Kyah! She looked this way!

Whoa!

I attended XYZ middle school before coming here.
I hope we can all get along well.

... Yes.

I'm Aizawa Ryouko.

My subject is history.

I'll be in charge of your class starting today.

You have my congratulations for making it into this school.

Aizawa!

I guess I'll start off with the usual standard, and have you introduce yourselves.
Okay, let's start with the A's...

Aizawa Ryouko!?

now.
I'll let

Watabe-
san!

See
you
later!

Eh?

what kind of relationship do you have?

Watabe-san, you and Aizawa-san...

We've been together since elementary school.

Hmmm,

I guess you could call us childhood friends.

Our relationship...

Then... that means you two aren't dating?

What's with that!?

You suck at it, so it's my turn now!

Oh, hmm?

Going to ask her out already!?

I still have a chance with her.

Great!

Y-Yeah...

I don't think she's dating anybody.

That means...

she's free, right?

Yes!

S-See... see see... you later, Aizawa-san!

Bye!
It was nice to meet you.

Yuka~
Ready to go home?

Hmm?

Did you already make new friends while I was gone?

Ryouko-chan!

I DO NOT!

That was mean!

SHOCKED

Got a fever or something?

What's with you today?

...

Well...

You've always been there for someone like me.

I want to thank you.

Right...

Well, let's enjoy ourselves.

Take care of me these next three years!

Ehehe!

Bye Bye!

I need to do this now...

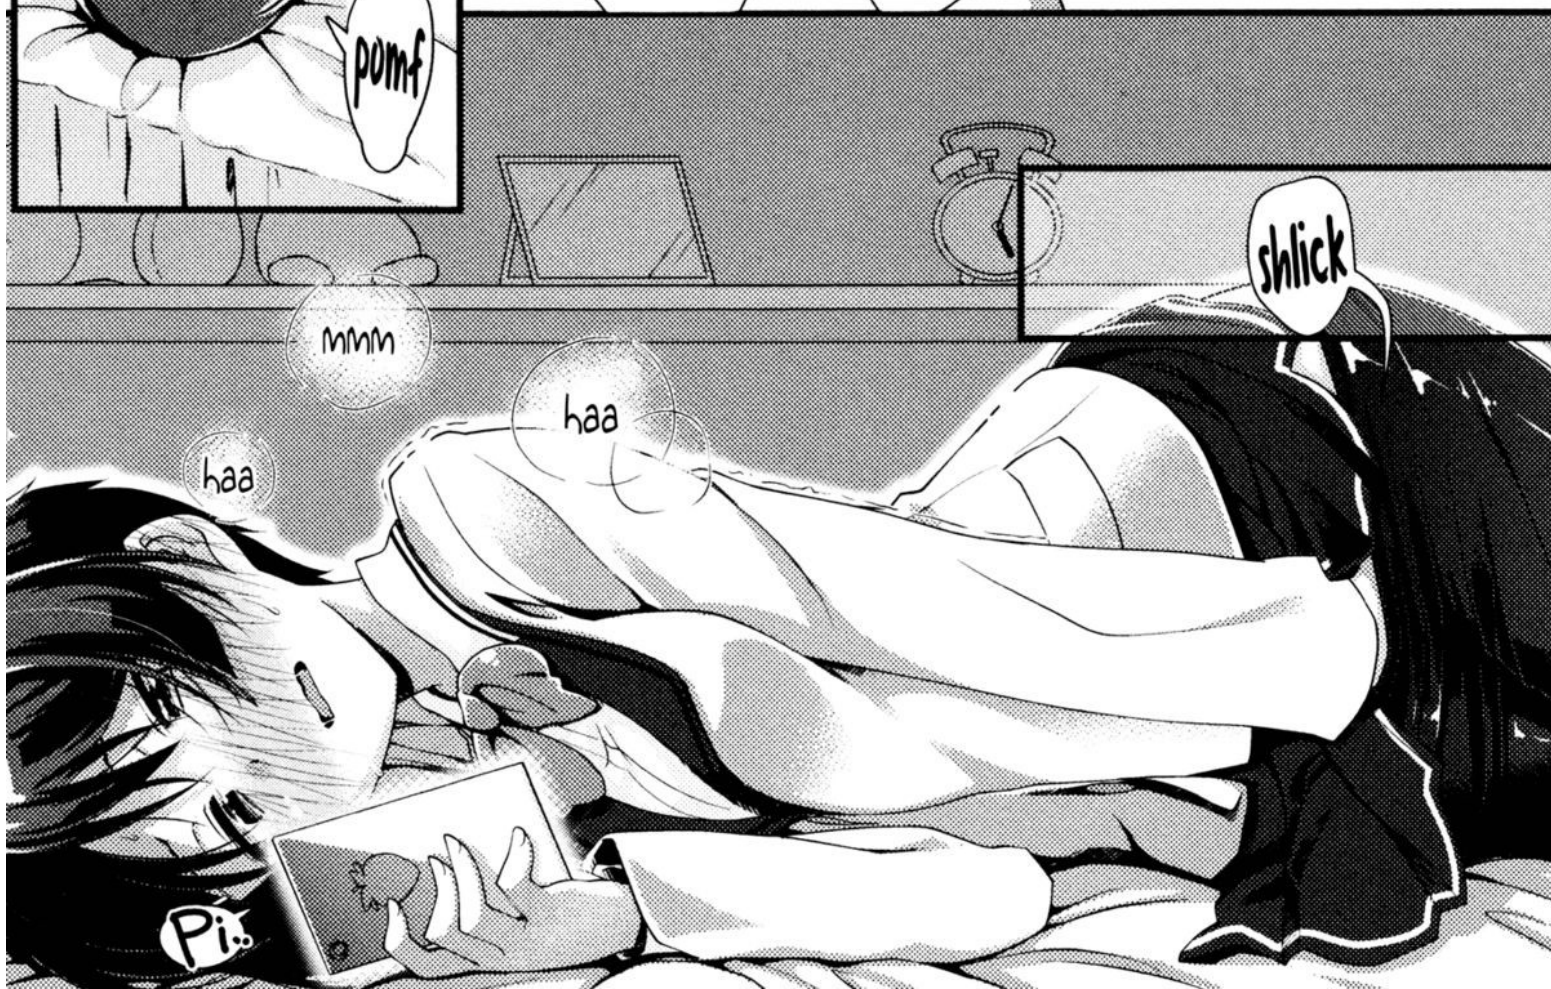

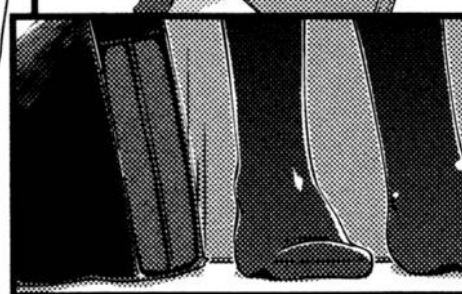

I can still... feel the sensation of her.

I guess she didn't notice.

The palm of my hand is warm.

I didn't see her much over spring vacation.

We held hands... I think it's... been an entire week.

mmm

anymore.

Y-You know what, Ryouko-chan?

Yuka?

I'm

a high school student now.

So...

you don't need to be with me all the time.

umm...

Let's go home.

Everyone else is gone.

Y-Yeah...

What's up? You're acting strange.

It's...

It's nothing.

You should go and be with them.

I'll cheer you on.

You have someone you're interested in, right?

...?

What's this about?

This situation...

You heard, huh?

You're right.

I do.

That
voice...

What's
going
on with
you!?

H-Hey...

her
tears...

Listen

her
sweat...

and her
warmth...

There's
no

There's
someone
I want to
have my
way with.

holding
myself
back now.

I'm the
one who's
terrible.

It was me
who forced
my feelings
on you.

Yuka,
listen
to me.

I'm sorry...

Yuka,
why are
you the one
apologizing?

It's completely different.

And I love you, too, Ryou—

And the girl I love... is you, Yuka.

You see... I'm in love.

...
When I say I love you... what I mean is...

Our love isn't the same.

Ever since the moment we first met, I've felt that way the entire time.

No... I'm deeply in love.

that
I even
dreamed
of it.

I wished
so much
for that
to happen

I want to
feel the
warmth
I want of us being
us to together.
become
one.

I want to
have sex.

I want
to do lewd
things
with you.

For day
after
day...

until we
lose our
minds.

I want us
to melt into
each other.

I'm so
indecent.

Ah...

I wonder when
it was that
I started
feeling this
way...?

I'm
sorry...

So...

I want to
do a lot of
different
things with
you.

From
now on...

So,
yeah...

What I fell
in love with
was Yuka's
face as she
smiled.

Because...!

Jeez!

You're such
a crybaby,
Ryouko-
chan.

An anime-style illustration of two young women in school uniforms sitting in a shallow pond. The girl on the left has short brown hair and is looking towards the girl on the right. The girl on the right has long grey hair and is looking back at her with her hands clasped near her mouth. They are both wearing dark blue school jackets over white shirts and dark skirts. The background shows a fence and some greenery. The water in the pond is rippled.
