Corruption's Finale

-Chapter One-

It was my first
time ever living in
a school dorm.

Standing on
top of a
quiet hill,
Ousen Girls
Academy.

I'm

Hozumi
Moe!

Huh.

It's called Asagi Hall, I heard.

You know there's another building behind Wakana Hall?

Ousen was well-known in the past as a school for girls from well-to-do families.

I worried about fitting in, but whether in class or at the dorm, everyone was friendly.

but then the road was widened and more apartments were built.

Now everyone lives in the apartments.

Come to think of it...

My roommate, Haruno-chan

There used to be more people living in the dorms,

haha.

Begged my parents, but they said I was too lazy and rejected it.

I wanted to live in one too.

So that's why there aren't many who live in the dorms.

Ran-senpai's
wonderful
right?

You're glad you
came, right?

and pushed me
into it,

My
personality's
like this,

but-

so my parents
thought living in the
dorm would fix my
shyness

kyah! Don't
say it,
Haruno!

On the first day
your face was
totally red
during the
introductions.

Ahhahaha

My
classmate,
Rio-chan.

By
the
way,
can I
call you
Moe?

Hozumi-
san!

You live
in the
dorms?
That's
unusual!

She's
complimenting
you.

Misato-
senpai
did!?!
Then
it's bad!

And Chika,

the miso
was made
by me.

Our dorm is
small, so she's
the only adult
around.

A school
nutritionist

planned
the menu
for me.

She's a bit
airheaded.

is our dorm
mother, Amagi
Ryouko-san.

See?

Eh?
Ah!

The upper-
classmen
are all so
unique.

Claaaang

Kyah!

I can't just
leave it to
you.

Our meals
would never
be done on
time.

Sorry for
making you
help out all
the time.

And then
there's
Ran-senpai...

Glance

ニ

kyah!

but it's the
first time

I've felt
like this...

She's a girl,

These three years will be fun...! I'm so glad I came to Wakana Hall!

RUSTLE

M-Mm.

Mn...

Haruno-san?
Toilet?

END-OF-DAY BELL

The days passed by in a blink of the eye.

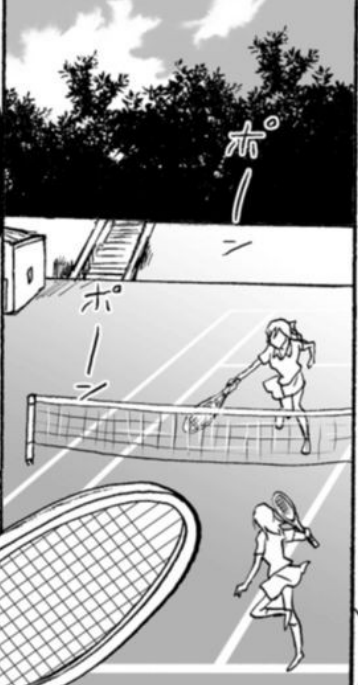

Yes! At first I didn't know what to do,

but researching things and listening to stories is so interesting!

Are you used to the Newspaper Club yet?

It was soon time to wear short-sleeve uniforms.

hehe! The one all students have admired at some point in their time here, lori Ran-senpai!

I'm from this school's middle school division too.

She was famous even back in the middle school division. No chance of seeing her outside school, though.

But that would be natural for her.

KYAH

Love-struck maiden, **GET!**

Just
an 'if',
okay?

If...

I see... So
you're the
opposite of
me, then.

Hey,
Moe.

If something
strange
happens in
Wakana Hall,

I want you
to tell me
about it.

...?

Rustle

Again...
Haruno-chan
goes to the
toilet at night
a lot.

.....

"Something
strange"...

What does she
mean by that?

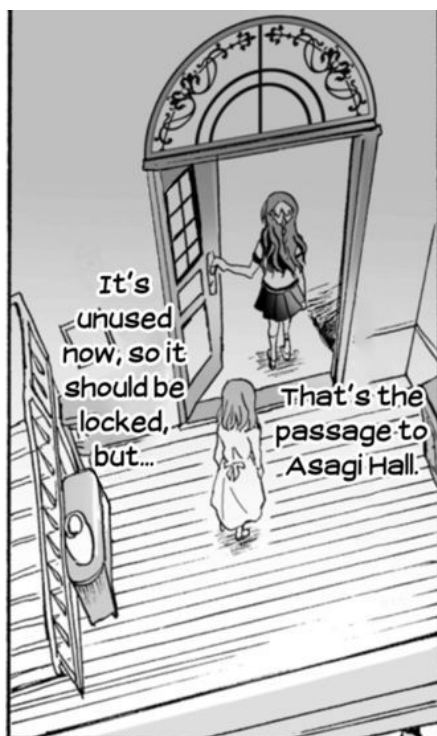

Is she trying
to sneak out
while I'm
sleeping?

...huh?

Haruno-
chan
and...
Ran-
senpai!?

Those were the
second-years,
Mika and
Rika-senpai...

Huh...

You were
invited too,
Moe-chan?
How
surprising.

Hmm?

If you talk here
you'll wake the
others.

Shh

Hurry
up.

...Moe-san.

Mika-senpai,
Rika-senpai!

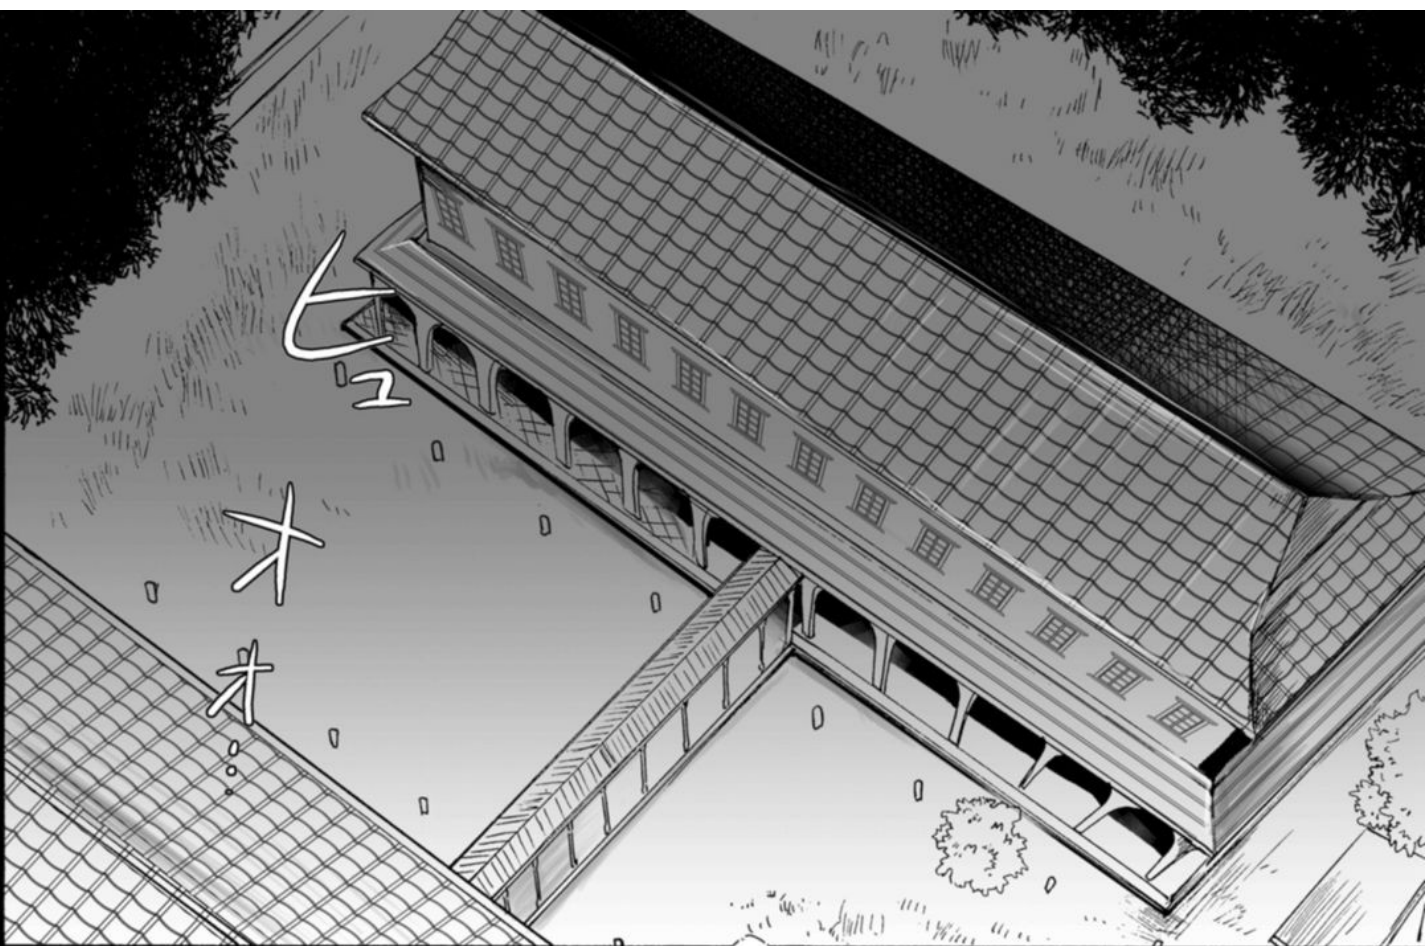

U-Um,

Stay here if
you weren't
invited.

You shouldn't go.

The unused
Asagi Hall...

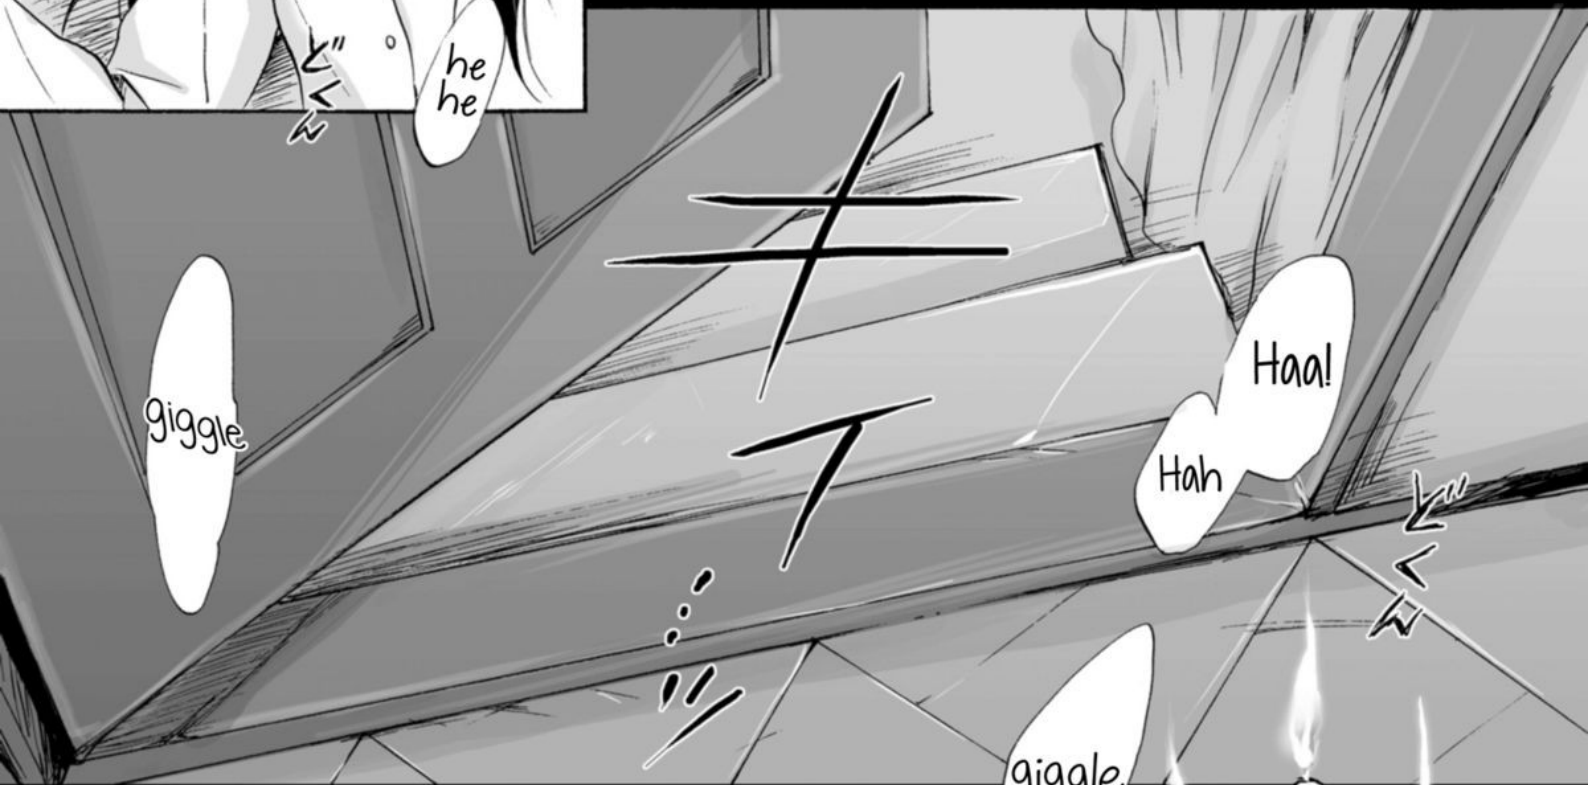

Behind the
building...

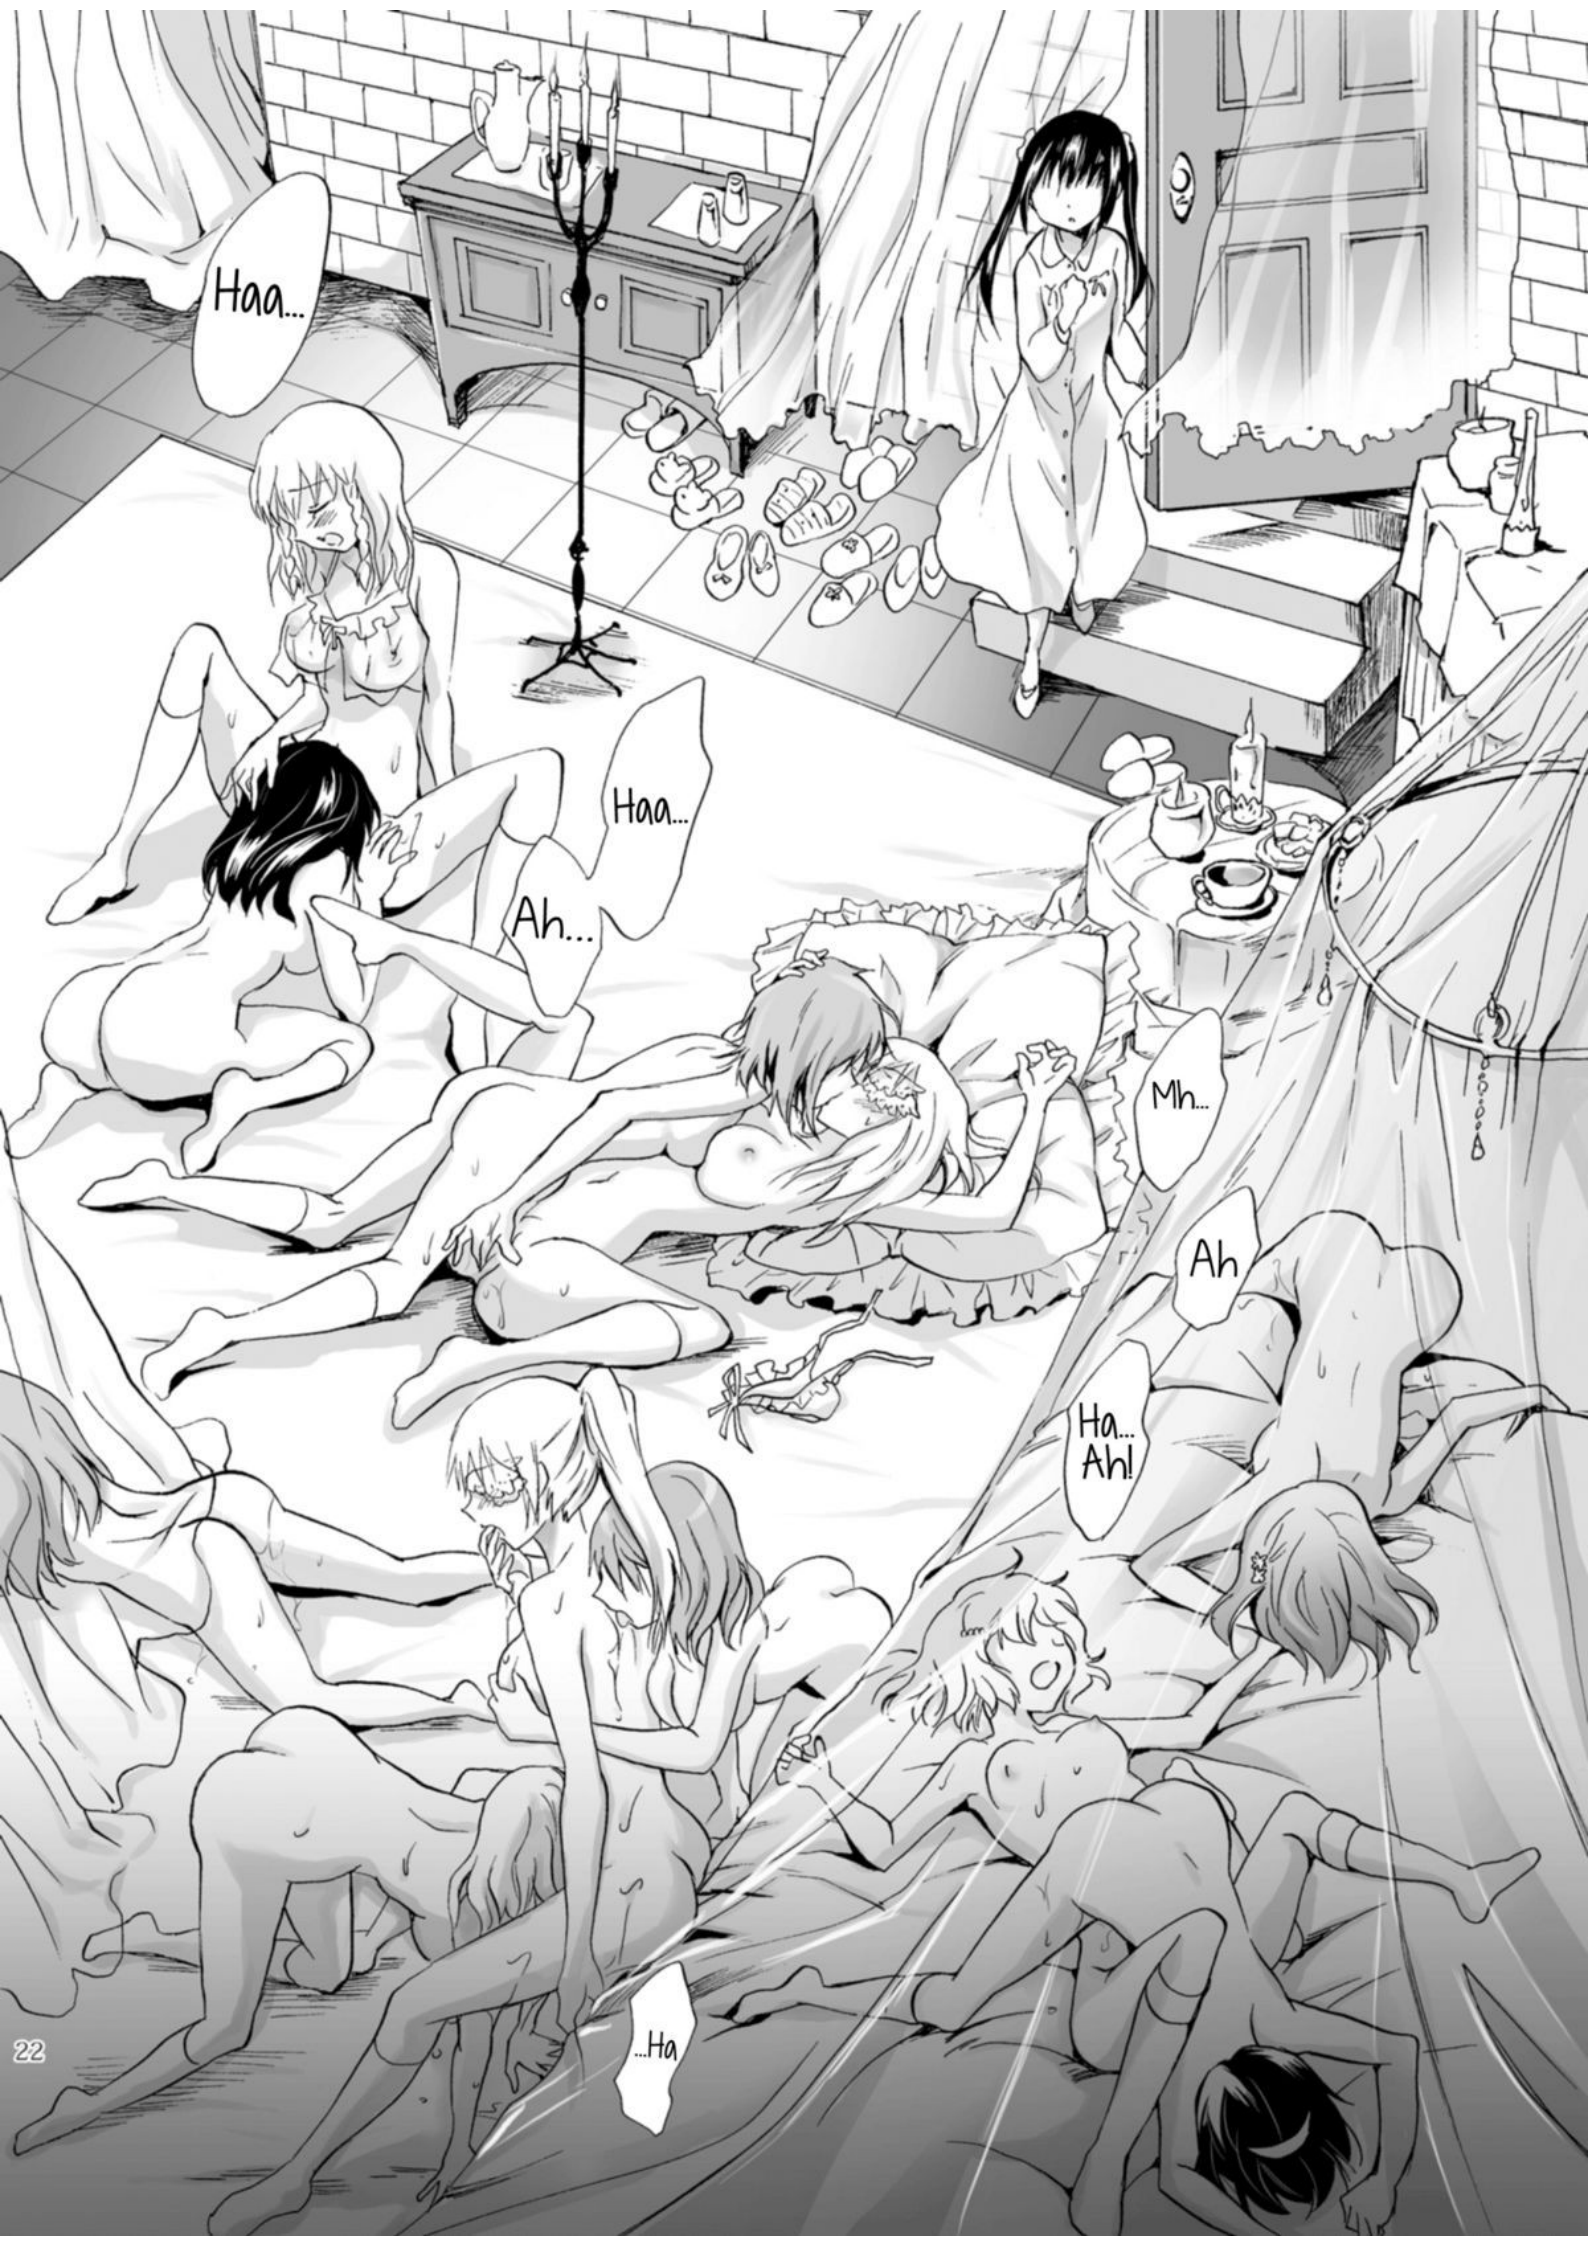

The

ment?

I thought you were cute ever since the newcomers party.

You smell great, Moe-chan. ♡

I wanted to squeeze this tiny chest of yours.

What's happening?

Hello there, newcomer!

Moe-chan's here.

So this really

It'd be a waste
to take off
your panties.

We can not force you into doing anything here.

and it seems like you stumbled in here by mistake.

What do you want to do?

Ran-senpai...

With Ran-senpai!

want to continue!

I...

If I go back now, I'll probably never get another chance

I...

for Ran-senpai to touch me...

34

I was pulled in as if it wrapped around my tongue.

How about a finger?

It could be a bit sensitive, but hold on.

Haa...

How is it?

Do you feel my finger moving inside you?

Riding Crop

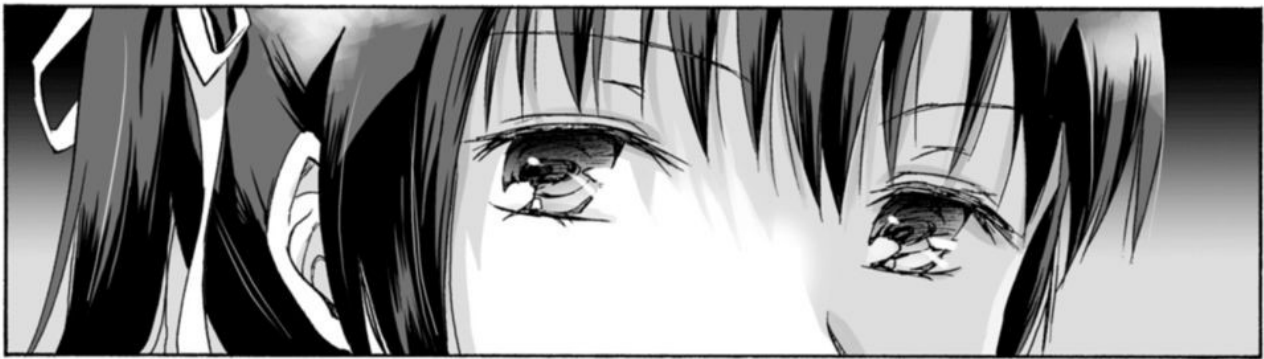

Used for horse riding as its name suggests. On the end is a leather tip, and that is the part that makes contact. In the story it has a soft tip for SM play, more of a pointer than something used for striking.

Bullwhip

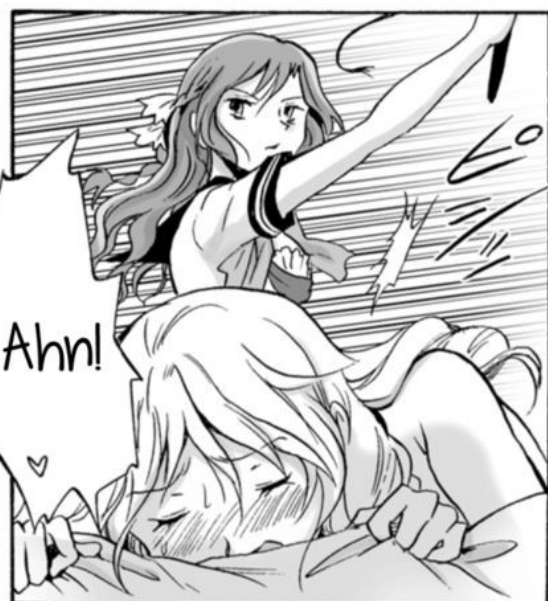

Soft hiss, sharp pain. Well-known. Difficult to use, for experts only. Those not used to it will hit themselves or lash the neck, which is dangerous. Don't use it on others before you're good enough to hit where you aim.

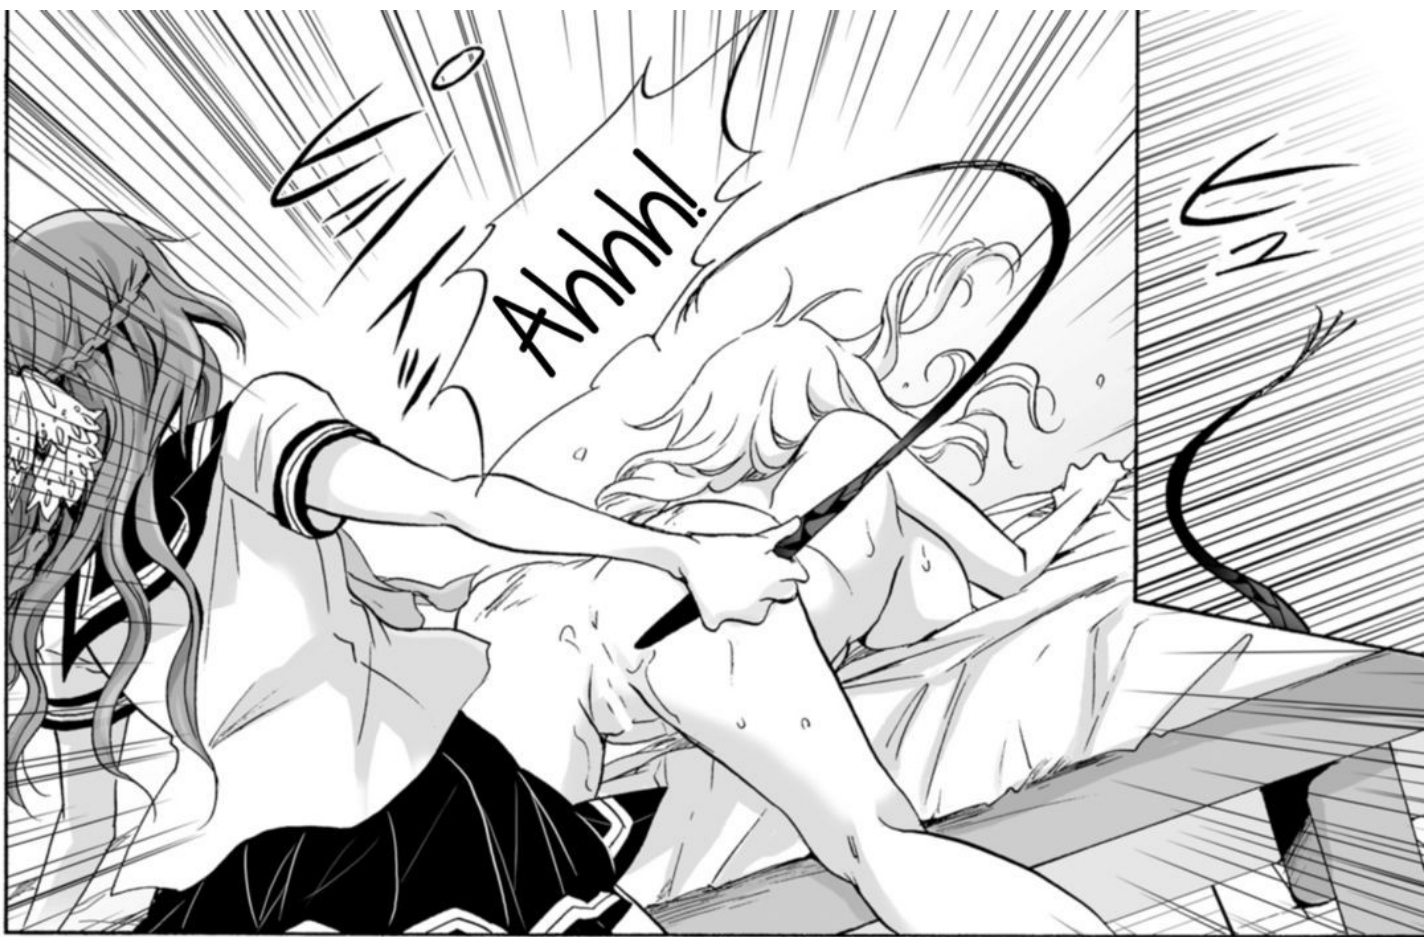

Scourge

The power is distributed over the striking surface; it's loud, but doesn't hurt. A relatively safe to use whip. Best used with light, repeated strikes.

Ah...noo

Please,

[Afterword]

Thank you for purchasing this book.

I tried putting some S&M elements into the book this time.

I'd be happy if you enjoyed the exaggerated 80's feel of it.

This is my first time splitting a story into two parts,

but I hope you will read the sequel too.

Original Girls Love Comic

Corruption's Finale

Synopsis

Standing on top of a quiet hill is Ousen Girls Academy. Our shy protagonist Moe is about to begin her new life in the dorms.

Iori Ran, a senior, gives her a warm welcome, and Moe is charmed. But as a girl adored by all the students and also the daughter of the school board president, she seems out of reach...

One night Moe spots Ran entering an unused dormitory. Following her, she stumbles into a secret gathering of students in the basement. There she sees the students freely pleasuring each other, and a completely different side of Ran, who takes up the whip to satisfy their desires. While shocked, Moe sees a chance to get closer to Ran, asking Ran take her.

At the same time, Ran is in a relationship with Ryouko, dorm mother and in charge of the basement. With Ran's desire for Ryouko going unfulfilled, a rift is starting to appear between them.

Moe, unable to ignore her feelings, confesses to Ran and begs for her touch once more. Ran is shaken by her earnest passion, but turns her away, using her relationship with Ryouko as the reason.

Ran is torn between Ryouko and Moe. And, tormented by her unreciprocated feelings, Moe's heart slowly begins to change...

An anime-style illustration of two young women in winter attire. The woman on the left has short brown hair and is pointing her right index finger towards a bright, glowing blue nebula in the night sky. The woman on the right has long dark hair and is looking at the same point in the sky. They are both wearing dark winter coats and red patterned scarves. A large, glowing sword is visible in the background, pointing towards the top left. The background features a dark, starry night sky with a cityscape and a body of water visible in the distance.
