

Oh, the humanity!!

This is horrible...

Shit... Again...?

This town is currently being terrorised by a single outlaw!!

This is West Town, located in the vast expanse of the wasteland!!

That mean bastard. Lately, he's been doing as he damn well pleases.

Quick-shot Jack.

Poor girl. She was so young.

This is Jack's handiwork...

Who could have done it??!

This woman's entire body is covered in someone's bodily fluids!!

Me?

Name's Mike.

I'm just a wanderer who recently arrived at this town.

That so, partner.

Shoot! How could I, of all people, be so rude.

[DOUBLE PEACE MAKER]

Who is this Jack?

Tell me.

And you are?

Huh?

M-  
My  
god!!

See...

I'm quite confident in my own quick-shooting.

How about we have a draw right here and now, then?

Ooh?

...Who in tarnation are you...?!  
What?!

Onetwo-three!

We'll draw at the count of three!!

He counted too fast!!!

I shall defeat Jack!

Calm down, friends!

Everyone!!  
Run away~!!  
It's Jack~!!

Part-ner!

Hey!  
Jack!!

I'm glad he showed himself. Saves me the trouble of having to go find him.

Dance for me!!

Fuckin' dunce actually thought I'd give him a fair fight!!

Ha! Ha! Ha!

Jack's shot is especially stinky!

Aah... He's done for...

Hey! Whoa! partner!

Oh, my god!!

Yikes! What a cheat!

That rotten son of a bitch doesn't play by the rules!!

Run away!!

And it'll stick for a week, even if you try to wash it!!

Jack!!  
Have a draw with me!!

And leave our town once I beat you!

Ha! Ha! Ha! Haa!

Looks like there's no one left in this town to oppose me~!!

No! Not while I'm still here!

What?!

Of course I saw!

Did you not see what happened to that other man?!

Cease this foolishness!!

Maria!!

Ma-

Haha!

The world isn't so kind that a woman, much less a brat, can just show up and beat me!

That's so funny, even that \*tumbleweed is rolling with laughter!

That's Yes, right.

You wanna have a draw with me, princess?

Oh~?

\*Tumbleweed

then the possibility of losing to a "woman, much less a brat" must have you shaking in your boots!

If you're too yellow to have a fair fight,

Jack!

women have the little end of the horn.

In a quick-draw,

Don't you see, princess?

Is that supposed to rile me up?

Kukuku! Really, now?

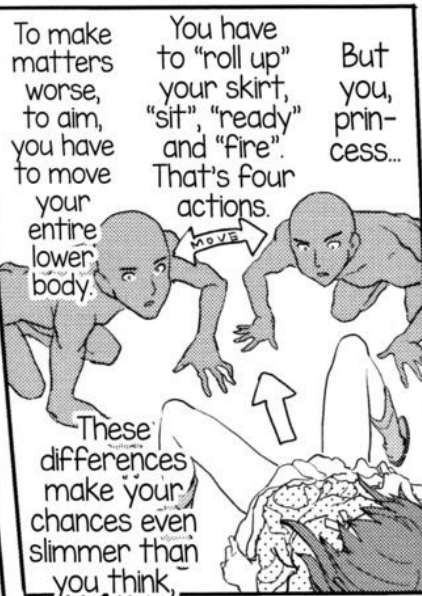

"A coward who ran from a duel with a woman!"

If you refuse this duel!

And that's exactly why!

That's what people will call you!

To make matters worse, to aim, you have to move your entire lower body.

You have to "roll up" your skirt, "sit", "ready" and "fire". That's four actions.

But you, princess...

These differences make your chances even slimmer than you think, princess!

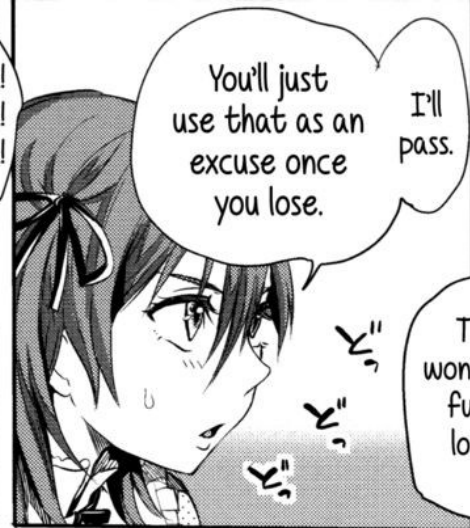

I'm equipped with a big magnum which I "draw", "ready" and "fire" in three actions...

As a man...

And if my opponent moves, I can redirect my aim whenever I want.

Big magnum 24cm

Did Jack just miss...?!

No, that can't be right...

He's no three pump chump, I couldn't even see a hint that he pumped at all!

Su-! Such a quick shot!...

...No, I was already expecting that... what's more important is...

Mayor~!

The mayor's been shot!

and show me that sweet, adolescent hole.

Spread your legs wide open

I don't need your advice...! ...I!

You're gonna run out of time if you don't speed it up.

Shouldn't you be pointing that crotch at me?

Ku! Ku! Ku!

C'mon, let me see it!

You're still alive...?!

...He's playing with her.

Jack believes he can beat her at any time.

Yes, somehow.

Jack is duelling her fair and square...

Nh...

Nh...!

ヒッヒッ

Nh!

...Nnh!

ヒッ

Your hand motions might indeed be awkward and unskilled...

Ah...

ヒッ

but don't give up! Bring yourself to climax, little Maria!

Ah...

We might never...

get another chance like this again.

If little Maria manages to fire a single shot...

...However...

Jack isn't taking her seriously.

...Yes, this is her chance.

for an inexperienced little lady who's never been with a man to keep her blinkers focused on masturbating. Can she really do it?!

in such an extreme situation...

C'mon!

...When did he get so close...?

Ooh?

At this range, you can't miss! This is your chance!

Aren't you gonna shoot?

You've got some pretty nice features.

Now that I look at you.

....!

Shoot!

Shoot!

I have to save everyone in town...

have to do my best...!

I... I...!

...Huh?!

What a shame.

I...!

I'm at point-blank range!!

This is your big chance!

Here you go!

Aah...! Maria...!

Your time is~ up~!

All you have to do is splash me!!

C'mon!!

Maria...!

Princess.

Now, then.

...Huh?

I'm assuming you know the rules of duelling and aren't planning to run away, right?

オオ

Ha

Ha

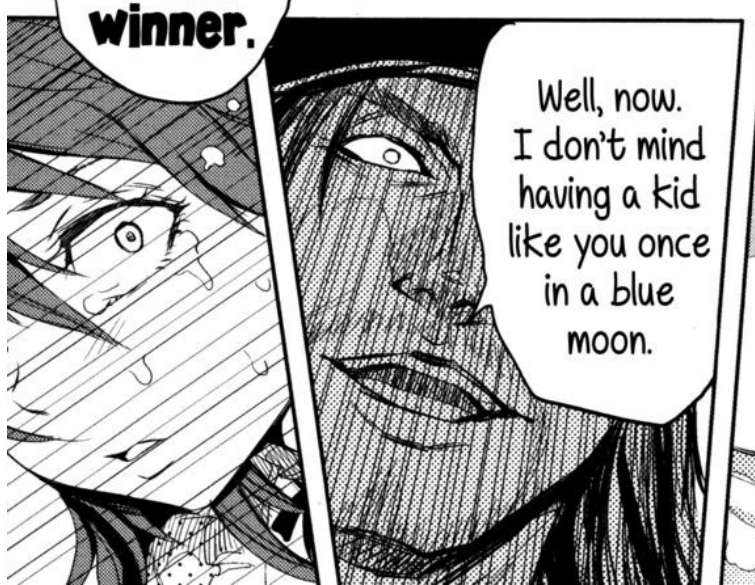

is at the mercy of the winner.

Ooh, Marial

By god...

The loser...

Well, now. I don't mind having a kid like you once in a blue moon.

Fresh fruit really is something else!  
You're tight as hell!

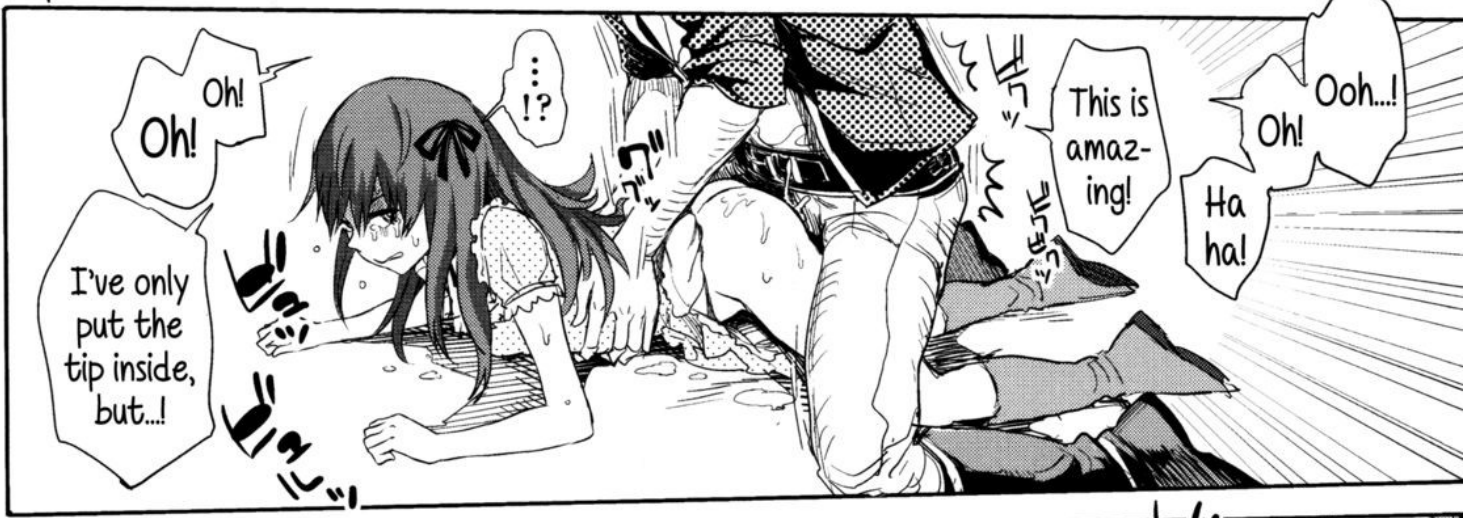

!!!

....!

!!!

Ah...!

Oh...!

Oh!  
Oh!

I've only put the tip inside, but...!

!?

This is amazing!

Ooh...!  
Oh!  
Ha ha!

...H-He's cumming inside...?!  
...No way!

Huh...?!

No way...

I'm cum-Haha ming like hal crazy!

Well, then...

the fun is only just beginning, princess.

...Khl  
Aahl  
I can't bear to look...  
Maria...

I'm being!! by this despicable man!!!

...!!!

You too will soon, be unable to live without my magnum.

Princess...

but to make up for it, I have unlimited ammo.

...I may be a quick-shot,

But... I wonder...

I prefer it if you called me a "quick-shot"!

Kul! Kul! Kul!

You're really growing on me!

...So, you still have the nerve to talk back. You've got balls, princess.

...Wha?!

...Pre-mature ejaculator.

...?

Huh?

That it doesn't hurt that much even though it's your first time. Odd, isn't it?

Its staggering viscosity helps make insertion as smooth as butter.

See, my semen is apparently special.

It somehow acts as a powerful aphrodisiac!

Ooh...

Oh!

And as a bonus, when I cum inside...

See? It's slowly starting to...

Phew...!

It won't stop pulsating...

....!

Multiple instances of sound effects like 'Squish', 'Squish', 'Squish', 'Squish', 'Squish' written in a stylized, jagged font.

What is this?!

No... No way...

!?

feel good, isn't it?!

...No...

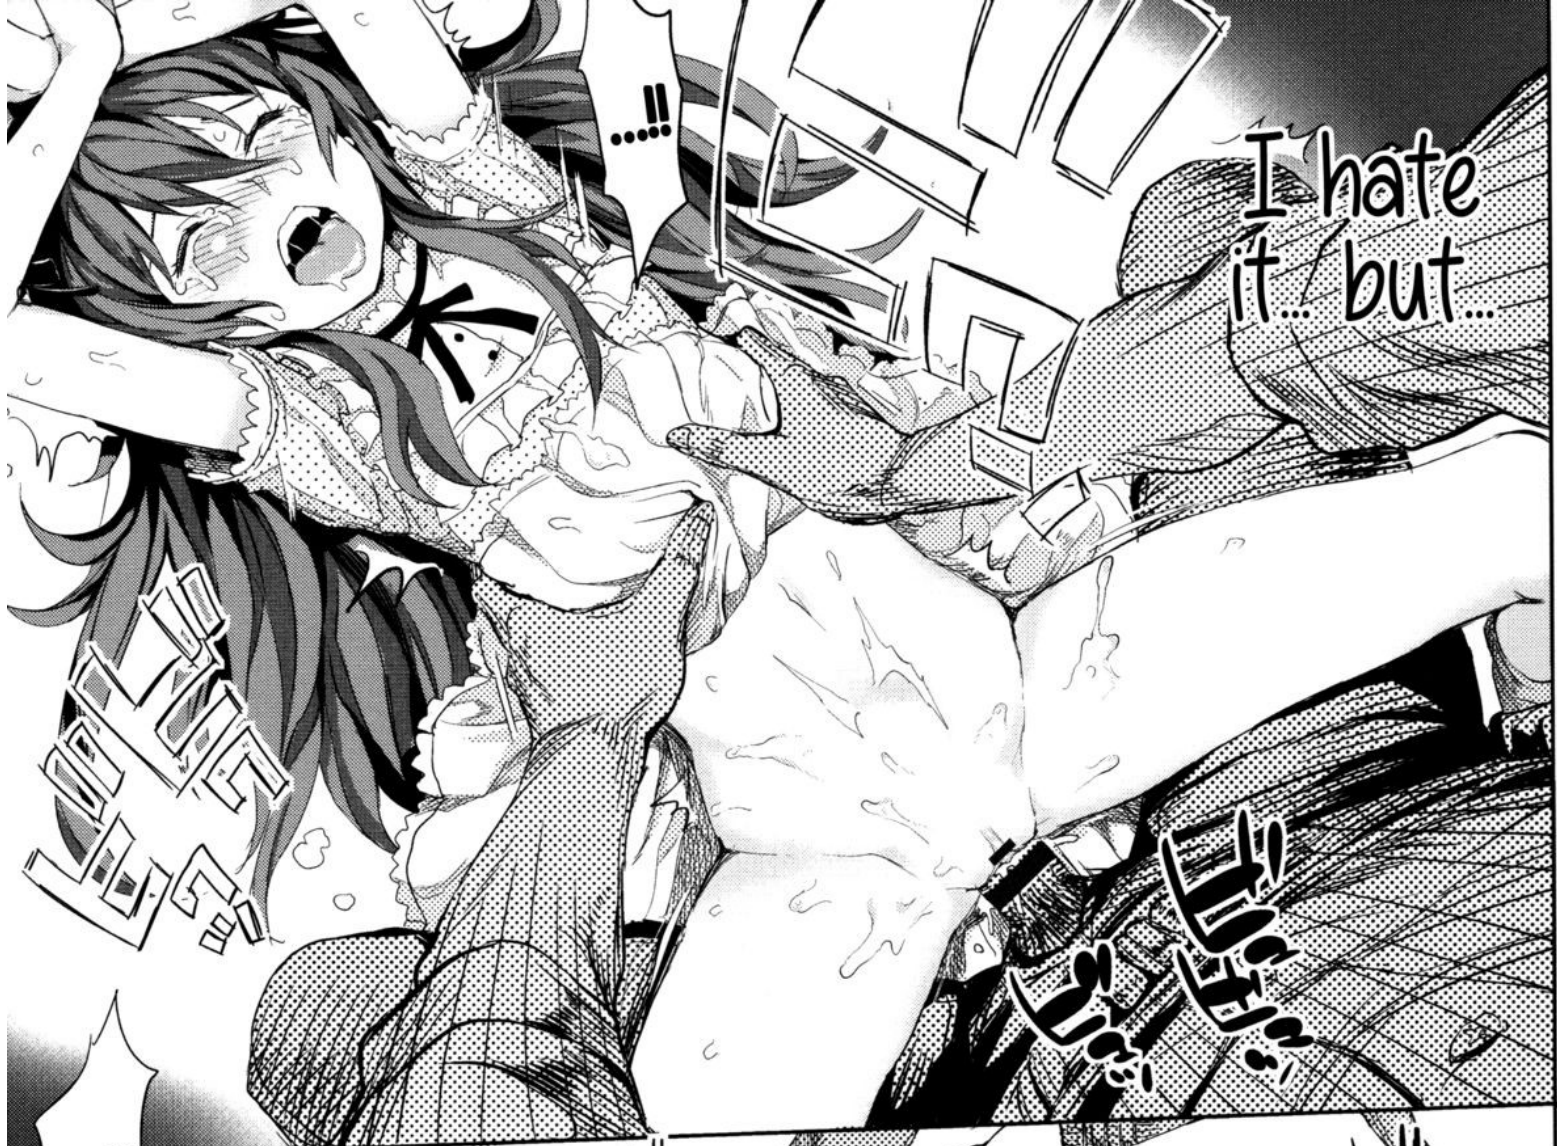

Why?!

No...! I hate this...!!

This...!

This monster's making me...

I hate it... but...

I hate this so much it makes me want to puke and yet!

Your mug is begging for more.

...This can't be happening...

It seems you came, princess!

Kukul!

Ku ku ku!  
This guy still has some tricks up its sleeve!

Here!

Nn...!

How do you like the feeling of my cock pressing directly on your womb... Well?

Now, if I grind on it a little bit...

while cumming non-stop?

Nh! Gh...!

The constant pulsing of his penis is making the back of my my stomach vibrate...

it makes you wanna become pregnant, doesn't it?!

Aah!

No!

Something like this...

Nh!

Nh!

Uhaha!  
It finally  
shows itself!  
The double  
peace sign!!

No...  
more...!

...Sniff

Your punishment for picking a fight with the great Jack

has to be more severe!

You now have the face of a fully fledged woman!

Aren't you glad?!

Ha!  
Ha!  
Ha!

Ugh

Hic

Eek?!

I'm not done yet, though!

This... awful man is making me cum again...

Ueh...!

"Double Peace Maker" Jack!

What did you just say?!

I'm also a federal marshal.

Yes, that's right.

I am the "Twin Shot" Mike!

Me?

Name's Mike!

Your evil deeds Hand yourself in end quietly! here!

Two Way

And so... thanks to Mike's help capturing Jack, peace finally returned to West Town.

You're the famous ...?!

That voice... You're the guy I just...!

Whoa, there. What are you little Maria?

You are our saviour!

If you hadn't shown up, this town would surely have been brought to its knees by Jack.

Mister Mike! We can't thank you enough!

...Yes!

....!!

and created a window for me, I wouldn't have been able to get him.

If you hadn't taken that shot,

Jack's quick-shot was the real deal.

Your courage saved this town.

Take pride in yourself, little Maria.

is you.

The real saviour here, little Maria...

Huh?

Her bravery carried on throughout the ages, and West Town was peaceful forevermore.

The tale of that small heroine born in that small town continued to be lovingly passed on by the people.

**End**
