He's so tired from yesterday that he's still asleep. Can't be helped.

What, Misha isn't seeing me off?

Next Morning

So long! Don't ever come back!

You asshole, just wait! I'll be here!

No wonder, see you later! considering how much we did it!

Now then...

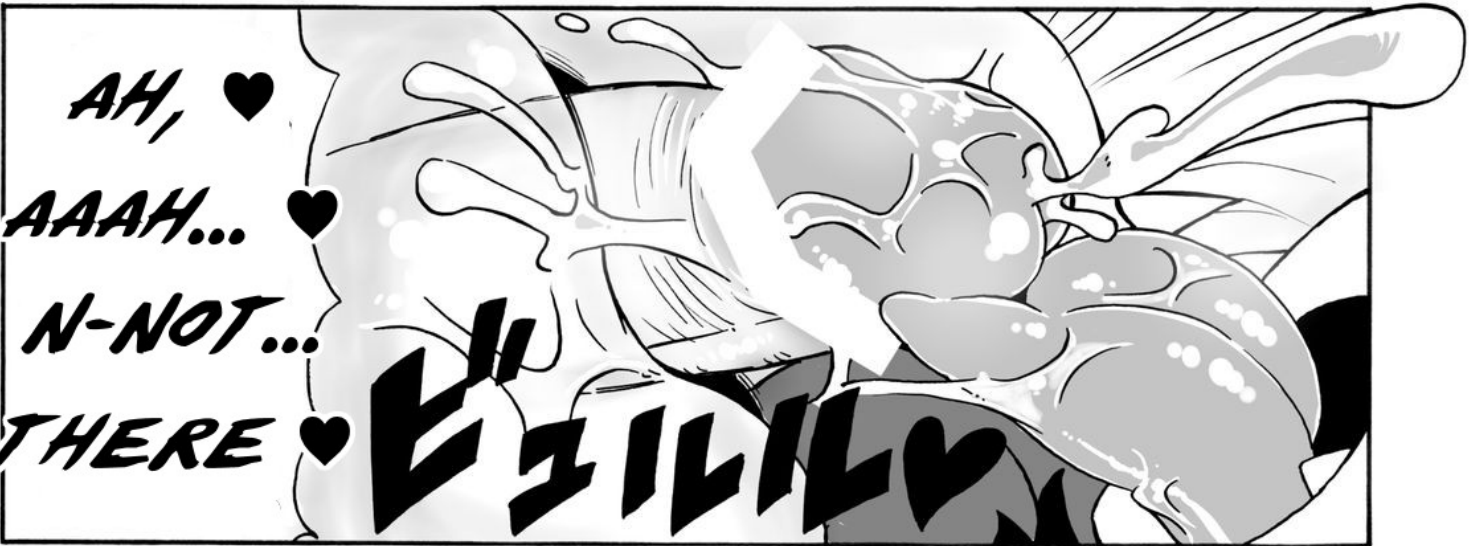

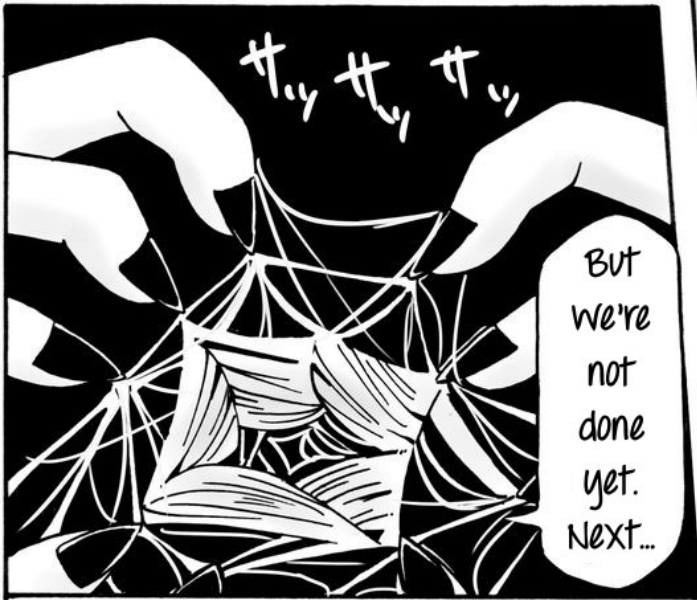

I can even suck you off while you're sandwiched between my breasts ♡

NO... ♡
THAT'S TOO
SUDDEN... ♡

AH, ♡
AAAH... ♡
N-NOT...
THERE ♡

But we're not done yet. Next...

See? Even though you came so much yesterday, your load is still huge.

How about this?

Waaah... ♡
The threads are wrapping around me!
♡

Beautiful and stronger than silk, a pocket pussy made of spider's thread.
Feels good, doesn't it?

Hm...
Alright, I'll
forgive you,
but only
when there
really is
nothing left.

Afterwards
she kept me
tied up and
milked me
for the rest
of the day.

Move

I might
be nothing
more than
prey trapped
in Arachne's
web...

I decided to confirm rumors about a beautiful snake goddess living in a shrine deep in the mountains. This is what I found...

■ Afterword

Hello, it's K2は、K2です。

去年はreally busy last year, 男性向けの本が一冊も出ていなかったので、

アラクネさんにはたつては多分4年ぶりくらいの登場です。ゴメンナサイ
male-oriented book for two years now! It's been about four years since Arachne

傻問を抽いて、収束にのりこさよりの目刀ノヤアノコバノん知のこがじこまり4也。
showed up. When drawing manga, you end up focusing more on your own characters

than the setting you've chosen!

Until we meet again!
