メトニウムが描く、えっちで淡い恋物語28P♡

疲れたボクを照らす光は、君の優しい笑顔だった。

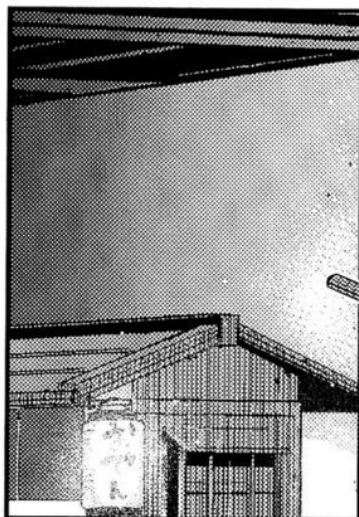

Are you still open?

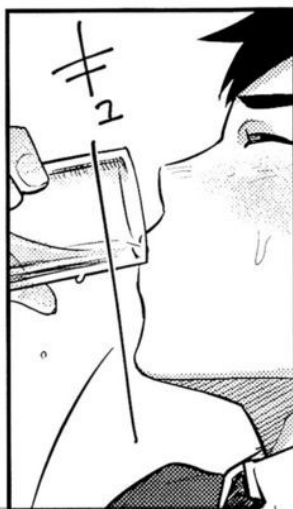

Excuse me...

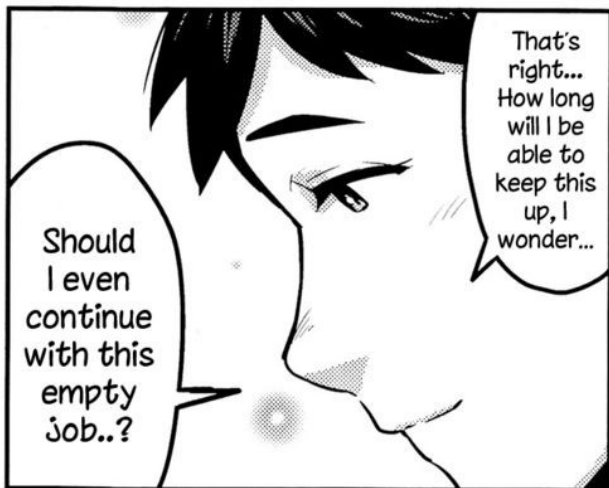

Ah, a customer! Come on in!

Is because I want to see a smile on every customer's face when they eat here~

I think the reason why I do my best at making delicious oden...

Now, let's put a great smile on that face by drinking and eating some more!

Eh-

That's great...

Hehe...

You
know,
this
stall...

Miko-chan...
was it?
You're so
young, yet
you're taking
care of an
oden stall all
by yourself...
That's
amazing...

It
originally
belonged
to my
grand-
pa.

Ah-!
Sorry!
I didn't mean
to start
talking about
depressing
stuff!

...It's
fine.

Both of
my parents
passed away
when I was
young, so
I was raised
by my
grandpa...

But
he had
problems
with his
health and
had to be
hospitalized,
so now I've
got to do
my best
with the
stall...

...

Your
grandpa
must be a
happy man...
I mean,
he has
such an
energetic,
kind...

...and
cute
grand-
child
to help
him.

I kinda want to drink too, so join me if you want, okay?

Ehehe~
You still able to drink more?

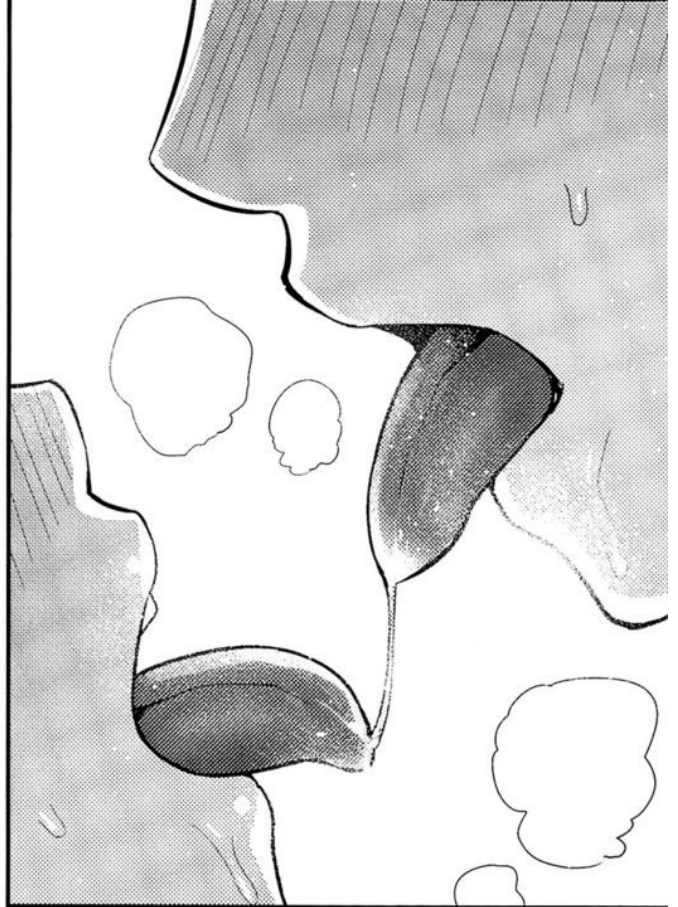

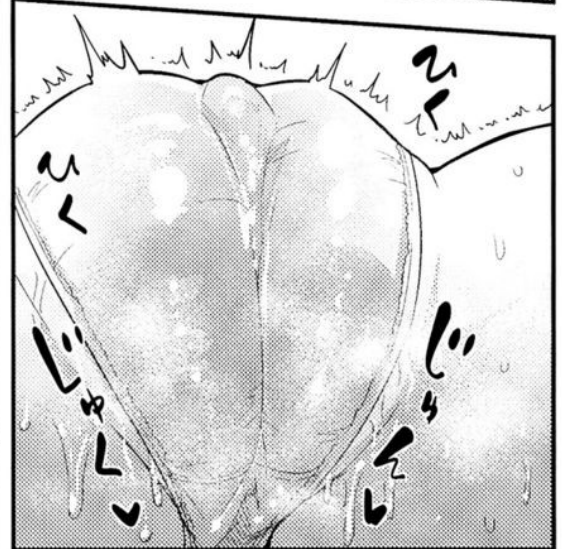

O... Okay.

NKUH!
It's...

Connecting with some-one...

I...

Want to walk the same path together with you!

Is exactly what I was searching for.

Making people smile...
A job like that...

...I'm gonna be really strict, you hear?!

Does that mean..?!

Fufu...
You don't have to be that honest!

And I'm not saying this as a joke!

It's just...
Well...
I can't say that "wanting to be near you" was not in my mind...

The breakfast... is really delicious.

Oh, and I forgot to mention...

Good!
No objections!

I'll be in your care from now on!
