You're
really

here

Itou?

You
deserve
a prize

He's
here.

なにやら慌ただしく
駆け込んだのは...!?

Ujiiie-
sensei,
I got
another
scratch.

Still, you're the only one who comes here this often, you know.

Is that so...

It's a part of my club activities.

Are you okay, getting injured all the time?

That's because I like you, Sensei.

That's wrong too!!

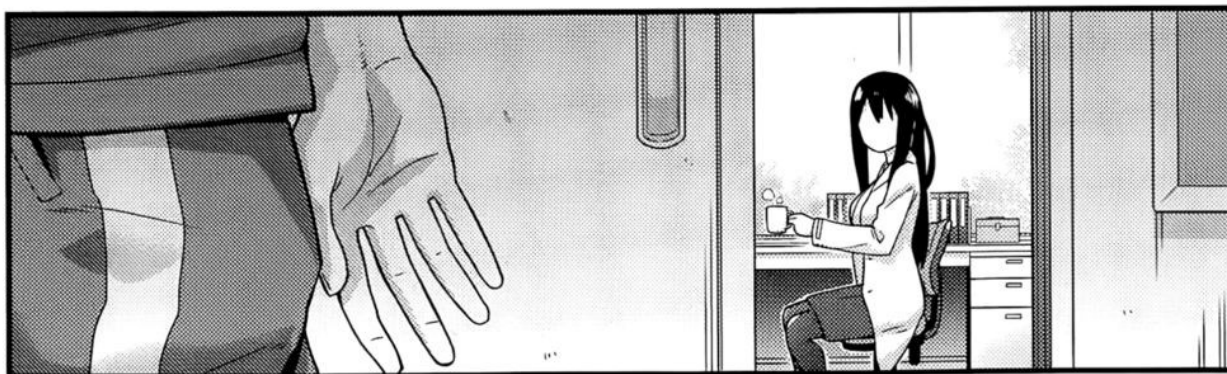

I think...

Then, is that another way of saying "let me fondle your boobs"?

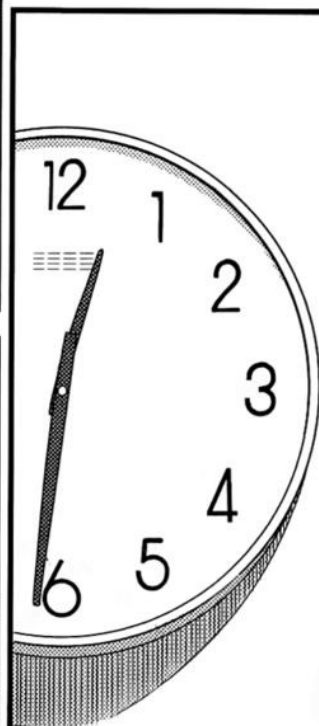

That's not it!

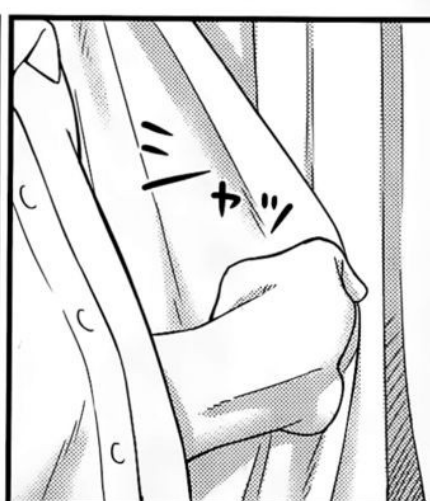

...Did you lose a bet or something?

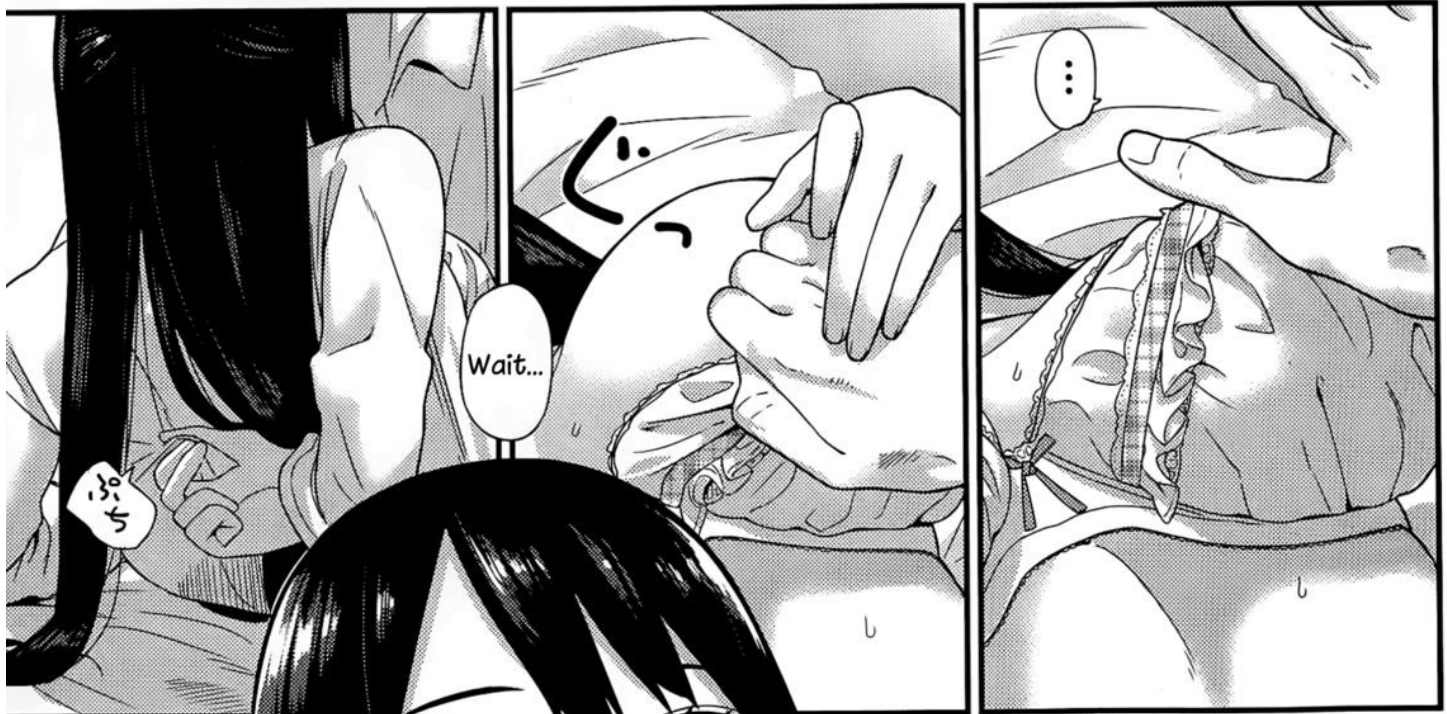

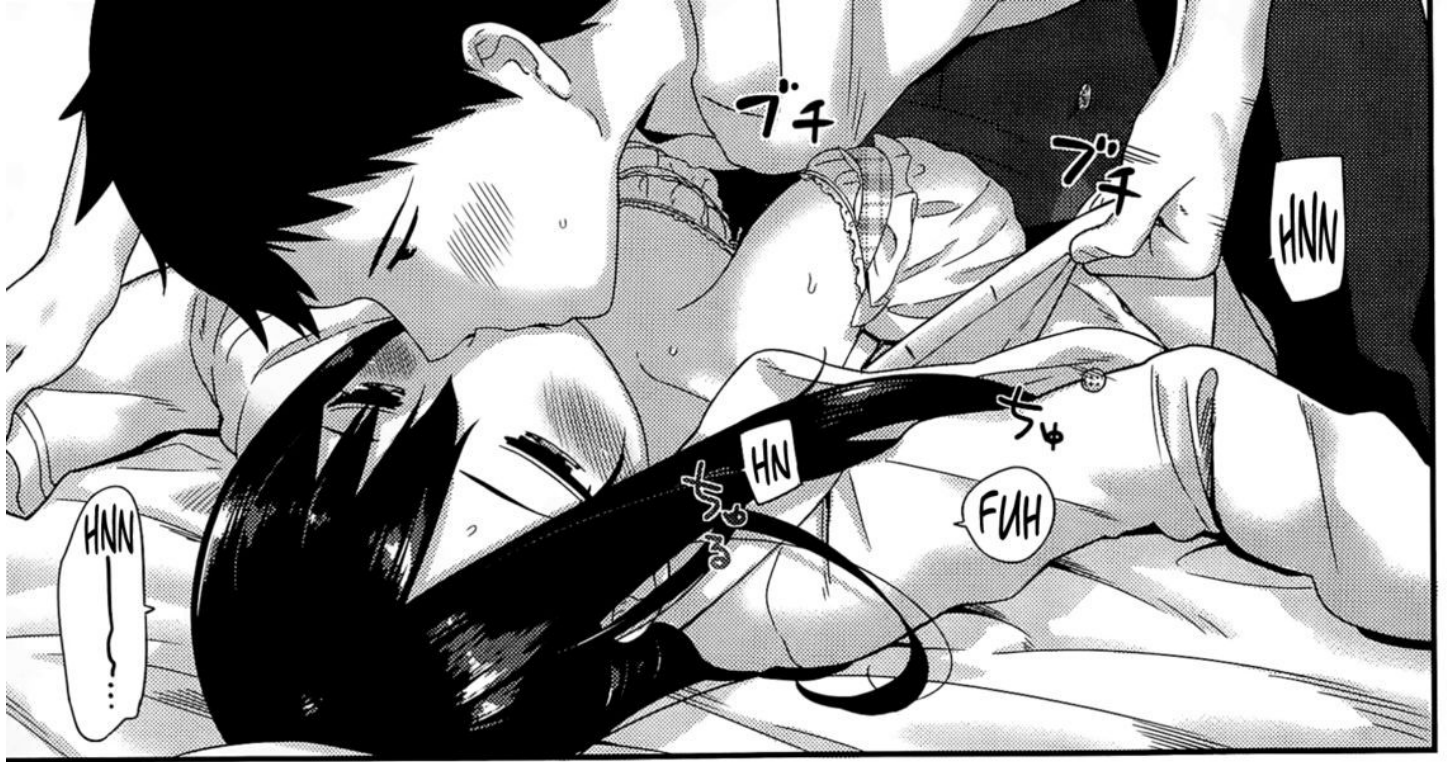

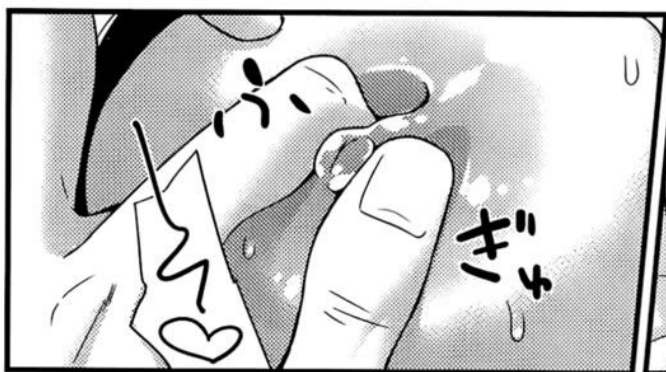

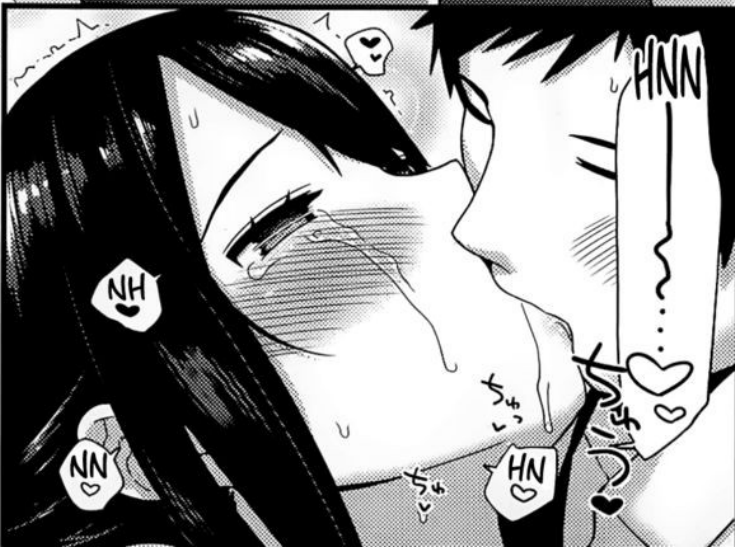

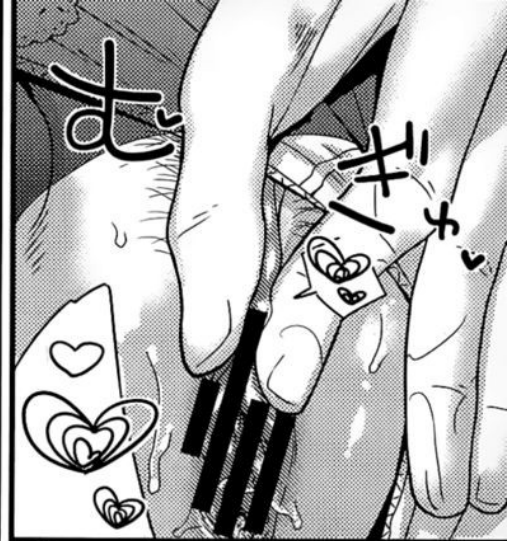

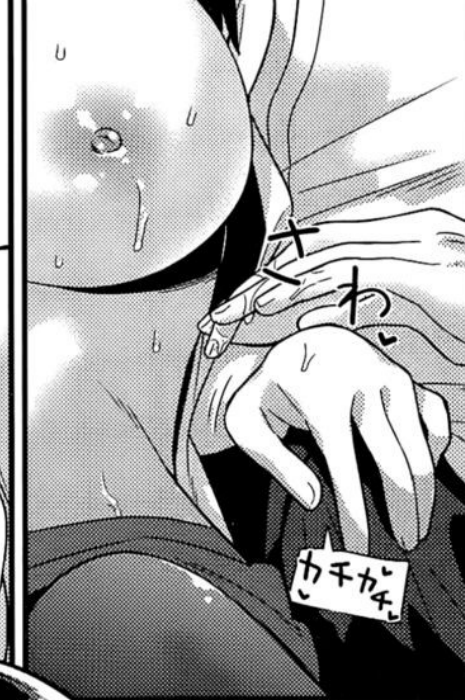

Sensei, you're cute as hell...

It's
so hard...

かちかち

Mm...

Sensei,
do it to
me too.

...You
perv.

CHU

I can't
help it...
In fact,
I started
leaking
every time
I was with
Sensei.

Wow,
you're
leaking so
much
precum...
Even your
underwear
is wet.

Oh, and don't forget the meeting for the track meet after school!

Sensei, you don't have to muffle your voice anymore.

....

You're mean... I was so scared..!

It's me, Kuroiwa! You're hanging out at U3ie-sensei's again, huh~?

Leave me alone.

Hah

Don't tell me you're planning on assaulting Sensei naked~

Shut up, you. I'm an earnest and pure man, you know?

Haa

But Sensei, didn't you cum?

Ahaha! Well then, I'm going~

Sensei,
be my
girl-
friend.

Wait, Sensei, were you mad that I was getting along with a girl even though I confessed to you?

This morning... Oh, you mean Kuroiwa?

We met by chance and were just discussing our ideas for the track meet.

I'm sorry...

GUH!

Did seeing me with a girl make you jealous?

Hey, let's go have fun sometime, just the two of us.

...We'll have to stay away from the school, you hear?
