蘭丸グラフィックス Vol.52

Tale of two lovers.

I started taking a cooking class hoping to impress some girls. I'd hope to make something that'll make them fall for me, but i'm still a novice.

Thank you. I'm glad i'm doing it right.

There you go, you need to chop them up so thei'll cook faster.

Ah.. thanks.. i try my best.

Thanks for chopping, i'm not that good at delicate stuff like that. You're really good at cooking.

I wish one of those girls was my partner, instead of this giant of a woman i was partnered with.

I wonder if i should ask one of them out? Maybe i should wait until the end of class, so it's not akward if they say 'no'.

There were a couple cute girls in the class i had my eye on, young and slender.

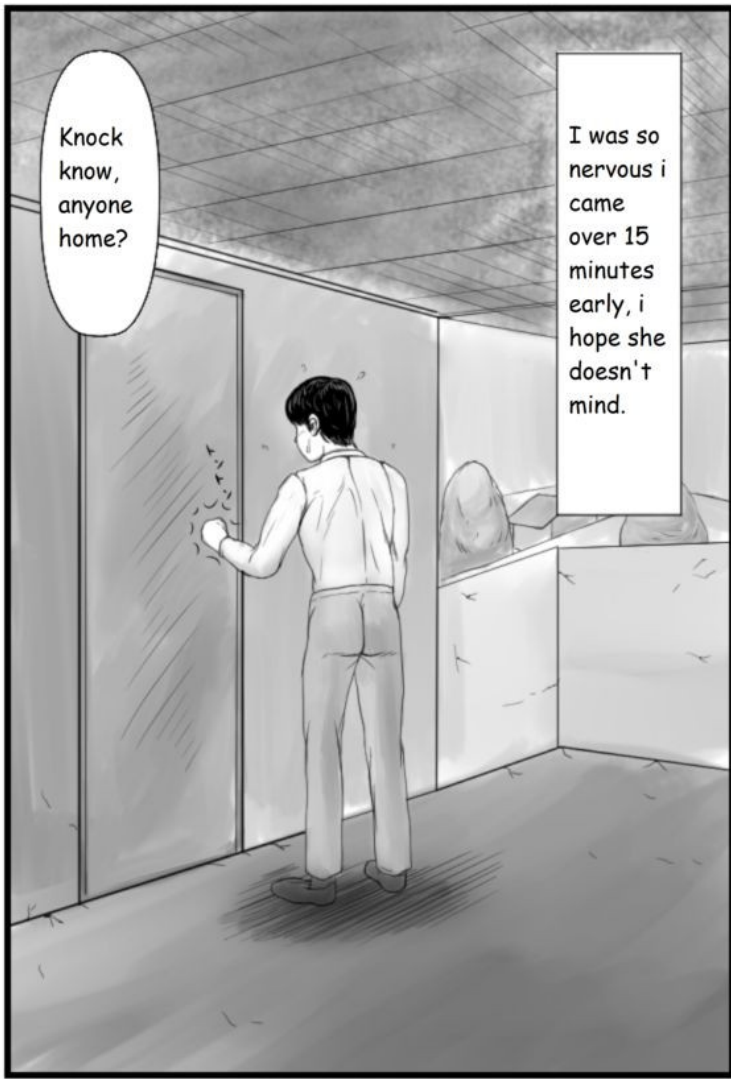

It's just there's someone special i want to make a meal for and i'd love it if you could help me make it. So can you help?

Hi, ummm...i was wondering if maybe you would like to come over to my place and help me with my cooking?

One day she came up to me after class, her face seemed a bit flush whenever she was talking to me.

Knock know, anyone home?

I was so nervous i came over 15 minutes early, i hope she doesn't mind.

I was surprised she wanted my help. I had nothing else planned so i agreed.

Oh that's wonderful, let me right down my address for you.

Sure i'll help you out, we're partners after all.

Welcome, i'm so happy you came. I've been waiting all day for you. Please come in.

Uhh.. thanks? Sure lead the way. (did she get taller?)

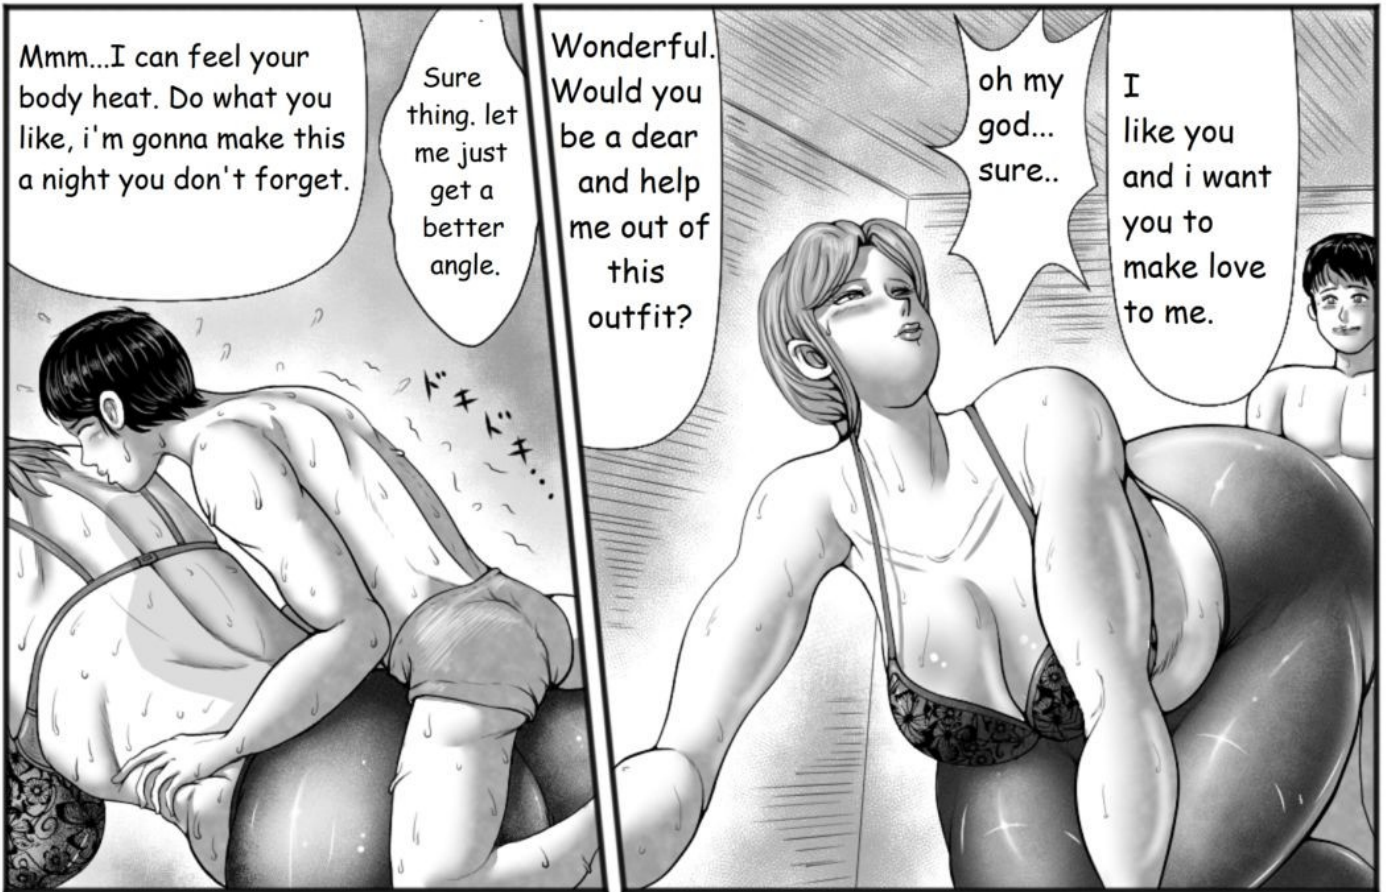

I'm sure you realise by now why i asked you here.

Uhh..uh huh... (Her ass is massive)

I wanted to wear something comfortable, so it'll make things easier. I hope you like it.

That's  
it,  
fondle  
my  
body.

She must  
be at least  
twice my  
size, i must  
feel like a  
baby on  
her back.

That's it baby, play with them to your heart's content.

I can't even arap my arms around her. Her breast must be as big as my head, if not bigger.

たぶん...

もっこり

My dick has gotten so hard from rubbing against her plush body.

Her body is so soft, i could fall asleep on top of her.

Then we should get this off then

Oh god yes!!

I can feel your dick rubbing between my ass cheeks. I bet you want to bury it inside of me.

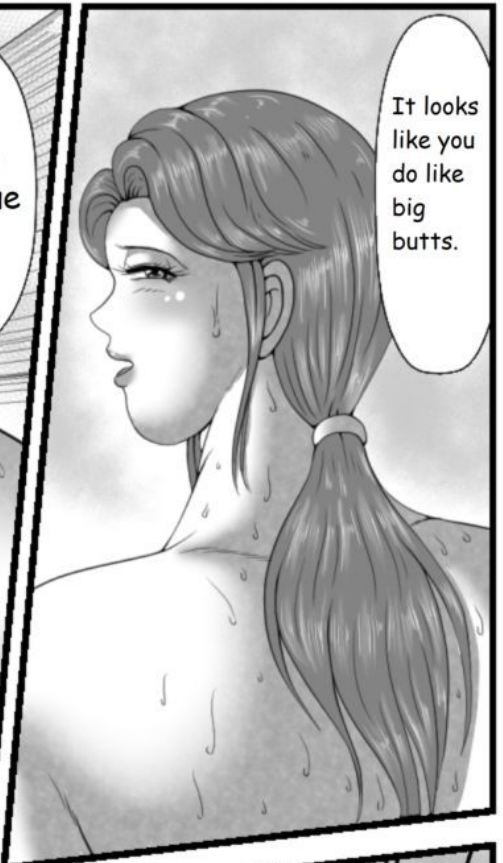

I hope you like big ass.

'Big' is an understatement, it's gigantic

I hope you're as good with your tongue as with your hands.

Just lay down and i'll handle the rest.

It looks like you do like big butts.

Mmm.. yes.. Squeeze my ass and bury yourself in me.

Oh yes, you feel wonderful trapped between my legs

ぐに!  
So soft and warm

That's the spot baby, don't stop.

So much pressure .....

My dick is buried between her tits, it wants to be free and cum.

Her body is completely covering my own.

It feels like i'm becoming one with her body.

たっふん!

Her breast are teasing my dick, i'm so close but so far away.

I can taste her juices

I'm glad you're enjoying yourself so much. I think it's time to finally reward you.

It's time for the main course

Oh yes darling, you really know how to treat a girl right. I've never felt such pleasure.

Mmm... So sweet, i can't get enough.

Finally,  
i get to  
cum  
into  
this  
beauty.

I want you  
inside of me,  
fill me with  
your manhood  
and make me a  
real woman. Do  
you think you  
can handle my  
ass and  
pleasure me?

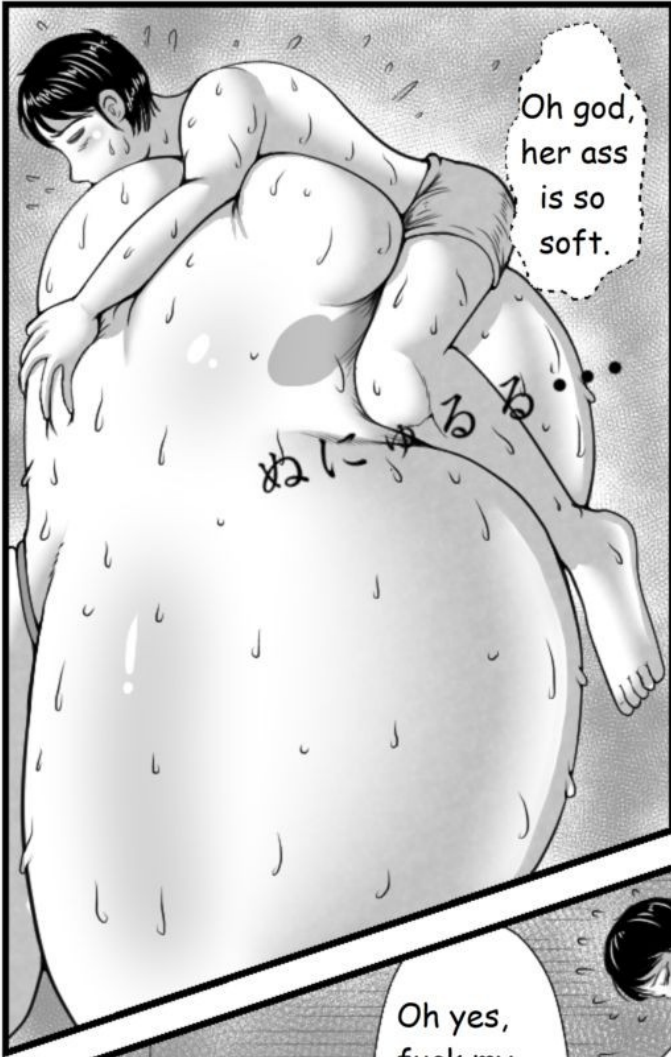

Get a  
good  
grip, i'd  
hate for  
you to  
pop out.

Oh god, i've  
been  
waiting to  
put my dick  
inside of  
her. Her ass  
is truly  
impressive,  
i hope i can  
handle it.

とっふん!

Oh god, her ass is so soft.

ぬにゅるる

I need to go deeper into her.

にゅちゅ...

ぽんぽん!

Oh yes, fuck my pussy with your huge dick. Ride my ass.

Yes, i can feel her tense up with each stroke.

ずりゅ!

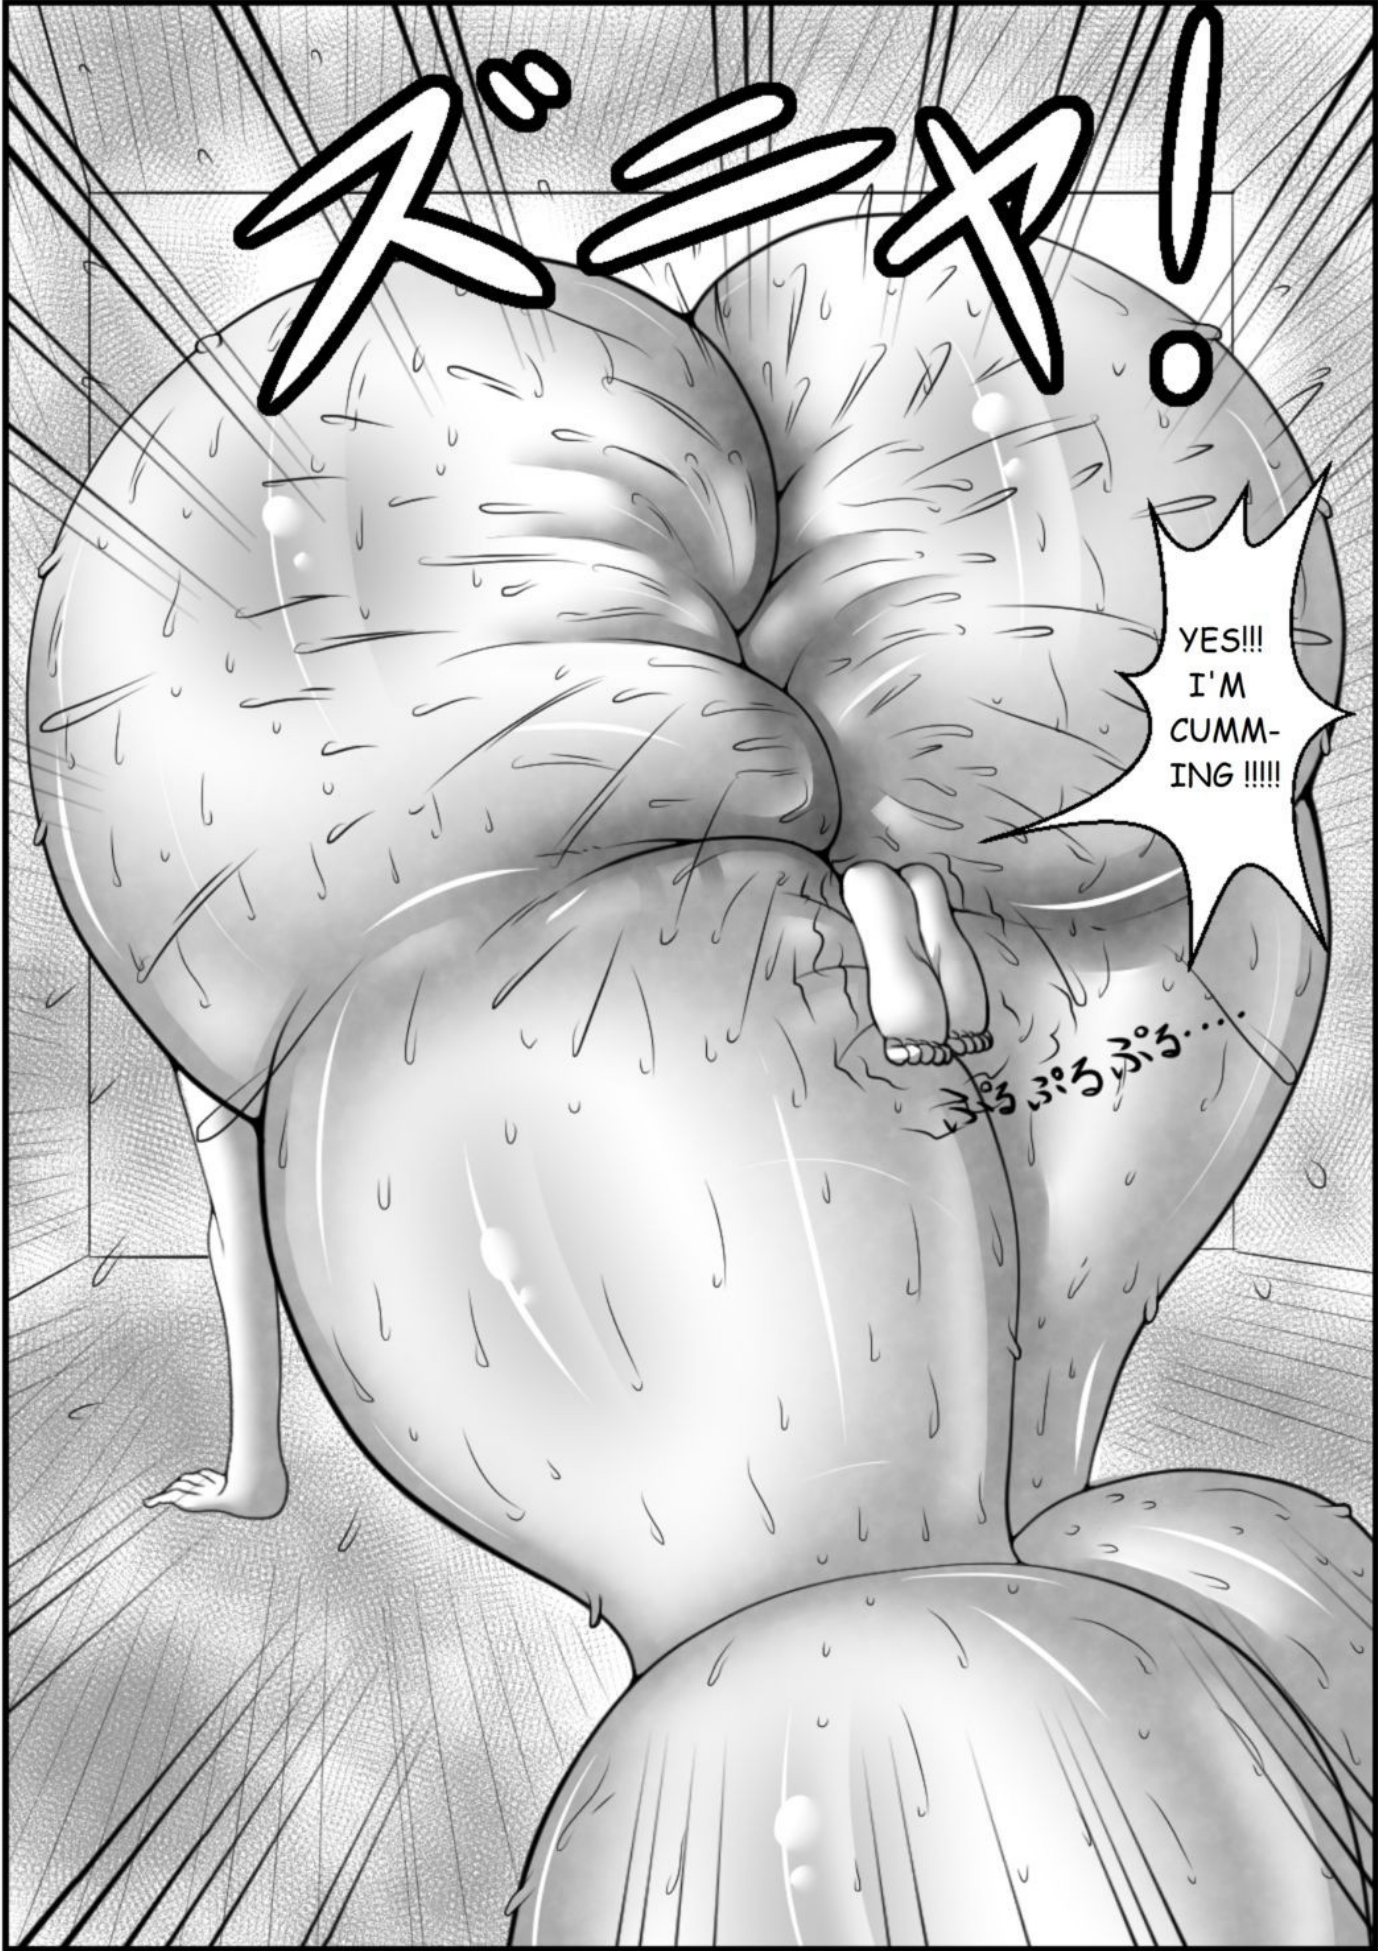

Her ass is swallowing me whole, the only thing i see is her ass now, and yet i want to go deeper.

Yes, swallow me whole, i'm gonna cum and i hope i make you cum as well. Here it comes....

Mmm...  
I'm in  
love. I  
can't get  
enough  
of her  
body.

もあゆ...

Well it  
seems like  
my plan  
worked and  
i have  
myself a  
new  
boyfriend

# 女性視点偏

I feel so old and big around these young and thin girls. I'm 30 years old, 198 cm tall, and 83 kg. Compared to the other girls, i'm probably twice their size.

Thank you, i'm glad i'm doing it right.

There you go, you need to chop them up so they'll cook faster.

Ahh.. thanks... i try my best.

Thanks for chopping, i'm not that good at delicate stuff like that. You're really good at cooking.

But then this young man entered our class and i knew i had to take him before the other girls got him.

I even eye'd the young girls a few times. I even thought about trying to hook up with one of them.

The girls are cute, who wouldn't want to be with them.

Oh god, please say 'yes'

It's just there's someone special i want to make a meal for and i'd love it if you could help me make it. So can you help?

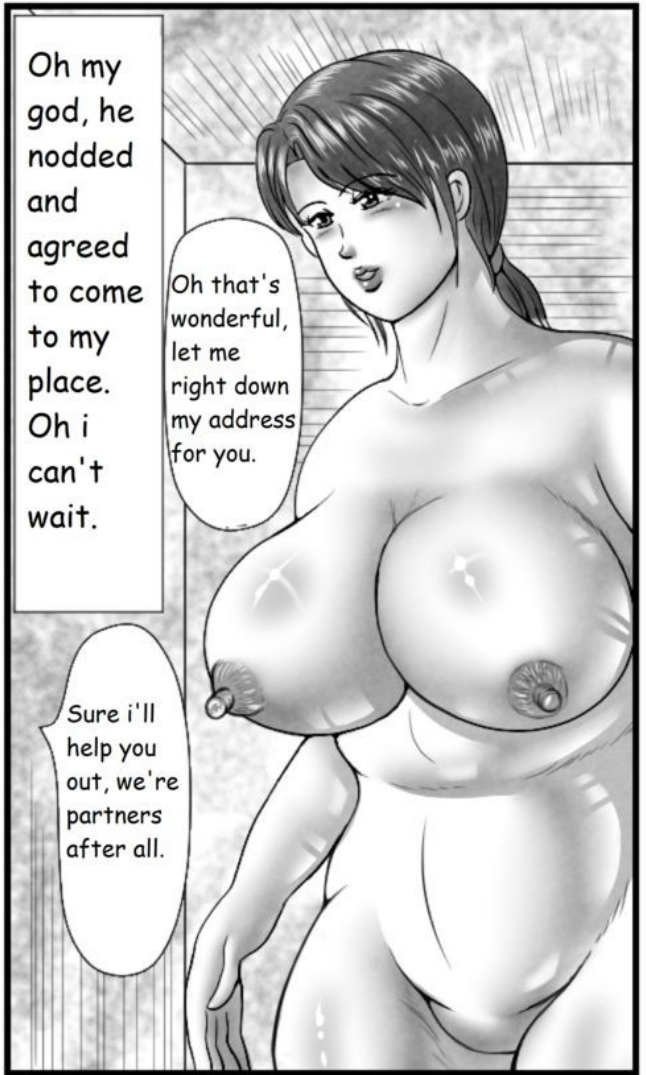

Hi, ummm... I was wondering if maybe if you would like to come over to my place and help me with my cooking?

He's a cutie, i blush everytime he looks at me with those innocent eyes. I have to make my move, no time to wait.

Knock knock, anyone home?

I was so overjoyed when i heard a knock at my door and his voice calling to me.

Oh my god, he nodded and agreed to come to my place. Oh i can't wait.

Oh that's wonderful, let me right down my address for you.

Sure i'll help you out, we're partners after all.

That's it, enter my web. You'll soon be mine.

Welcome, i'm so happy you came. i've been waiting all day for you. Please come in.

Uhh... Thanks? Sure lead the way. (He's stunned by my beauty)

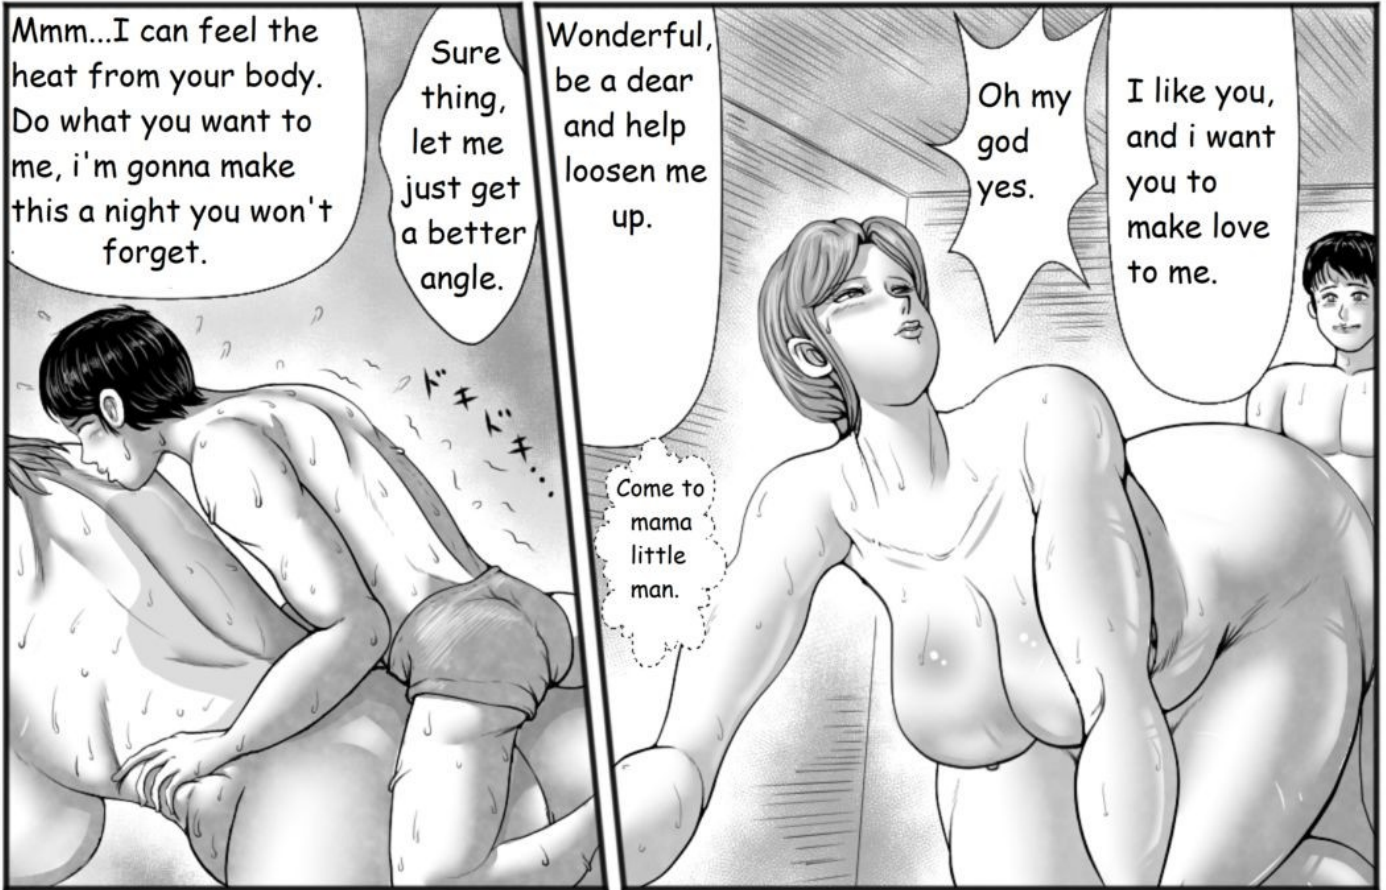

I'm sure you realise by now why i asked you here.

I wanted to wear something comfortable, so it'll make things easier. I hope you like it.

I hope he like what he sees.

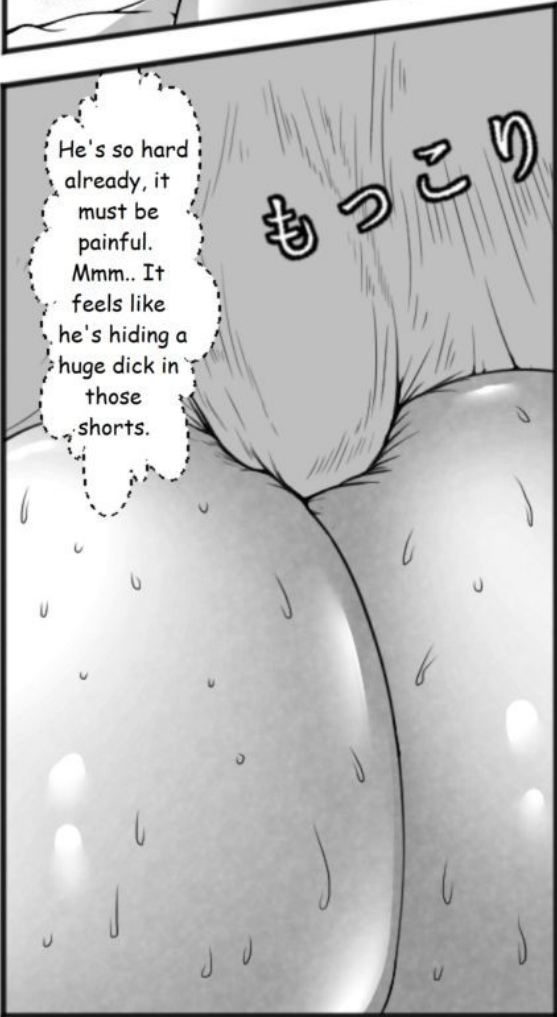

That's  
it,  
fondle  
my  
body.

Oh god,  
this feels  
so good.

That's it baby, play with them to your heart's content.

たぶん...

He's so hard already, it must be painful. Mmm.. It feels like he's hiding a huge dick in those shorts.

もっくす

I can feel is dick rubbing between my ass cheeks.

Then we should get started then

Oh god yes

I can feel your dick rubbing between my ass cheeks. i bet you want to bury it inside of me.

I should have him eat me out before he fucks me.

I hope you like my big ass

I hope you're as good with your tongue as with your hands.

Just lay down and i'll handle the rest.

It looks like you do like big butts.

Oh yes eat my pussy. That's it, don't stop

Oh yes, you feel wonderful trapped between my legs

ぐに!  
So soft and warm

I must be so wet down there, i hope he doesn't drown.

That's the spot baby, don't stop.

So much Pressure .....

My body is covering his small frame. I love this feeling.

He's wrapped around me like he's clothing.

He's  
licking up  
all my  
juices, he  
must  
really love  
my taste.

「だっ」

にゅちゅ!  
にゅちゅ!

I bet  
he's  
loving my  
smother-  
ing  
titty-  
fuck.

たっふん!

I love smother him. He's so small and helpless under me.

I'm glad you're enjoying yourself so much. I think it's time to finally reward you.

It's time for the main course.

Oh yes darling, you really know how to treat a girl right. I've never felt such pleasure.

Oh yes,

waiting  
for this  
moment.

I want you  
inside of me,  
fill me with  
your  
manhood and  
make me a real  
woman. Do you  
think you can  
handle my ass  
and pleasure  
me?

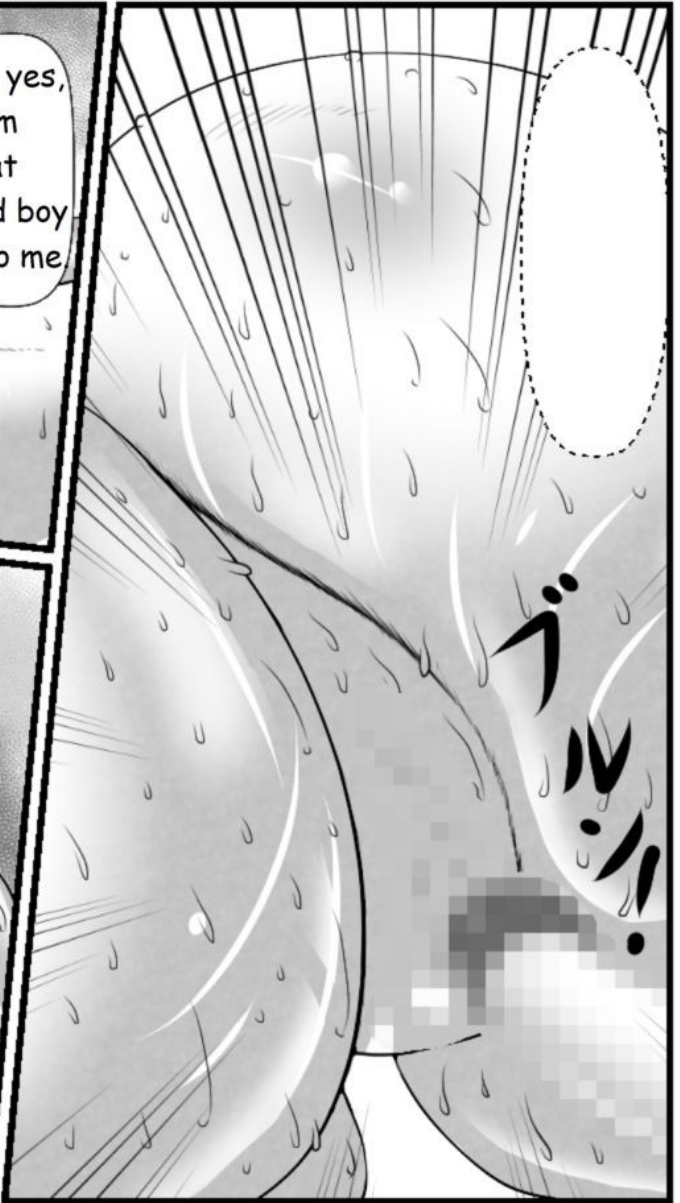

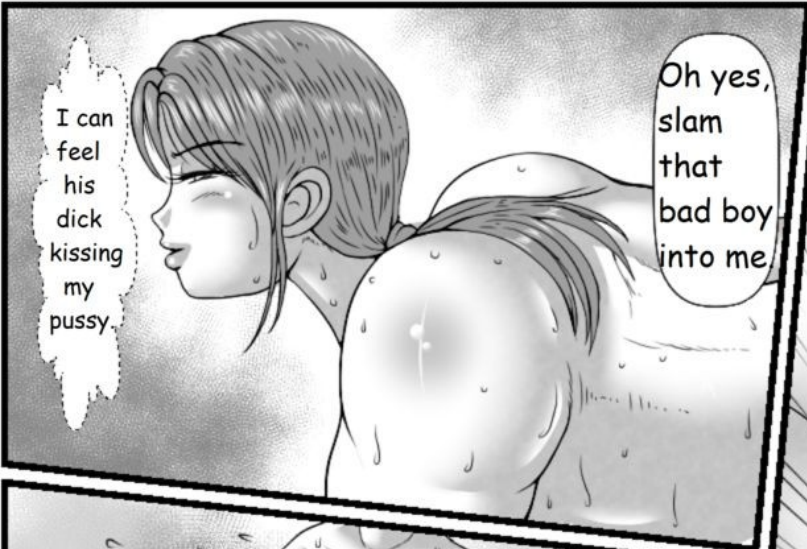

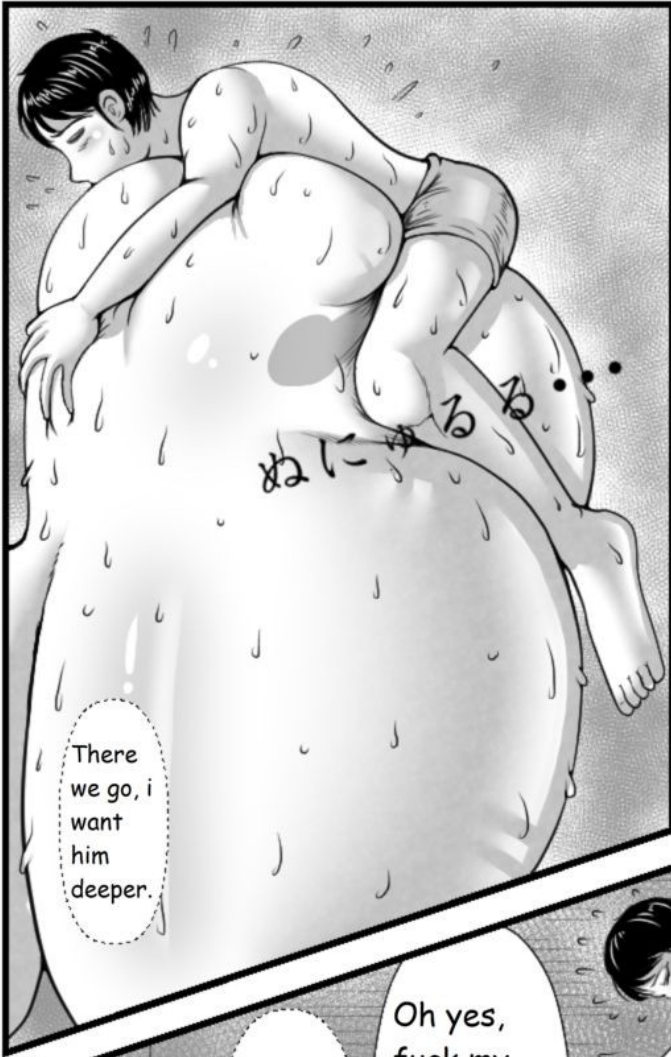

Oh yes,  
grab my  
ass and  
slamm  
your dick  
into me.

Get a  
good grip  
i'd hate  
for you  
to pop  
out.
