HUH?

NO, YOU CAN STILL KEEP GOING.

Well hello. I'm Scotch.

This time is the first I've drawn an original work rather than a parody - how did you like it? Since it's a fucking-only book, the story is flimsy, or rather practically non-existent, so I'd be happy if it was at least of use.

If I make another one next time, I think I'd like to flesh out the story a bit more. "Hmm, it would be great if I could draw crossdressing boy prostitutes as a series" is what I'm thinking. "Maybe I'll release it on Comitia" and such.

Well then, until next time.

I tried finishing the afterword on a different note than usual, because I was sleepy and the deadline was close, so I didn't have time to fool around.
