S.
village

Hey !
Yuka
San..

isn't
this tea
a little
bitter ?

is
that
so ?
if guest
were served
this, they
will surely
laugh

Souseke
you
think so
too !
Right ?

Though I
thought
I brew it
perfectly..

Really ?

Thats why
I don't like
coming to my
husband's
family home

It
started
again...

Well, Keiko is as usual excellently helpful...

...since You also gave birth to a boy

Mom, I'll brew some fresh tea

well, its bad after all !

even so, I wonder why Yuka san can't bear one ?

I also soon want to see my grand child's face resembling me & Souseke

Souseke you think so too ! right ?

people say though your wife is a beautiful lady but still incompetant (barren)

It (not having a child) often becomes reason for divorce around here

It has been three years since your marriage, right ?...

...
Yes

But still, people
are saying that
We can't have
a child...

Sorry
...

What's this ?
weren't You
on my side ?

I am
feeling
sick for
some
reason
...

I am
going
back to
my room

listen,
look
at the
situation
also...

if we can't
have a child
after all,
then...

What can I do if we can't have a child!

That Old hag!

here I was being obedient and she still insulted me...

DAMN!

even doctors said there is nothing wrong with me, then...

I came with my husband to his family home here

To participate in the children granting festival of this village

Married for 3 years & We couldn't have a baby

wasn't it suppose to be enjoyable after marriage than I was single

its only been uncomfortable since marriage

...Yuka san?

DAMN!

You will surely be blessed with a child in this festival since you are in wonderful shape

are you worried about what mom said ? its alright really !

You really startled me !

That's not true !

even if you rely on Gods, it can't be...

please stop with this festival thing

Why did you come here Keiko ?

there are shops & food stalls as well, its a lot of fun really !!

I also received my eldest son from this festival, you know !

I think former swinger sister in law is surely going to enjoy herself to hearts content.

Besides

Wha...
....

hey!
tomorrow
is really
going to be
a lot of fun,
you will surely
enjoy it...

...perhaps
just like
you used to
before...
♥

Stop it !
that picture
is from
a long time
ago !

I only
saw that
picture since
you forgot
to erase
it from
SNS
♥

didn't I
come here to
give your
cellphone
since you
forgot it in
your room

fu fu...
really
Yuka san...
you've been
& are
quite sinful
aren't you ?

My past...
I...I've
already
forgotten
it...

Strange
girl...
what are
you saying

just kidding
...
I am leaving
first...

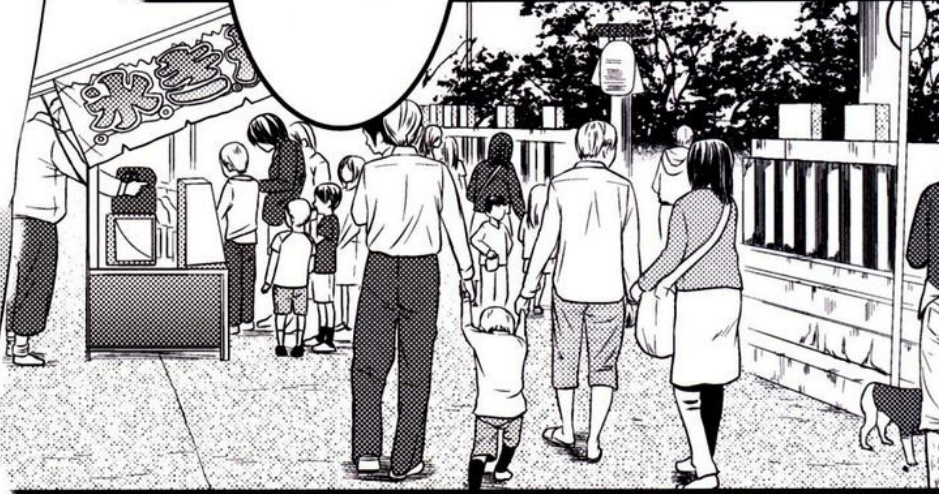

Good
night
...

The next day

Wow ! its quite lively here isn't it

yeah, I used to come here a lot too

isn't it a bit disorderly, considering its a festival to please GOD

alright everyone... Monk is going to be here soon...

in this "Okomori Shrine" sacred hymns are recited all night long till dawn to be blessed with child

Wha... all through the night till dawn ?

Anyway

55,

Hey !
What are you doing ?
you guys are just kids...

You too!
what's your problem
MAM !

Hey... wait...

Hey, hymns-hymns its starting there

We ain't doing anything strange, well you'll find out soon too... the reality that is

are Kids of this Village more mature for their age ?

Hey! what's going on here... ?

alright... I'll lay down futon here, so just move a bit

Oh... ..OK

You will come to get me tomorrow morning right ?

so I'll be all alone in this place till morning, right ?.

How do
You know
me ?

Hey !
You are
Souseke's
wife
right ?

Hey...
isn't your
face
a little
too close ?

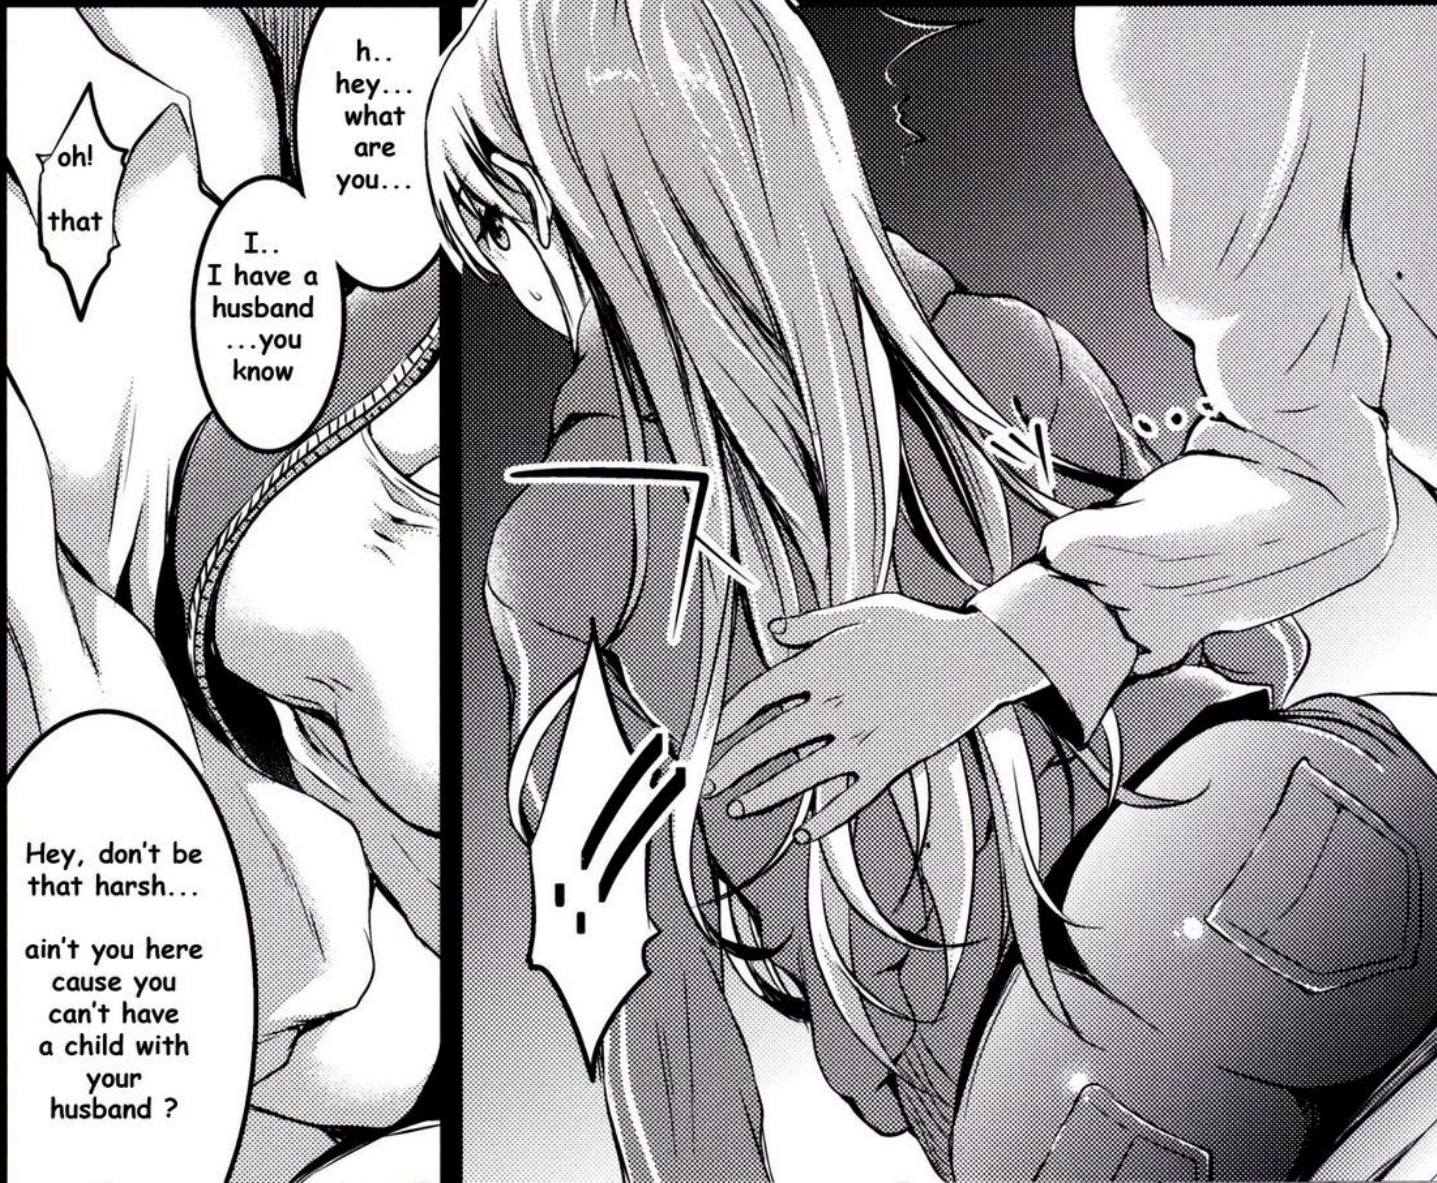

You should
relax...
and
enjoy...
yourself

Perhaps...
are You
nervous ?

...
Yes
...a
little

Well...
excuse
me...

Oh..
I heard
about you
from your
mother-
in-law

that

h..

what
are
you...

I..
I have a
husband
...you
know

Hey, don't be
that harsh...

cause you
can't have
a child with
your
husband ?

You don't fool with your husband like this always now anymore do you ?

A... Ah... ..

No...!

...just look over there

Oh please.. stop resisting already...

Wh.. What...
...this is an ORGY

B...
But...

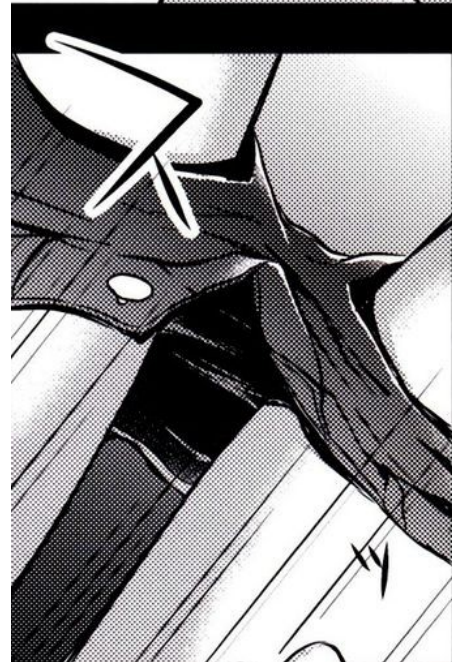

...everyone of them doing & enjoying, it

I...
I
understand
jeez..

...if you
ain't wet
then
I'll also
give up on
fucking
you...

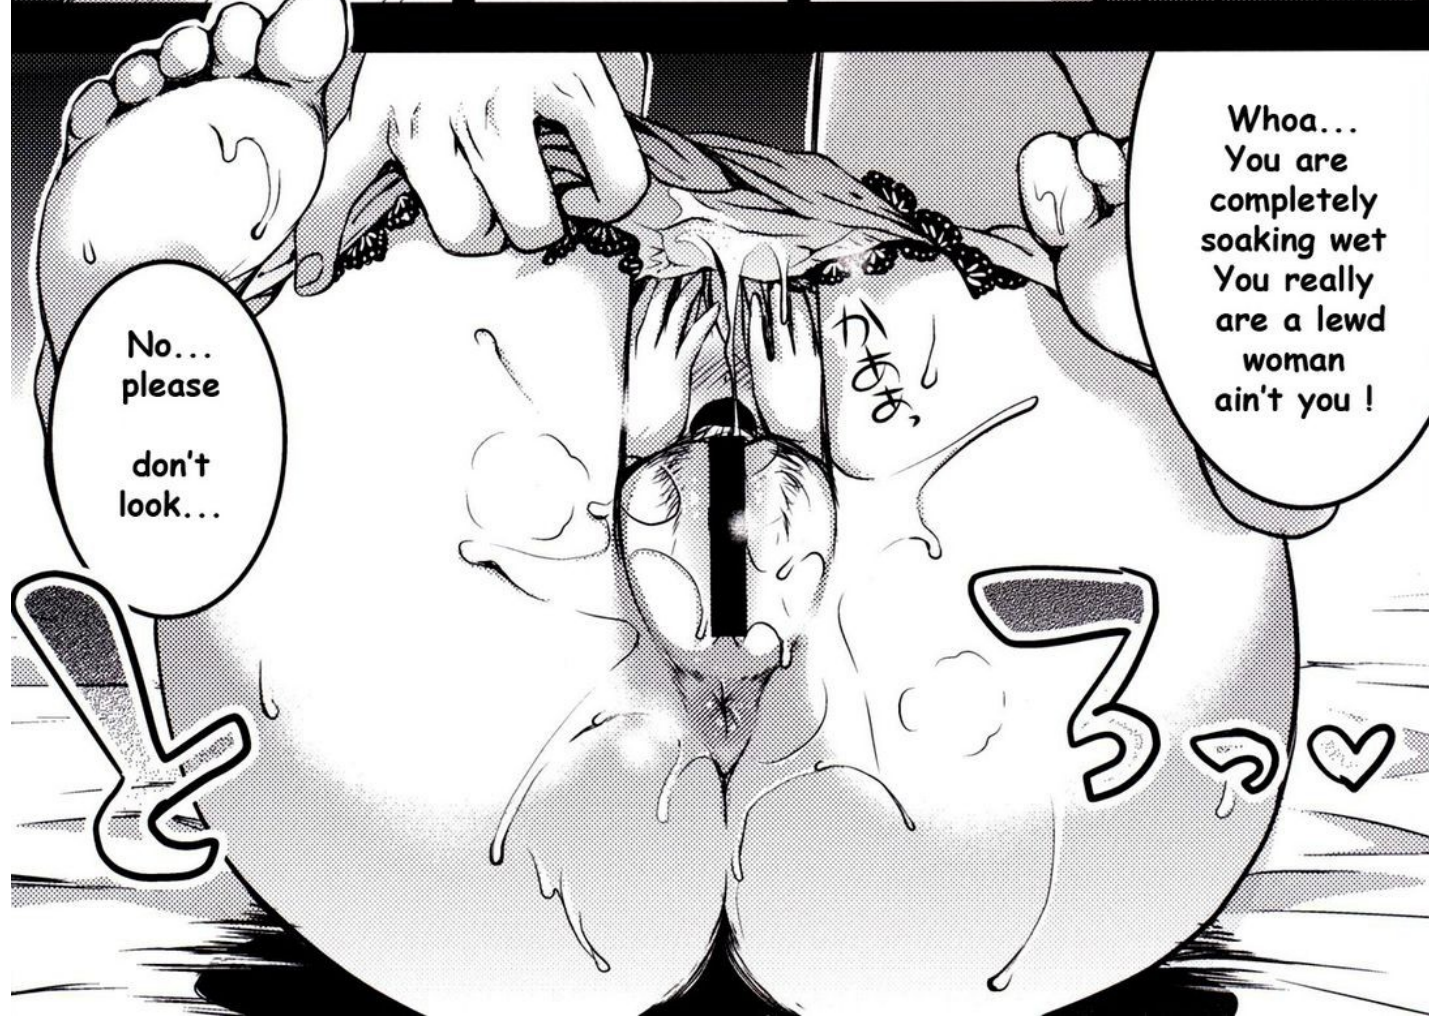

If you really
don't want to,
then lets take
off your clothes
and...

please
don't let
me be
wet

d..don't
rub it
at such
place...

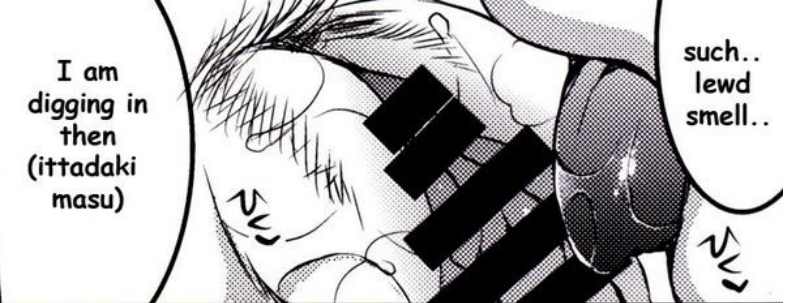

No...
please
don't
look...

Whoa...
You are
completely
soaking wet
You really
are a lewd
woman
ain't you !

No...

this festival's
also known

You are
here cause
you can't
have a baby
with your
husband..
right...?

in this Village,
if you really
want a child

今回は雑魚寝での乱交を書きました、
乱交＝輪姦、では必ずしも無いと思うのですが、
輪姦の方が絵的にエロイので途中から輪姦にしてみました。
1人の女の子にたくさんのちんこが
群がっている絵が大好きです（笑）！！

それでは最後までお付き合いくださりありがとうございました。
