いいか？高校生になったからって自動的に楽しいイベントが起こったり女の子と触れ合えるわけじゃない。そういうのは、それを得られるよう行動した者にだけやってくるものなんだ。大事なのは行動力っ！限られた三年間を無駄に過ごすな…いまっ…！女子高生と毎日接することができるのは今だけなんだぞっ…！

ついで15年前の自分に説教したくなる26P。

Please return it by the 21st of November.

And that student who borrowed a book just now was our first client for the day.

Thirty minutes until closing time.

Fufu!

It's hard not to get sleepy when it's so warm, isn't it?

Oops! Sorry.

This year, I aimlessly chose to be part of the book committee because I thought it might be fun, and what do you know it, I hit the jackpot.

At our school, for some reason or another, it's part of the regulations that students must belong to a committee.

The hours might be a little on the long side...

but they're easy-going and quiet and air-conditioned. So I can't complain too much.

Grin

Haha... Maybe I should try studying to pass the time like you, Saeki-senpai...

Oh, erm... I wasn't trying to scold you or anything, don't worry.

Fufu! Then my English textbook cover camouflage was a huge success! ♡

Are you sure you don't need to study...?

Actually, between the covers, this is a romance novel.

Really...? You fooled me. I figured you were studying for a test...

Saeki-senpai. She's a calm, girl with a playful side who adores books.

This is one of the secrets to succeeding in life.

Being able to pass the time with her is the number one reason why I'm so content belonging to the book committee.

But there are so many students around who are actually studying, I thought it'd be in poor taste to be lazy right in front of them.

Hmm. That makes sense...

...Yep. I already have a recommendation lined up for a public university in another prefecture so I'm all set.

Oh!

ノノノノ

It's time.

So it is.

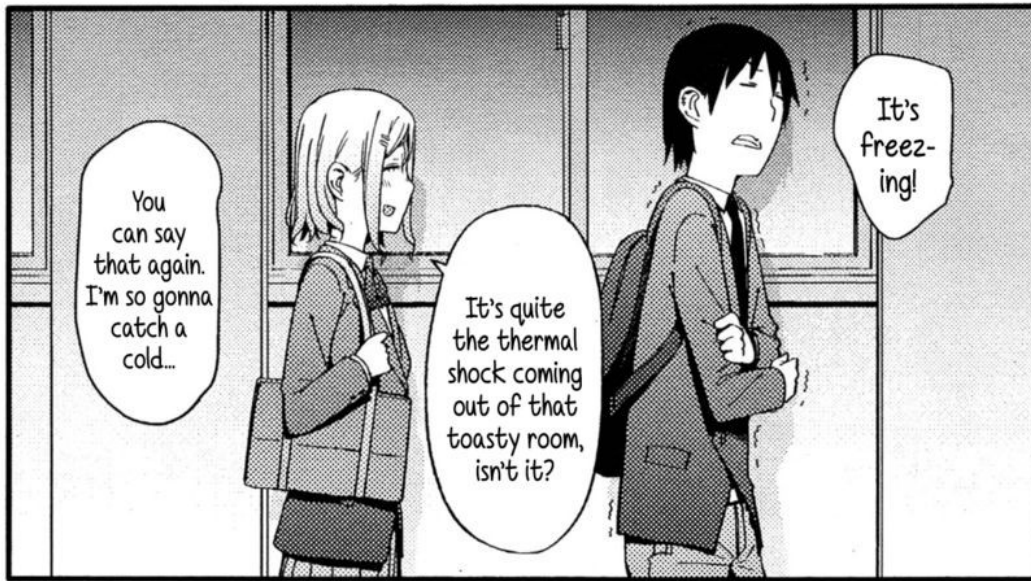

these moments when I'm able to have a conversation alone with a member of the opposite sex inside the school are highly fulfilling...

for someone like me, a second year still trudging along his underwhelming high school life,

I don't know what Saeki-senpai's thoughts on the matter are, but...

That's right. Soon, I'll have to say goodbye to this leisurely place, so for now I'm making the most of it.

...Oh, I see. So that's why you keep being a part of the book committee.

You can say that again. I'm so gonna catch a cold...

It's quite the thermal shock coming out of that toasty room, isn't it?

It's freez-ing!

ノノノ

Don't you hear weird noises coming from that stairway over there...?!

What is it?!

... ??

Nho?!

ノノノ

... !?

!!
Xiy

Geh?!!

Ah!
♡

Ah!
♡

They're
doing
it...?!!

Ah!
♡
Hey!
Hey! Hey!!
You're in
school,
y'know...?!!

Ah!
♡

Ah!
♡
You can't
do that
here!

Wait...
Isn't
that...

That's the
girl who just
borrowed a
book...!!!

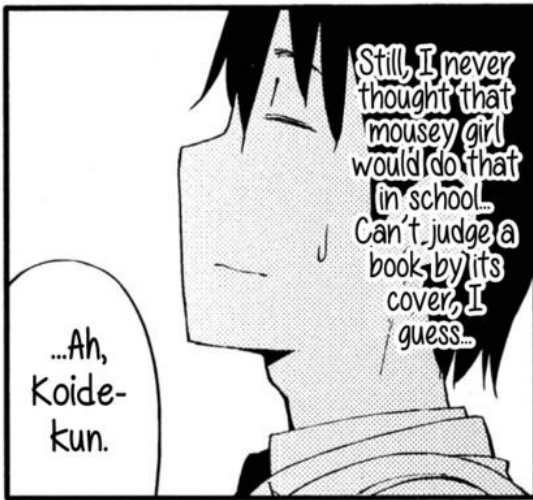

They look
busy; let's
take the other
way around.

G-
Gotcha.

...koide-
kun.

Is
this for
real...?!

I don't think I've had a single event befitting a high school student happen to me...

I'm going to graduate soon, but from the day I got into this school until just now...

What...??

...You know those worn out cliches that happen to high school students so very often in novels?

Grin

Are you satisfied with how things are...?

What about you, Koide-kun...?

So after watching them earlier, I got to thinking

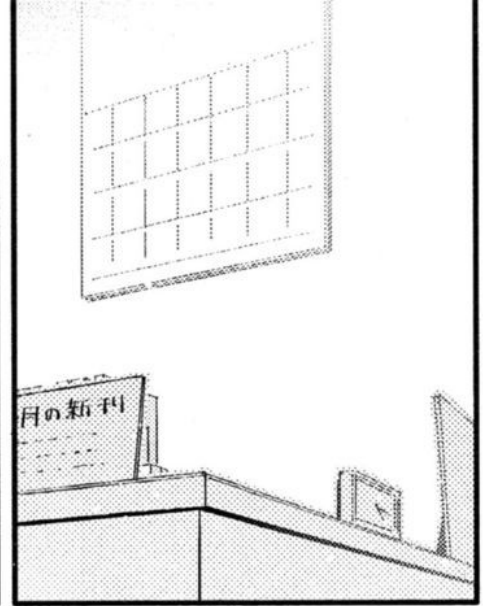

...

that I want to leave behind at least one scar in mine and someone else's high school memories too.

!!!

Excuse me.

is two... weeks...

The... lending period...

?

Ah! Okay...

I'd like to borrow this book.

J-Just peachy...!

くらっ

!?

And so, this is what our relationship within the confines of the library became.

I took on Saeki-senpai's proposal.

Erm...

Are you all right...?

Glance

I don't know the reason why, but those are the rules.

S-Senpai!!

Basically, everything was okay, except kissing.

...!

I'm trying to lend a book...! Uuuh!

Ukh!
P-Please wait a...

Ack...!

The endgoal is for another student to see us having sex.

!!?

Just like Senpai and I saw that other couple having sex.

The feeling of Saeki-senpai's tongue dancing on my knob is as vivid as it gets...!!

...To be perfectly honest, I'm still having a hard time believing my eyes, but...

All right.
Let's step it
up this time,
Koide-kun.

And just to
make sure, I
locked the door
so we can feel
more at ease.

On the other
hand, everyone
on the opposing
school building
can see us with
ease.

T-That's
not what I
meant...

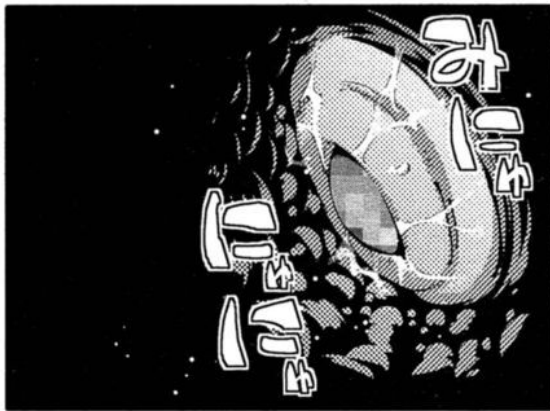

Isn't this...
your first
time...
Senpai..?

Yeah!
It's fine!
It's fine!
♡

Saeki-
senpai...
Erm, are
you sure
this is
okay...?

At this
time, no one's
going to swing by
the library anymore,
and because of the
bookshelves, no one
would be able to
see us from the
hallway.

Are girls' insides supposed to be this wet...?!

Yes...! Your insides feel ridiculously good, Saeki-senpai...!!

Ho... How is it, Koide-kun??

It slipped inside all the way to the base in one go...!!

Aah...! Saeki-senpai's body is so soft, and it smells crazy good...!!

It gets so bad I have to put a towel under me when I do it by myself...

You know, I have a tendency to get really wet when I get off...

I don't mind that at all!

If I'm getting you off, then I couldn't be happier...!!

It's nothing like masturbating! My entire body feels incredible...!!

No wonder people want to fuck even when they're at school...!!

Nh! I'm glad. ♡

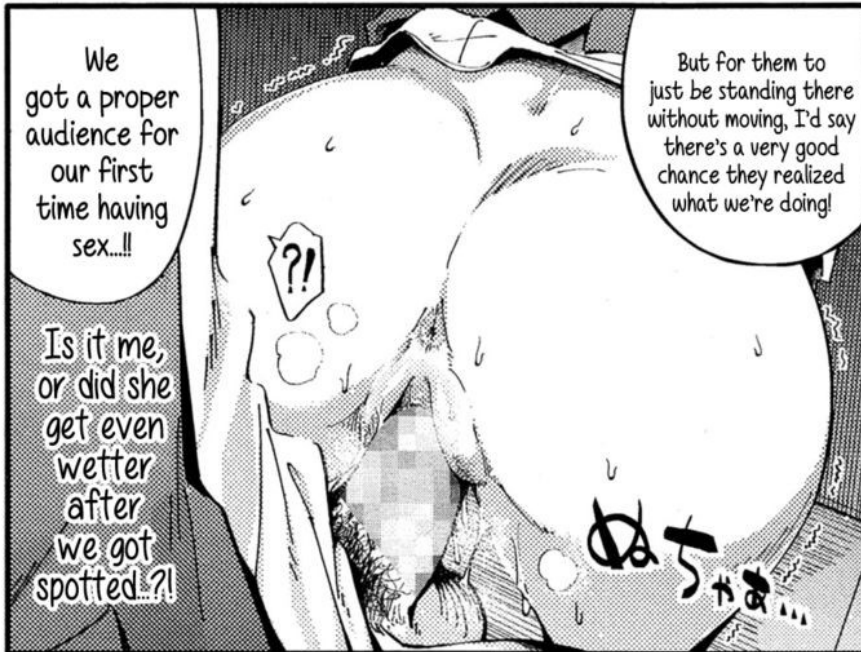

I'm sorry if I make your pants dirty, Koide-kun...!

I-It feels great for me too! It might actually feel better than I imagined...! ♡

There's someone on the other building...!!

Look, Koide-kun! We hit it big right off the starting line!

We got a proper audience for our first time having sex...!!

But for them to just be standing there without moving, I'd say there's a very good chance they realized what we're doing!

Is it me, or did she get even wetter after we got spotted...?!

I can't! Nn! tell, but from their height, probably a student...

I-It's not a teacher, is it...?!

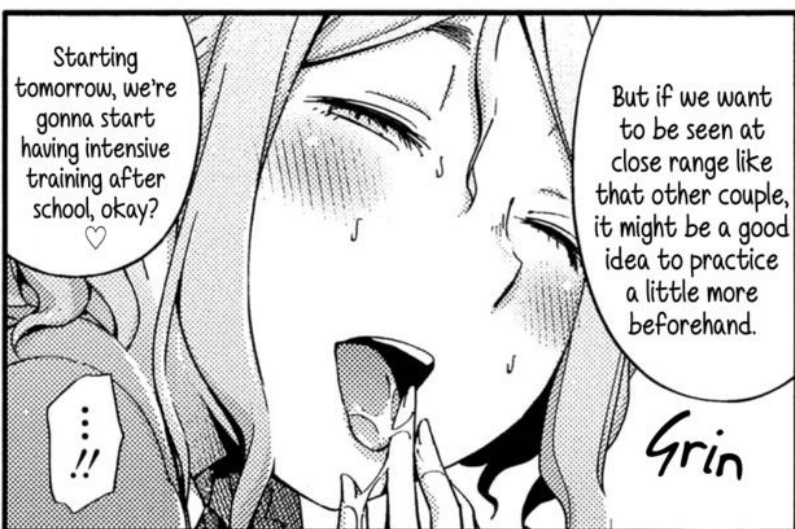

H-Hey, if you move that much...!!

Just like you and I that time,

Isn't it wonderful?

us having sex is being stamped into that student's memories of their ime in high school....!!

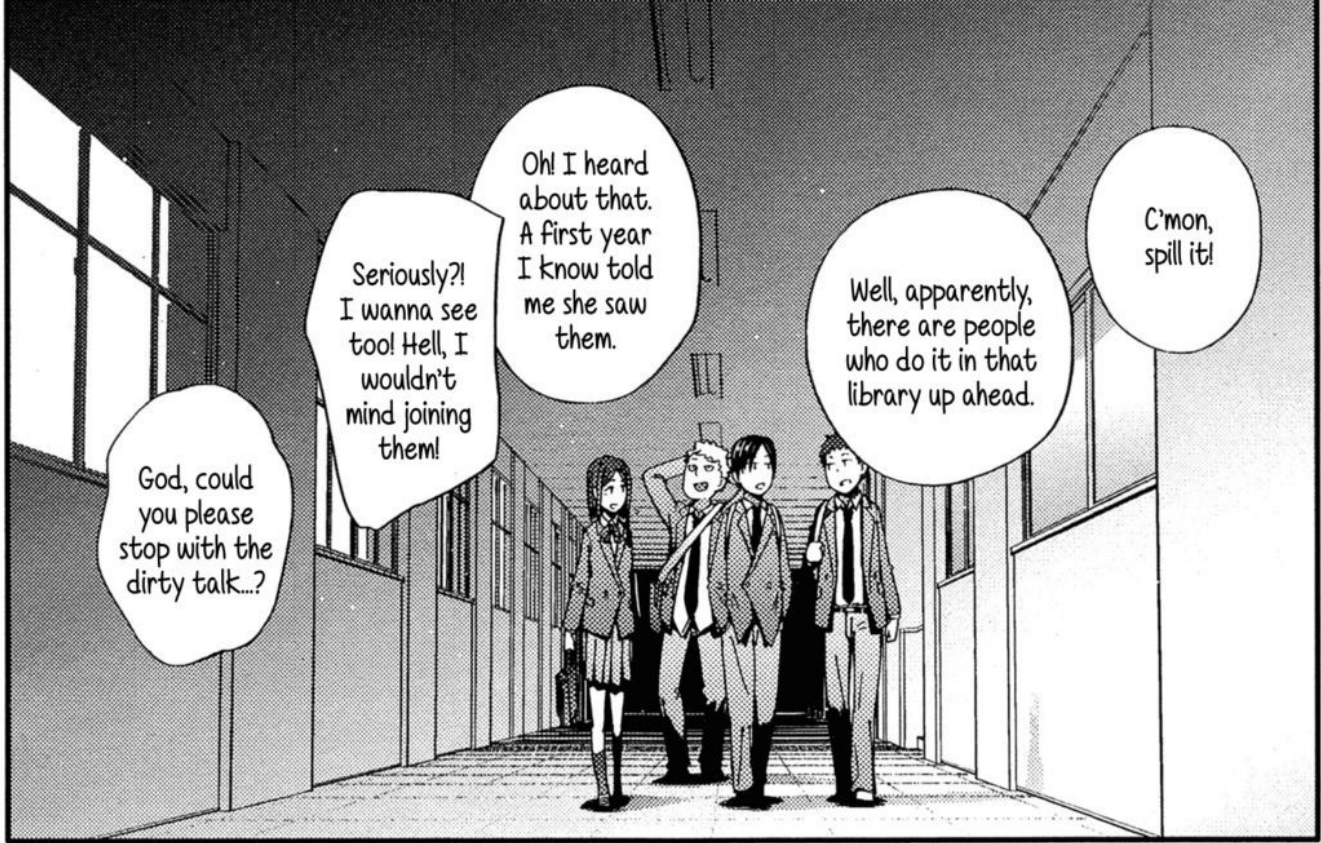

What rumour?

Oh, yeah! Do you know about that rumour?

I stayed in the library after closing time almost every day to have sex with her.

And so, since Saeki-senpai also wanted it that way,

After that, the sensation of Saeki-senpai's body and pussy was constantly on my mind

God, could you please stop with the dirty talk...?

Seriously?! I wanna see too! Hell, I wouldn't mind joining them!

Oh! I heard about that. A first year I know told me she saw them.

Well, apparently, there are people who do it in that library up ahead.

C'mon, spill it!

Whoa! Is this for real...?

Ah! It's open...

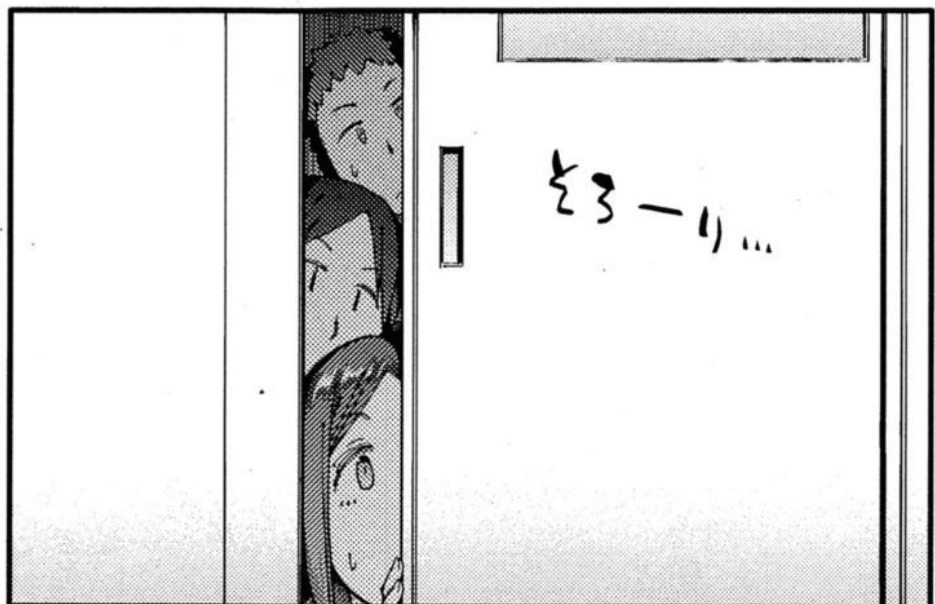

Can you hear that...?

Wait, huh?

...Yeah.

?!

33-1...

Being watched from so close is really great. ♡

It feels like their eyes are constantly on us...! ♡

You weren't kidding...!

The manager of the football club and co. pass through here on their way out! Nh! ♡

Every thursday, around this time...

Yeah. ♡

...Senpai, can I really do that...?

We're done with committee activities for the day anyway, so let's put on a good spectacle for them! ♡

If you do it in the shallow part, it'll be fine. Let's show them...! ♡

Right, this relationship I share with Saeki-senpai comes to an end today.

Fueh?!

I realize that I'm a simple-minded guy, but...

as we kept having sex, I kept falling more and more in love with you, Senpai!

I'd get a proper high school student event...!!

I didn't think that this late in the game...

...A-Ahaha. You're putting me in quite the spot, Koide-kun.

But I want to leave a scar too!!

It's all right! I know you have no interest in me, Saeki-senpai!

Mmh!

Fuh!

Ngh!

Nnh!

A scar
you'll never
be able
to erase
from your
mind!

Not just
on "some-

but on you,

With or without Saeki-senpai, business is still as slow as it ever was.

Phew...

And that student who borrowed a book just now was my first client for the day.

Alright!

Here you go. The lending period is two weeks, so please return it by the 24th of April.

In the end, it's back to my underwhelming high school life.

she still never gave me a straight answer.

Although I tried to sink my claws in Saeki-senpai as best I could in my own way back then.

I've got to give it my all...!!

Now, in order to have a productive university life,

Or so I thought.

But it seems Saeki-senpai didn't leave here without a scratch after all.

It feels lonely without you here, Koide-
