And listen, that guy was Pucking hilarious...

Takkun!

Huh?

Thank you very much~

I FEEL IT... THIS'LL BE A FEAST!

THIS LEWDNESS EMANATING FROM THE FRONT COVER...

THIS IS IT..!

Sorry~ I'm going over to this guy's place now~

Eek~

Who the hell is that guy?

!?

Bye~

Eh... Ah-

Aya-nee?!

Thank god you're here... Play along with me for a second!

Sorry about that~

I WON'T BE GOING NEAR THIS STORE FOR A WHILE...

Come on, let's go.

The hell... That's boring.

Seriously, who the fuck is he?

HIHI-HIHI!

Wow, she kinda smells good...

You saved me... Those guys were so damn persistent.

You came just at the right time, Takkun-

Eh?!

So you went out for groceries?

Aah... Yeah, sure...

That's great- I was looking for a place to go to for tonight~

Oh, right... My parents are out so there's no problem.

Eh... Right now?!

...Hey. Would I be a bother if I really came over right now, Takkun?

AFTER AYA-NEE ENTERED HIGH SCHOOL, I DIDN'T SEE HER FOR A WHILE...

It's really been a while- Have you grown a little? You're a second year now, right?

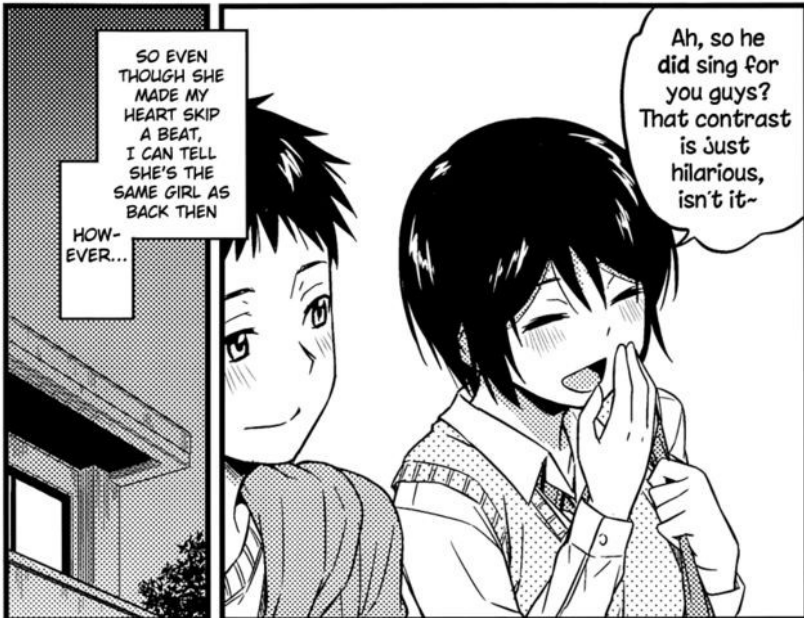

Yeah, in Ona Middle.

Call me "Onee-chan" from now on!

OUR PARENTS HAVE BEEN IN GOOD TERMS FOR A LONG TIME... SO I USED TO PLAY WITH AYA-NEE ALL THE TIME

Eeh~

SO EVEN THOUGH SHE MADE MY HEART SKIP A BEAT, I CAN TELL SHE'S THE SAME GIRL AS BACK THEN HOW-EVER...

Ah, so he did sing for you guys? That contrast is just hilarious, isn't it-

Oh yeah, he is! His face is scary as hell, but his singing voice is great!

That sure brings me back- Is the music teacher, Manji, still there? The one with the wrinkles here.

Aah... Yeah. It's nothing big, though. I just ran away from home.

10>10>

...Did something happen?

Hey, Aya-nee.

Sorry for barging in- This room is still the same as ever- Oh, but there's more manga!

Don't make a mess, you hear?

Do-Don't look at them!

I see- Takkun's at that age where you read these things, huh~

Ah.

Porn mags spotted.

My parents are out for tonight, too, you see... So my sister's boyfriend came over.

Staying there would just be awkward... So I said I'd go over to a friend's house and left.

No way~

Give it back!

I'm telling you, that's what's embarrassing!

I just want to check what you like- It's okay, I understand these things~

Ah...

Hehe- What are you getting all bashful for~

I-It's embarrassing so don't look at them...

I'm not!

They start having sex.

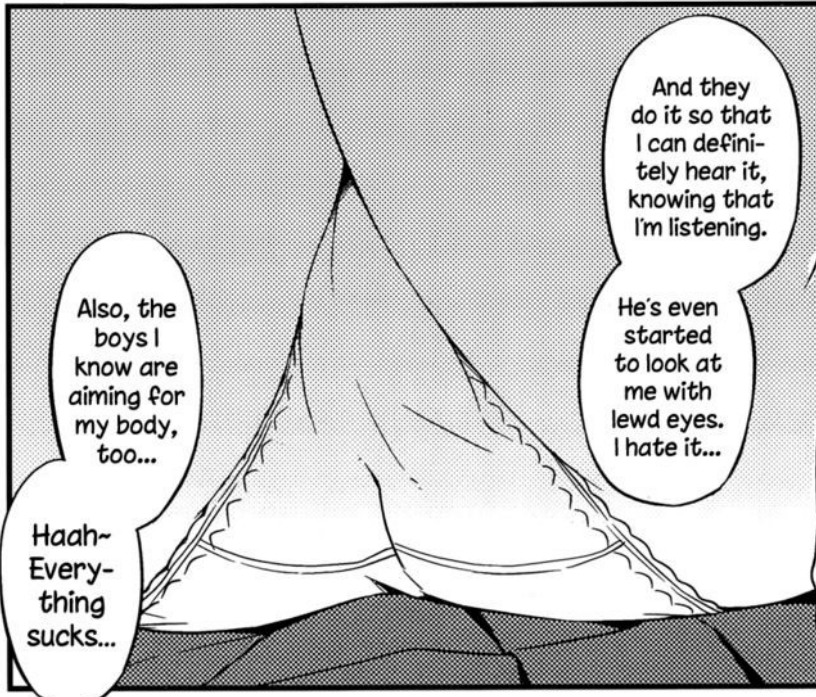

Even though there's just one thin wall between me and them, they start doing it.

Every time my sister's boyfriend comes over...

Eh..? Doing what?

So, um...

Also, the boys I know are aiming for my body, too...

And they do it so that I can definitely hear it, knowing that I'm listening.

He's even started to look at me with lewd eyes. I hate it...

Sounds unbelievable, right?

Haah- Everything sucks...

...Is that so.

I can see you trying to sneak a peek.

S- Sorry.

Th-There's no way I'd do that!

Don't worry. I trust you.

It's okay. I told you, I understand these things.

And besides, you wouldn't lose yourself and have your way with me, now would you?

You're interested, aren't you?

Uhh... Sorry about that...

Then...

...Do you like me?

Hey, Takkun... You...

Don't hate me, right?

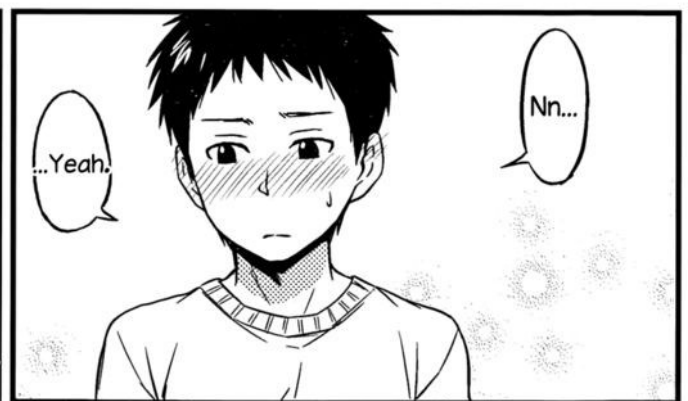

Eh..?

I... Don't?

Thanks.

Wow, that was embarrassing...

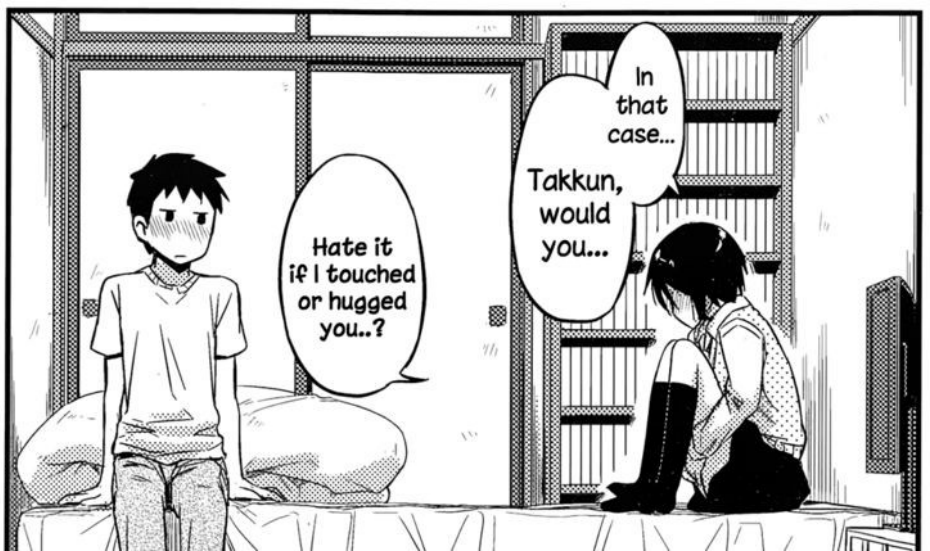

...Yeah.

Nn...

...I wouldn't hate it...

Would you be okay with it, Aya-nee?

Hate it if I touched or hugged you..?

In that case...

Takkun, would you...

...Hey, let's play a game.

A game where you have to stay still no matter what I do to your body.

A game?

See, like this.

I'm fine with it...

I'm not scared if it's you, Takkun.

What do you mean? I wouldn't hate you-

Umm... I'm just a little afraid that you'll hate me if we play that game...

...What happens if I move?

You can't move~

...Did you get a boner?

Are you embarrassed?

Yeah...

Uh, well...

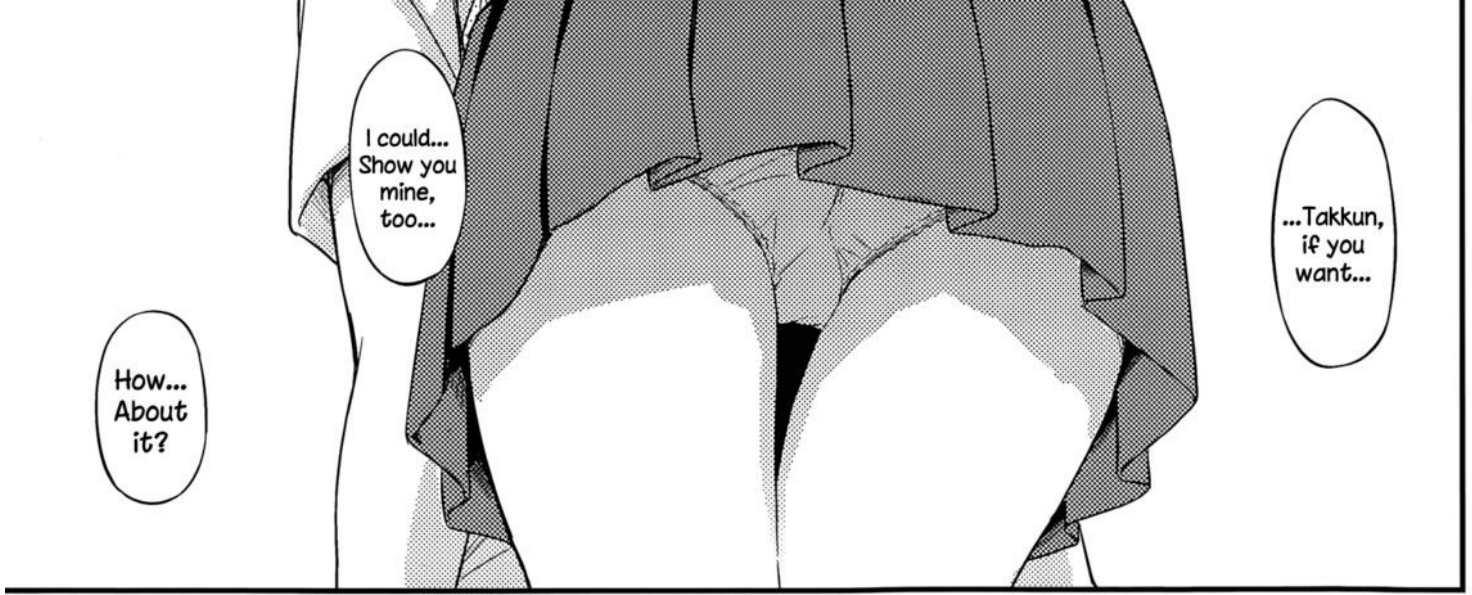

I swear I won't, so...

Can I see it?

But you'll hate me...

You don't want me... To see it?

How... About it?

I could... Show you mine, too...

...Takkun, if you want...

Let's make it a rule that you have to keep your eyes closed.

Being watched is really nerve-racking, isn't it~

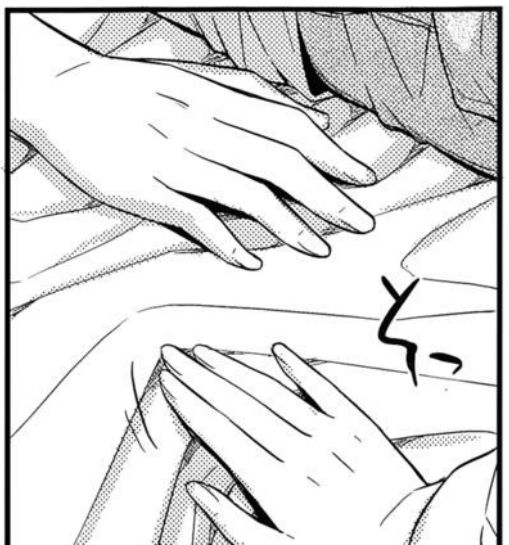

You ready? I'm gonna do it...

...Al-right.

Nn...

Endure it!  
And don't open your eyes.

Hey, that tickles.

Your hands...  
They've really become a man's hands, huh...

Kuh-!

You've got some muscle on you, too.

ノ

Uu...

ズルズル

We... Did?

We sometimes played like this years ago, didn't we?

You know, like playing doctor.

...Right, I was always the patient...

...Ah.

Your heart...  
It's beating really fast...

ドクドク  
ドクドク

If you'd just grab it with your palm and speed up the movements...

I'm taking off my underwear, so look away for a second.

O... Okay.

And the lower hole...

Here's the clit...

Is for... Having sex.

...It's okay to look now.

I'll show all of it, so no touching!

Got it?

Yeah...

Ah... Back off, your face is too close.

Sorry...

Ah-

Unfair...  
Even though  
you did what  
you wanted  
with my  
body...

Eehh?!  
Already?

Okay,  
that's  
enough!

Are  
you  
getting  
wet..?

I'm  
going  
to  
sleep!

Eh?

You can  
continue  
the game  
if you  
want,  
Takkun.

...Good  
night!

I'm...  
Not  
going to  
move at  
all, you  
hear?

I'LL AT LEAST RUB AGAINST IT..!

Hah Haa

AND I DON'T EVEN HAVE A CONDOM ON ME...

AYA-NEE SEEMS LIKE SHE DOESN'T WANT TO DO IT...

I WANT TO HAVE SEX... BUT...

OH MAN... I WANT TO PUT IT IN...

I'll just rub it a little... Sorry...

Ah- I'm not going to put it in...

Eh?!

Nn...

Uah-

Huh? What?

WAH?!

AH...  
I'M  
GOING  
IN...

Hn...  
Nn...

SOFT, THIS  
FEELS  
GREAT...

I'M  
GOING  
TO  
MELT...

SHE  
SMELLS  
SO  
GOOD...

I mean-

Eh? Weren't you awake?

You did some crazy things to me while I was asleep, didn't you?

...I think you went a little too far. But don't think you've beaten me with this.

Ah-! That's right! You were fast asleep! I'm sorry!

I! WAS! ASLEEP!

Can I... Come over to play again..? Like when my sister's boyfriend comes to our house...

As a sort of an apology for what you did...

AYA-NEE SAID THAT, BUT... WE STILL HAD SEX THE NEXT TIME SHE CAME OVER

Oh, but next time I'm not going to let you do me that easily! I'm not a cheap girl, you hear?!

Okay..! You can come over whenever you want!

ALRIGHT, I HAVE TO GO BUY A PACK OF CONDOMS

**End**
