Shit,
this
is...

What
should
we do?
There's
no way
out of
these
woods!

What should we do?
There's no way out of these woods!

The
forest of
witches!

I'm
losing ...
all my
strength ...

Well,
time to
get to
work,
Lilia.

Will do,
Lady
Traff!

Hee

P-Please spare me...

It's still too early to beg for your life.

Wh-What are you-?!

I'm going to milk you until you're on the verge of death, after all.

You're quite turned on despite that. You must not get home much.

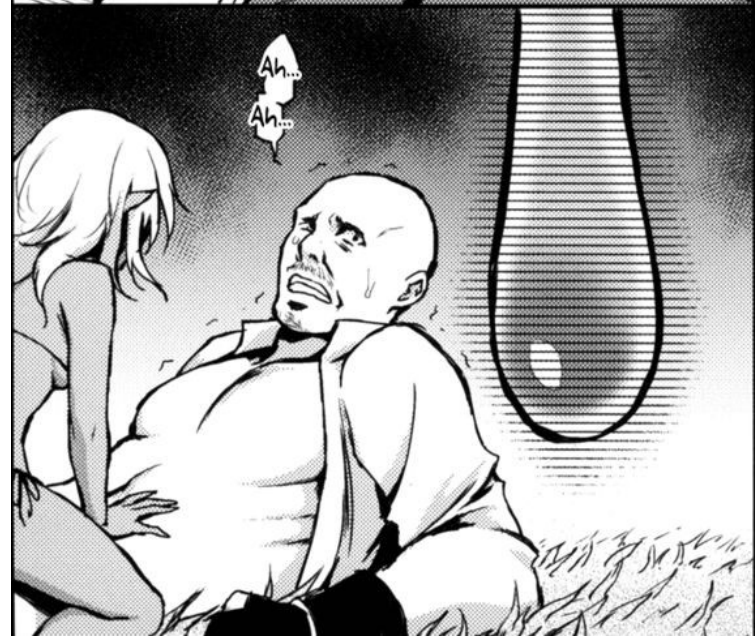

St-Stop! I've got a wife and child...

Ufufu♥ You look about ready to burst♥ Soldiers really get backed up, huh? You're perfect prey.

にゅん♡

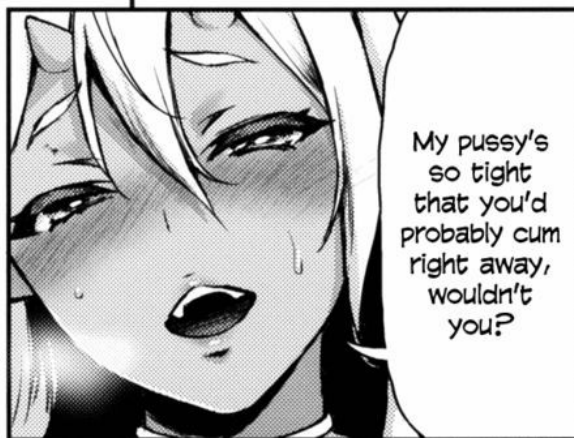

Wah!
Your
cock's
so big!
♥

Allright
mister!
Please give
me a lot of
semen!

Ooh...

Oh...

My pussy's
so tight
that you'd
probably cum
right away,
wouldn't
you?

I wonder
what would
happen if
something
this large
were to
go inside
me?

Haah

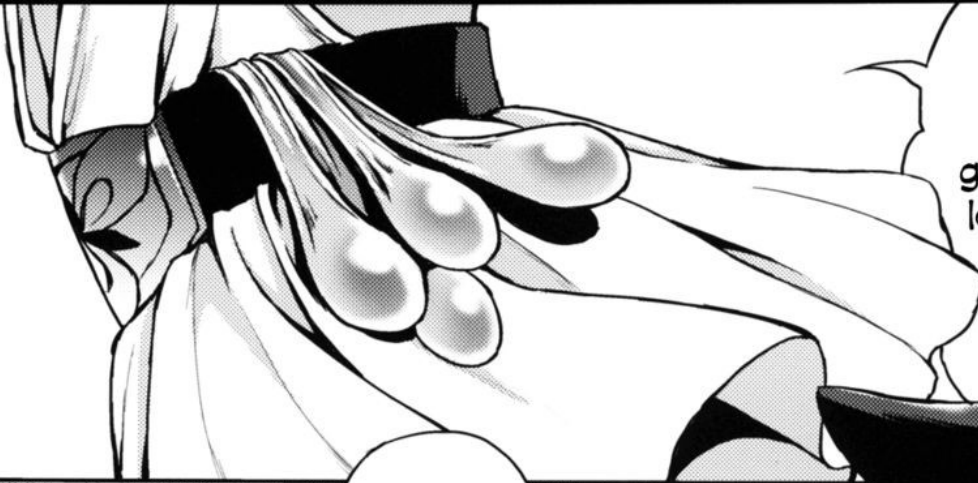

Haah

Agh!

We gathered a lot today, huh?

I'm a young woman. My hands are good enough for some old middle-aged man's cock.

I had to give it my all, but you only needed to use your hands. Just what I'd expect from you!

Is that so?

Lilia. Didn't I tell you that sexual relations with humans is taboo?

Still, just showing off my pussy was exciting! I wonder if it feels good?

WHAT HE
DOESN'T
KNOW
WON'T
HURT
HIM.

BUT WON'T
THE KING FAINT
WHEN HE FINDS
OUT THAT IT
CONTAINS
SEMEN?

Mixing of
human and magic
components causes
a powerful effect;
they say it'll destroy
you. Due to the
difficulty of mixing
them, we're the only
ones who can deliver
the king his precious
elixir of immortality.

Yes,
I understand...
I'm a war orphan,
I've only just
started paying
you back for
saving me.

I'm
saying
this be-
cause
you're
important
to me.

Ehehe♥
I'm hungry!
We need to
get home
quickly so we
can eat!

Good
girl.

...

This time,
I've gone
through the
trouble of
preparing a
particularly
special prize
for you.

Mmm.
I've received
this term's
portion of
the elixir.

I heard from
the soldiers
in the forest.
They told me
that the elixir
contains semen
that you took
from them.

I-It's
not what
you think!
Human semen
is necessary
to produce
the effect...

Well
then,
gentle-
men...

Huhu...
Without
her staff,
the witch
is like a
helpless
baby...

Damn it!
Since they
took my staff,
I can't cast
my spells
properly...

THAT
CAN'T BE
TRUE!

How dare
you make me
drink semen?!
I'll let you
whores drink
your fill of
semen as
well!

Ah! This tiny mouth is out of this world!

S-Stop! Human's semen is poisonous to mages!

I'm going to fill you up with my cum.

Gghh... Take it all down your throat!

Cum in!

Kuu... Don't touch me with those filthy things!

You think it's poison? Then let's test that theory. You're next in line!

Oooh, her tits are so soft!

N-No way...
You're really going to put it in raw...?

I'm gonna fuck this slutty witch's huge ass!

Wai...
That's not...

What's this?
Rather than being poisoned,
drinking my semen has
made you soaking wet!

Wai-!

HERE WE GO!

....!!

Don't
tell me...
Semen
acts as an
aphrodisiac?!

If it gets
into my
womb...

Ah

Ahuh

You
came when
I put it in!
Aren't you a
cock-loving
whore!

Ah

Ah

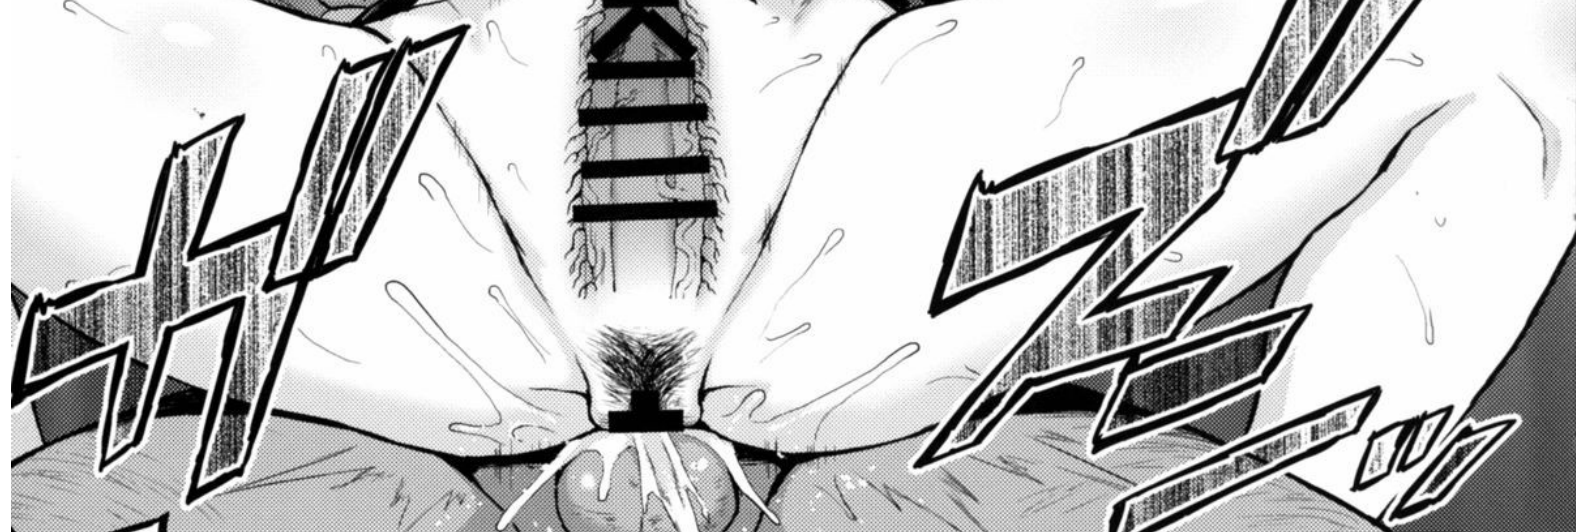

Ah

Ah

Not
there!
Ah!

Ah!

No more...

But...

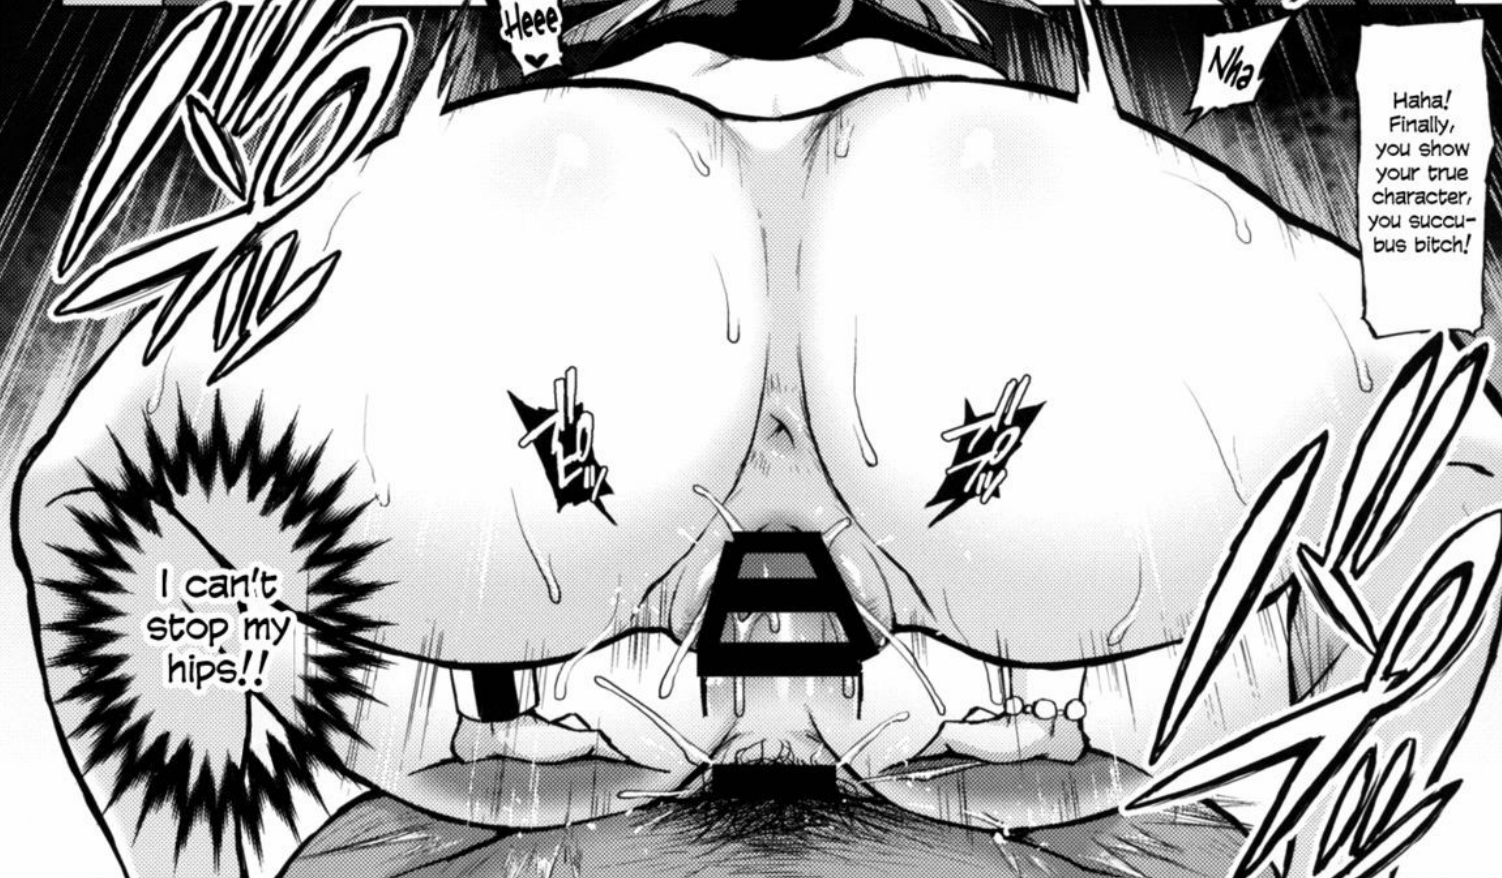

again...

Heee

I need to escape...

Nha

Haha! Finally, you show your true character, you succubus bitch!

I can't stop my hips!!

I'm being raped by such dirty, old cocks.

It's so exciting!

Guhh! She's squeezing meee!

I feel so good all over!
It's like my whole body's a pussy!

Lady... Traff. Please, don't be sorry...

L-Lilia... I'm sorry for... letting this happen to you.

Hagh?!

Ah

Aa
eee
h
h
h

Be-
cause
this...

this feels
so good,

I don't
care
anymore.

There's
no going
back...

Ah
ah
h

Cumming
again!
I'm
cummin!

to the
way I was
before...!!

It's
hot!

Give
me
more!

Entertain
us some
more
♥

Ah...
Ah...
You're
the only
one left,
my lord...
