her nipples...

studying

You were
the only one
who praised me
whenever I asked
a question...

I started
to feel interested
in studying thanks
to you, who
taught me...

...YEAH.

RIGHT
IN
FRONT
OF
ME...

AND
THAT

YOU WANT
TO STUDY,
YOU CAN
ALWAYS
COME OVER
TO MY
HOUSE.

AHH WELL...
IF MOM DIDN'T
APPEAR THAT
TIME...

YOU'D
STILL BE
TEACHING
ME, HUH...

AND
I JUST
STARTED
TO THINK
STUDYING
WAS
FUN...

GET
ALL PER-
VERTED,
JUST LIKE
BEFORE.

IF IT'S

“盆と正月と女子小学生がやってキター!!”

Literally, “The Bon (Festival), New Year and an elementary schooler girl arrived”. The author added the “elementary schooler girl” part, though. Indicates that it's time to commemorate a lot (two big holidays happening “at the same time”), but the original meaning that people forget was supposed to say that it's a time when someone's really busy with something...
