

Lately, he's been struggling with insomnia.

Yoshimura Hajime.

「はくはく」

Wake up! Yoshimura!

Ha!

*For some reason, he gets sleepy at work!

Thanks to that, his performance reviews are on an all time low.

But more often than not, he will see the morning sun creeping through his window before he's had a chance to even catch a wink.

"Sleep! Sleep!" he chants in his head while laying on his bed.

caving in and masturbating anyway.

not masturbating,

masturbating,

relaxing with ambient music and aromatherapy,

getting into bed an hour before bedtime,

Exercising before going to bed,

He's tried everything to help him get to sleep.

And it all resulted in...

Replaced his onahole.

He researched mattresses that could be a better match for him.

Every time he got wind that there was a new model, he'd rush out to buy it.

Especially his pillow.

He even changed the bedding.

very soft...

It doesn't necessarily have to be a pillow.

It just needs to be somewhat similar.

Get your act together, Yoshimura!

a completely...

unchanged sleeping cycle.

Something very soft...

that he has yet to try...

I'd have to get one with industrial grade softness though.

...It has to be the pillow...

Maybe if I got a body-pillow...?

very...

Hmm? Nope.

...Stupid Nii, can you let go of me for a second?

I won't be able to calm down until I slug you at least once.

I can't! I'm about to fall asleep!

...A~hem!

Any-way...

You're the ultimate body-pillow Hatsumi!

will help stupid Nii get some sleep, I don't mind putting up with it...

If this...

I just wish he'd ask me first...

?

...I can't move like this...

Geez~!

Sweet dreams.

I haven't had a good night's sleep in so long.

Let me give you a punch~!!

Stupid Nii~!!!

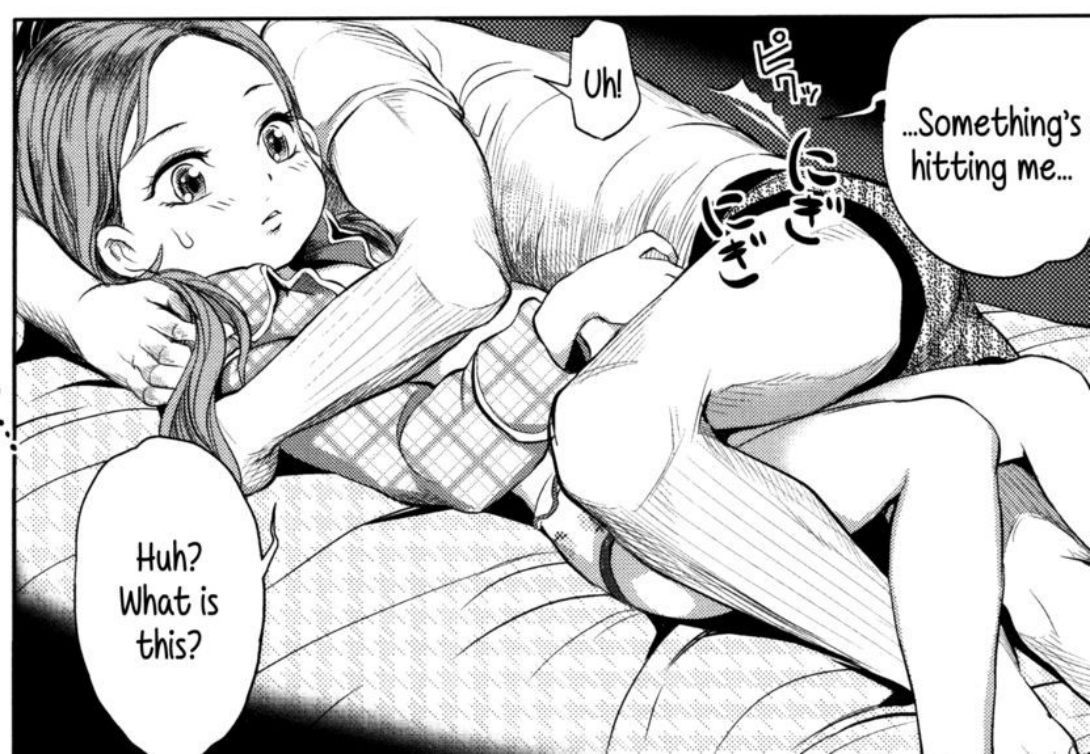

That's...

I'm sorry.

Hatsumi.

...Stupid Nii?

Huh? What is this?

Uh!

...Something's hitting me...

Whet it gets like this... Well~ y'know.

Sorry.

There's not much that can be done.

Huh?! Your pe... penis!

Huh?!

I'm actually too horny to fall asleep.

What are you doing?!

W-Wh-

Stop it! Stupid Nii!

Hey! Wah!

Just a little bit, just until Nii-chan feels good, okay?

It won't take long!

All you have to do is let me rub it on you for a bit!

Stupid Nii!

I think you're wrong!!

I think this is another way to use body-pillows.

Please! Just a little bit!

Hatsu-mil!

I can't believe you!

That is it!!

No! No! No!

Fuhl!

Fuhl!

Stupid Nii...! You are the worst!

Uh

フッ

フッ

フッ

I really hate you...!

I... hate you now...!

...Uh! I'm sorry!

Now I hate you even more...!

...Why can you only say those things at times like this...!

You're just so damn cute, I can't help myself, Hatsumi...

I'm sorry...

Wow! This feels great!

Wah! Your thighs are so soft!

No!

I told you to stop!

Stop!

Hatsumi, this is incredible!

...What about this, then?

Huh...? Ah!

...Five? Five thousand yen?

Is there any way you'll forgive me...?

I really am...!

Seriously...? Sumata is expensive...

Fifty thousand!

If you don't pay up, I'll tell mom...!

Hey!

No!

Of course not...!

I'll give you the 50k.

Can I stick it in here?

Not that...!

...Idiot.
...Stop it already...

Hatsu-mil
...Did that feel good?

Nh!
No!
Ah!
-top!

Oh!
Ooh...!
!!

Huh?!
...Ah?!
honestly can't take it anymore!

Hatsu-mi...
I'm sorry, but...
Stupid Nii, you stupid idiot...

...What do you think?! ...!

Are you alright?

...Uh~!

I can barely put it in.

It's so tight...

Whoa...

I told you it hurt, didn't I?

Stupid Nii!

Sorry!

Er...

Ow...!

That hurts...!

No...!

What are you on...?! We're siblings...!

Ow!

I promise I'll take responsibility, okay?

And it's my first time, too...

You're so stupid, stupid Nii...!

I really am sorry, y'know?

That doesn't matter!

Uh~!

Idiot...!

But...

Yeah, as a fricking **body-pillow!!**

Didn't I tell you? That I had found my life partner?

...You're just saying that!

...This again?

...Nh!

pretty serious, y'know?

I was...

Stop moving, it hurts...!

Ow...!

Nnh!

Nh!

Nh...!

How could I?!

You don't believe me...?

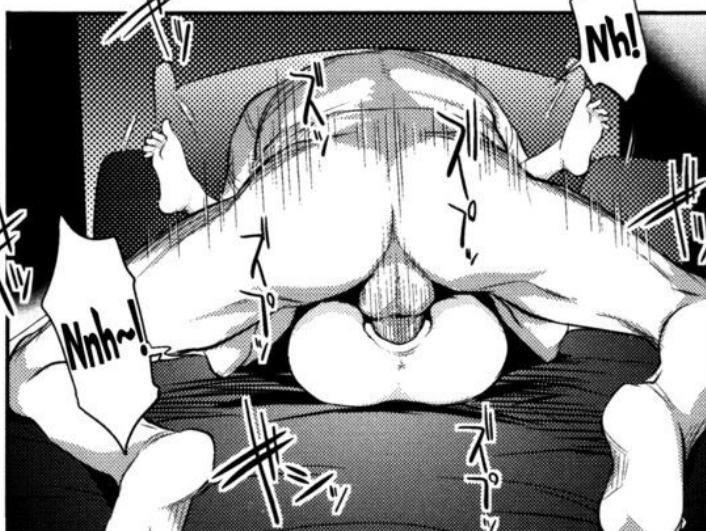

I see... In that case...

Wh... What, stupid Nii...?

Nh?!?

How about now?

Nnh~!

Nh!

That means it's ok, right?!

...Understand?

I am!

A-Are you... serious?

I wasn't joking...!

I said I'd take responsibility, didn't I...?!

Huh?!

...What if I get pregnant...?!

...I'm going to cum inside, alright...?!

You really are a stupid brother, aren't you...!

Good grief!

Hatsu-mill!

bigger... aga-...!

Auh!

Inside me... It's getting...

I'm cumming!

Ah

I'm cumming!

Nh!

Inside you, Hatsu-mi...!

...Nh!

Hatsumi...! I'm cumming!!

I'm-!

Nh!

I slept so well!

Ah! I feel so refreshed!

I was dreading about mom coming to wake me up...

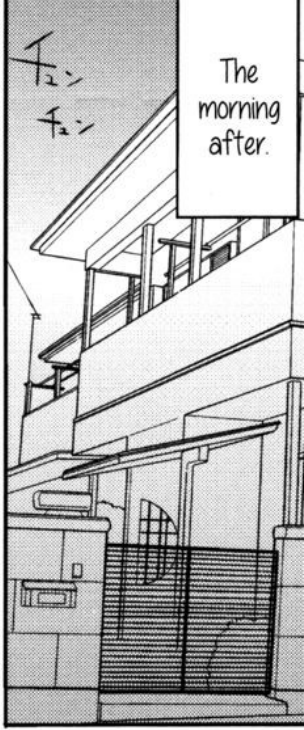

I couldn't get any sleep at all, you know...

You're kind of annoying me...

Great, you're awake! Now can you get off of me?!

Good morning, Hatsumi.

The morning after.

I don't mind being your body-pillow again...

If you really were serious about what you said last night...

How can I put this...

Seriously?!

...Wait, by what I said last night, you mean..?

Oh, and stupid Nii...

Erm...

Hmm?

I'll take care of that, so you go on and take a bath first.

Ah! And I should replace the sheets too!

I have to hurry up and take a bath before mom gets here!

Gosh~!

Onii-chan, you have to take a bath too or she's sniff us out!

Alright, thanks!

No prob!

Wait! Was it that much?!

Oh! So she's taking the money after all.

I haven't forgotten about the five hundred thousand yen!!

Did the amount just go up?! ...Well, whatever.

Slam

Hatsumi-chan is a very shrewd girl.

End

Is that... a yes?!

You'll really be my wife?!

Erm...

Well...

Yes...

Wooh!

Yes!

Huh?

But...

You're going to make me your wife, aren't you?!

I'm talking about how you said you'd take responsibility, of course...!

I'm...!
