

There's nothing around here~!

Not a single Convenience store or arcade in sight!

Good!

Huh~? More like boring~!

It's exactly because we don't have that non-sense that we can enjoy a quiet, peaceful summer.

Zip it, we haven't come to your grandma's in a long time.

You'll just have to learn to make your own fun.

Excuse me!

オジギヤル☆

Asahil Go answer the door!

No.

There's no way she was virgin!!

I don't recall what happened next very clearly, but I do remember the men being very gentle.

Mako-chan filmed lots of videos to remember that night by.

Summer memories...

I had a lot of fun at that summer festival.

So I would love to go back with everyone.
