It's quite
all right, there's
no one here to
tell on us.

W-We can't...
Umm... It's
against school
regulations...

Ringo-

What are you doing?

...You there!

Ka...

Kamishiro-sensei...!

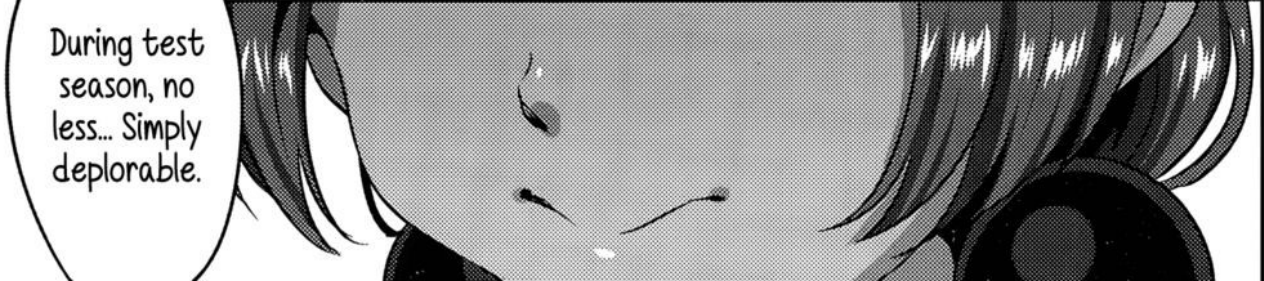

...You again.

Misono Ringo.

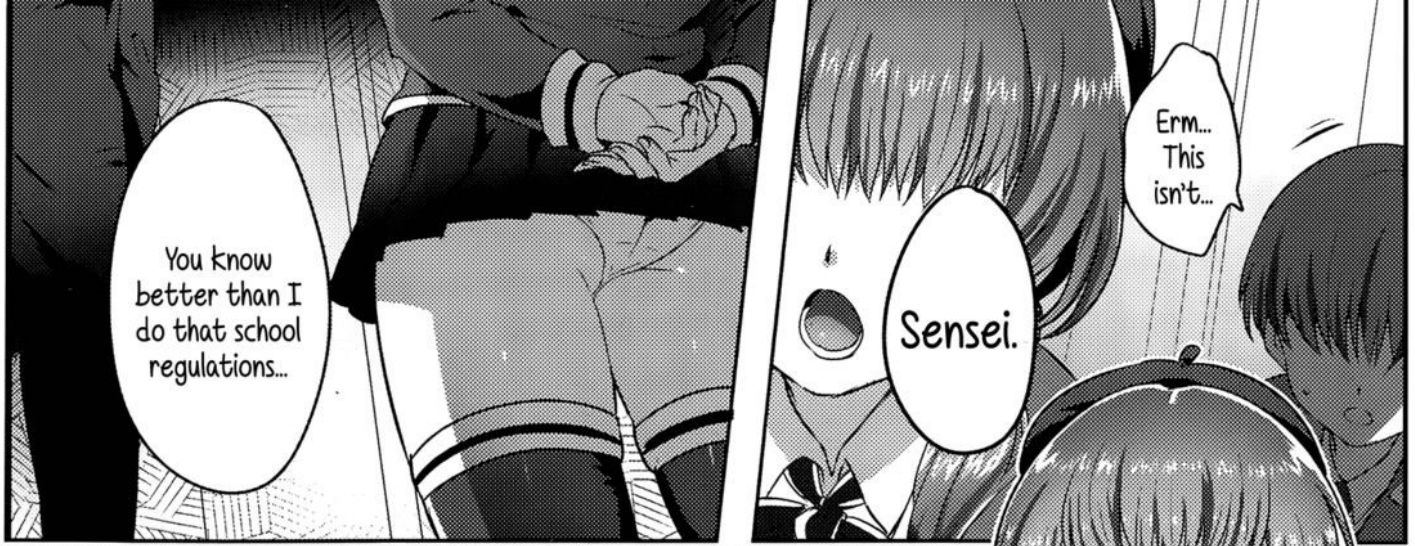

Engaging in a sexual relationship is strictly against school regulations.

When will you learn?

During test season, no less... Simply deplorable.

What is the meaning of this...?!

Counselling room

Kama-shiro-sensei...!

W-Why are you...

As it is, I have no choice but to report these events to my higher-ups, however...

...Now, Misono.

You know how this story goes, don't you?

Because of you, now the earnest Nitta has also been dragged into this.

This bright young man's future is now in jeopardy...

But please...
At least
spare him..!

Sensei...
I don't care
what happens
to me!

I'll do
whatever
it takes!

Ring-san!
You can't
do that!

Nh...
Huff...
♡...

!...
Such a
powerful
scent...

You just sit there quietly and watch.

Hmph!
This harlot wants me to do this to her.

Sensei...!
Please stop doing those awful things to Ringo-san!

No way...!

Hmph!

Right...?
Misomo...?

It's okay, so...
It's...

Takumi-kun...

Kya...!

but their sensitivity is satisfactory.

Fuh

Ow...

No...

Your breasts are on the smaller side...

Ow

What about you, whose nipples are as hard as little pebbles?

If they're like this, then down there...

Sensei, you perv...!

Oh?

faw

Ahn...

Hey... Don't close your legs!

No

As I thought...

You're soaked through your panties.

Hf...

No

As I thought...

You're not the slightest bit regretful, are you?

More...

You've become this drenched just from having my member rubbed against you...

...Hmph.

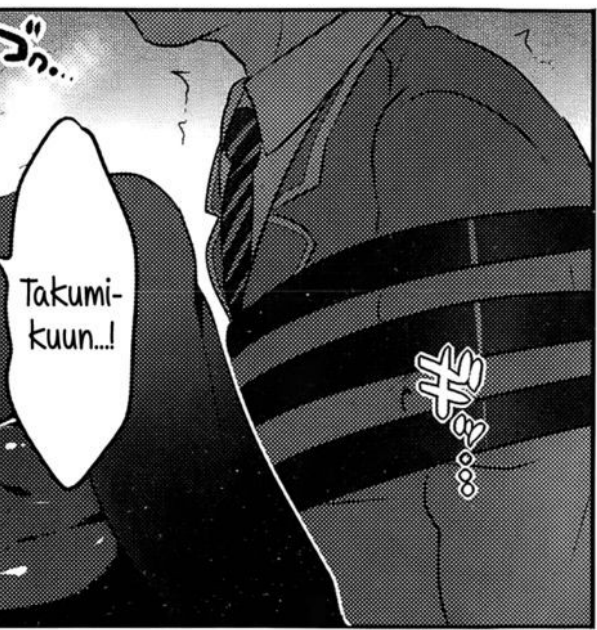

You nympho student slut...!

I believe more severe guidance is in order...

Kya~

...What do you think, Nitta...?

Takumi-kun...!

It's so smooth, the palm of my hand sticks to it like glue...

Misono has a pretty good derriere on her, doesn't she...?

No, I don't want to have baby making sex...!

We'll start making babies.

That's right...

Stop...
If we keep going, we'll end up having sex... ♡

ヒヒ...

ヒヒ...

No way... ♡

That guy's also eagerly anticipating it with raging arousal.

This is just practice sex so you're ready for it in the future.

No... ♡

Y-You can't...

I don't want to have sex...! ♡ ♡

I'm going to start thrusting harder!

Good...!
Very good, Misono!!

Not seeex!!
♡

Don't

No

Eep

Stop

Boon

is making my pussy twitch like crazy!♡

Sensei's penis!♡

Don't grind your cock so deep inside...♡

Stop scooping me out...♡

If only your mind were as clever as it, you would be an honor student by now!

Your body is quite clever...

Ah♡

Ah♡

Eh...

Eh...

Sense! Noo!♡

Ah♡

I'm going to pour my seed inside you, Misono!

Are you listening to me?!

Even if it's just practice, I still have to properly mate with you...!!

I'm gonna be impregnated!!

Impregnated!

I'm going to have a baby from practice seeex!!

I'm going to fill you up!

Aah! I'm going to cum!!

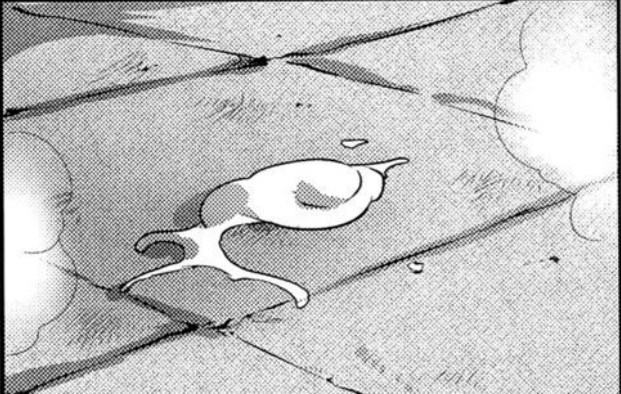

No...
You peed inside me, too...? ♡

Now to flush out the semen with urine...

And your sex practice is complete...

I've been defiled...

I'm really sorry... Takumi-kun...

Do you still love me after this...?

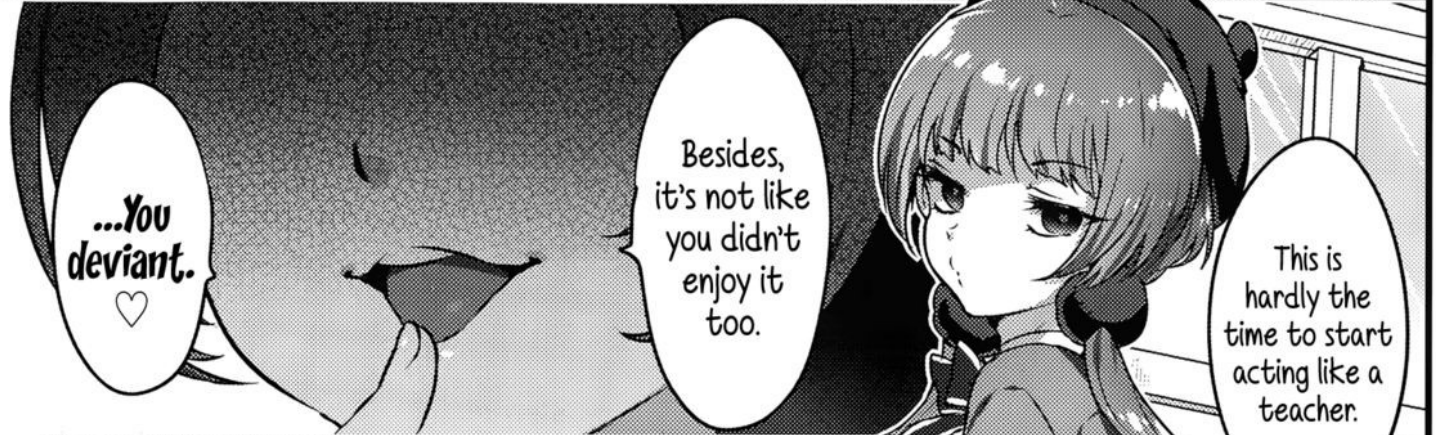

...Wha~t?

He hasn't shown up to class since that day...

That Nitta boy.

How much longer are you planning to keep this going?

...You deviant.
♡

Besides, it's not like you didn't enjoy it too.

This is hardly the time to start acting like a teacher.

...Fufu, I must say, though...

...

Roping an oblivious guy into watching us have sex...

There's nothing more arousing!
♡

It's far too late to stop now.

...I don't...

How many times have we done this now?

You are my slave.

Isn't it about time you realized it, Sensei?

Revel in sin with me... ♡

Just give in to your desires.

I hope you'll entertain me very much. ♡

Next time, as well...

...Okay, Kamishiro-sensei?
