イラマチオから飲精しまくってお腹いっぱいなんだけど「もうイヤ」というと止めてくれちゃうので、休憩を所望し二人の時間を長引かせるためにがんばる榎横杏姫

You came
so much
in my
mouth.

Let me
rest for
a bit.

こんにちは！遠藤弘士です。今回のほむんはお医者さんですね。今までの娘は
恥じらいの上に成り立ってる娘たちが多かったんですが、中にはエッチが大好き
な娘がいてもいいんじゃないかと。ビッチじゃなくて(これ重要)。
いざ始めるとがつついてくる感じですね。好きな人ととことん性コミュニケー
ションをとるタイプです。えろんえろんを主軸に描いてみました！！
ではでは、お楽しみを～！！

Oh my...
You're quite
manly, aren't
you... Er,
never mind!!

Hmm?

Geez!! I'll
have to
collect the
sample
myself
...

Are you
an idiot or
some-
thing!?

Did you
not read,
right here,
to bring a
"semen
sample"?

"You've been
saving up
for 3 days,"
you say?
Even so,
what am I
supposed to
do now?

Wait a sec,
isn't
throbbing
an awful
lot?

Let's start
with the next
examination
to check the
mucous
membrane.

For this one,
I'll use have
to use
my mouth,
okay.

Like the strict, dependable doctor she is, she recommended that you get a full physical examination. She's familiar with all branches of medicine, but andrology and gynaecology are her specialties. "You always seem to miss something, don't you?" She loves to have sex, but she's not a slut. She the type who enjoys herself only with someone she loves. But, due to the nature of her job, she's always filled with unsatisfied desire. Once things get going, she loses all self-control and will use whatever means necessary to squeeze out every ounce of satisfaction!

Wow...
You came
so much
...

I'll use my breasts to gather the next batch so feel free to cum if you like. ♡

Go ahead whenever you like. ♡

Next, I'll conduct a visual exam. ♡

(wet cough)... You released an incredible amount in my mouth. ♡

It's syrupy and has good consistency... maybe a touch too thick though. ♡

Ah! Your about to cum. ♡

You're twitching and throbbing so much it's about to pop out of my breasts. ♡

This is your
second time
cumming
so why is there
so much.

Geez!!
Now I've got
no choice but
to swallow
it all!!

I swallowed
enough to fill
up last time,
but if you've got
this much, it
can't be
helped.

AHH

Huh?
No way!!
Hold on!?

Even so,
this
amount is
too
unusual!!

It's even
thicker
than last
time, too
...

Looks like
I better
investigate
with my own
personal
equipment!!

I'm ready
now, so
inject as
much as
you can.

Hng!?
Nng...
Nng...hng

Devic-

Heh...
Ha...

IT'S SO BIG

MY INSIDES

TOO ROUGH!

I'll be nice and tight for you, so go as hard as you like.
I like it rough, after all.

This... I love this feeling of the hole in my body being plugged.

MY WOMB IS BEING POUNDED

無

無

It's drilling so deep inside me.

More, I want more.

Ahh ♡ I can feel my insides being squished flat.

Don't pull out! Let's just keep going for another round!

Ah ♡ it's so warm inside me! I'm almost there myself.

like this,
for crying
out loud

are you
down
now?

オオオオオオ

My wet, sloppy insides are starting to feel funny.

My womb is getting pounded.

No!! Wait!! You're gonna break me.

It's rubbing and pounding my insides.

It's in!? It really went in.

YOU'LL DRIVE ME CRAZY!!

I'm gonna break if you don't stop.

I'm gonna break.

It's like thick jelly, packed inside all the way to the back.

Our juices have gotta all mixed in together though...

I can't use this for the exam.

I know it's kind of weird for me to say this, as a girl, but...

quite a lot of cum can fit in here, huh?

Thanks for your hard work. ♥
That's it for today's physical exam!!

Getting cummed inside at the same time brings orgasms to a whole new level of satisfaction. I feel so refreshed. ♥

Honestly, it felt sooo good!! Thank you for the experience. ♥

Store up as much as you can, okay? ♥

We'll do some even wilder stuff next time. ♥

In ten days we'll have to do a re-examination ♥

Which is why ...
