

Haah...

I still can't get used to taking the train to school...

ON TOP OF THAT, MY CHILDHOOD FRIEND KACCHAN RIDES HIS BICYCLE TO SCHOOL...

EVEN THOUGH I WENT OUT OF MY WAY TO GO TO THE SAME SCHOOL AS HIM...

I just feel like it's a waste of money.

Come on, you should ride a bike, too. It'll help you lose weight.

You know I'm not fit enough for that.

I REALLY WANTED TO GO TO SCHOOL WITH HIM...

It's always crowded...

And if I don't pay attention, I'll miss my train...

SO WHAT-EVER I DO, I'M...

..!

KACCHAN SAID THAT HE DOESN'T LIKE GIRLS LIKE ME...

...BUT... JUST THE OTHER DAY...

He just touched over my clothes...

But he... Grabbed me really tightly...

I was... Just too surprised...

And too scared... To raise my voice...

I don't want to ride that train ever again...

It wasn't just your imagination, right?

It wasn't...

A molester, huh...

...That must've been terrible.

Nagomi.

...I see.

Have you consulted anyone at school about this yet?

But let's set that aside for now.

Ah... Yes.

I talked to my home-room teacher about it...

Wh-Why did you look?!

I checked them out during the last health check-ups.

Can I give you a quick rubbing, too?

No way!

Eh... How do you know...

Of wanting to grab that marshmallow-like body.

Well... I kinda know that feel...

B86, W60, H89... Was it?

Especially your bust and hips.

No... The numbers might have gone up.

Those pieces of shit deserve no mercy. Got it?

Listen, Ushio. Guys who take advantage of a girl's weakness are trash.

Ye... Yesh...

Breaking bones and other stuff is A-OK.

Go ahead and erase them from both the society and the gene pool.

A molester?

Ushio... Trash like that...

Just cut them down.

Well... if that's the problem...

The molester probably noticed how timid you are and chose you because of that.

...Yeah, if you could do all that, you wouldn't be having any problems.

...It was all very insightful.

Saruwatari Katsuhiko-kun!

Do you have a second?

Ka... Kacchan..?!

Saruwatari-kun!

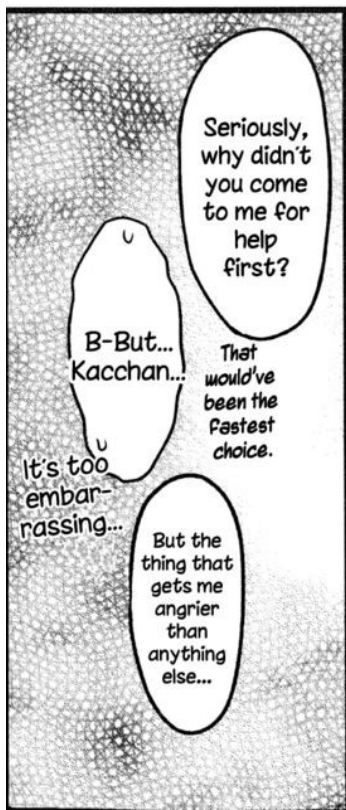

See, there's a perfect candidate right there.

We should get you a bodyguard for the time being.

I don't think you'll meet him every day, but...

Eh...

Is it always like-

Ooh... What a bumpy ride...

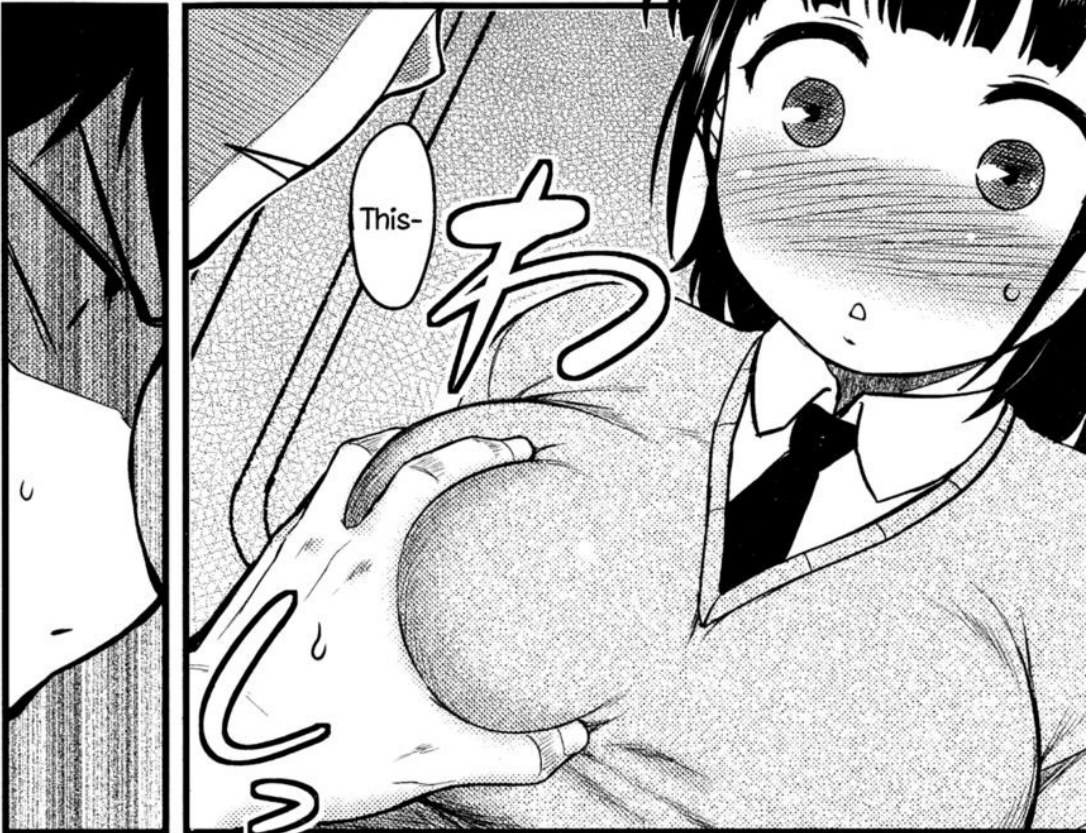

Do-Don't worry about it...

So-Sorry.

What am I doing grabbing you...

Now I'm just like the molester, aren't I...

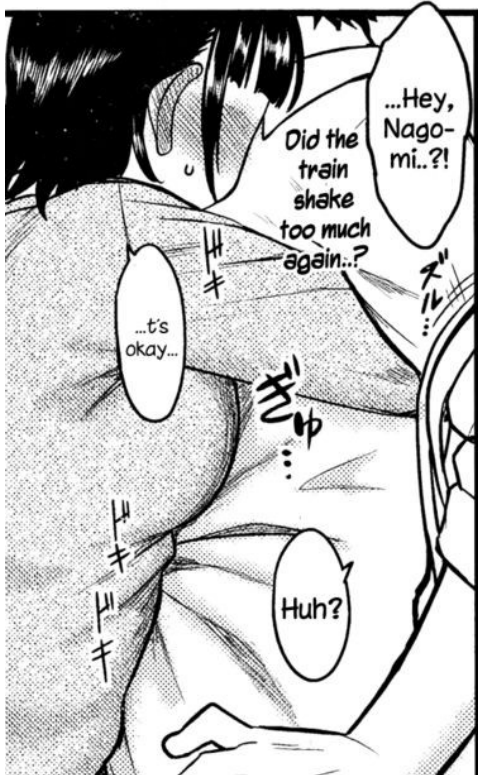

This-

Like your butt... It might've gotten a little too big.

You're not light!

Ah?

The hell are you talking about?

I mean, doing stuff like that in a train...

It sure was nice that no one noticed what we were doing...

Oh, come to think of it...

Of course everyone knew what we were doing.

!?

...Wanna start cycling to school with me?

I can't ride that train ever again...

You'll lose weight, you know?
