

◆姉足は最強。これ常識な。

はさ、

You have an older sister yourself, yet you still go and draw a story about a brother getting it on with his older sister...

This is some majorly messed up stuff, I'll tell you what.

What's this supposed to be?

There I was, thinking you were spending your every night buried in your studies like a good boy.

Little did I know you were drawing this filth instead.

Little Brother, You Are My Ottoman

What do you think dad would do to you if he saw this?

Do you really believe you have the right to complain?

Ggggh...!

Who gave you permission to look at that anyway?!

S-Shut up!

Uh!

I'll have to discipline you into learning your place.

You've been acting rebellious lately, so this is quite the golden opportunity.

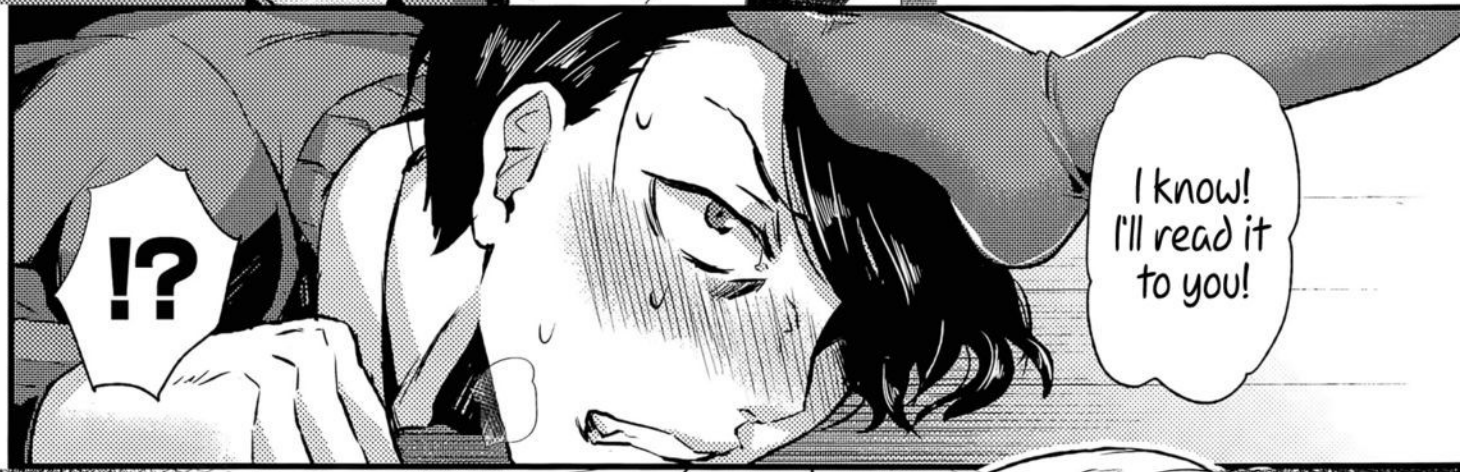

Gh

Kuku... There, there.

That's right. A brother shouldn't go against his older sister.

!?

I know! I'll read it to you!

Stop! Stooooop!

read out loud by your beloved sister must be one of your biggest ambitions, right?

To have that manga you've poured your seething lust into

...Do you just not understand the situation you're in right now?

Heh
Uh!?

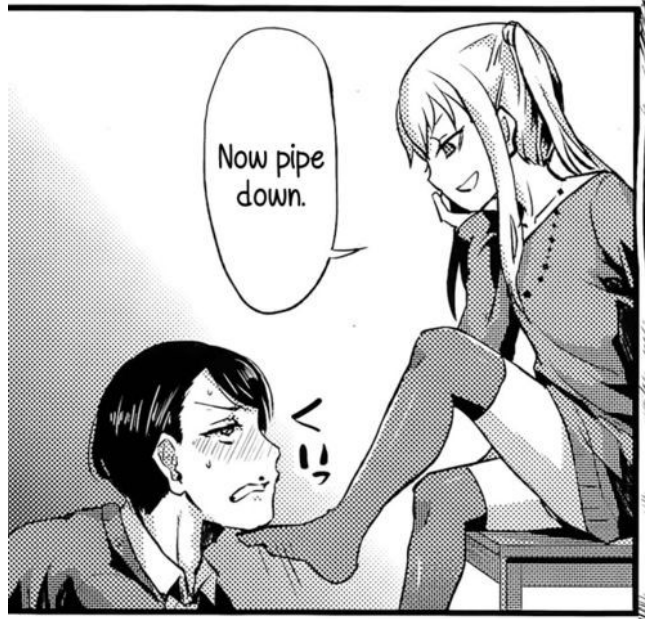

Aha haha!
Ooh~ Shut up!

Khh...!
p- Please... stop...!

You're making a request from your superior! Where are your manners?!

Now pipe down.

No. ♡

Ngh?!

Guuh!

You can see where I'm going with this, right? If you make a peep or try to move my feet...

You're my ottoman starting now.

Aha haha!

Ufufu. You're such a good boy. Tell me what you want me to do to you.

O-Onee-chan... I can't take it anymore...

Wow, freaking gross!

... This is so perverted it's making my head spin...

I want you to rub your pretty feet on the tip of my penis...

Gh! Uuh...!

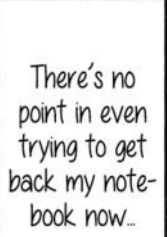

This is just...

Oh, my god... There's gotta be something seriously wrong with you.

That aside, what is my sister thinking, doing something like this?

There's no point in even trying to get back my notebook now...

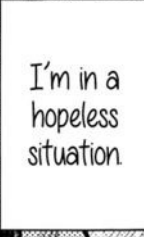

Shit... I'm done.

This might be my one chance...

Hold on.

I'm in a hopeless situation.

So I might as well enjoy the feet of my dreams since they've been put in front of my eyes...

I understand that she wants to ridicule me... but, honestly, this is just making me horny.

The sweet scent of her feet, stuffy from being tucked inside her slippers, is making my mind numb.

She's not saying anything. Did she not even notice..?

As long as I don't go overboard, she shouldn't catch me..

I know this is risky..

My sister's feet which I've longed so much for..

but I can't stop now.

They're quite a lot saltier than I'd imagined. And soft..!

Ha!

Ha!

And not only that, I swallowed her perspiration. It went inside of my body..

I'm licking my sister's sweat.. from her feet..

Whoa. Am I really..?

Ha!

Ha!

She can't hear it, can she... my heartbeat...?

O-Oh, man! My heart is racing out of my chest

I beg you, please don't notice yet...

Great...
In that case, I can afford to be a little bolder and...

Still no reaction. Is she so engrossed in my writings that she can't tell what I'm doing.

Having her find my notebook was too painful for words, but...

because she did, and because of our ensuing exchange, I found the opportunity to do this...

When life gives you lemons, as they say...

Ngh?!

is so smeared in my saliva, that that's all I can taste now.

My older sister's foot which was salty just a second ago..

She's violating my mouth with her feet..

She's writhing her toes.. inside my mouth..!

Hey.

What an incredible situation. A man in a cramped room with a girl, his sister, licking her feet with undivided attention.

I would be insane not to get aroused by this.

!?

Quit sucking my toes and take off your clothes like I told you!

...Strip.

All of them!

Cough

Cough

Fgh?!

What's gotten into her all of a sudden..?

Ha

Cough

Ha

T-Take off my.. clothes?!

I have no choice but to do as she says..

My sister is holding my life in her hands..

Hurry up.

I hope you're aware, but I'm the one holding the whip hand.

I have no idea what you were hoping would happen after this. What was even your goal here?

Who told you you could do this? My feet are all sticky now.

Can't you see I'm trying to lecture you about your twisted fetishes?

Ngh...!

Don't tell me it was just because you're horny.

You realize I could get you disowned with a wave of my finger and you couldn't stop me if you tried, right?

Ah

Look at me!

Gh...!

Are you stupid? I don't get you.

Come on, move your hands out of the way.

It seems kinda fun. Plus, it'll serve as a good punishment.

Sis...?!

I have good news for you, though.

We're about to do the things in your little book.

It's covered in skin, though. Is this that phimosi thing?

Lame... I'm disappointed in you as your older sister.

Gh

Hmm. It looks pretty big, but I can't tell.

Looking at them on the net isn't the same as seeing one in real life.

Kh...!

My sister... is rubbing my penis with her feet..!

Here, Onee-chan will peel it back for you.

Ah

T-This is so embarrassing I could die..!

If you get this stench on any of my clothes then you're paying for the whole outfit!

It's filling up the air since the room's shut!

Whoa... It's letting out steam..!

Worthless little brothers who get turned on by their older sister..

Her seeing it back when we were little is one thing.

But having my sister peel back the skin on my erect penis..?!

deserve to be punished!

Damn it! Go down!! I shouldn't be aroused right now..!

You'll be disowned and end up homeless. How sad.

But if you cum without saying it, I'll give this book to dad.

I'll let you cum if you say "I'm sorry, Onee-chan."

Ah, but then my room would get bigger! You know, I might actually be glad if my revolting brother went away.

Forget apologising, just cum as you will!

How could you...!

O-Onee... chan...!

Well...?! What are you gonna do...?!

...It was only for personal use...

and I couldn't think of anyone... but you...

Did you not even consider the possibility that I'd find out? Are you stupid?

Instead of hiding it, you made her the same as me from the hairstyle right down to the name.

Why did you model her after me?

Huh...?

This manga keeps going.

...You know.

...Hmm.

Don't tell a soul.

W-Wha?! Nee-chan...?!

Uh...! Not much room to spare...

...Ha! This is a pretty... tight fit...

Must be... 'cause we're siblings...

It kinda... feels like we're made for each other...!

Just so you know, if you try to push me aside, I'll immediately get you disowned!

Look at the mess you're making!

N-Nee-chan...! We can't...!

You should have been born a girl!

What kind of man wants to get raped? You're disgusting beyond words!

Ah

Ah

Ahaha! What are those moans supposed to be?

Are you that happy that your lovely sister is torturing you?

Hi

Wah

Fuy

Of course! Seeing as you're a girl, I should tease you here, too!

I-I...!

Ding

Twisty, twisty! ♡

Wah

Ah

Haha

Haha

Haha

Haha

Uh! She's turning me into a mess from top to bottom! I-I'm going insane...!

S-Sis! Stoop!

My nipples are erogenous zones...?! It's like I'm a...

W-What's this sensation?!

You really are just like a girl.

A little light teasing and you start trembling in protest.

I know you want me to tease you more! It's written all over your face!

ノ

アハ

Fu! Your words don't match the face you're making.

W-What are you talking about...?!

...Why are you bringing that up now?

You're not the only perv in the house.

...Eh?!

Because you're fickle, Nee-chan, and I got worried.

Ni Shi Shi ♡

...I don't think I'll need to write anymore from now on.

You better be prepared.

End

Oh, for...
