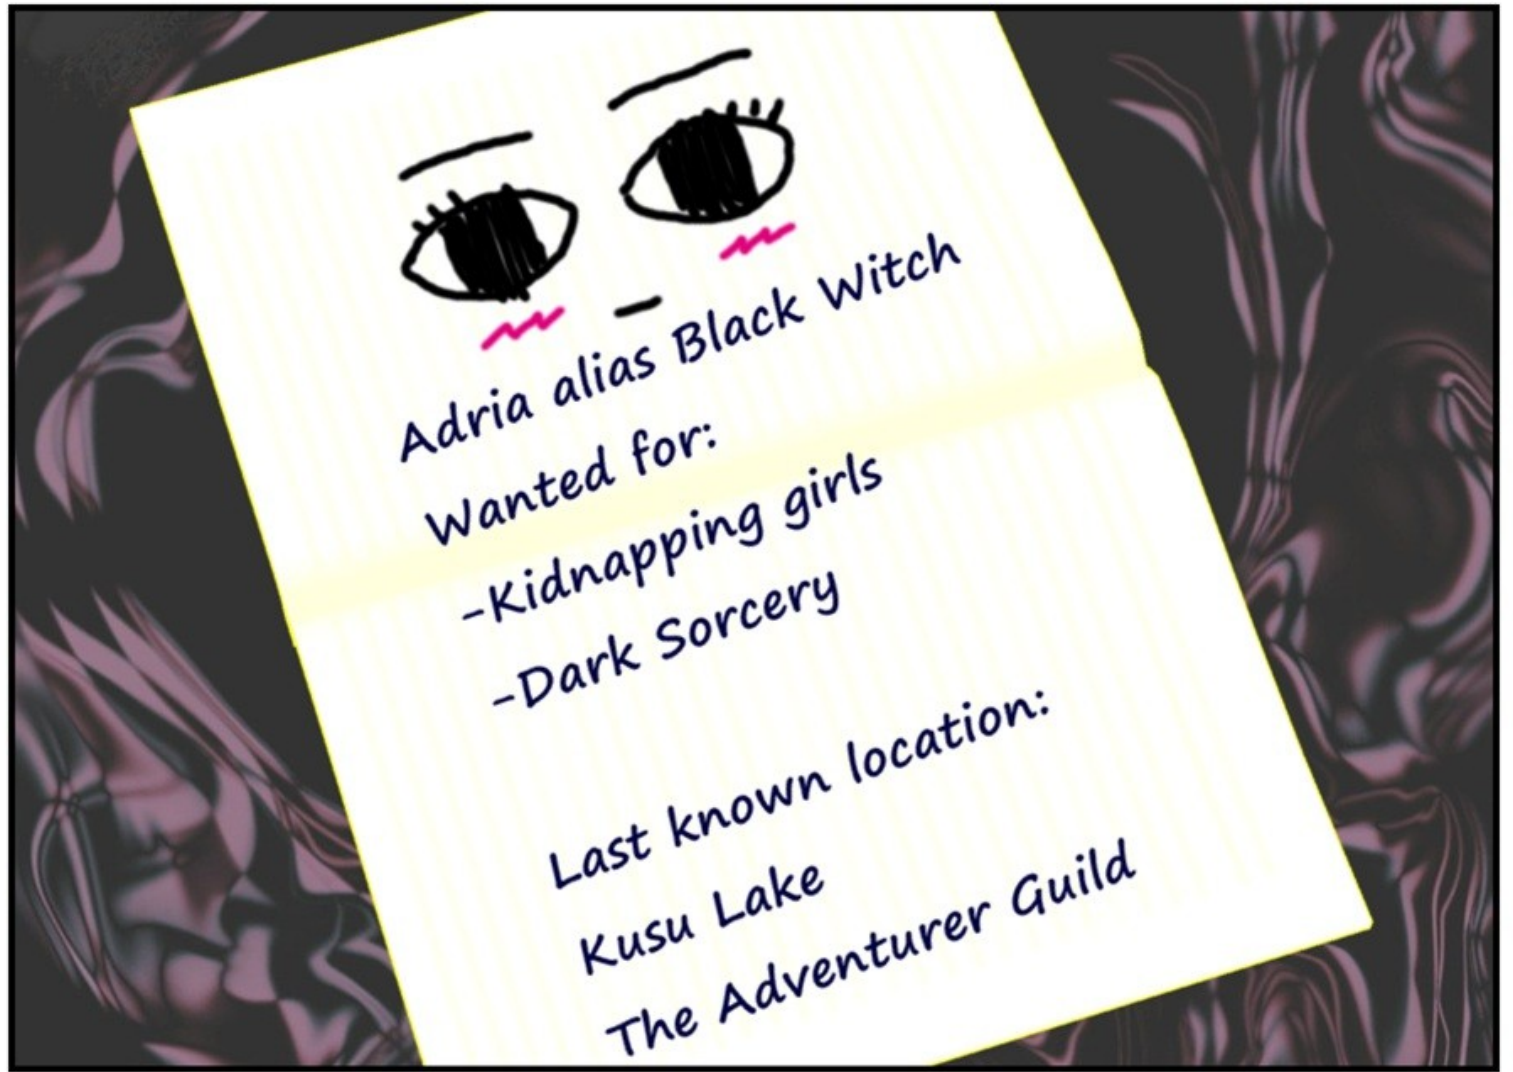

Such a strong magical energy... yeah! SHE must be close!!

They told me this is the perfect mission for a novice....uhmmm....

If i'll beat her, the Adventurer's Guild will accept me as a member...

Well...enough chit-chat!  
Let's keep going!!

\*glom\*  
C'mon Saeko, you  
can do it!!

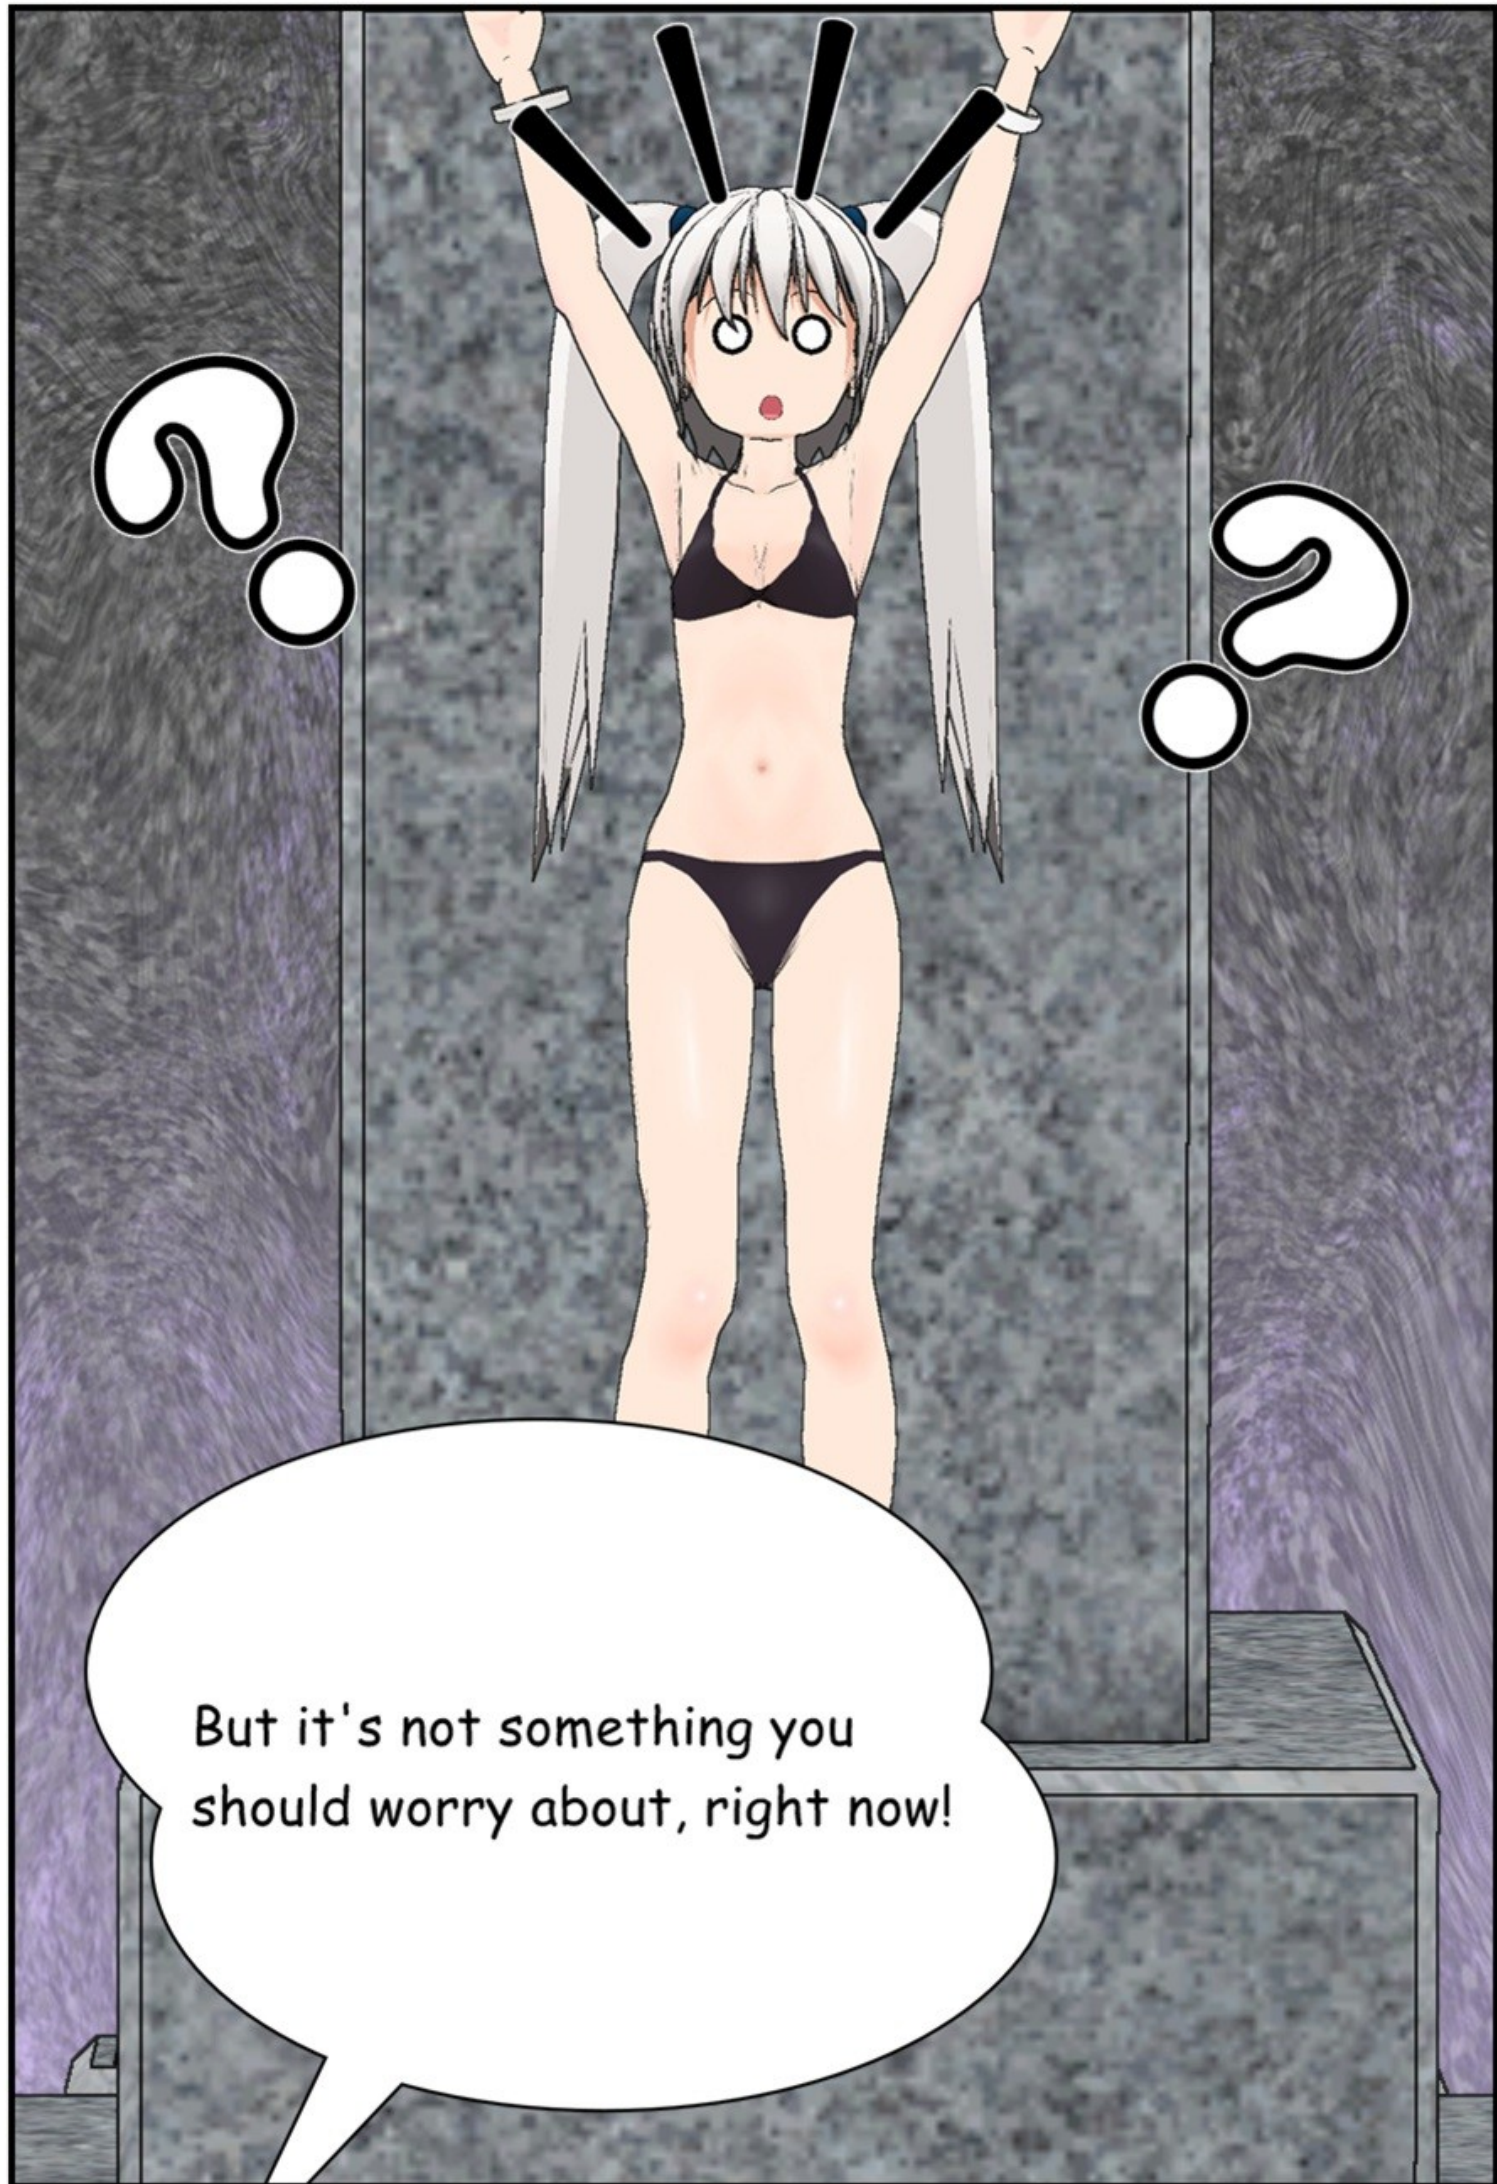

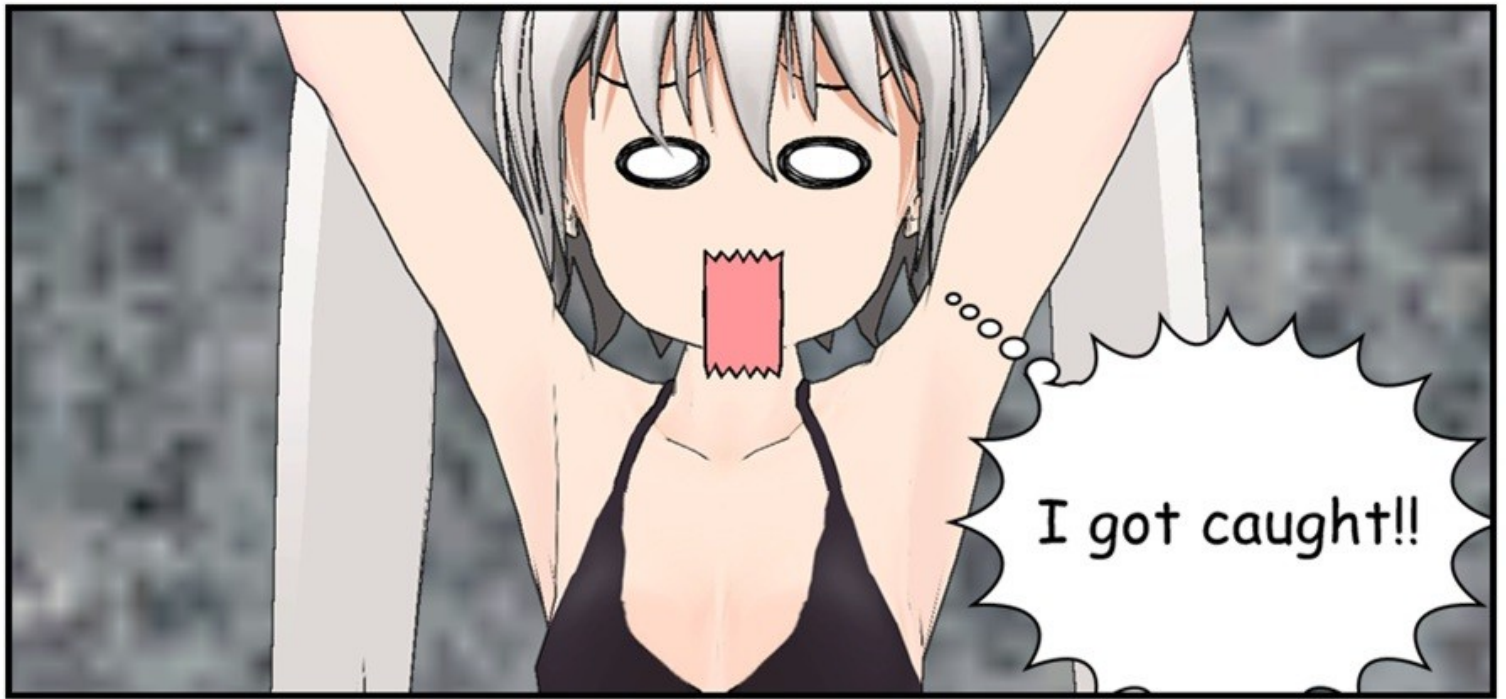

Ara, ara!  
Finally waking up...  
my dear!

Don't worry!  
It's normal to be dazed  
after a Sleeping Spell...

But it's not something you should worry about, right now!

But i can't!  
Just guessing!  
Tehehe!!

Don't read my  
mind!!!!

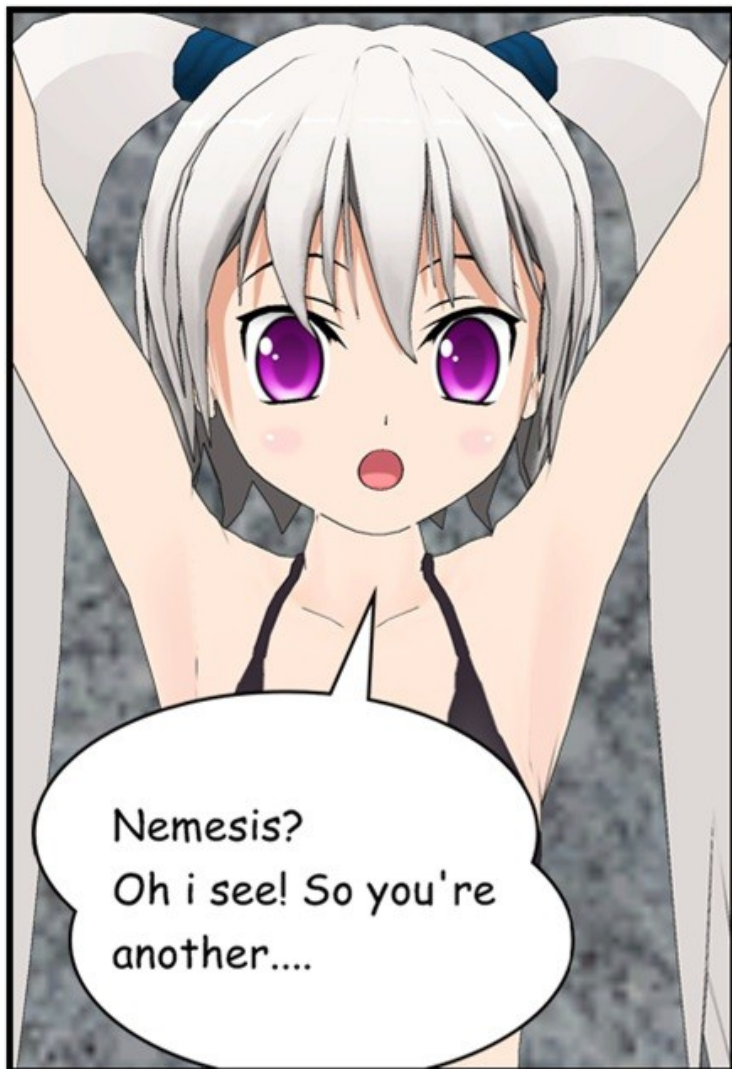

I merely found this  
wanted poster...and  
i thought you were  
looking for my friend  
Adria!

Wait a second...but if  
you're not Adria...

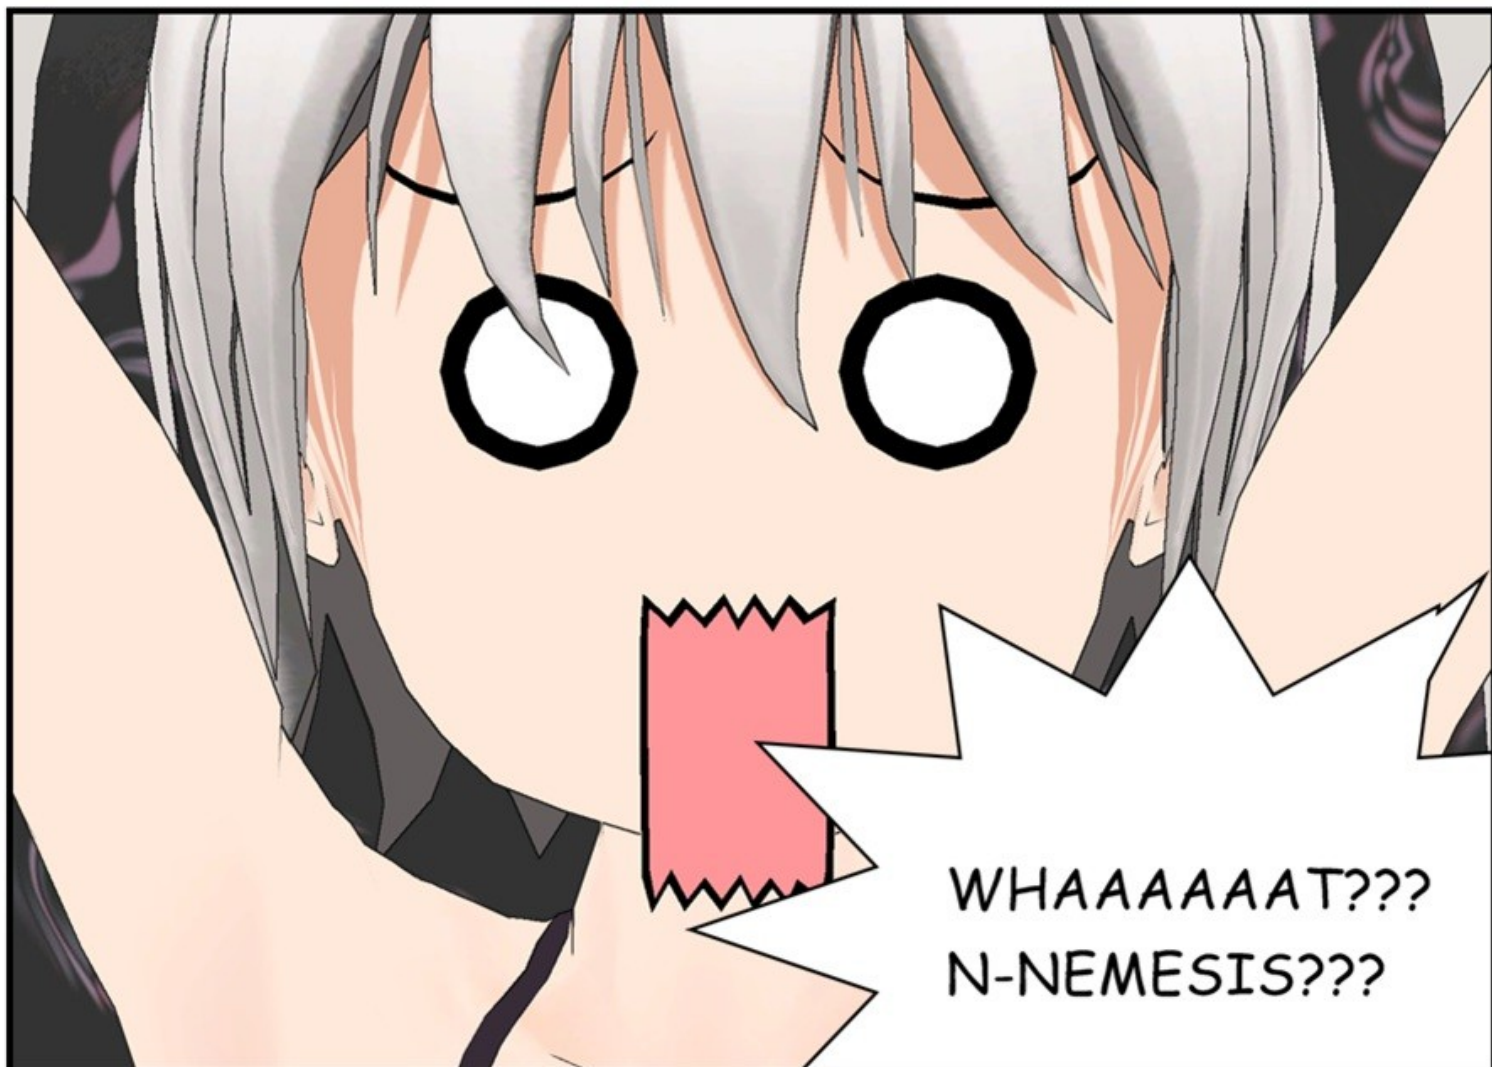

Nemesis?  
Oh i see! So you're  
another....

\*oopsy daisy\*  
I forgot to tell you  
my name! I'm the  
Witch Nemesis!

WHAAAAAAT???  
N-NEMESIS???

NEMESIS...

The most powerful witch ever existed!

A real demon on earth!

Not even the stronger warrior got a chance against her!

Indeed...i'm Nemesis...

W-What's so funny????

Pffftttt....

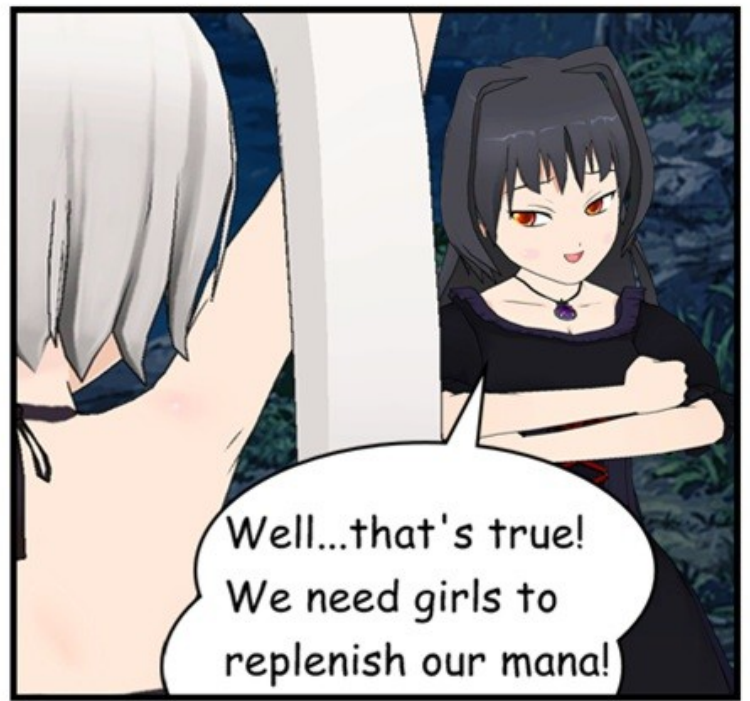

Me?  
Killing you?  
Why???  
Pffftttt...

To suck my blood, right??  
That's what you witches do  
to your victims!!

*Let me recharge  
my mana...*

*P-Please...be gentle...*

O-Of course not!

Ara, ara!  
You're not thinking  
of something ecchi,  
aren't you??

But it's ok!  
The girl is free  
to go after a...uhm...  
"recharge"!

R-Recharge??

I could never harm anyone... BUT, if you try to attack me..

We're not that bad you know... I guess peoples hate us for a reason!

MAYBE!  
Unless...

SO IN THE END YOU'LL KILL ME ANYWAY!!!!??

You don't give me a "recharge"!

Uhhmm...that  
would be a problem!

A girl must consent  
for the ritual to be  
effective!

That means i need  
to find a way to  
convince you...

NO WAY!!! NOT IN THIS  
WORLD!! NOT IN THIS  
DIMENSION!!

Very well!  
Torture time!!

W-What??  
Y-You can't be  
serious!!

OH!! There you  
are!!

I'm always  
serious!!

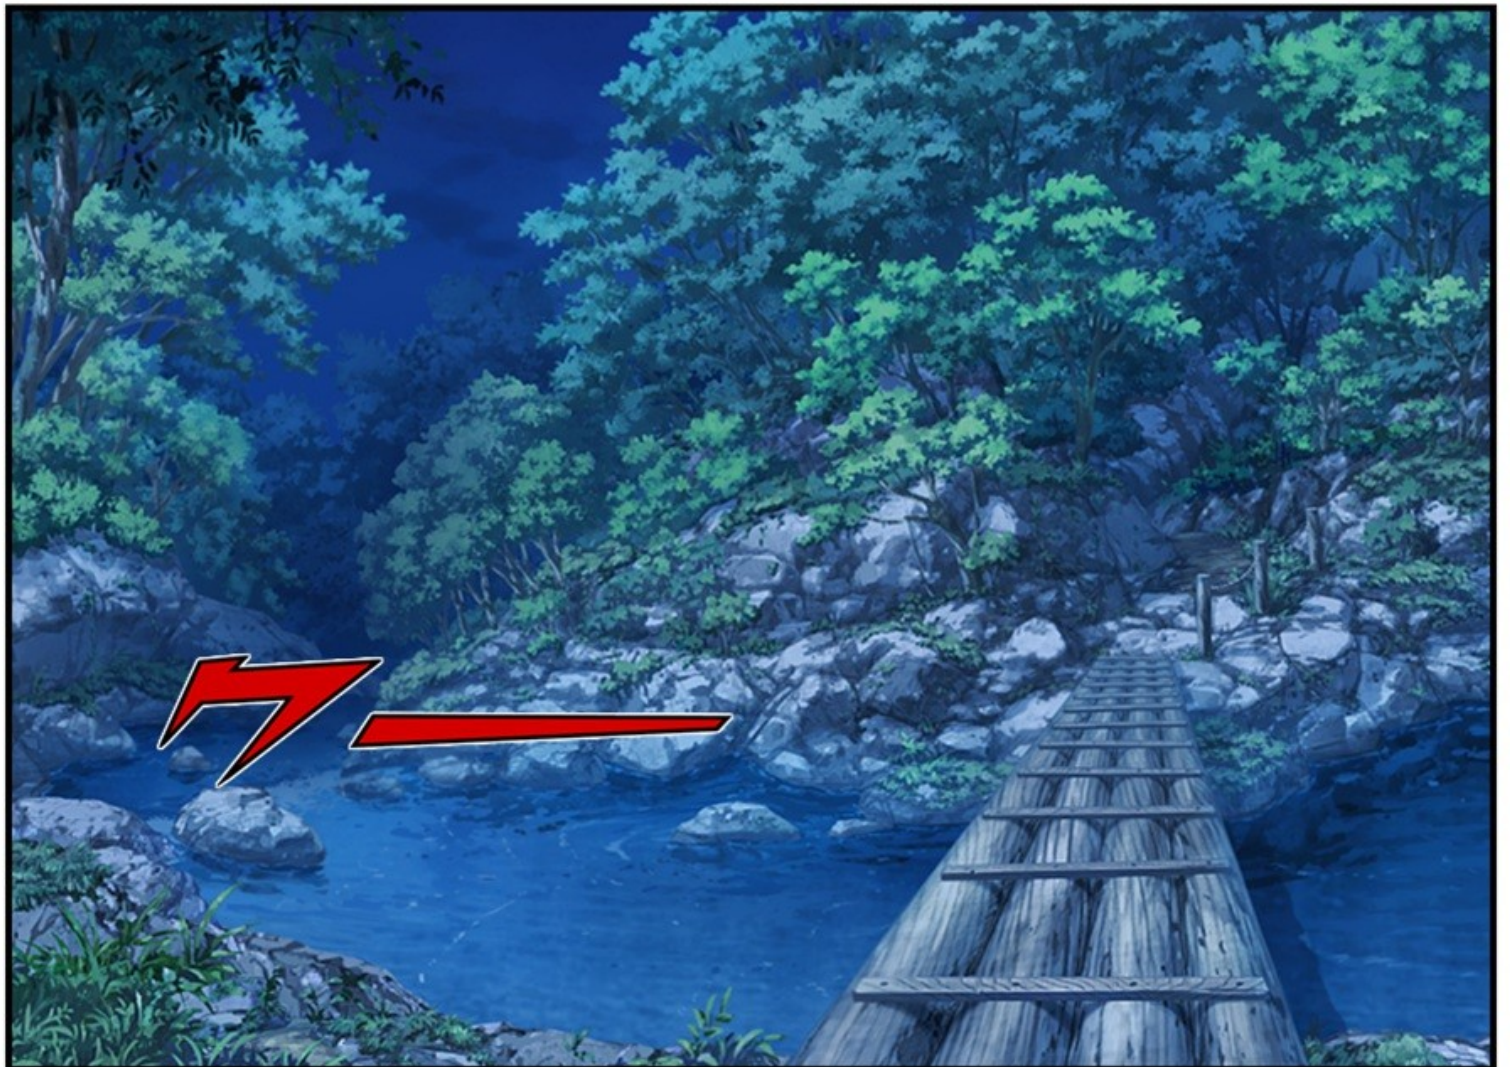

Now..where  
did i put my..

Prepare yourself...My cute adventurer...

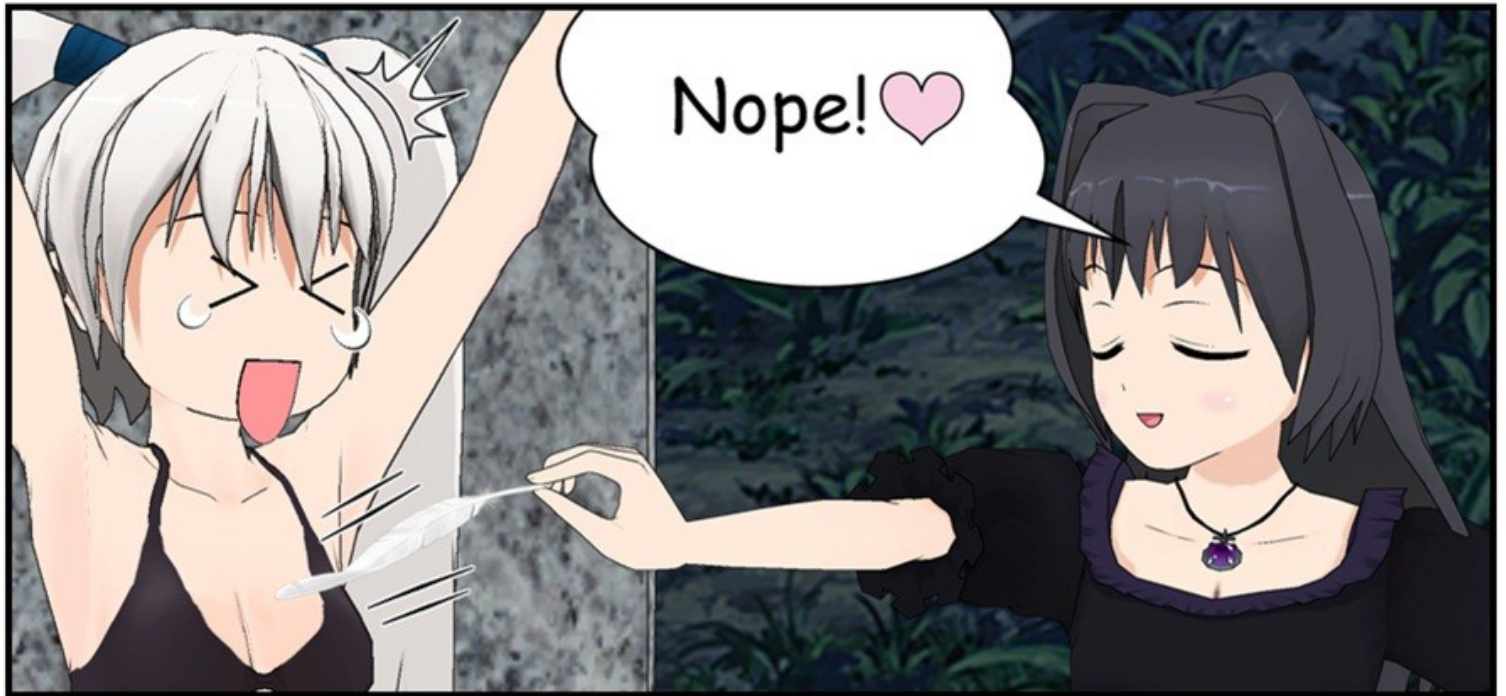

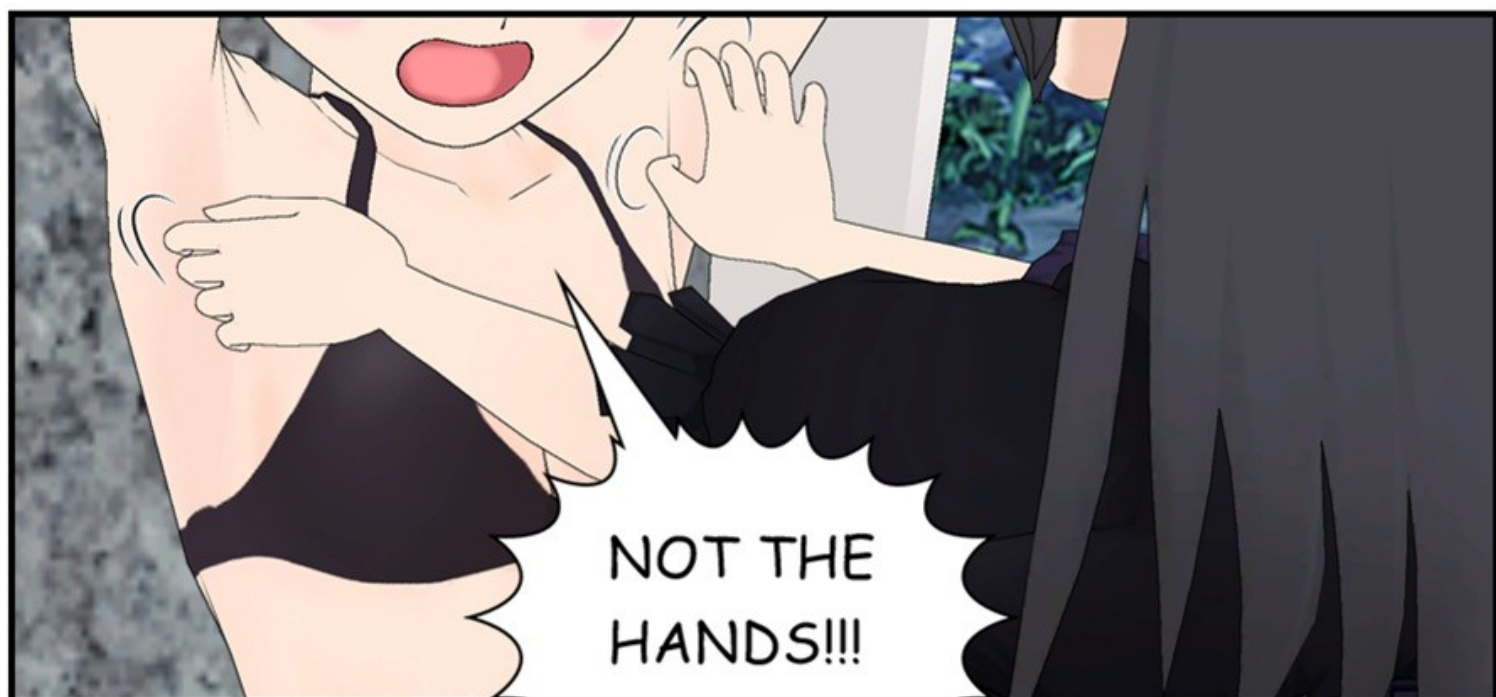

You're going to "suffer"  
a little! ♡

I can still do this for you...

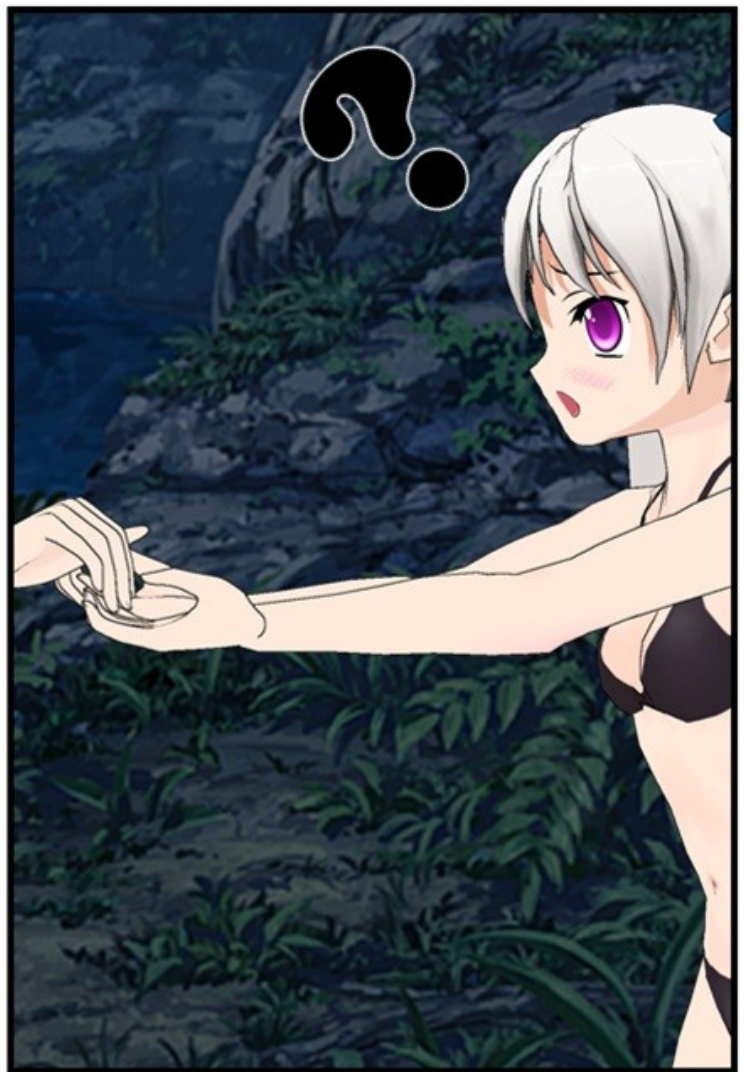

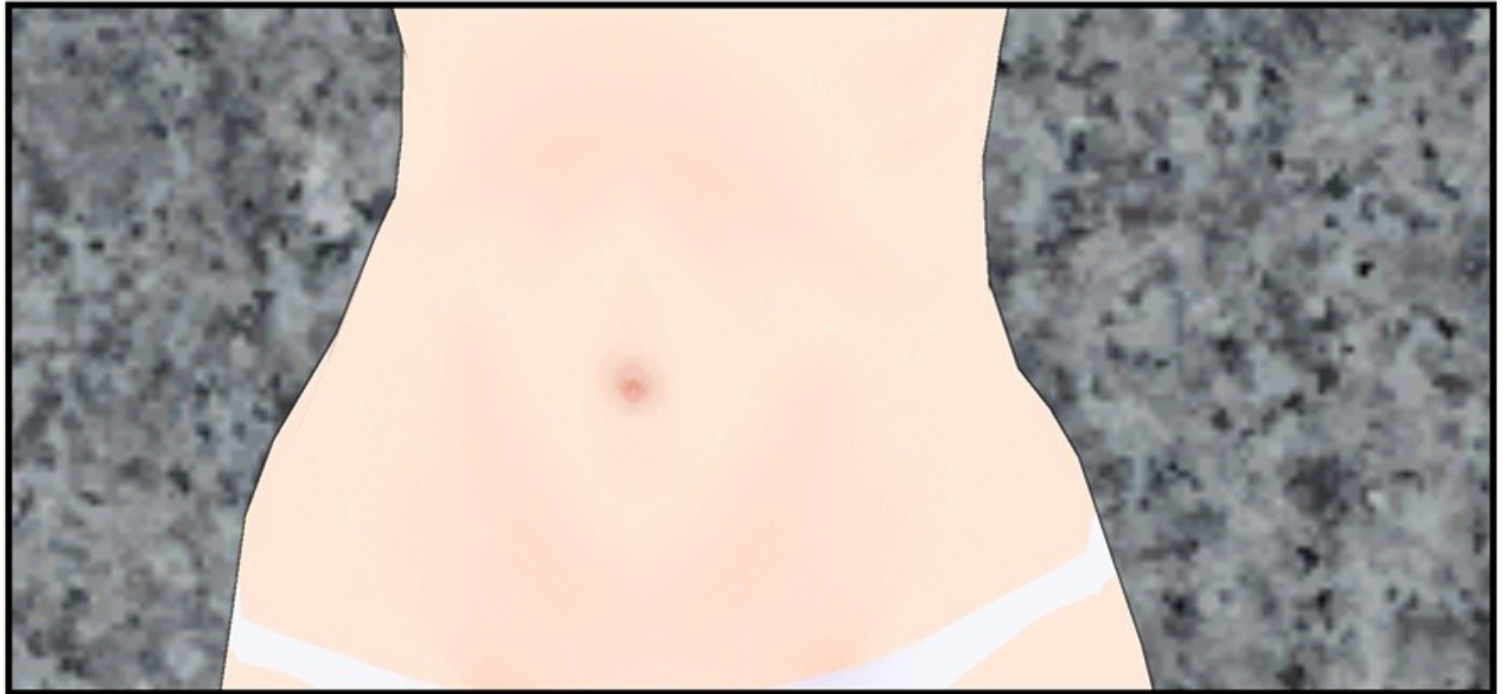

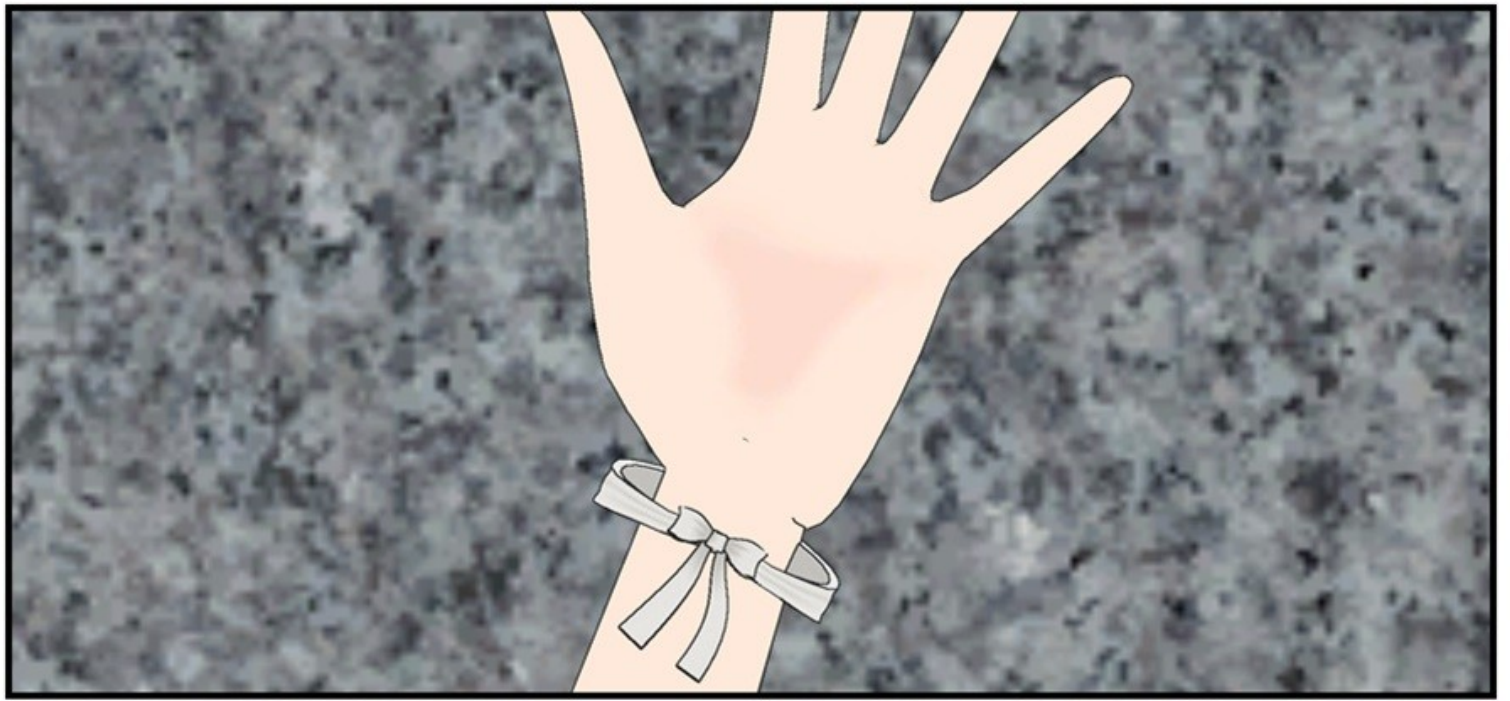

N-Nemesis...

I can still warm you up  
with my body...

You're actually enjoying this...right?

Tehehe...maybe!

Well...now that your perverted mana is full...

I think i'll accept your kind offer...  
Misses Black Witch!

Fingers time!

Munyaaaahhh!!

These soft sides  
are all mine.... ♡

Don't be stupid!  
This is your chance!  
I'm all tied up and  
cannot cast anything!

Hand me over to  
the guild!!

I won't allow it!!!

W-What's  
wrong with  
you???

Why this sudden  
death wish???

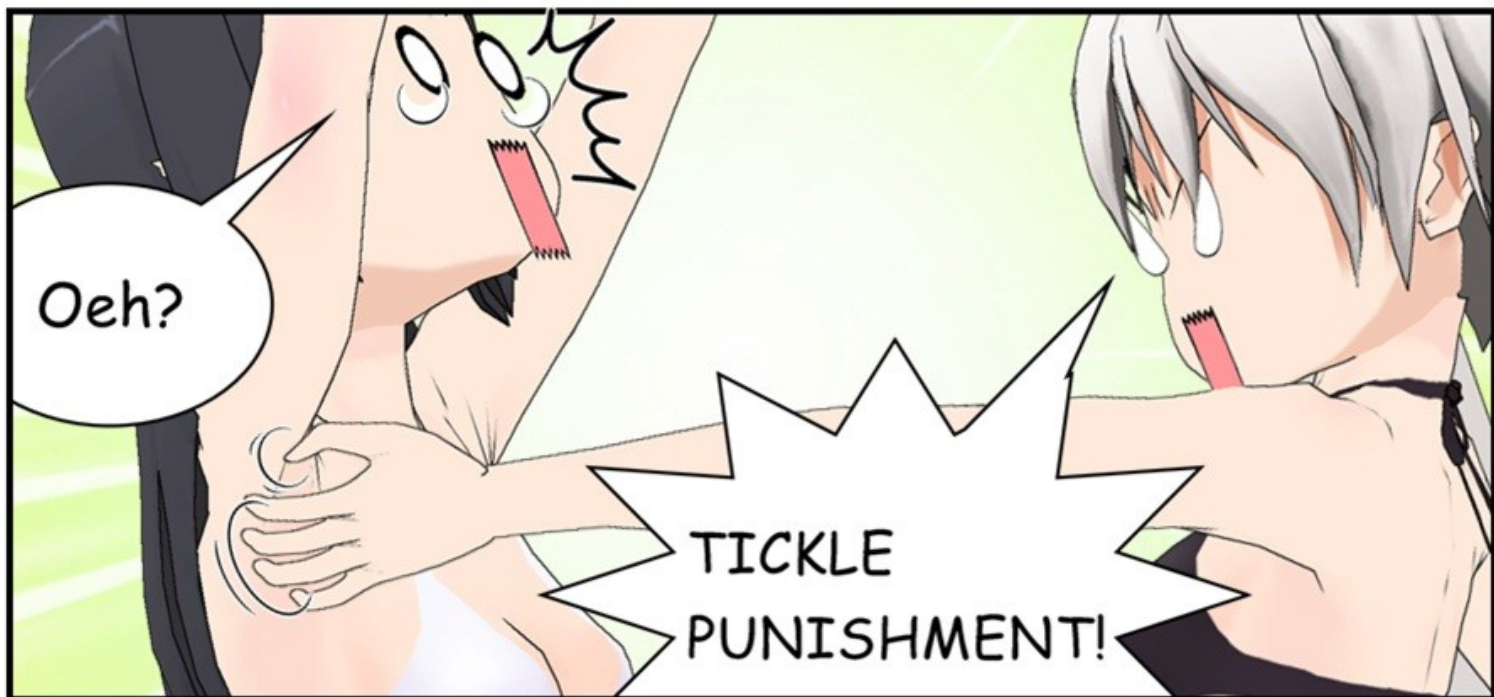

Because a witch...

...is not supposed to fall in love!

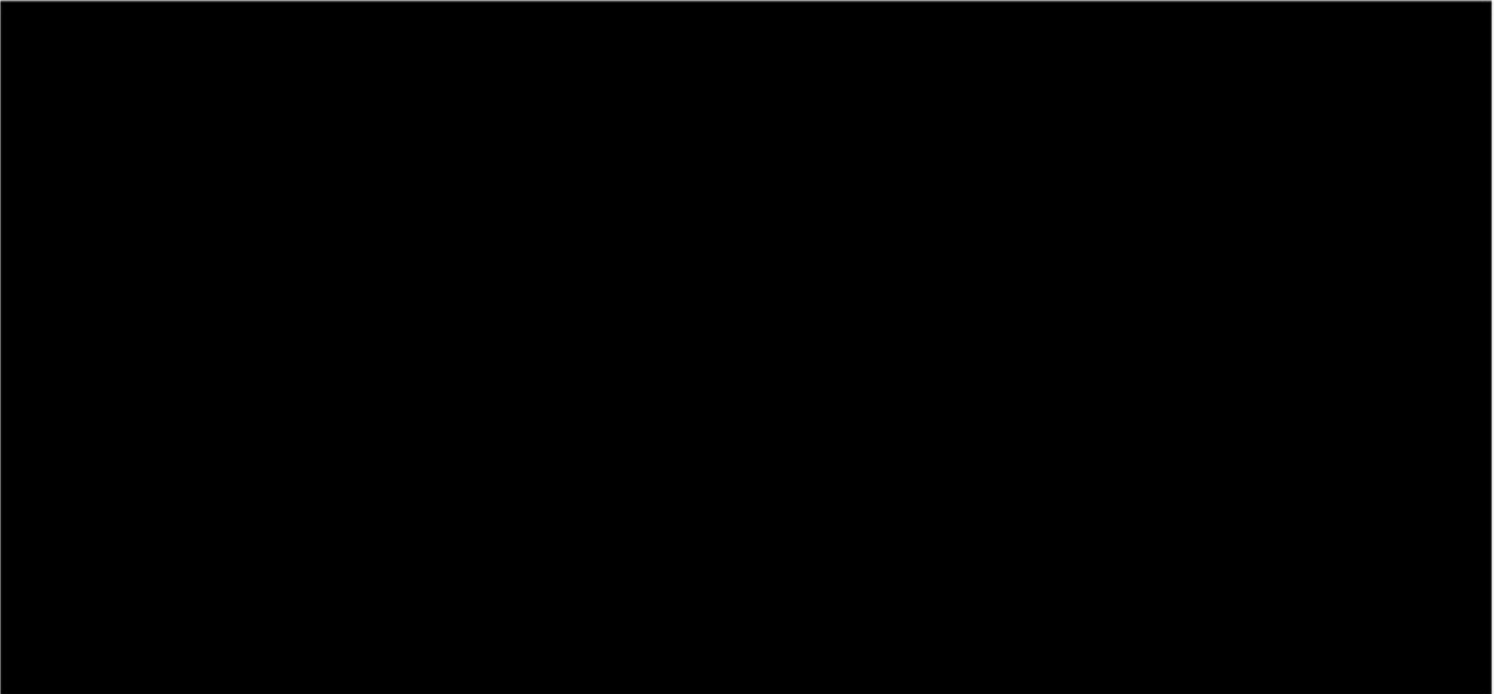

You.....

What about MY feelings???

2 months later....

My cute little apprentice!
