BASIC CHARACTER INTRODUCTIONS

ELLEN

The Older Sister Mascot of a Certain Brothel (Whore-House) that has become famous for Elves. She began working at the brothel to pay back a certain debt. That debt has long since been repayed, but she continues on with her job as a prostitute. She is quite the promiscuous one.

MIZUKI

The Proprietor of a certain Brothel. Once again this time it is still not her turn to shine.

SUZU

Ellen's little sister. This time it is not her turn to shine.

LIKE I SAID, I'LL WAIT HERE WITH YOU UNTIL YOUR MOM COMES.

WHERE DID THAT BOY...?

ARE YOU TALKING ABOUT THE "WINTER-GHOST" ~!?

HEY, DID YOU HEAR? THIS YEAR "THAT" CAME OUT AGAIN!

OR WAS THAT JUST A DREAM ~?

DID HIS MOM EVER RETURN HOME?

THAT'S RIGHT.

BACK AT WORK

STILL, WHEN I THINK ABOUT HOW CUTE HE WAS I CAN'T HELP BUT TO SALIVATE.

I'D BE SCARED TO DEATH IF I EVER SAW THE GHOST OF AN ELF APPEAR-DESU!

AROUND THIS TIME HE APPEARS IN THERE EVERY SO OFTEN.

QUITE SOME TIME AGO IN A HOVEL NEARBY A YOUNG BOY PASSED AWAY FROM THE COLD DURING A SNOW-STORM.

HOW SAD! THE POOR KID-DESU!

OH SENPAI! YOU'RE CUTE TOO DESU!

AS LONG AS HE CAN RECEIVE SOME WARMTH, I'M SURE HE'LL TURN OUT OKAY.

...NEXT YEAR, I SHALL GO TO VISIT HIM ONCE AGAIN.

...A, PROMISING FUTURE HUH?

I GUESS IT CANNOT BE HELPED.

The End

*Thank you very much for reading until the end.
To some it's nice to meet you, to others long time no see.*

*Some time ago there was an accident and my computer malfunctioned.
This of course did effect the outcome of my composition. How you may ask?
On my first draft I was going to use a [Sleeping Shota], But I afterward
decided to pair the Older Sister Elf up with a [Ghost Shota] instead.*

*Now then, that takes care of that.
I think for now this is a good stopping point for the "Elf Sisters"
story. Sooner or later I'd like to go in another direction and
make CG collections. I might start immediately in fact.*

*As of right now I'm planning a story that will involve two girls.
The focus of the story will be through the lips of a "Pomeranian Girl".
That's okay right...? I thought it a good idea to start introducing
various races. I don't want copyright so I want to make it a super original
perverted book. Like this time I'm sure I can manage it, yeah.*

That's enough reflecting for now, Let's meet again in the future!
