

Takanaka-san
President of the Beast
Girl Lovers Society.
A futanari girl who dreams
day and night about sex
with cat-eared girls and
masturbates furiously.

I'm glad I
didn't give
up on my
dream...

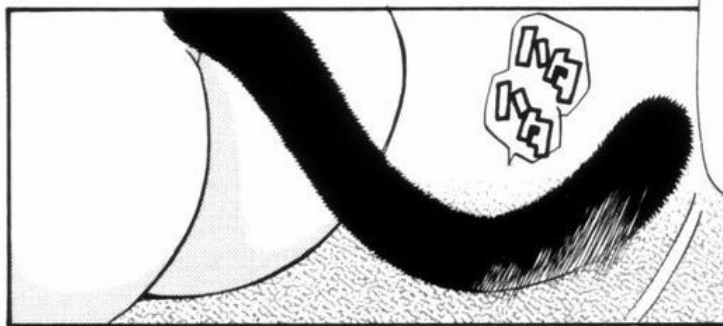

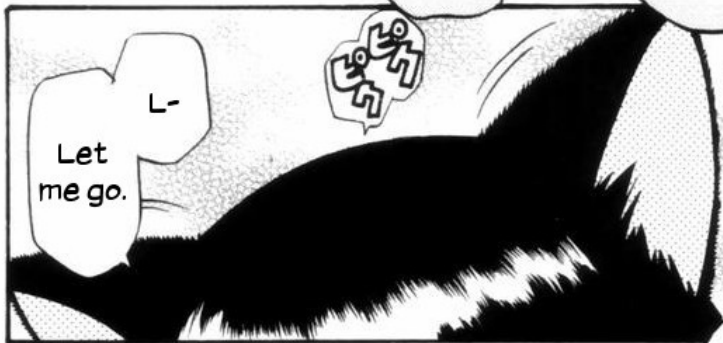

what I've
dreamed
about day
and night is
becoming a
reality...

Aah...

Maybe
she's nice
after all.

Suck it
deeper
and put
some
feeling
into it!

Mgh!

Seek!

Ahn!

Ah!

Hah!

Hah!

Aahn!

Don't
bite my
ears!

Hah!

I'm
cumming
meow!!

Three years
later, those
two got
married, but
that's a whole
other story.

I definitely
have to
share this
feeling at
the next
Comic
Market!

It's just like I
thought.
Having sex
with a beast
girl was
amazing...
