With this, even though I have trouble communicating and am extremely shy, I still have a way to easily catch my future husband!

Or rather, maybe a bit too well...?

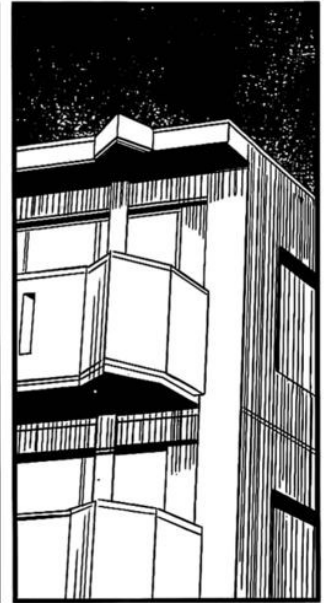

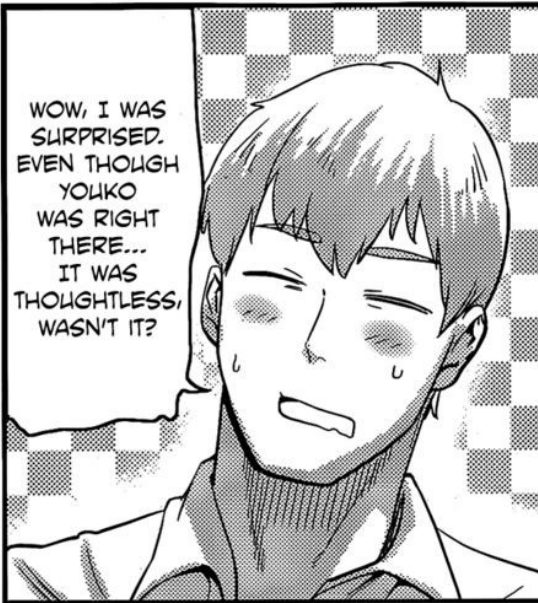

why hasn't he?

Of course, I won't be the one to say it... because it's scary.

He's at his sexual peak, isn't he? So he can attack me any time, but...

...But still, we've been together for a long time. Isn't it time he confessed to me already?

I DO
FEEL THAT

Kei-kun escape,
I won't be able to
speak naturally

I'll end up dying
alone...

UNDERWEAR?
DID YOU GO

WEARING
THAT?

I can't be the only one enjoying myself.
