

柴崎シヨージpresents「エスケープ」

It's nothing special... I'm just cutting class.

"Just" cutting class, huh...

Okay, now tell me what you're really doing here.

I thought you were acting weird and followed you, and now we're here.

Huh...

That's right... When one student after another started thinking I wouldn't turn down anyone's requests...

It didn't take me too long to realize that I had somehow become the school's "handyman" at some point.

Shut down?

Everyone's Shiori-chan is shut down for a while.

Huh? What are you talking about?

Well then, would you now turn down someone who asked for your help?

As expected of our student council president.

But you really are reliable, Shiori.

But there's a limit to being relied on!

If someone expects something of you, isn't it human nature to respond to that?

Is that so...

That was before I had caught you.

Shiori, you seem like the type that doesn't bother enjoying life.

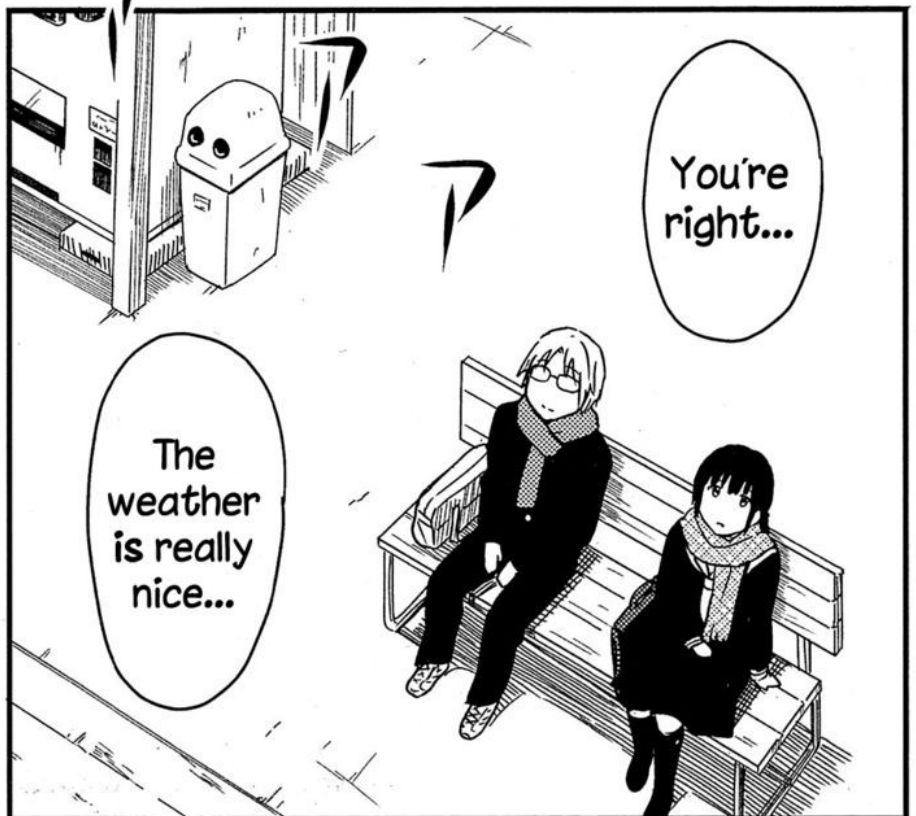

How should I put this...

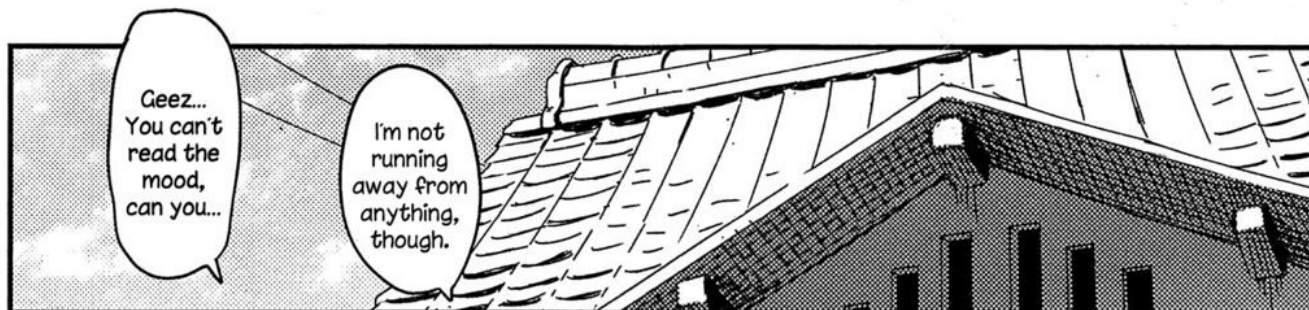

I'm not.

...You're not going to tell me to go to school?

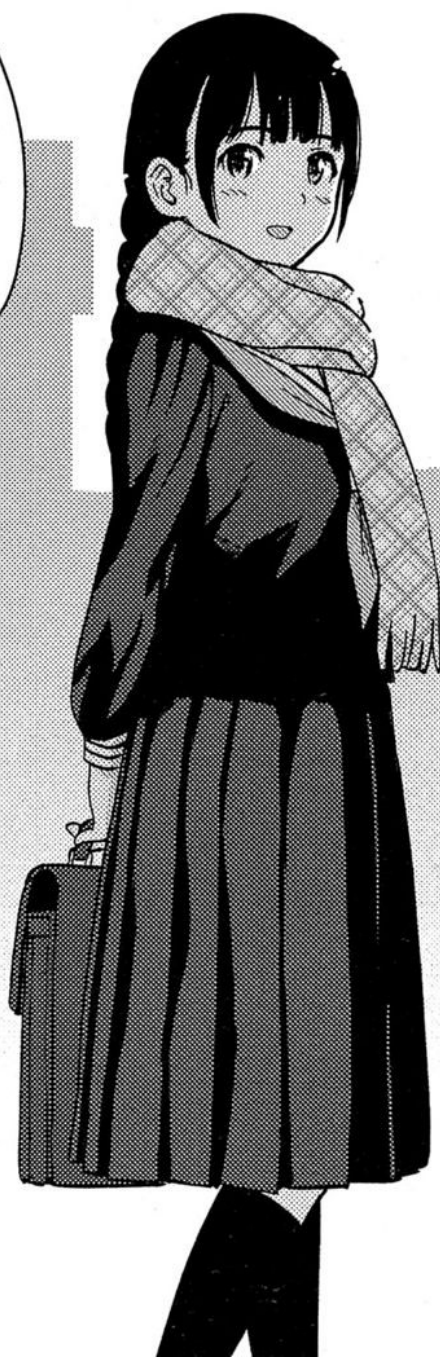

I see.

It was
still
fun~

We had to
watch out
for adults,
so we couldn't
do anything
but walk
around,
though.

Aah~
That was
fun~!

Stop by
one more
place
before
we go
home?

Can
we...

It's
getting
dark, so
should we
head
back?

Hmm~

Shiori...

.....

I-I see...

I noticed it while we were walking around town~

What do you think?

This place is...

What?

I've been busy lately so we haven't been able to do it for a while.

Now! Let's go make some more memories!

Wa-Wait a second!

Then there's no reason to hesitate!

Let's go~♪

Yeah, well... That's true, but...

Wash under my breasts, for example...
It gets really sweaty there, you know.

Come on, Seiji.
Wash me properly.

"Properly", you say...
How am I supposed to do that...

Breasts...

They're big and rugged...

I love your hands, Seiji...

They're completely different from mine.

Just like that...
You're good...

Like this? ...

You think so..?

Yes~

Oh?
You don't
need to be,
it's
perfectly
fine~

I'm
embar-
rassed
at my-
self...

Uu...

You're
like that
down
here,
too~

I see,
but you
don't need
to get
started
by your-
self...

Just look
at me,
I've been
ready since
the start
of our
date.

NO!

You
warm
me up,
Seiji!

That's
impos-
sible...

It's really
cold, so let's
at least
enter the
bathtub,
okay?

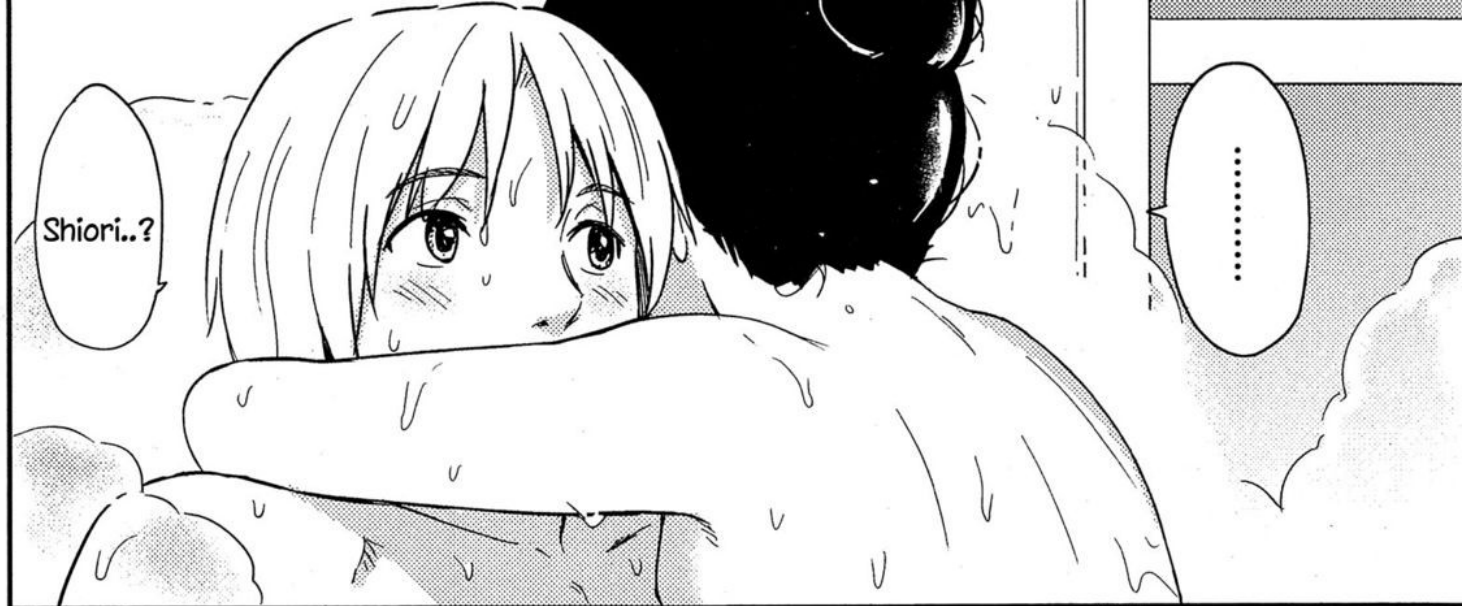

You'll
catch a
cold.

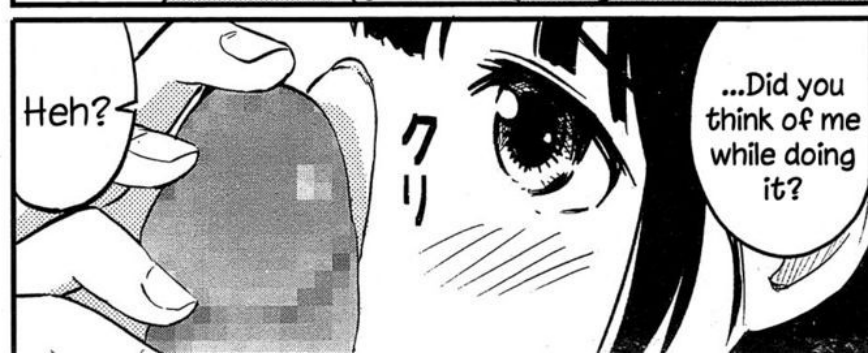

ACIOO

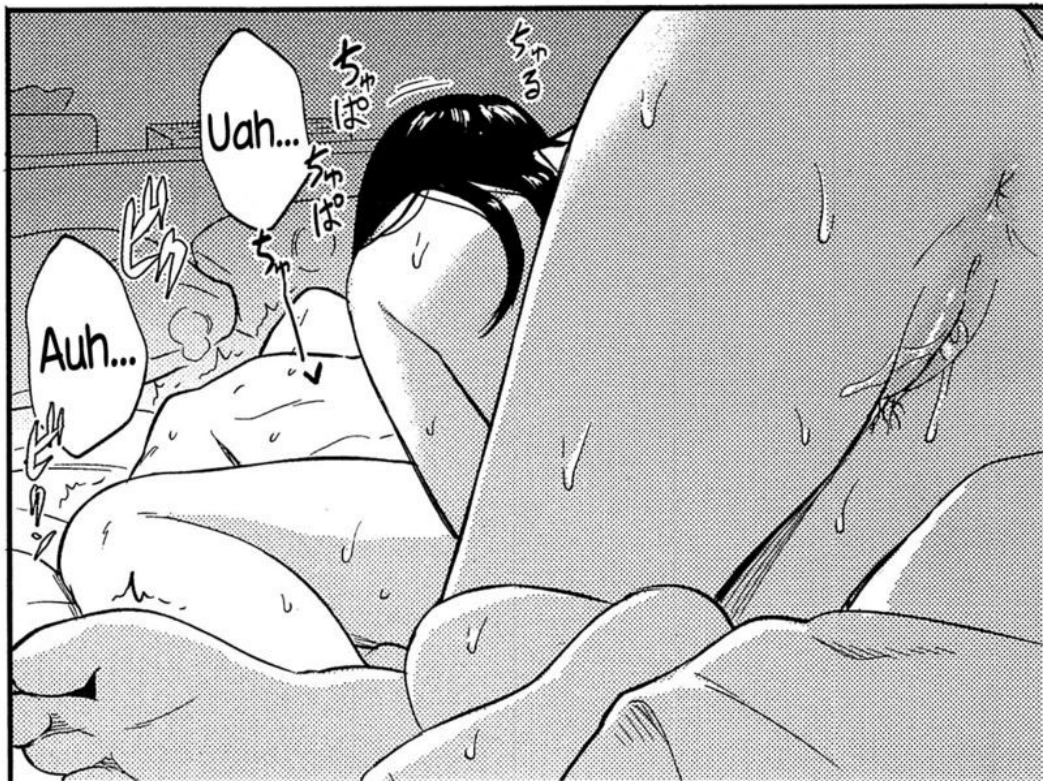

Ah.

Come on,
do I have
to say
it..?

What
kind of
things
did you
think
about?

Hey.

I did.

So did
you use
me as fap
material?

I'll do
whatever
you want,
Seiji.

Tell
me...

Hn...

I enjoy it
the most
when you're
feeling good
too.

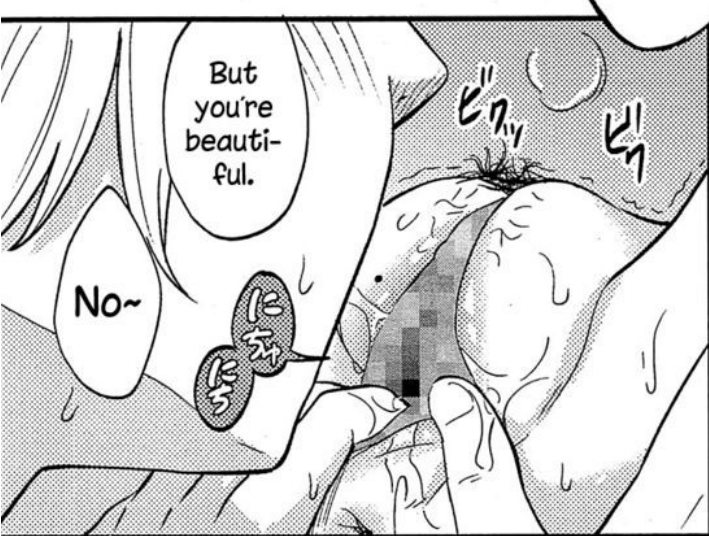

But I don't
want to
feel good
by
myself.

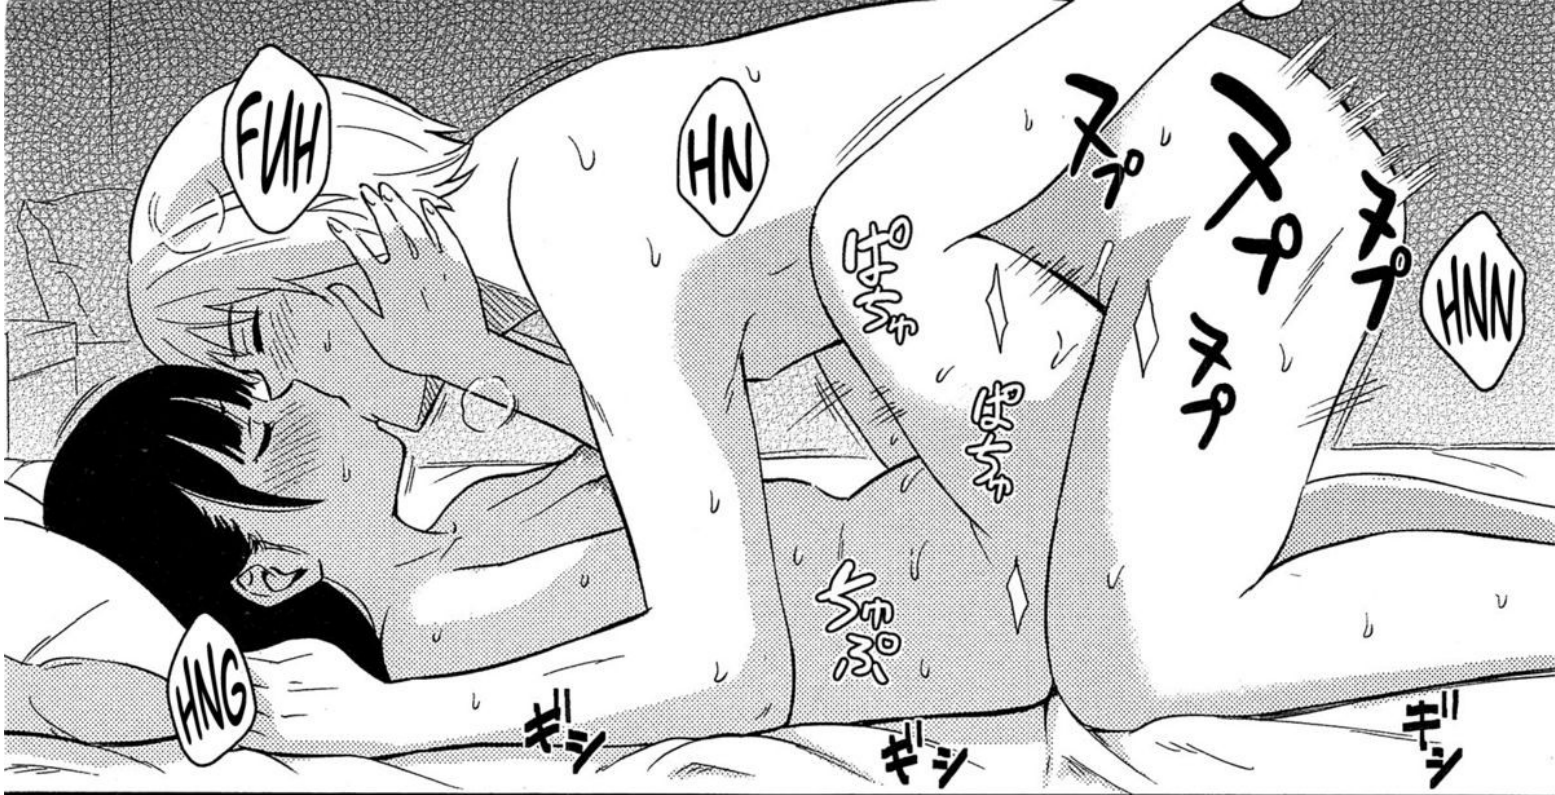

Eh?

But
I...

I app-
reciate
the
thought...

There's still this much coming out...

Amazing...

Don't look!

Yeah... And it looks really lewd...

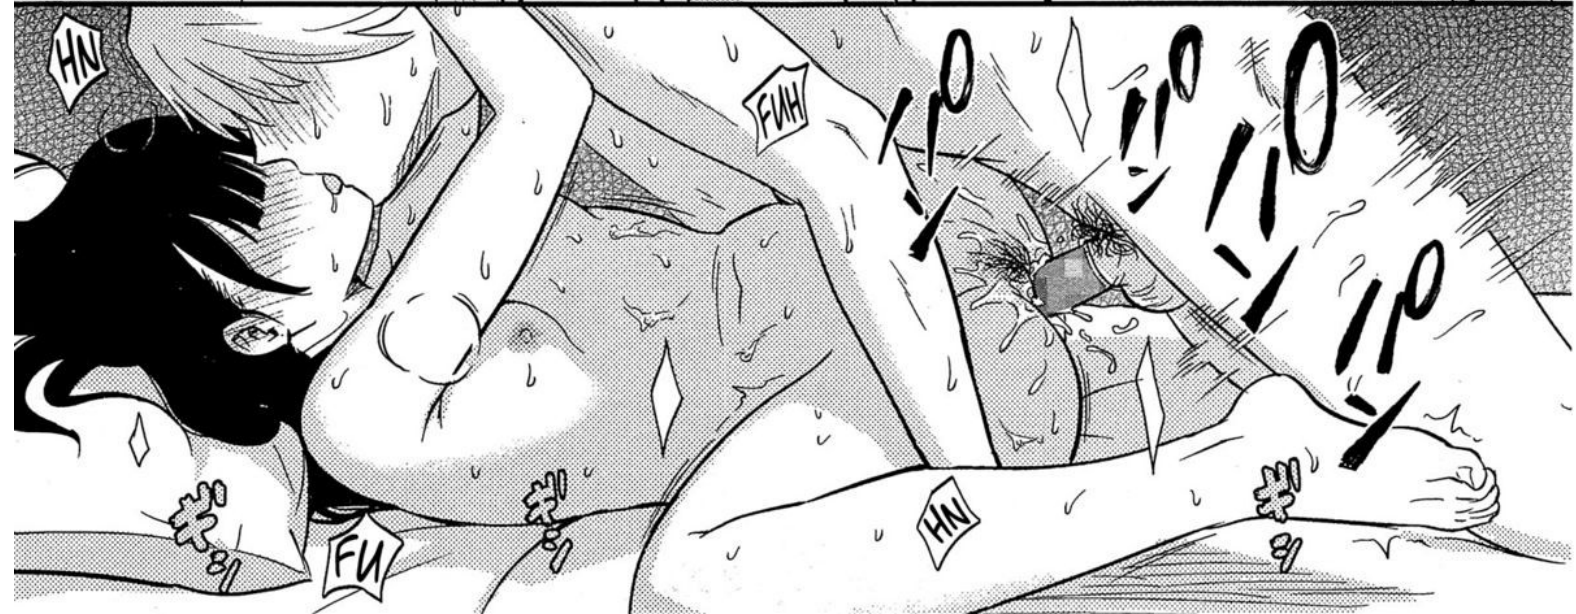

NO-! STOP THAT!

I'M... GONNA CUM AGAI-!

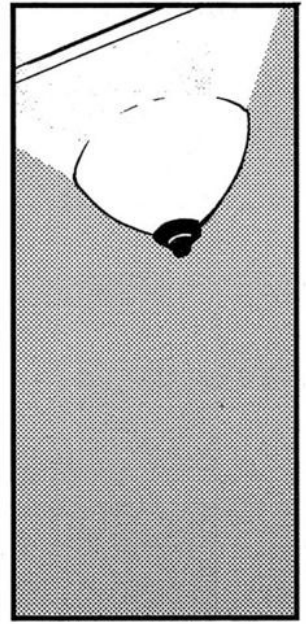

AH!

HAMU

Oh...
Yeah,
I felt like
skipping
class,
too.

You
stayed
with me
all day,
didn't
you...

I'm not
lying.

...You
liar.

Yeah.

...Let's
leave it
at that,
then.

Hey,
Seiji.

Hm?

Thanks
for
today.

What's
up with
you
now?

Wait
for
me...

Seiōi,
you're
slow!

Come on!
We're
almost
there!
Keep at
it!

You
sure are
energe-
tic...

I
see.

I got
to fully
recharge
myself,
after
all~!

Ah!

The
train's
here!

Eh...
