

People in the front, please lean over

Can everyone see?

Maybe it's a bit hard to see...?

but do you know the difference between killifish males and females?

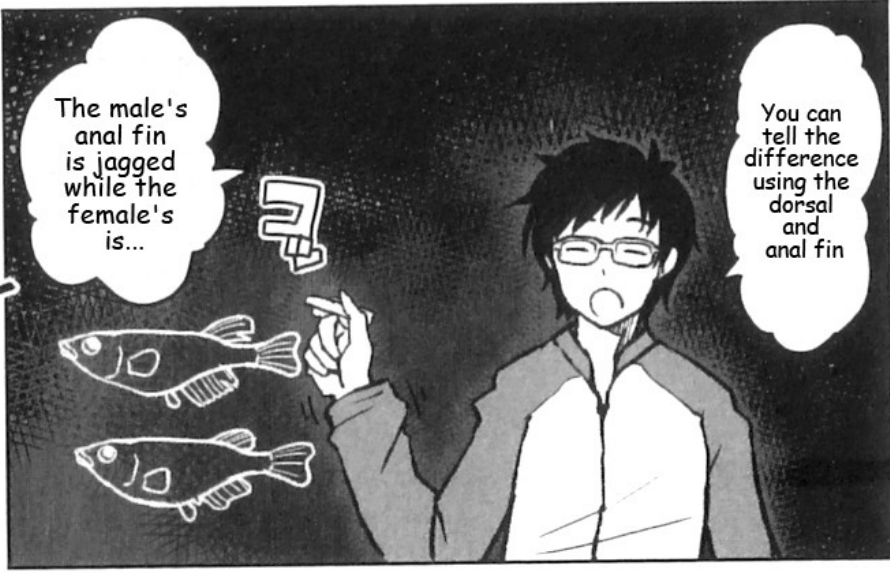

Fish have males and females as well

私立ドルゴン学校

第5話

Ah We've run out of time, so we'll continue next lesson

The male's anal fin is jagged while the female's is...

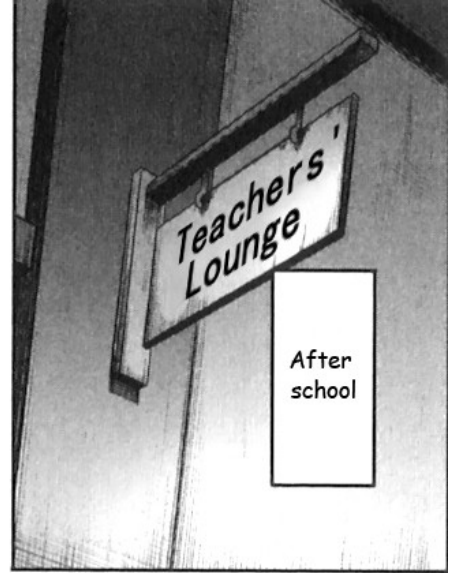

You can tell the difference using the dorsal and anal fin

Aah, another day of hard work finished

I'll go home after I finish writing this log

HELLO

After school

Uhm, well Do killifish also spurt

SEMEN?

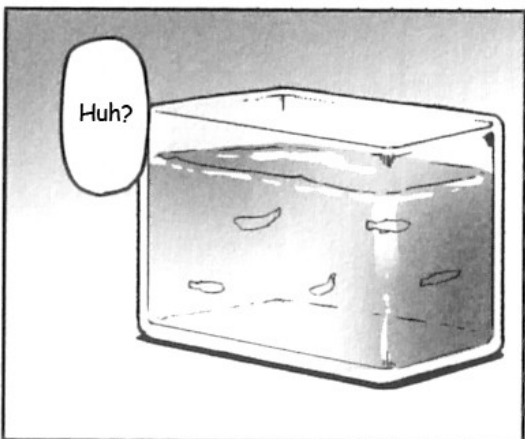

About the killifish from fifth period ...

Yes?

Those Those

Narashino-san, Kiba-san, what is it?

Sensei~ Soga-sensei~

Huh?

Emm... Emm...

And this kind of thing is... not something you ...show to ...others...

てへ

てへ

I can't do it instantly

Uuh... You see Uh...

NO NO NO

あせ あせ

あせ

They made the move on me!

Uw-ah!

Besides we already know that

men spurt from here, right?

はっはっ

はっはっ

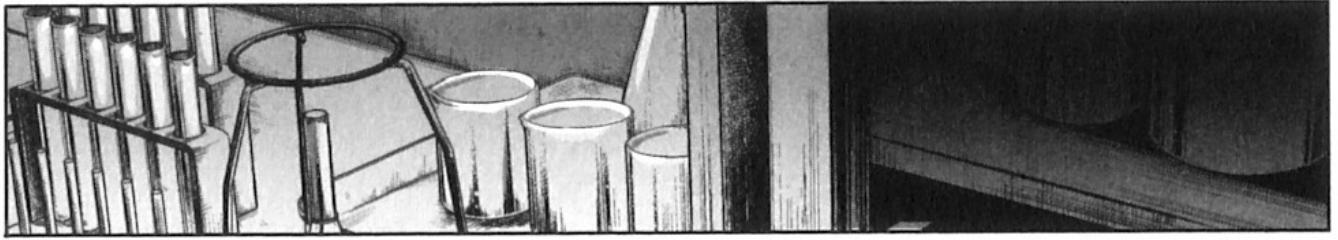

But sensei? You said it's fine to ask anything...?

It's fine to ask, but to show is a bit...

If I make a move on more pupils than I already have...

You have to stimulate the penis to show that it's okay to ejaculate

Well, no For it to spurt..... you have to...uh...

Uuuh... When it's like this it is ready to ejaculate, but ...

Is it gonna spurt?

Is it going to spurt?

Eh? Eh?

Stimulate?

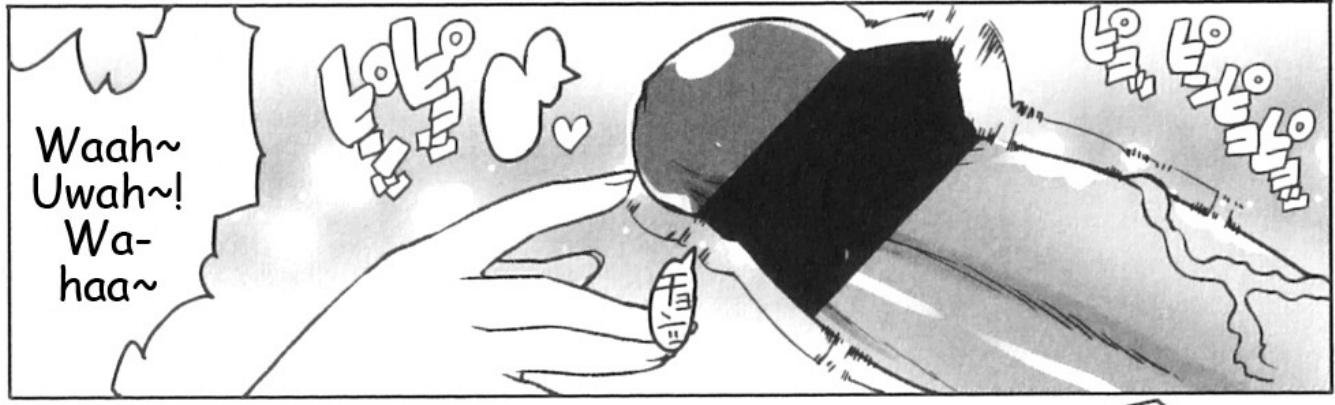

Do it do it!

Ehehe Maybe I'll try touching it...?

Grasping it with your hands and rubbing it orlicking and sucking it with your mouth

That's right for example.....

Wahh~ Uwah~! Wa-haa~

Hyah-haha-ha

Whaat is this It's so funny~

Is the semen in here?

What about these balls? They're all soft too!

Ah

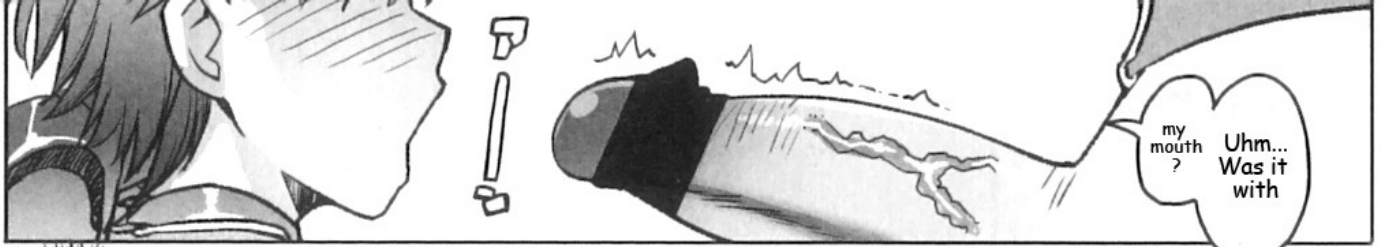

Ah

Aa-ahh

HaHa So weird

Ahahah what is this, amazing! It's all twitchy!

my mouth?
Uhm... Was it with

A blow job from an elementary schooler!

Exactly like that don't use your teeth

Like this?

Uuh, it doesn't hurt, Soga-sensei?

Mm-mf mm-hm-hf

Sensei's penis is super big~

hn-gfu

Ah~ just like that and then you roll your tongue around it and push down in one go

Like this?

Come you can do it!

Narashino-san more suck it If you suck it harder and go down further it'll feel even better~

If you keep going like that semen will come out

Aaah~ It feels good

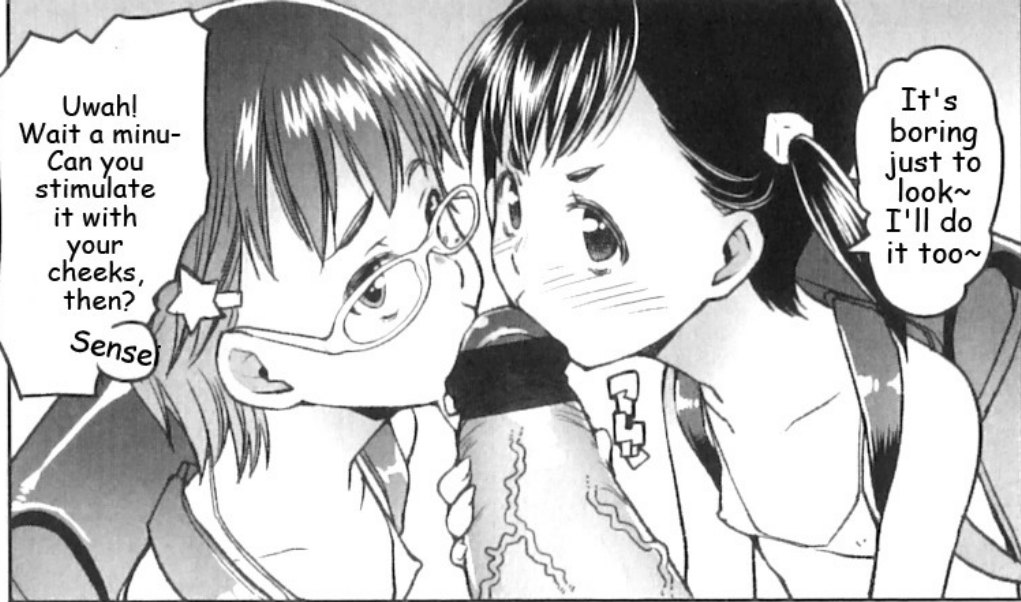

Haah aah Well done Narashino-san you were great

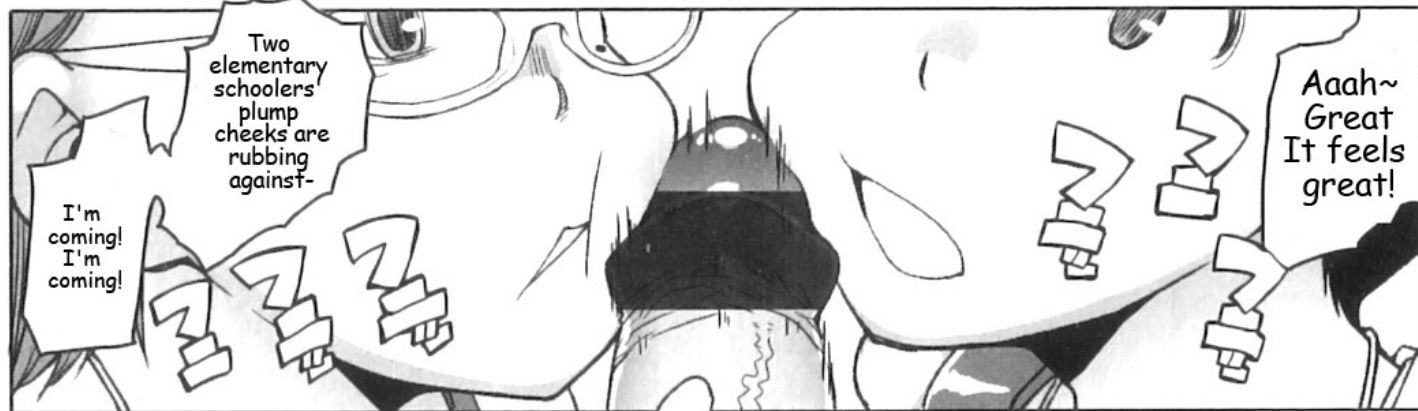

Che-eks?

That's right Cheeks

Uwah!
Wait a minu-
Can you stimulate
it with
your
cheeks,
then?
Sense

It's boring
just to
look~

it too~

Two elementary schoolers' plump cheeks are rubbing against-

I'm coming!

So this is sensei's semen...?

Wah~ wah~ Is this semen?

It's all slimy and sticky

Aha-hah

White? Transparent? Semi-transparent?

eat it?

But sensei...? What do you do with this semen to get a baby?

...let's do it?

Rock-paper-scissors!

Who's first?

Since we're here do you want to have some real-life experience? It's easy if you just do what I say

Directly? Pour?

You put the male's genitalia inside of the female's genitalia and you pour it directly into the girl

Amazing
Amaz-
iing~

You're
making
such a
strange
face,
Tomo-chan

Aah

Aah

entering
feels so
good~

What
is this
I'm
losing
my my
mind~

When you
stimulate
someone's
genitalia
they start
feeling
extremely
good

Which means
that this
is the face
Narashino
-san makes
when she's
doing
something
lewd that
feels really
good

Even so
this girl's
response is
awesome
she's
already
lust-filled

Aah-
ng
Aaah

The vagina tightens

which stimulates the penis and makes it ejaculate

I won't lose!

Finally!
A
threesome
with
elementary
schoolers!

Okay!
I'm gonna
work hard
to squeeze
out
as much
