Yes!

Say it
louder!

That's not...

You have so many friends, and we're in different clubs.

Yeah. But you're pretty famous, Leo.

We haven't talked like this in a while, the two of us.

Your cheer club performance in the athletics festival was popular, too. Your juniors were all over you.

I don't have any friends like that.

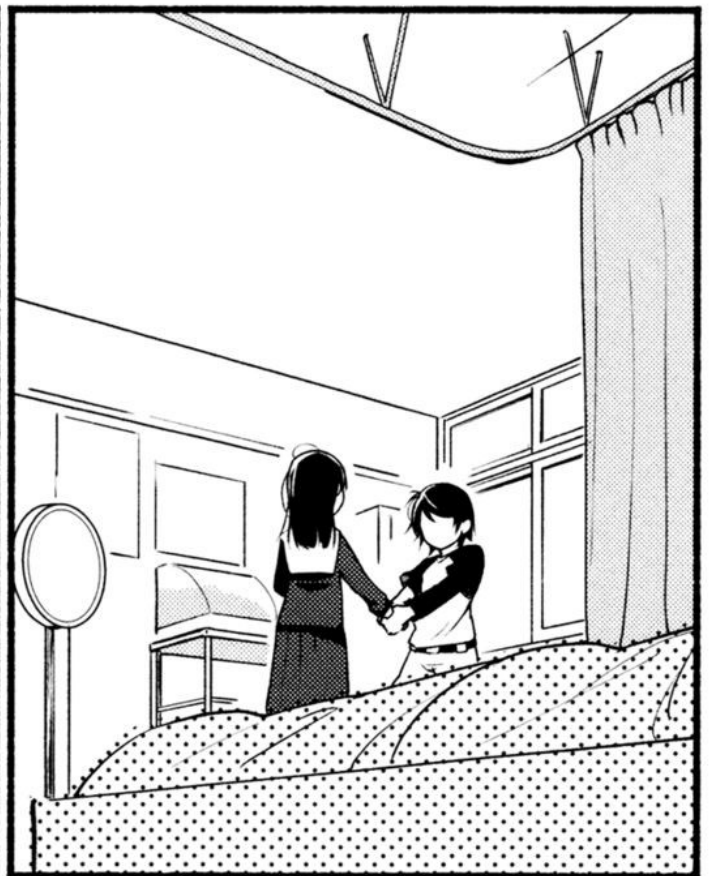

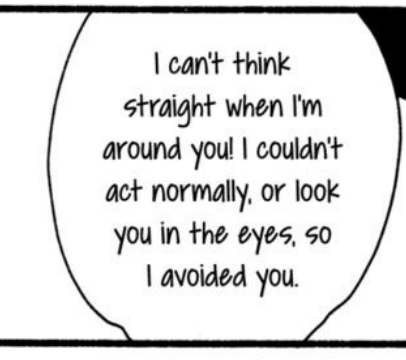

No, that is really how you are...

They're only acting like that because they don't really know me!

Isn't it fine? Hang out with them.

...Maori?

No... This isn't what I wanted to talk about!

Okay,
I'll wait!

I was
so happy.
I wasn't
sure why.

But the air I
took in smelled
so familiar,
and Leo was
next to me.

I couldn't
think of what
to say, and Leo
couldn't, either.
So we continued
walking silently.

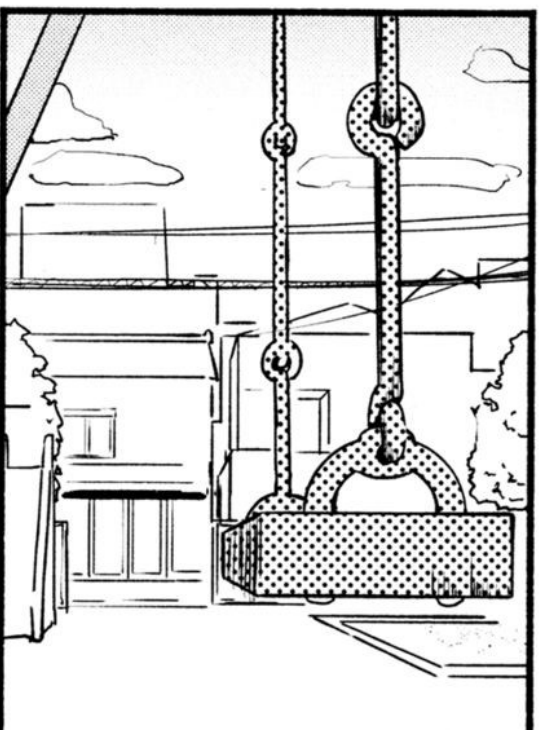

Once again,
I'm walking
side by side
with Leo, on
a road lit by
the sunset.

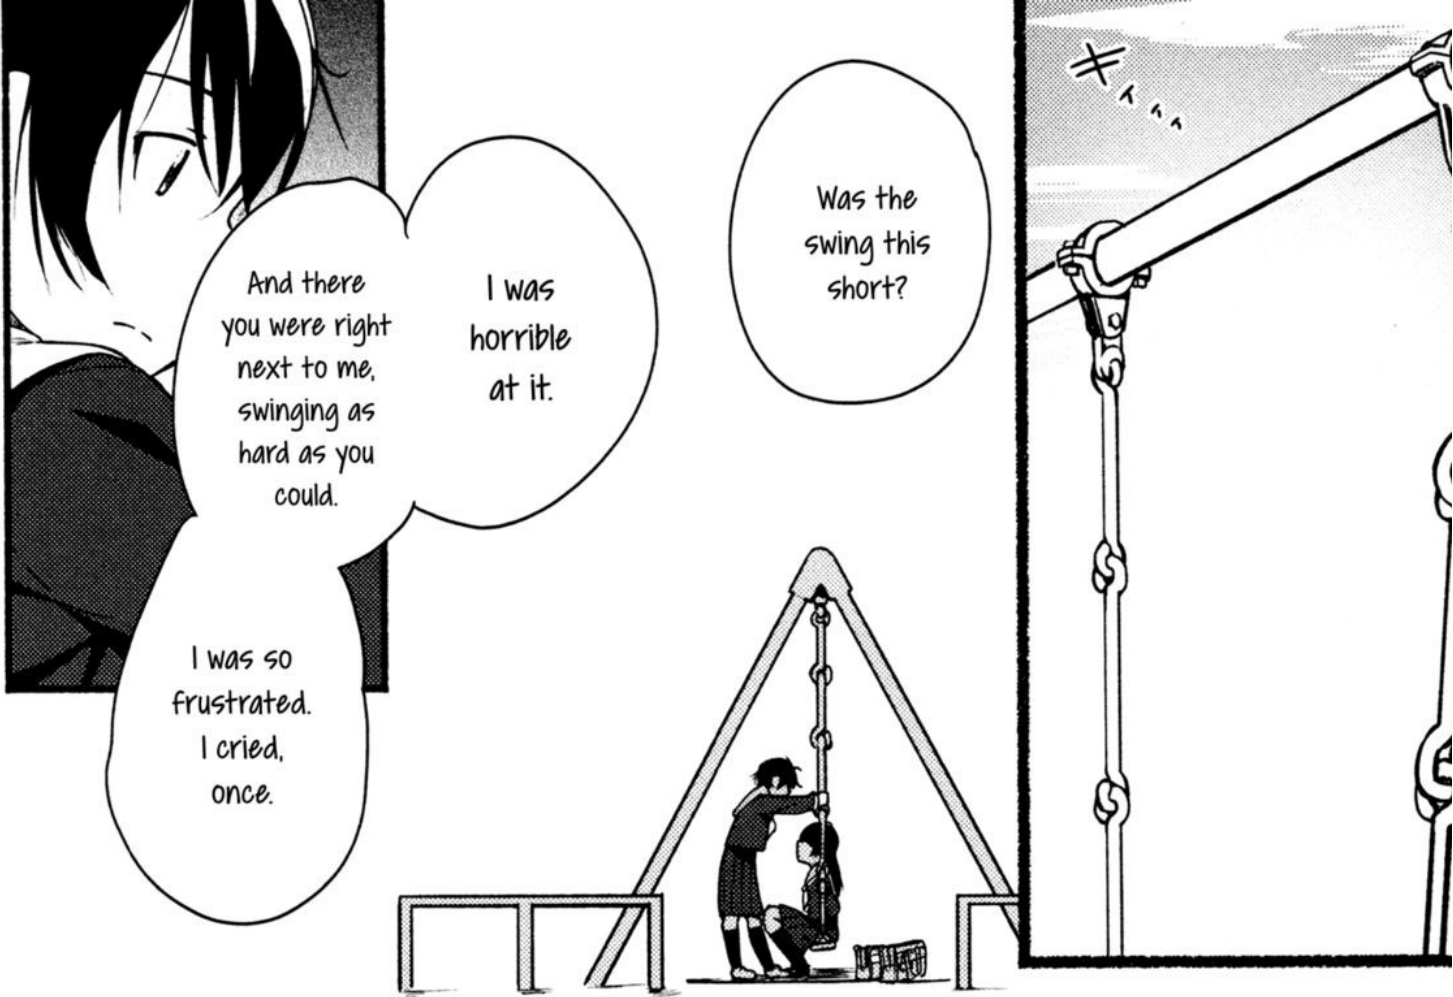

Back when
we were small,
we played here
every day until
the sun set.

Hm?

This
reminds
me.

I'll push you from behind to help.

Huh?
You don't have to.

Let's have a revenge match right now.

I wonder if she still remembers.

Yep.
Now stretch your legs forward and lift your head up.

Hold on to the chain and lean back.

Like this?

Look at the sky.

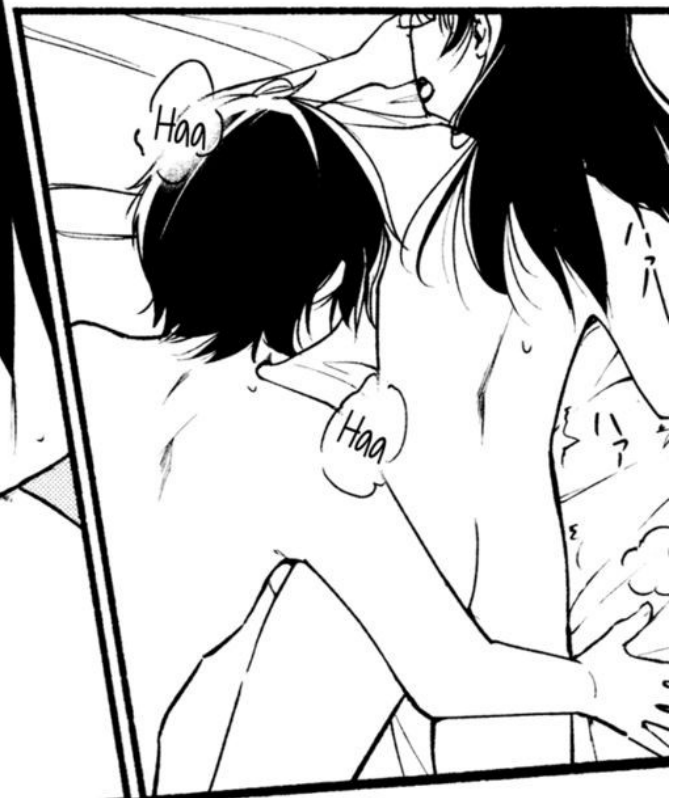

But I'll definitely remember the warmth where our bodies met.

I want to feel all of you, Leo.
It's okay.

Wah!

Geez!
You're the one
who said we had
to go out to
celebrate me
getting a job
offer!

Still
sleeping?

That's why I want to sleep a bit more today!

Stop it, you're making me blush.

I dreamed about our first time together.

You're on top?

Today it's my turn to put in some effort.

Isn't it fine?

Mn!

フユ

Make it sixty.

We have to go in ten minutes!

What?!

You're the one who made me fall in love.

I want to keep laughing with you.
