

And the sun is setting a lot earlier now, so don't linger around the school and head straight home, understand?

☆

PERVERT

There were sightings of a pervert in the school district the other day.

Okay! Pay attention~!

Whoa! Did she say pervert?!

She has an unshakable sense of justice...!

Wooh!! The prez is in a fit of rage!!

Ngg!

That find...
Because of
it, I changed
completely.

Semen is delicious.
Old man cock is amazing.
Anal cunnilingus is proper
etiquette for a lady.
Love blooms from rape.
Tutors are dangerous.
The age of sibling
straight shota is
upon us...

and
confirmed
for myself
if it was
a bad
influence
or not.

I secretly
took that
book home

T-This is one of those, famously rumoured to be a terrible
influence on children if they read it, **porn books**, isn't it?!
For goodness' sake, what kind of irresponsible adult would
throw away one of these in the middle of the street?!
W-What is this thing?! It's completely different
from papa's... Wait! I think I remember a stupid boy
saying something about a boner, this must be it!
A male's enraged downstairs is such a bizarre thing...
It's this grotesque brown thing with veins popping
out, and yet, it describes such a strangely divine
and beautiful curvature, and the tip...

ズゥー——ン

Where...?
Where
can I
find a
readily
available
peni...

Why can't
it be as easy
to get a
cock around
here as it is
to walk into
a restaurant
and order
junk food?

I'm at
my limit!

After that day,
I couldn't get
motivated no
matter what
I did. My grades
kept dropping.
And I started
acting really
suspicious...
apparently.

And to
top it all
off, I lost
my ear-
muffs,
too.

There!

My little
unsullied
angel...
With you,
the scenario
would have
to be...

Fufu...
Fufufu
fu...

ハハハ

A grade
schooler in
uniform
will do quite
nicely.

Hah~!
I came so much!

You must be the pervert I was warned about in homeroom.

This... isn't what it seems.

someone illegally threw away a porn book just like that. Can you believe it? Some people are simply rotten.

To cut a long story short,

おかしな話

I can't just go out and rape people, that would be horrible of me~! As a human being!

I'm not old enough to be called that!

...So, old man, you've only jerked off while watching from afar? You've never actually done it first hand with someone?

Yep.

...And I get the feeling that... being honest with them is also out of the question, right, Onii-chan?

おか
おか

I was a little put off by the idea of meeting a despicable sex offender, so I'm deeply relieved that you fall more on the grey side of the spectrum.

おかしな話

As a lolicon, you couldn't ask for better, right?

It's not such a bad deal, I don't think.

ホカ. ホカ.

A genuine loli pussy still in the early stages of puberty! What a delicious looking, tender and springy clitoris...!!

Because her pussy's been simmering inside her cotton panties until just now, the faint smell of urine emanating from it has matured!!

I'm giving you the opportunity to have consensual sex without repercussions with a grade schooler.

Ooh...

Ooh...

Am I heavy,
Onii-chan?

That's so
pervy it's
making me
horny.

So my
first kiss
is going to
be with
a penis,
huh?

The
feeling
of your
pelvis
sticking
to me is
so nice...!

Ah...!

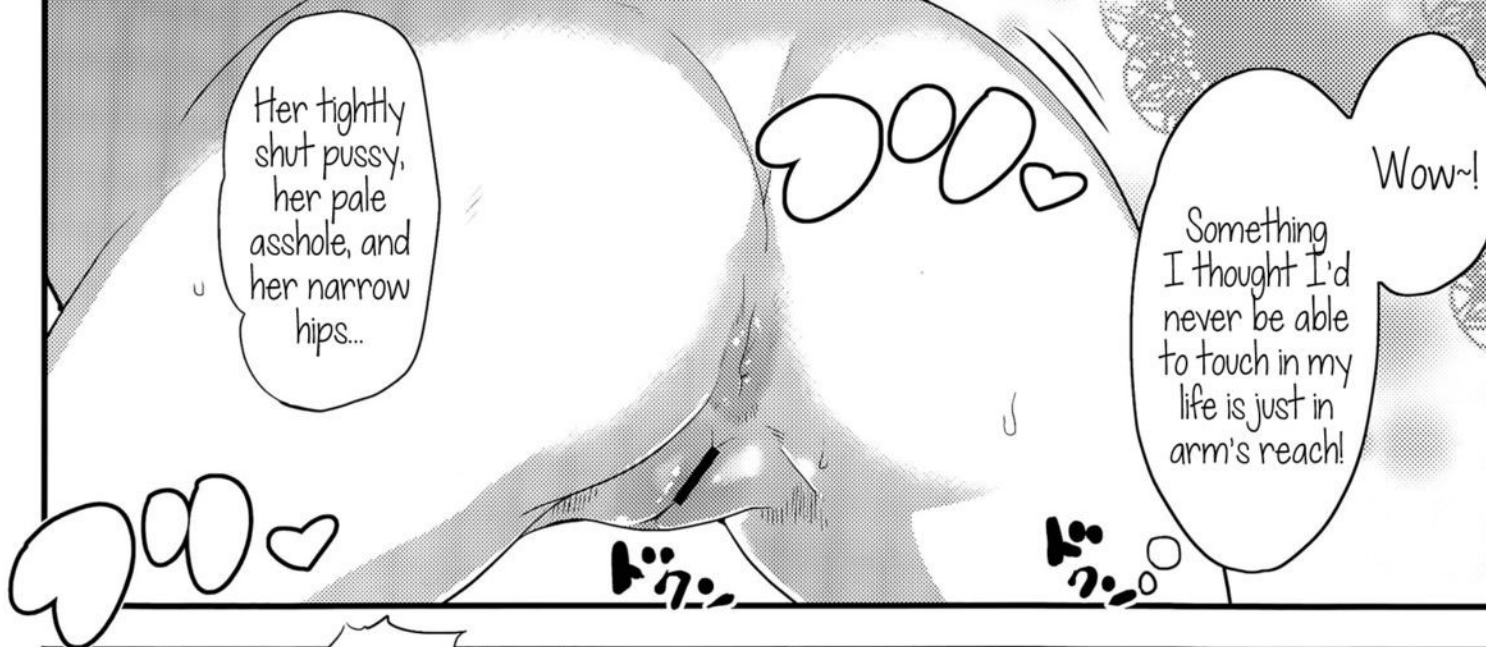

Shtinky
and
shalty.

Well?
How does
your first
kiss taste?

Alright,
then, let's
dig in!

chuu

Waiting for it to recover would take too long, you see? But I have a soft spot not just for straightforward eroticism, but also for the mushy stuff too.

Thank you very much for that!

Gross!

Oh, my!

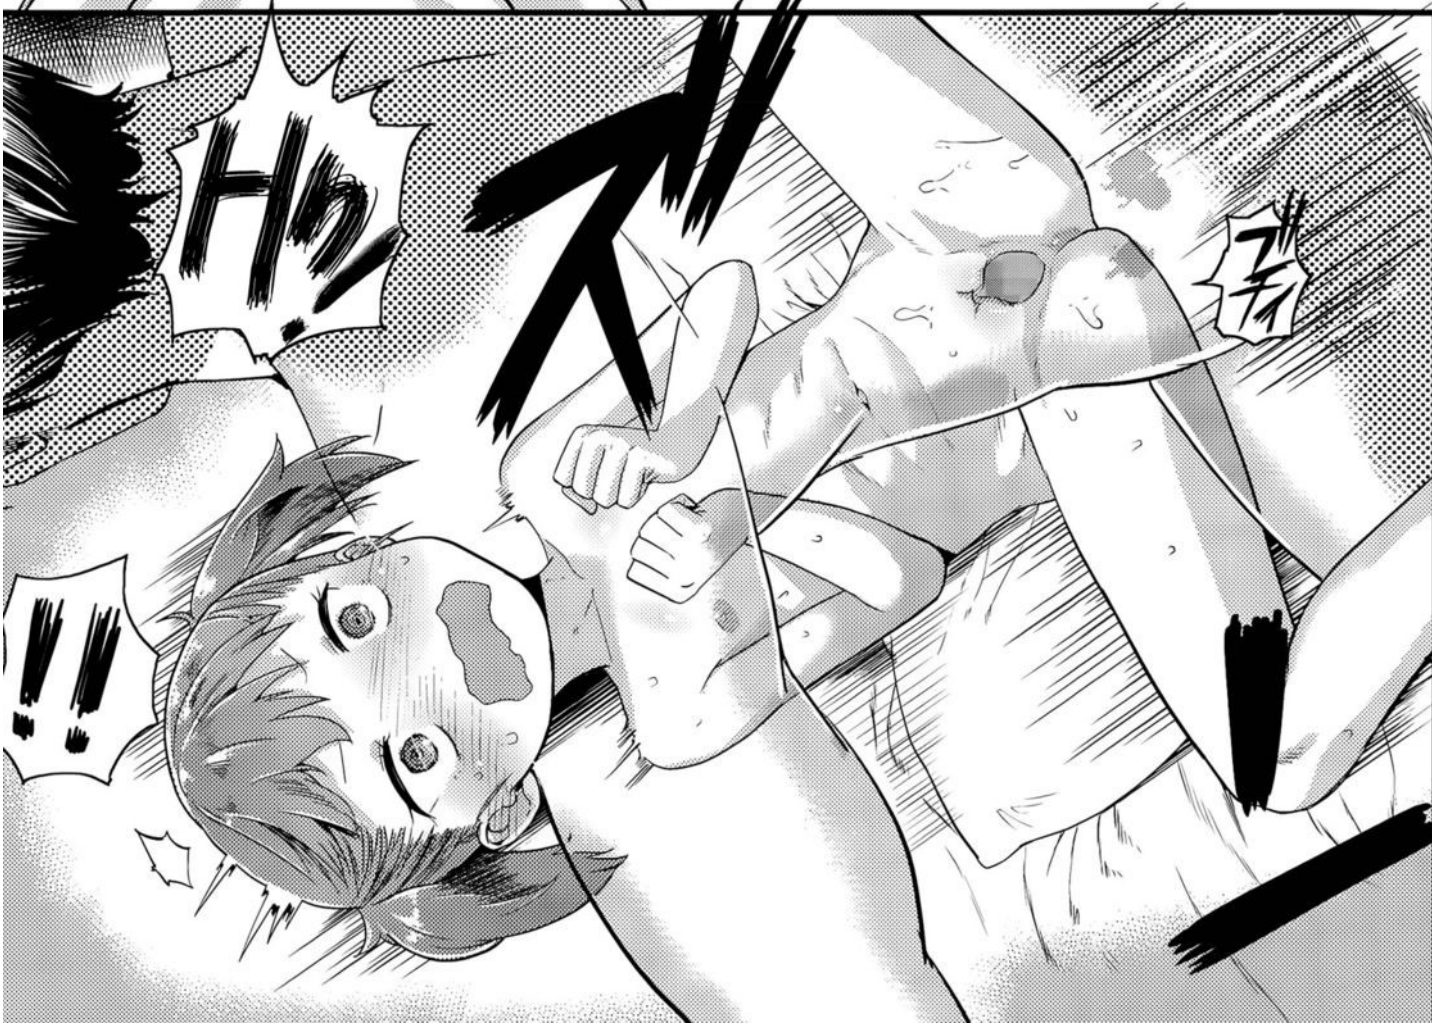

See? It's ready for action again!

Here I go!

...Anyway, I'm gonna break your elementary school hymen now!

HIA

キューン

That startled me~!!
I had heard the first time is painful, but not to the point that I'd start crying!

!!

!?

Such a powerful foreign body sensation...

!?

Oooh...
It's pretty shallow...
I can only fit half of my cock inside.

Even if it hurts or you start crying, my hips won't stop thrusting until I cum, understand?!!
Let's go~!!

Even if it hurts or you start crying, my hips won't stop thrusting until I cum, understand?!!

I'm gonna start moving now, okay...?

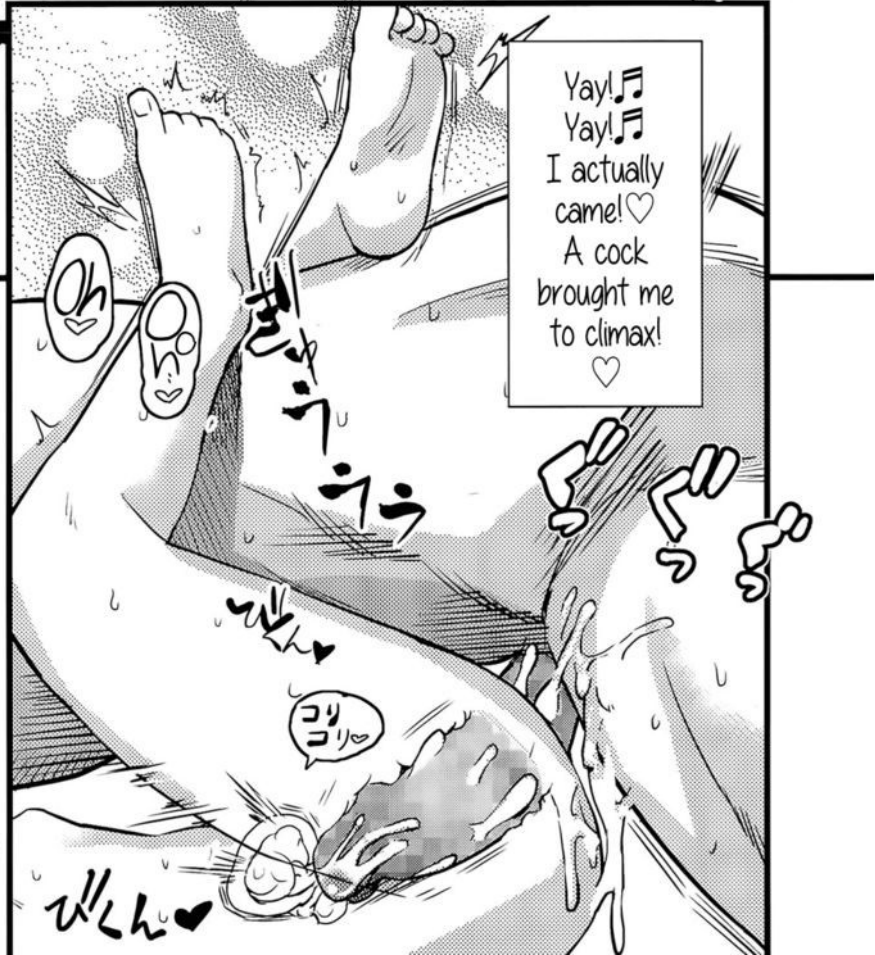

We're gonna start having real adult sex where he pounds his hips against me as hard as he can...?!

Soon, he's gonna start doing that piston-like movement...

グググ...

ギン...

It's hard
to piss with
a boner.

And now
you're all sticky.
Let's take a
quick shower
and then get
back to it.

Bitter~!!
♡

Hey...! Sensei, let me rest!

Ah! ♡
Crap...!
♡

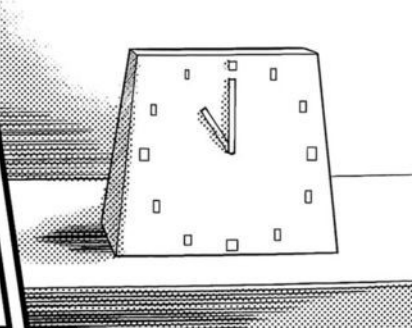

Nature's calling again!
Better use my slutty brat toilet one more time while I'm in the shower.

Hmmm~?
Did I hear something?
No, toilets don't talk!
It must have been my imagination.

Ah...!
Huh?!

I told my parents I was staying at a friend's house until Sunday evening. I thought of everything.

Relax, Sensei...!

There must be an uproar by now!!

There are still many, many things I want you to teach me, Sensei!

Ooh~! How very thoughtful of you!

There's nothing to worry about. Now eat your breakfast.

Then let's take it from where we left off yesterday!

Are you done eating?
