

O-MAMA-GOTO

CHAPTER ONE "MOM AND HER BREASTS"

O-Mama-Goto

Hasegawa-san's
mother-son relationship

Personality wise, she's a bit of a goof but she also has this stubborn side where if she decides on something, she won't change her mind.

Ah Hiro-chan, welcome home!

I have a young mom.

My mom's named Hasegawa Yuuko. She's a mother of one who's turning 32 this year.

Her hobbies include gardening and playing with our pooch. By the way, there's a reason that she wears clothes that make her look fat.

She looks so young that people still confuse her as a student. The reason seems to be her baby-face, which hasn't changed since her teens. She personally hates being called a baby-face, though.

Hah!

Hah!

Hah!

Mom gave birth to me at an early age and she raised me, going through a lot of hardship.

She apparently had a really tough time, juggling childcare, schoolwork and her job at the same time.

Ever since my grandparents died when I was little, mom and I have been living alone.

My grandparents were around when I was little, but they died soon after and mom and I have been living alone since then. This naturally made me want to help her and we've been dividing the housework between us.

We're more like friends than mother and son.

Dad was never around, so I've never seen his face nor do I even know his name. Mom doesn't want to talk about him either, and I personally don't want to know after such a long time. That's why I haven't asked her...

She's always troubled by them because she can't find bras for her size.

Mom's distinguishing feature is her huge breasts.

Uhh... they've gotten heavier again...!

I love my mom's huge breasts, but mom herself has a complex towards them.

I remember when I was little I used to play with them in the bath, pretending them to be balloons.

heavy

heavy

I've been living a normal life with mom like that, and was expecting our mother-son relationship to continue like this.

Until that day.

Mmm?

"Kiss me" pose

Ding-
dong

I wonder if
I should grow
out of stuff
like this...

I'm going
shopping with a
friend today, so
I'll buy something
you'll like!

I'm always
worried
that my
neighbors
could be
watching...

I don't
really like
doing this
every
morning...

KISS

Could you ask her how we can
What?! get breasts like that?

Really?
I'm
jealous!

I heard
that she's really
young and cute,
and even has
huge breasts!

Your
mom's
really
beautiful,
right?

Huh...?
Why...?

Hey Hasegawa-
kun, can I
meet your mom
sometime?

Hey Yuuko,
how's your son
Hiroto-kun
doing?

Hiro-kun? He's
doing fine. He's
got his university
entrance exam
next year, so he's
studying hard
right now.

Fellow mother and
Yuuko's friend-
Igarashi Kaede

By the way,
have you
decided on
it yet?

I wish I
could get
some of his
academic
ability into
my dumb
boys...!

Hiro-kun's a
lot smarter
than me, so
I don't have
anything to
teach him!

Oh yeah, it's
about time for
him to enter
university,
isn't it?

Is it
that
time
already?

Huh?

For so long you've been held up looking after your son. Isn't it time to think about your own happiness?

Yeah, okay... but I have to think about my son too...

We'll start off by having lunch together as a group, with me and other friends. What do you think?

We talked about it last time, remember? I could introduce a guy I know to you?

Yeah...

Haa... she escaped again...

Sorry!
I'll talk to you later!

I know you're in love with your son, but eventually he's going to leave and become independent...

Oh sorry! I've got shopping to do, so I'll be off now!

Clatter

Hey wait...!

Ah Hiro-kun,
welcome home!

I'm
home.

Clack

Dinner's
almost ready,
can you wait
just a bit?

Boing

Well, her
breasts are
pretty big
(actually huge)
though...

?

"Can you
ask your
mom how
she's so
beautiful?"

Is she
really that
beautiful...?
My mom...?
She has a
baby-face,
and she's
childish...

Wobble

Thump

I'll call
you when
I'm done!

Okay!

Um, ah...
I'll be in my
room. Can
you call me
when dinner's
ready?

Is something
wrong...? Hiro-
kun, are you
daydreaming?

Huh?
What
am I
staring
at!

Marry
someone
eventually...?

Don't call me
"childlike"!

Will a
childlike
mother
like her...

Come to think
of it... I've
never heard
about mom
remarrying...

And on most
weekends she
either stays at
home or goes
out shopping
with me...

Huh...? Did I
fall asleep
without
realizing...?

What's
this...

Gloomy
feeling I've
got...?

Is this
mom's
smell?

Hiro-chan...
Hiro-chan,
what's wrong?
Are you crying?

Come to me,
you love my
breasts,
don't you?

Dreaming about
sucking mom's
nipple when I
was a baby.

Oh my,
you're
sucking so
hard!

You really
love my
breasts,
don't you?

Do you want
more? Sure,
drink as much
as you want,
until you're full.

You can
keep drinking
as long as you
want.

The feeling of
mom's nipple
spread all around
my mouth, and
the taste of
sweet nectar
gave me relief.

It was so vivid
and realistic
that I couldn't
tell if it was a
dream or not.

Slurp
Slurp
Slurp

pop

Ah...!

Mama...

I want to
keep sucking
it... my
mama's
nipple...

Mama!

What's
that?

Mama's
right here.

Huh...?

slurp

wobble

This is...
my room,
isn't it...?

Huh...? That
wasn't a
dream...?

What...?
Huh?

Do you want
to drink more,
Hiro-chan?

So that
means...
don't tell
me...

Of
mama's
milk?

Shit, I was
actually
sucking it!

Ah...
ah...!

That's
my line!

WAH!
M-M-
MOM!
WHAT
ARE YOU
DOING?!

I came to wake
you, when I
heard you crying
"mama, mama!"
I got worried so
I came closer...

After that
you kept
sucking it
for around
20 minutes!

You looked
serious, so
I let you
suck it...

So that
means that
it wasn't a
dream...!

And you
grabbed
me, saying
"mama, I
want milk!"

It brought
back some
fond memories
for me too...

You were
weaned quite
late, so I
wonder if you
still need to
suck more?

It's been so
many years
since I last
breastfed
you.

AHHHH!
I WAS
WISHING
IT WAS A
DREEEAM!
I'M SO
EMBAR-
RASSED...

I wanna go
hide on a
mountain...!

It's a bit
swollen now.

Also...

You called
me "mama"
for the first time
in a while!

Ah, ah,
ah...
au,
au...!

Blush

BLUSHING

Open
Close

Hiro-kun,
do you want
more of
my milk?

Hehe!

Wha
...?!

How could
I be sucking
on mom's
nipple at my
age...

I want to
disappear...

feeling
down

Hiro-kun,
how's the
studying
going lately?

Huh?
Oh, yeah...
it's going
alright...

I can't look at
her face. I keep
thinking that she
also knows about
my boner too...!

I see! By
the way,
about my
friends...

My boner
won't go
away after
seeing mom's
boobs...

boner

N-
NO, I
DON'T!

Blushing

Are you
sure?

But I couldn't
concentrate, because
her breasts kept
swaying when she
moved her body...

Mom was
saying
something
to me at
dinner...

wobble
wobble

Boing

ba-bump
ba-bump

I tried
some new
ideas.

Oh,
sure.

I made some
sweets, do
you want to
try it?

Hiro-kun!

"Hasegawa-kun, could you ask her how we can get breasts like that?"

And see this? This is...

heavy

I can't ask my mom that...!

ba-bump
ba-bump

Hiro-kun...

No I haven't!

S-she noticed?

N-...

You've been staring at my breasts, haven't you...?

If you wanted,
all you had to
do was ask!

That's
not what
I want...!

Really?
Then what
do you
want?

Oh my, Hiro-
kun's blushing...

Hey,
Hiro-
kuun!

Like
I said,
it's
nothing!

Then...

I said, if you call me mama, I'll let you suck on my nipples as much as you want!

A-as much as I want...?

Hehe...

What?

If you call me "mama" again I'll let you suck on my nipples!

STARTLED

I'M
GETTING
A BONER
AGAIN!

Push down

Wobble

If I call her "mama" I can suck on her nipples... as much as I want...!

Hiro-kun,
here try this!

Mama.

Hiro-kun's
quiet now

Maybe I'm
teasing him
a little too
much?

What did
you just say...?

What...?

W-why am I getting nervous...?

Okay, I'll undress you now...

All I'm going to do is breastfeed my son...

My mom,
the person who
cooks for me
every day, her
face's all white

The strong
smell's filling
the air...

I used to
hate this
smell, but...

sniff

I used
to hate
this smell...

Hiro-kun's
cock...

My mouth's full of cum, it's like having a mouthful of grated yam...

Mmm...

It was tasty.

I would've never done this a few years ago...

Mmm? It's your cum, so I don't mind.

If it's Hiro-kun's, I can swallow it, even if it tastes bitter...

M-mom...

M-mom! You didn't have to swallow it!

I just wanted to put anything that came from my son's body inside me.

So this is... what Hiro-kun tastes like...

Mmm!

Then
we could've
stayed as
normal mother
and son, but...

I would just
watched TV,
laughed, ate
snacks and
studied with
him, then say
goodnight to
him as usual.

At that time I
thought, "if I've
kissed him and
made him cum
one more time
his sexual desires
would have been
satisfied."

My mouth's
full with your
cum Hiro-kun,
so let me
wash it out
first.

Hiro-kun...
I'm tired...
let me rest

Yes.

I've lost count of
how many times
Hiro-kun ejaculated...
I can't believe he
can still do it... ah!

Hmm... she never
wants to come
when I bring a guy
along... she's so
attached to her son
too... maybe she's...
with her son...?

Nah, it
can't be...

Mooooom! If you
thinking while
cooking, it'll
explode again!

Mmm...
