

Is that really so weird?  
So I have absolutely no motivation to study.

My phone ran out of battery, alright?

You didn't even try to call!

Koko-ne!

Do you know what time it is?!

I don't really have any dreams for the future.

Maybe your genes are at fault here! Ever think about that?

She's only a high school graduate herself, but she acts so self-important every single day...

So annoying! Yeesh!

Did you really?

I got it.

Koto-ne!

Sigh... Blah, blah blah. It never stops.

Look how well he did at the last mock exam.

Why can't you be more like our neighbour, Nomiya-san?

I'll do my best.

I decided to...  
tease him a little.

I've been thinking about this for a while now, but...

Yeah?

Nomiya-kun...

although I don't have any real grudges against the guy...

It's rare to see you up so early.

Hello, Murase...

...Oh.

endless tirades against me in favour of him...

Because I was so tired of my mom's...

You're a virgin, aintcha?

Why do you want to know, anyway?

You're so easy to read.

Ah! Did I hit the mark?

No reason~ (lol)

Where did that come from...?

...I'm asking you if you have any experience.

What about me?

Huh?

What about you?

She looks very pleased about finding one of my weaknesses.

People who look for a complex in other people... usually have or have had that same complex themselves.

Sh-Shut up!

This guy really pisses me off~!

That's what I thought.

...Heh! (Laughs)

What do you mean, Huh? Hey! that's what you thought?!

Er...m...

Can't argue with that...

Uh...

stop searching for people who are worse off than you,

and instead, make an effort to overcome it.

If you really want to do something about that complex,

Well, in this case, the solution is simple.

overcome it...

Relax, okay?

Ready?

Make an effort to...

But why does it have to be with...?

What you said may be true...

Wa-!

Wait just a sec!

What the hell are we doing?!

Here I go.

I don't remember forcing you to follow me here!

...That's some nerve!

Sh-  
Shut up...!!

...And stop teasing my nipples!!

This is just... the worst...!

...Damn it...! Why'd it have to be with you...

Of course not!

You... idiot!

Are you all right?

...Hey.

He's even licking them...!

Wah!

I mean... If I can...

Wait...

somehow change after this, then...

Stop sucking so hard...!

Nh...!

Damn... it...!

Hmm?

It... hurts!

...Would something like this even... Really?

...Huh?

Kh...!  
I'm...  
already...

Slow...  
down!

Gross...

Look at all this...

Well, my first time is over and done with...

Shit, he just did as he wanted with me...

...I think he's empty?

Besides... my complex had nothing to do with being a virgin...

What?

Nothing.

Of course it doesn't.

It doesn't feel like anything's different...

That said...

I might have changed just a bit thanks to him.

You're smart, right?

Could you help me study sometime?

I'm very strict, you know?

Huh?!

Say...

Yeah?

I'm never gonna be able to get this gunk off my shirt...

I hate to say it...

But, even though...

It was just me being envious of him... without him even knowing about it.
