Okay then.
It's time
we started
over here
as well,
isn't it?

Oh, it's
beginning.
Sending off the
old year and
greeting the
new one.

So?

I told
you
already

Are you
ready?

I was
ready a long
time ago.

End

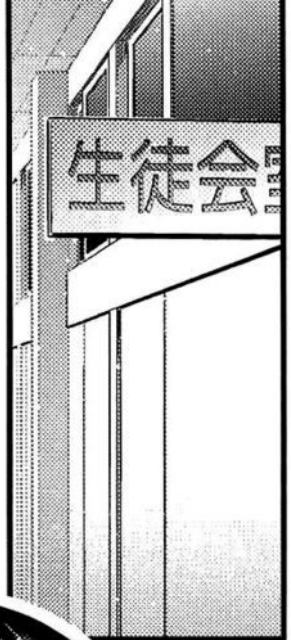

...Oh, right. Natsume-senpai.

About the previous meeting's minutes.

やりづらいです
夏目先輩!

By the way, the vice-president still needs to review those minutes, so could you hurry up please?

...What's wrong? You're so tense today...

That doesn't matter!

Why is that, Haruna-kun...!?

...Yesterday a full three months passed since we last had sex.

Have you checked it already?

...Ugh, that's a scary face...!!

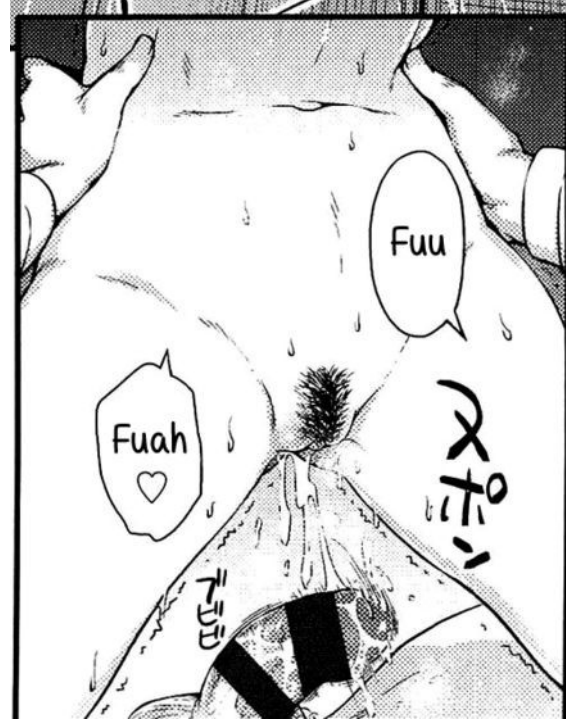

...I'm still looking through it.

End

Did you use a rubber?

That's a given!

...
!!

Coming all over my face. As well as the usual stuff you do during sex...

L-let's see... Using my mouth is a matter of fact, that included coming inside of it.

No, quite the opposite. I'm fired up.

Everything you just told me, everything you did with your ex. I will surpass it!!

Unexpectedly, Kobayakawa-kun has a pretty competitive way of thinking...

...How about it? ...Do you want to back out of going out with me?

IT DID SAY
THAT 30%
OF FEMALE
HIGH SCHOOL
STUDENTS
AREN'T
VIRGINS
BUT...

Swallow it when you finish your afternoon class

Wait, don't spit it out

For this week you'll keep it inside your mouth. This will definitely make my semen the one you've held for the longest.

With every breath, Kobayakawa-kun's smell escapes from my nose...!

...The smell of sperm, it's taste. They're coiling inside my mouth...

SHE'S
GIVING
UP ON THE
FIRST
DAY!?

Huh?

...can we go all
the way?

But... instead
of these half-
measures

THIS
GIRL!?

205.

That's okay...
Will your club
activities be
alright?

I'm sorry
for calling
you out
here

HAVE I
GONE TOO
FAR, TOO
FAST!?

THIS REALLY
MAKES ME
REALIZE IT WAS
TRUE AFTER
ALL...

I'll put on
the rubber,
okay?

Well...
I never
had trouble
enduring it
before
now.

Come

IN THIS WAY
REALITY WAS
THRUST AT ME
AND FRANKLY,
IT WAS A TOUGH
THING TO
SWALLOW...

Nn... A bit
higher...Ah!
Around
here...

SHE'S MY
GIRLFRIEND
NOW!!

Hey,
Kobayakawa-
kun it's fine...

...EVEN IF
YOU TELL
ME TO
MOVE AS I
WANT...

Miyamoto

earlier that
your ex came
on your
face!

Today
I want
to cover
your body,
okay!?

...Yes!
It's
fine!

Come
all over
me!

THE SCENE

ASSHOLE BROUGHT
ME ON THE VERGE

Fuu

HAA
....!

...But I don't hate that about you.

...COULD IT BE HER EX IS A MUCH HIGHER OBSTACLE THAN I ANTICIPATED!?

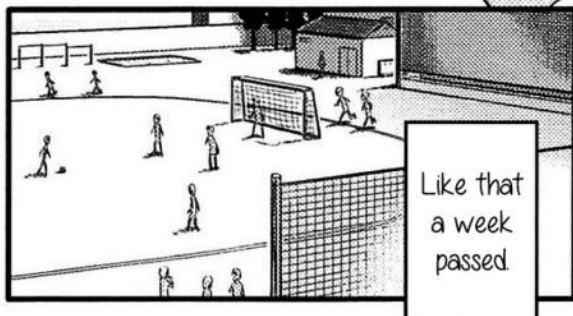

AND NOW SHE'S CLEANING ME UP WITH HER MOUTH... JUST HOW MUCH WAS SHE TRAINED...?

You've marked me with your scent from head to toe.

Aha...

You're really a sore loser Kobayakawa-kun...

Like that a week passed

It's okay today.
Waiting at locker room

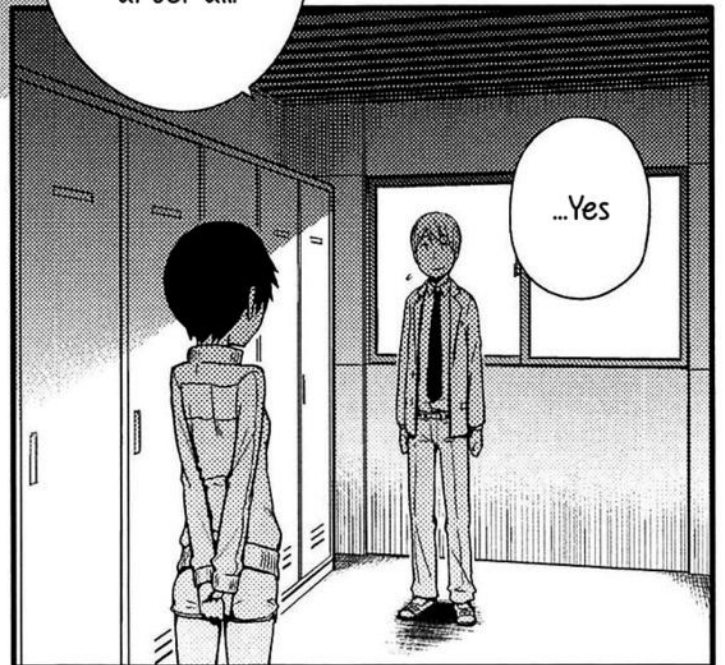

...I MAY HAVE TO USE MY LAST RESORT AFTER ALL...

...I SHOULD BE DOING EVERYTHING POSSIBLE TO ERASE THE SHADOW OF MIYAMOTO-SAN'S EX. BUT IF I CONTINUE LIKE THIS, WITH CUM SHOTS TO HER MOUTH IT COULD BE A MONTH BEFORE ANYTHING CHANGES...

フ

...Sending me
such a message,
I'm exposed
after all.

...Yes

Look, isn't
this your
big chance
to surpass
my ex?

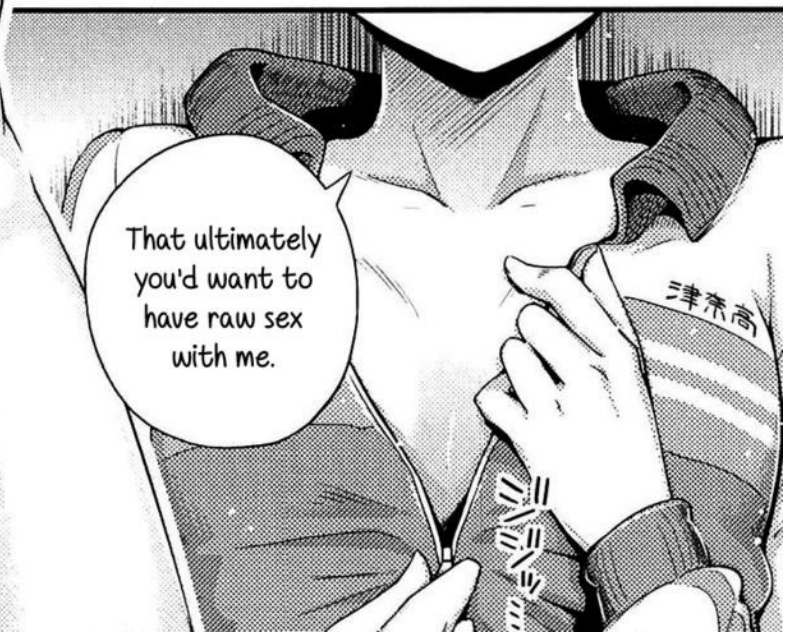

If you're
a man, don't
lose your
nerve.
♡

...
!!

くはぁ

I vaguely
noticed when
you confessed
and your actions
since then
confirmed it.

That ultimately
you'd want to
have raw sex
with me.

ズン

NHAAA!

THE STIMULATION IS COMPLETELY DIFFERENT WITHOUT THE RUBBER!

I CAN'T STOP MY HIPS!

Hyauu

Whaaht... is this?

Doing it without a rubber!

H-HER FLESH IS COILING DIRECTLY AROUND MY GLANS!

Is totally different!

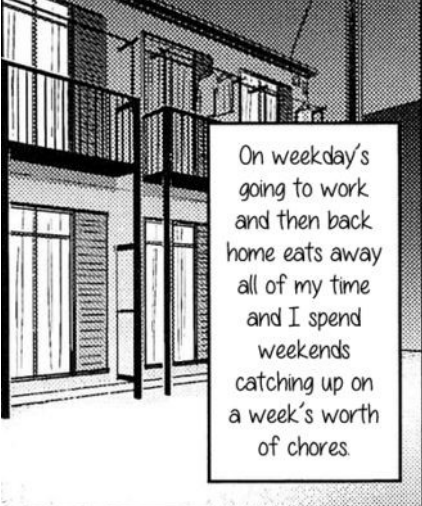

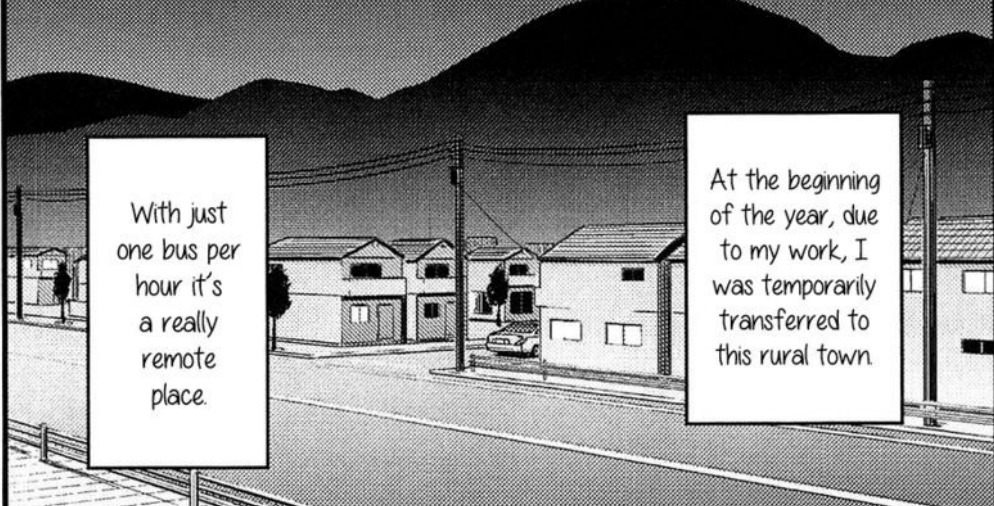

End

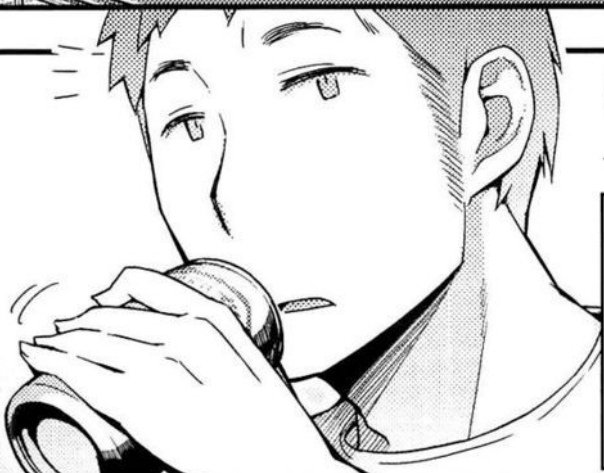

On weekday's going to work and then back home eats away all of my time and I spend weekends catching up on a week's worth of chores.

With just one bus per hour it's a really remote place.

At the beginning of the year, due to my work, I was temporarily transferred to this rural town.

ヒンポー

That's the monotony off my daily life.

...Good evening

Kazumi-chan, welcome.

Except, that is, for Wednesday evenings, when a high school girl comes to visit.

ある田舎女子高生の憂鬱

I'll be using your table.

Do you want dinner?

I already ate.

Thanks for having me.

That's when I saw a lone girl, late at night at a bus stop. It felt so out of place that I spoke up.

I was coming back from work one day, about a month after moving here

Are you here every Wednesday evening? Isn't it dangerous for a young girl to be outside alone at this hour?

Good evening to you. Aren't you the daughter of Sako-san from next door?

Isn't she...?

I'll be going back after a while so please leave me alone.

...Not really, I'll be fine.

Is this the police station?

Ah... Hello

That's not a bad idea. It's definitely better than staying out here.

Eh?

Huh?

...Well then maybe you could shelter me in your house Yoshimura-san? Cause right now I can't return to mine.

Oh?

Since you wouldn't listen to me, I called people whose job is protecting others.

Wh-what are you doing!?

Isn't protecting children from danger what an adult should do?

Even if you say that, from my point of view whether you're in high school or university you're still a child.

Ha ha ha

And besides a ...I'm not university student anymore living alone is very normal.

Especially a reckless one like you

I wonder if it's not too dangerous for a child just out of high school to live alone there.

Tokyo, huh... I used to live there.

In that case... Why don't you make me an adult, Yoshimura-san?

ぎゃ

うん

...It's an adult's role to help children mature, isn't it?

So it came to this?

ゆらり...

Hm...?

I want you to acknowledge I'm no longer a child.

Ah...

...I told you I'm a normal girl, right?

Ah... I thought you had no interest in these things.

It's normal for high school girls to have such interests.

This is...

Are you not interested in children... after all?

Yoshimura-san... Am I... Not good enough for you?

Ah...

...You are good enough. It was my fault for treating you like a child just now.

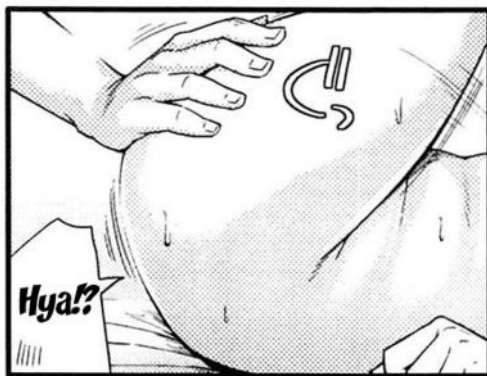

As an adult, or rather as a man I'll be worthless if I don't respond here..

ん

And... When I told you to stop you didn't listen at all...

...I was a little scared... You suddenly started licking that place...

Dang. Was that too much?

Did that feel good?

Do you really think you can do lewd things with me?

...But You got a good look at me, right?

!!!

This is where I get serious.

At least this guy here is very vertical on the matter.

Isn't that cute.

Of course.

Eh!
...Something this big can't possibly fit inside...!?

Don't worry.

Look, I'll slide it in slowly and gently.

Nha!

It's tight, as expected.

Gh...
Uh...
Ah...!!

Not yet. This is where the real thing starts.

Eh...?

I-I'm an adult now... right?

Ha... Aha... It's really inside... You're in up to my stomach...

Oooh... This is a high school girl's raw pussy...!

After I announced the creampie she tightened suddenly.

y-yees
...!

I'll make her a real "woman"

Well then, I'll cum inside you. Be patient until then.

I-it's fine... probably...

Guah !?

What a perverted pussy!

M-me too!

Look, my semen is shooting out into your pussy!!

CUM
IIIIINNN
NNGG
GG!

Ha

Hahi!

My acknowledgement caused her to make such a delighted face.

Being out in the boonies, with nothing better to do, pushed us along

Not satisfied with only Wednesday evenings, on weekends we indulged in each other's body since morning

Afterwards, according to her request, we continued our relationship.

Hello.

Well, I guess living in the boonies didn't have much to do with that.

Training an innocent school girl into my favorite kind of woman was the best entertainment.

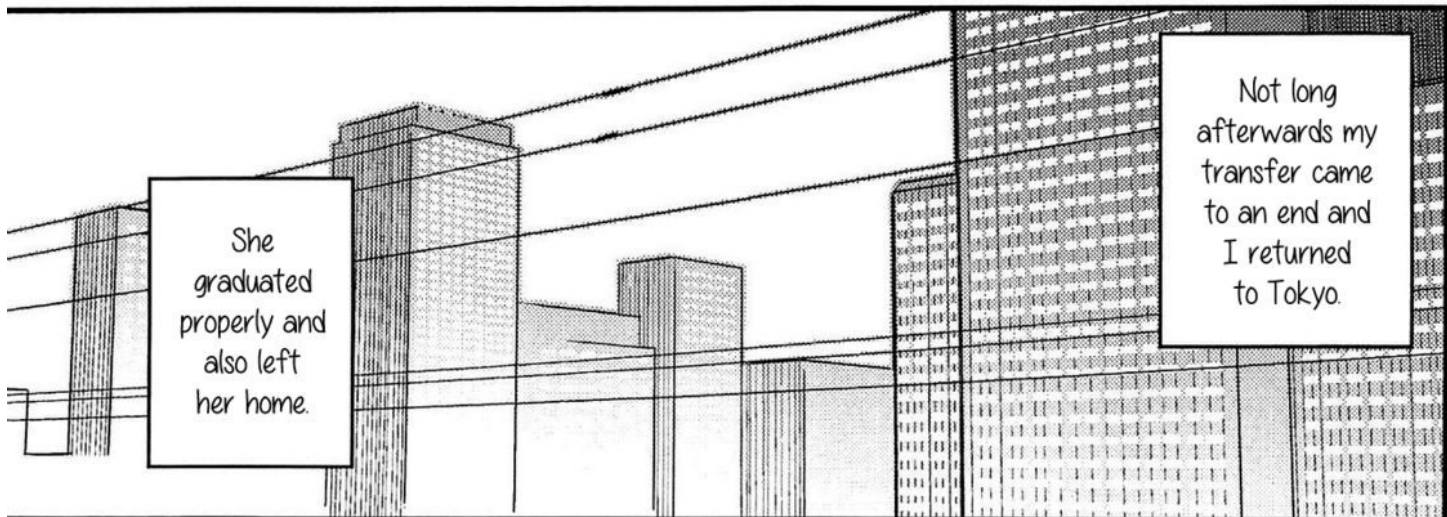

Before I realized.

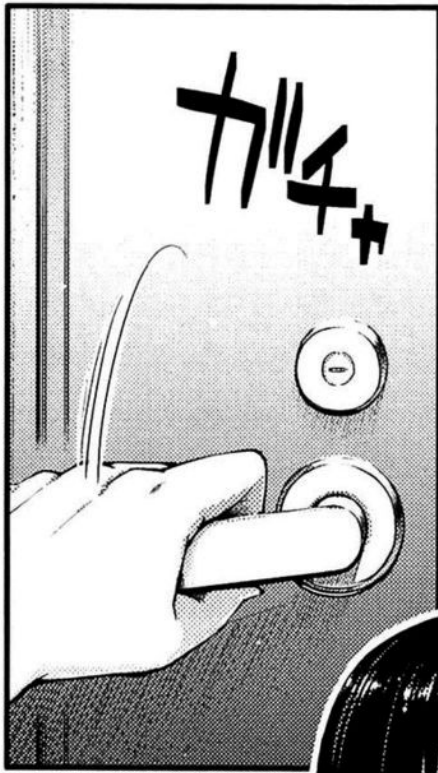

The girl became an adult woman.

She graduated properly and also left her home.

Not long afterwards my transfer came to an end and I returned to Tokyo.

But I don't
have any
regrets or
lingering
affection

She doesn't
visit my
room on
Wednesday
evenings
anymore.

We're
having
hamburg
steak
today.
♥

I'm home

Welcome back,
Yoshimura-san

In this
city she
greet me
everyday.

Because

End

You sit nearby so you can feast your eyes as much as you want, right?

Well, yeah...

They look around an F-cup. If that's the case, isn't that plenty to get buried in?

Her breasts are so huge, makes me wanna dive right in.

...Takita's really are great.

Although I don't really care about being the topic of talks like that

Come with me for a bit.

...That said, Ookoshi

?!

You really shouldn't have them when the person in question is present, right?

Huh? What's with that lack of interest? Are you in the flat-chest faction?

Well there's that but... Doesn't something seem off about her chest?

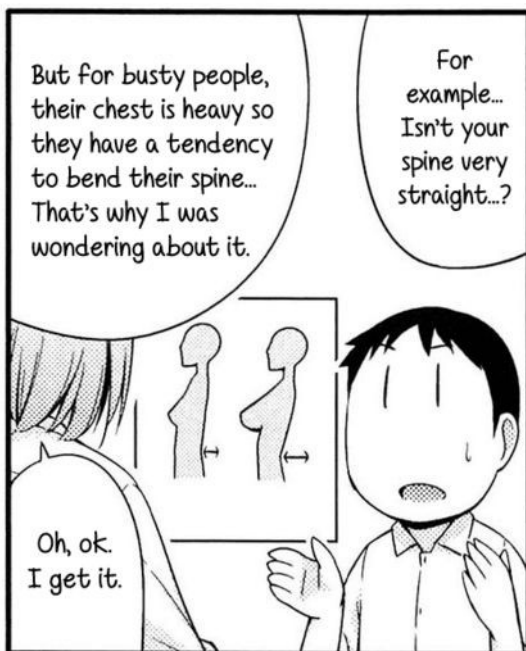

It's not like that. It's just that Takita-san's chest is...

What's with that...? Ah, I get it. You're in the beautiful-shape faction, aren't you??

...Hey you, the guys over there

こんな胸でも愛されたい!!!

I'm sorry-

I-if
that's
how
it is

You don't
have to
do that, I
won't tell
anyone

Even if you
promise to
keep it a
secret, there's
no way I'll be
able to have
peace of
mind!!

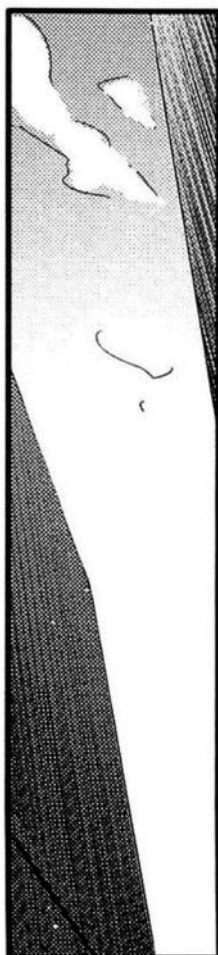

No,
I don't
believe you
and you
did say it
earlier.

Th-
that's...

... It's as you
thought, these
are faked by
using pads.

Um...
Th-then
after all
it's...?

And
touch my
breasts!!

...In that
case stop
complaining

I-I
get it,
I'll
Don't touch
them...!!

Besides, didn't
you just say
you didn't hate
flat-chested
girls?

That's
right,
but...

WHO WOULD
EXPECT THAT
KIND OF
DEVELOPMENT...

HMM...
I DID THINK
THAT THERE
WAS A SMALL
CHANCE HER
BREASTS
WERE FAKE,
BUT STILL...

Look,
this is the
real deal

...A
splendid
wash
board.

...You
can turn
around
now.

Oohh!!

THESE ARE
TAKITA-SAN'S
TRUE
BREASTS!

THAT
WAS SOME
EXTREME
PADDING...

S-sorry...

S-stop looking
so closely and
touch them
already..!

Don't say things you don't... mean...?

...Fu-fuhn...

!!?

I was thinking that you're cuter than I expected...

In my eyes you're very charming.

Gh!?

DID I MAKE HIM HARD...!?

HUH...

WHAT THE ...!?

Owah !!?

Prove it with your body!!

That your not spouting random things

Yes!?

Well then... prove it.

Huh?

Whaaa
-!?

C-calm down...!
...If you feel
attracted
to me

These breasts
will make shoot
out your sperm,
right!?

Eh!?
Wait
a-...

Huh
!!?

H-here,
they often
do this
in porn,
right?

How is it?
Do these
breasts
f-feel
good...?

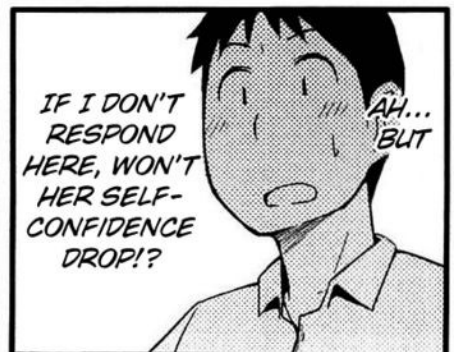

THIS
UNEXPECTED
MIX OF FAINT
SOFTNESS
AND HARD
STERNUM
FEELS...!

...TH-
THIS
IS...

IS SHE
TRYING TO
GIVE ME A
TIT-FUCK
WITH
THOSE...!?

HER
BREASTS
....

IF I DON'T
RESPOND
HERE, WON'T
HER SELF-
CONFIDENCE
DROP!?

AH...
BUT

Wh-
what's
with
that...?

...Well then,
why don't
you rub your
nipple?

H-hey... Don't
be silent, say
something...

I'm
going to
move
now.

**Hahi
!?**

...I-is
this
good?

Yes,
grasp it
firmly.

M-me! ...N-not
really. Rubbing
this spot doesn't
feel particularly
good...

S-sorry,
this feels
better than
I imagined...

Hihh!

Wait a-
...ah!

MY
NIPPLE...
HE'LL
GOUGE IT
OUT...

KH,
WHAT IS
THIS...!?
I CAN'T
KEEP MY
VOICE
IN...!

Hey,
hold it
down
properly.

Nmm!

YAA
AHH
...!

Kuh...

It's
about time
it came
out...!

...Haha, you
really are
cute when
you feel it
Takita-san...

H-
huh!?

Come
out!? Are
you going
to cum...!?

That's
right...

IT'S
TRUE THAT
GIRL'S
WITH
SMALL
BREASTS
ARE
FINE AS
WELL...

There's
so much...

...This
is your
sperm...!?

...Th...

...I
SEE

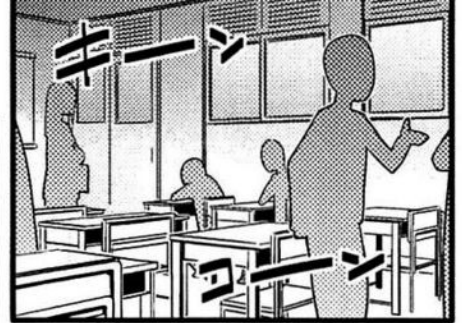

...Yes

...do you
believe it
now?

Well?

You're
plenty
charming
even without
the pads...

IT MAKES
ME A BIT
SAD THAT
SHE
DOESN'T
TRUST ME
TO THIS
EXTENT,
BUT

I DON'T WANT
TO LET GO
THIS FEELING
OF HAVING
TAKITA-SAN
ALL TO
MYSELF

And
today
as well

I'm doing
this so that
you won't tell
anyone about
the pads.

It's a bribe,
nothing more...

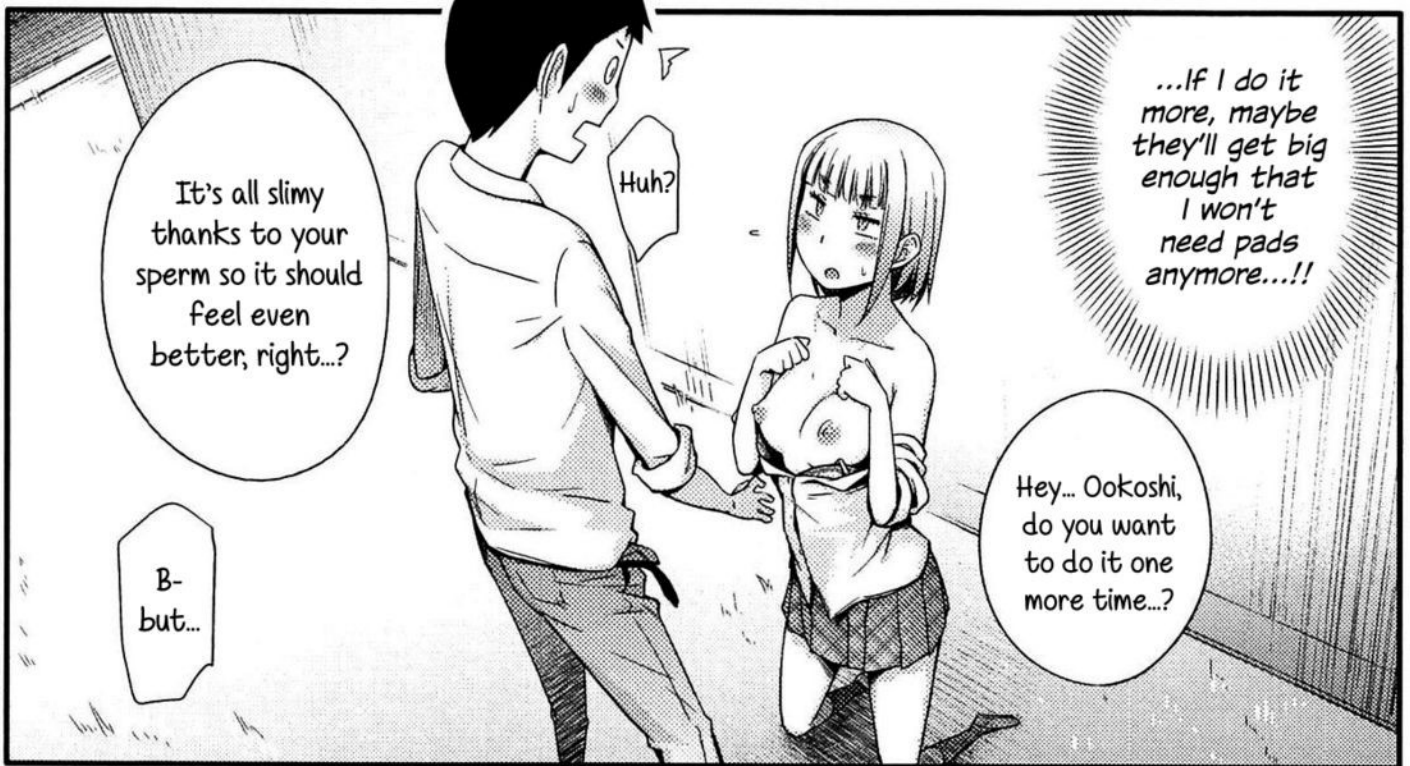

IT'S NOT
JUST MY
IMAGINATION
AFTER ALL...!

STARE...

It's
gradually
getting
better...

THIS IS MY CHANCE TO GET RID OF MY FLAT CHEST

I CAN'T LET IT PASS ME BY...

Gh

ギィ

う

What
the!!?

Haha...

It's been a
while since
I've been
here...

Ookoshi

What
about big
ones?

Huh
...?

You said you
don't hate
small breasts

...Huh
...!?

This
is...

Wah
!!?

!!

...That's why I didn't show them to you...!!

Somehow that made me really scared...!!

...I thought once you found out my breasts became so big

You would lose interest in me...

TAKITA-SAN...

Is that true? Are you not attracted to me anymore...!?

Some time ago you told your friends you don't really care for big breasts, right?

Right?

...No... I don't believe it

Huh?

This is a conditioned reflex I get whenever I see your breasts.

So I think there's absolutely nothing to worry about

Ah...

But if you look over here

...Well, to be honest if I had to choose from the two I prefer them on the small side.

...Kh!!

Use them
to stroke
your dick...

...Here,
just like
last time

Prove
it with
your body,
just like
before

I'll believe
you when you
cum with these
breasts

UWAH...
GREAT

IT'S
COMPLETELY
ENVELOPED

んんんんん

But it's surprisingly alright...

Ah... Ha...
I thought it would hurt more...

Ah...

Fuah

Aaa hhh!

FUA
AAHH

Ookoshi...?

Hey Ookoshi,
it's alright for you to move...

If I move I'll come right away...

W-wait a minute...

L-love!!?

Wait a-...
Don't tighten up!!

There's no way I can endure...

?!

What I mean is that, um...
When I realized I'm inside the girl I love

Huh? But you've only put it in...?

That's true but...

はぁ

はぁ

The way it is,
I'll cum before
you can give me
a creampie...!

rub me
