

Could you please tell me why you called me to a deserted park like this, Toutoumi-senpai?

Listen here...

Wait a damn minute! You're the one who called me here, Shirayuki-san!

Let's not.

Let's set the small matters aside...

Today, I might just become a grown-up lady while being embraced by the sweet breath of the Earth...♥

The hell are you talking about...

To hear you call me by that name...

It's your online username, isn't it...

いん?

I did not.

You also stole my lips..!

It's not that big of a deal...

But to repay you for saving my life, this level of lewd is not enough..!

Your life... I just saved you in the game, that's not...

I was attacked by a heinous PK party and was about to lose all of my fortune...

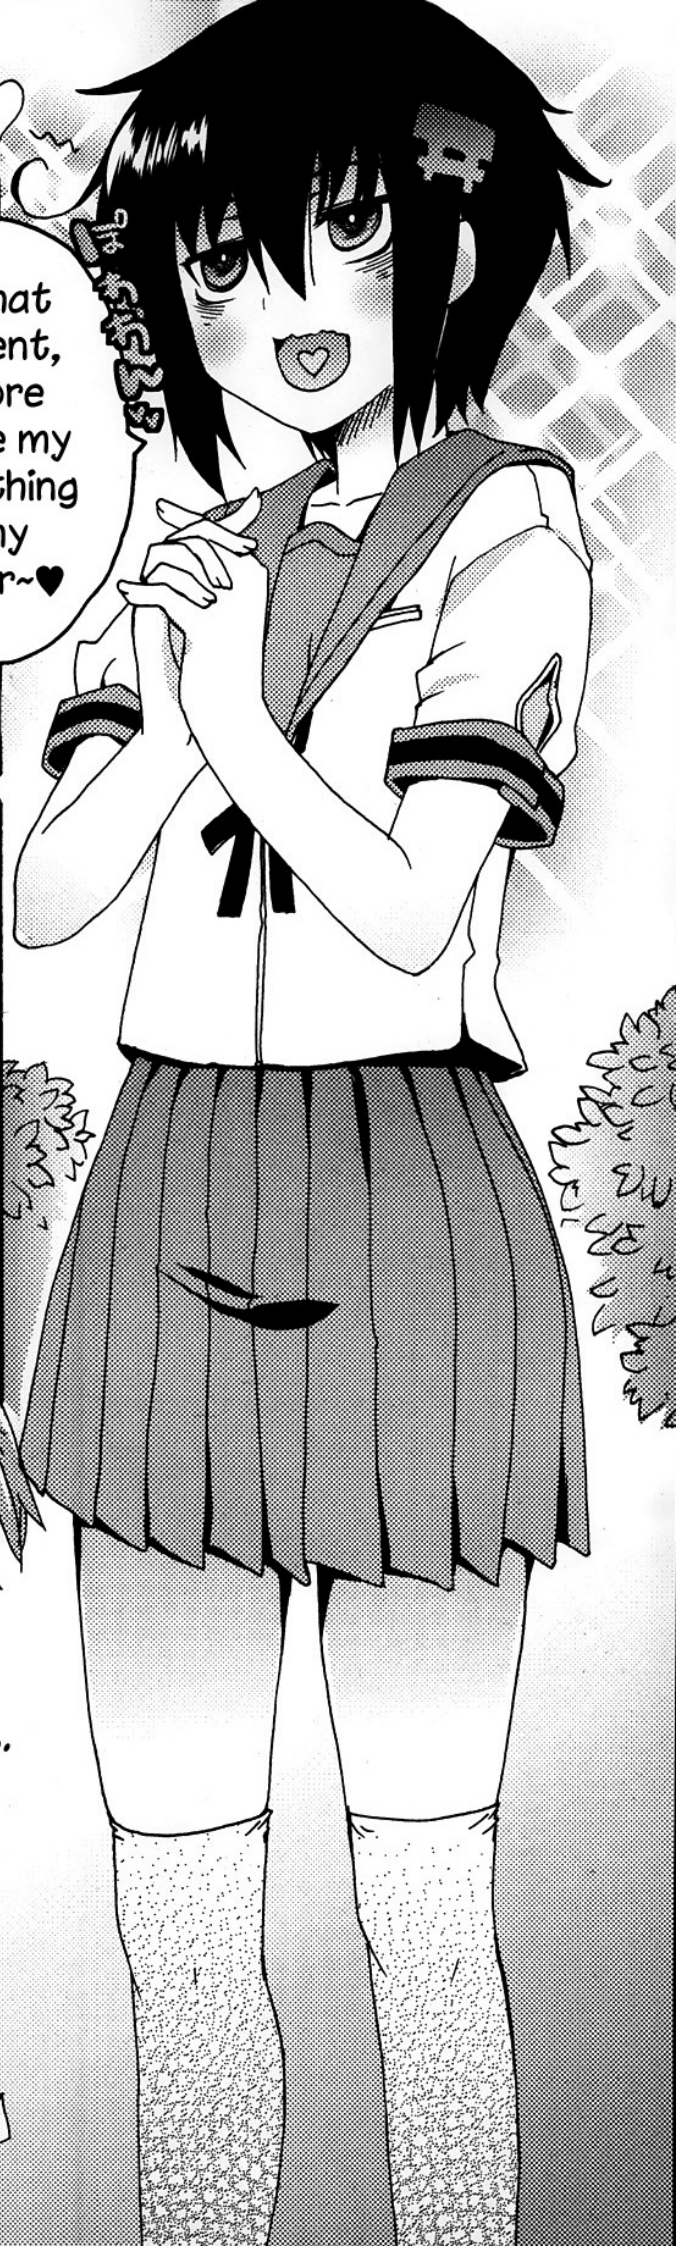

In Hepospolonia (it seems that this is the name of the game's universe), that's as bad as dying!

If you want to thank me for something I did in the game, do it there...

So please, go ahead. ♡

At that moment, I swore I'd give my everything to my savior~♡

I'm 100% OK with having sex in the game, too! Or you can just fap to my character~♡

Isn't your character a bearded swordsman?!

I've had enough of this shit, I'm really going home now.

Haah...

Why would you do that...

I even prepared a picnic sheet and everything!

あばばばば

You can't do that!

Owah-Watch out-!

Wait-Stop pulling me-!

What do you mean, "why"... Pushing you down on the cold ground would be... Wait, huh?

Ouch...
Shirayuki-
san, you
alright?

Wait,
what the
hell are
you
doing?!

So this
is a dick...
It's my
first time
seeing one
in the real
world...

This
should not
happen!

Oh,
excuse me.
I never
thought
this would
happen if
we fell
down...

Kuh-!

Well then, without further ado...

Since it's come to this, I must take responsibility.

H-Hey-! Don't lick it that hard!

Slow down... If you continue like that, I'll..!

It's very hot...

Did you
get this
wet just
from
sucking
a dick?!

What...
Why are
you...

Silence!
That
blowjob
just now
counts as
rape!

As such,
I now
probably
have the
right to
r-r-r-ra-
r-rape you
once!

I was
just
showing
my
thanks..!

If you
like cum
that much,
I'll give some
to this
mouth,
too!

Ahh!

This is
just..!

I'm putting it in!
Here we go!

AAA
AHH!

I didn't think the kind Senpai would do something this rough...

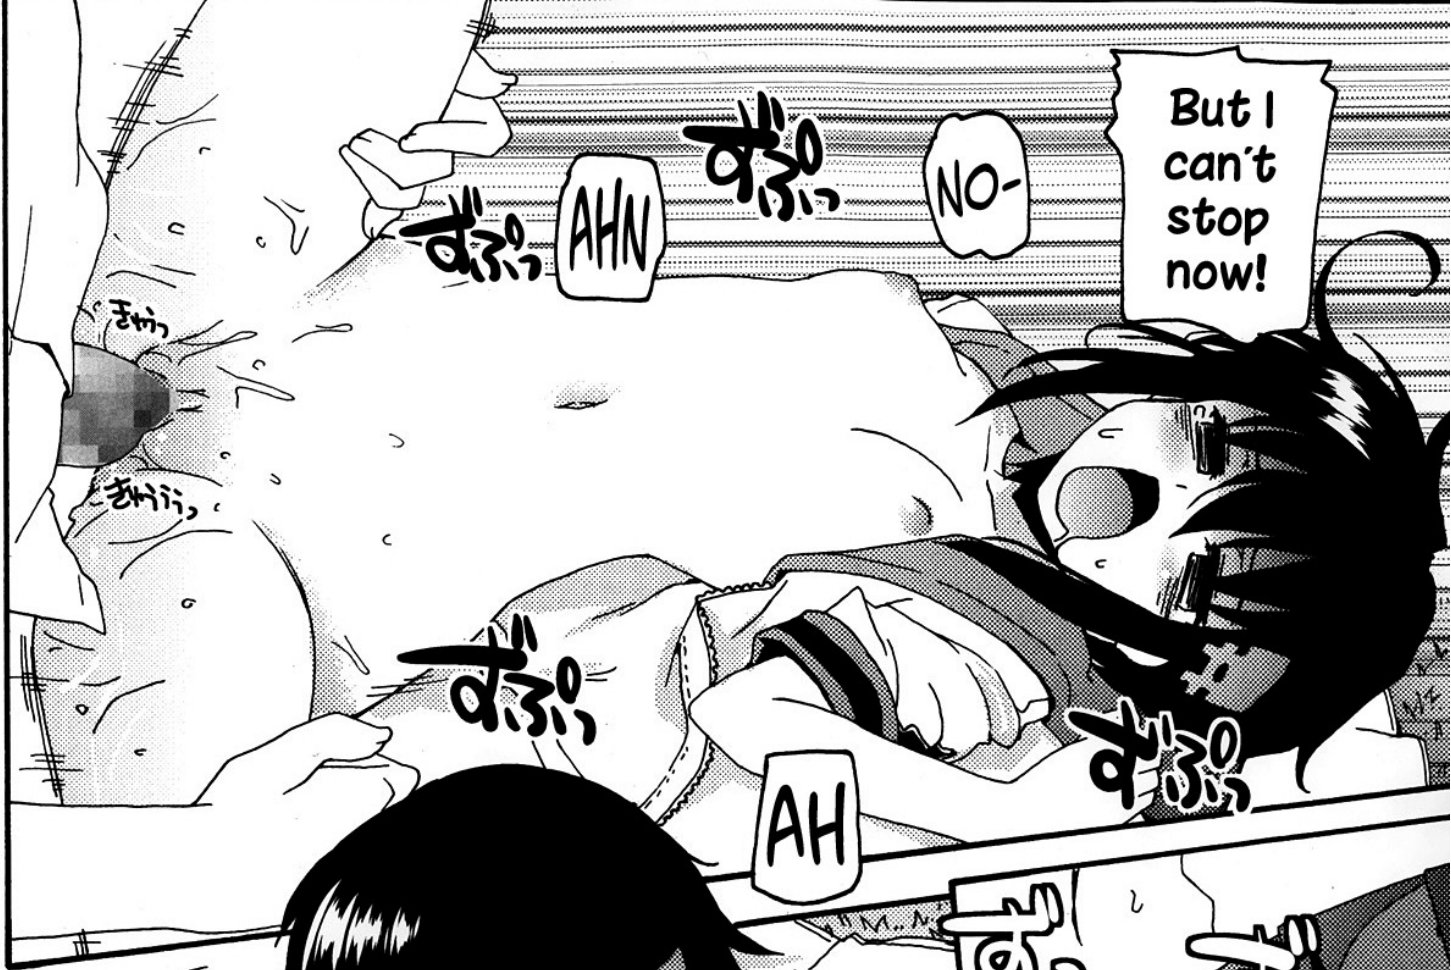

I'll just gently dig into your pussy, relax...

Ah- Huh?
She was planning on letting me do it, right..?

Now ain't that some-thing...
Despite being a virgin middle schooler, you're feeling it from being done roughly~
♥

What's this?
Your pussy is squeezing down on me like mad, you know?

NO!

Oh shit-
Shirayuki-san,
your pussy
feels so good
that I might
have to come
inside..!

But I must
come inside
a cum-loving
middle
schooler-!

If you
cum inside,
I'll get
preg-
nant..!

AH

AHH

This is part of your thanks, so you must know how to beg for me to come inside, right?

You have to pay back for rape with rape! And for gaming favors, with a creampie!

Uu... Please shoot your baby seeds inside my lewd pussy..!

I NEVER TOLD YOU TO SAY ALL THAT. WAIT,

I'll do it, then! Culp it all down!

W-Wait, I'm not going to turn you into my slave or anything...

...I have finally become Toutoumi-senpai's sex slave... I'll have to endure this every day from now on...

It was a trap?!

Anyways, it looks like I managed to seize this middle schooler lover and rape fetishist Senpai's heart perfectly...♥

はあ はあ

Please don't get a scary-sounding job like that.

Okay, I apologize for forcing myself on you!

To make sure I get pregnant, let's do it again!

Now I just have to really get pregnant and change my occupation to a [Middle School Housewife] and it'll be perfect!
