

Good Morning!

Mornin'

Morning, Chiho

Oh!

Ah

Morning~  
Uwano!

You're the same as ever, wearing that scowl!

女装

クロギャル

ママ男子

Yeah, he just ignores you every time

Chiho, don't try to reason with that guy

Eh-

Uwano, ignoring everyone again...

So cold

Hey, did you do the math homework?

People from the big city sure are different!

No, it's just that he has a cold personality, that's all!

I'm so envious...

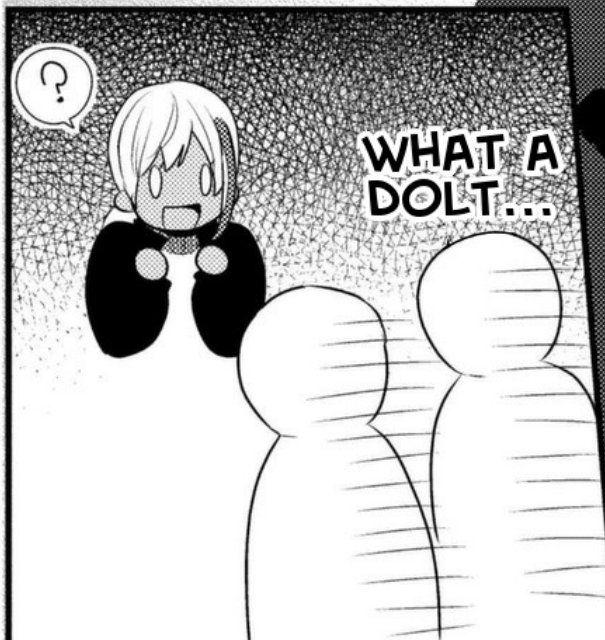

He's been like that ever since he and his dad came here a month ago

He doesn't interact with anyone

That guy is definitely a Tokyo-ite  
Hanging out with us country folk is totally beneath him

That's got to be it! Such a bad mood...

WHAT A DOLT...

Ah!  
Sure,  
I'll go!

Chiho,  
wanna  
go to  
karaoke?

Finally,  
school's  
out!

Time  
to go  
home

...

Uwano,  
wanna  
go  
together?

DON'T  
TOUCH  
IT!

So  
old...

Is it  
that  
inter-  
esting?

.....  
うんわ

Ah  
You're  
always  
reading  
that  
book,  
huh?

Hey... that's going too far!

It doesn't matter  
It was all my fault

Don't worry about that kind of guy

But...

...  
Tch

AH, UWANO!

Just thoughtlessly touching your book...

I'm sorry, Uwano!

It must be to avoid Uwano

Could be!

Uwano doesn't seem to care either way~

Chiho didn't come to school today...

He could make it up to him~

It seemed like he and Chiho were fighting yesterday~

Ah...

Oh really, do you agree? Then please do!

Let Uwano do it~

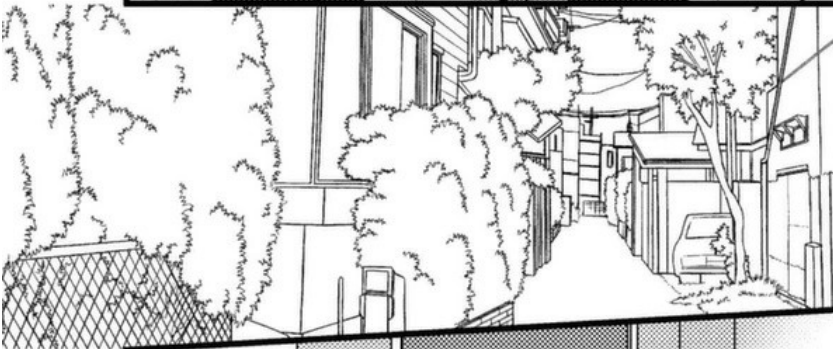

Who can bring this information to Takase's house?

Teacher~

It'd be best to chat face to face with him, okay?

It seems like Chiho cares about you

Talk about what...

Here?

Coming, coming

Uwano!?  
Why are you here!?

I woke up early with a bit of a fever... So grandma told me to stay home today and recover

Sure enough, wearing these flimsy clothes after bathing makes it easy to catch a cold

I'm already better now

Your clothes... Are you not feeling well?

Huh? Are you worried?

Really? Thanks for delivering it personally!

Teacher asked me to bring you this information

Chat face to face with him?

Ehh~

...

That's right! It's not often that you visit, come in for some tea

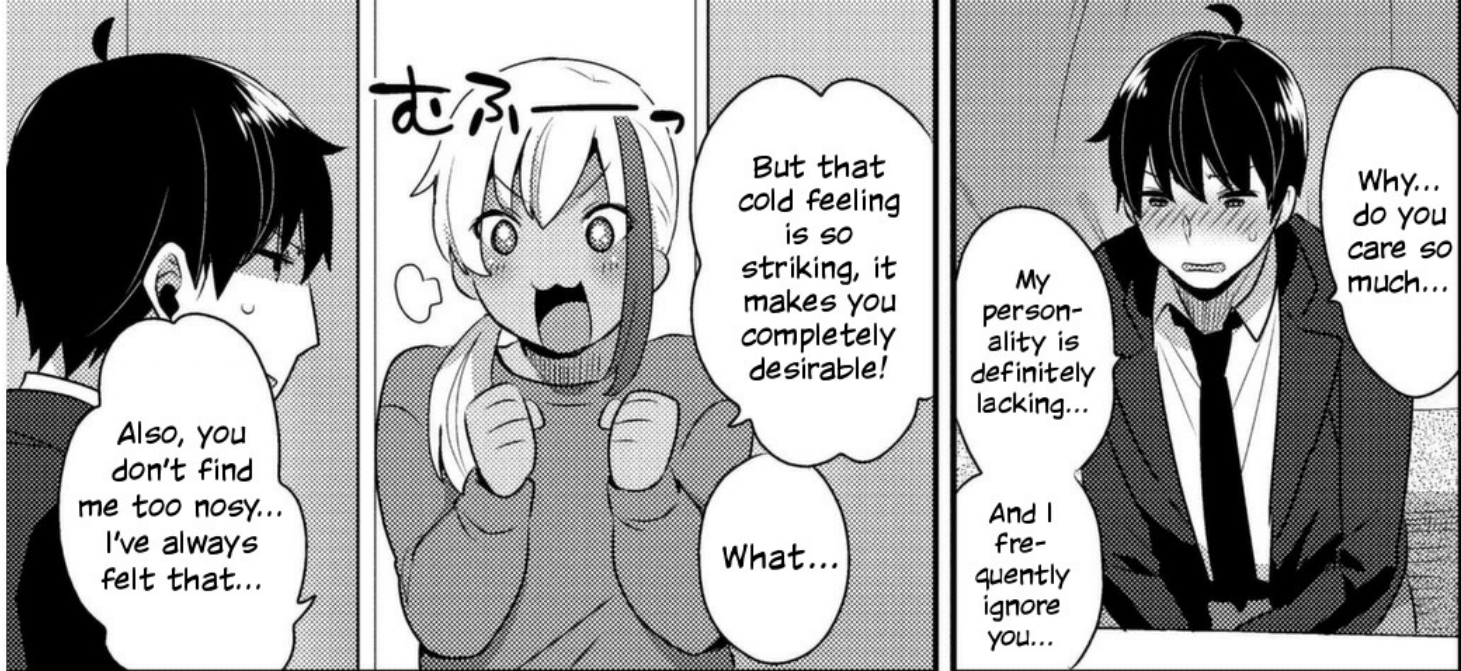

Grandma will go out and buy some food

That...

Then... okay...

Also, you don't find me too nosy... I've always felt that...

おっ

But that cold feeling is so striking, it makes you completely desirable!

What...

My personality is definitely lacking...

And I frequently ignore you...

Why... do you care so much...

You seem a bit lonely...

...

Ah, sorry, did I go to far?

I unwittingly started to forget how to deal with friends, and they left me one by one

I was afraid of being their punching bag, so I would always follow their example

For as long as I can remember, my parents would always fight...

Eh...

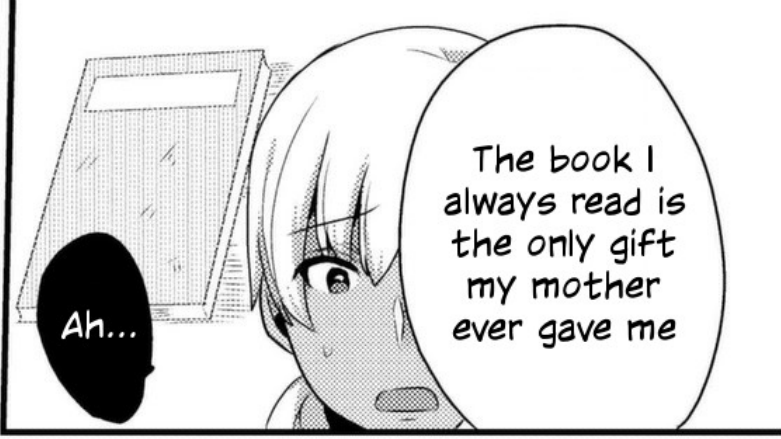

Even if I had to stop you from touching my book

To be honest, I never thought Takase was a bother

But really... I just didn't know how to respond, that's all

Uwano...!

Ah...

The book I always read is the only gift my mother ever gave me

They had already divorced, and I couldn't part with the mother I would never see again, so I carry that book with me

There- there's no need to be!

I'm so embarrassed...

Excuse me for a bit!

Ehh?

**That's it, I'll teach you!**

Why are you dressed like that!?

Sorry for the wait!

!?

Let mama teach you how to make friends with others~

From now on I am your mother!

HAA!?

By the way, this was my sister's school uniform

Don't mind the details!  
Anyway...

What kind of mother dresses like that...

These are the only clothes I had!  
My sister already married and moved out
