But...

I wouldn't have gone this far with anyone else but you, Commander.

Co-Come on~! Say something, Commander~!

(Embarrassed)

THE NEXT DAY

Hey~! Mao-chan~!

How did it go? Did you try it?

Ah, yes! Thank you very much! Jin-san and I started dating and we're planning on getting married!

Huh?! Aren't you two getting ahead of yourselves?!

But because of that, I now have a new problem...

Eh? Didn't he approve of...

Mao! So you were there!

You've had enough training for today! Get some rest!

Eh-Eeehh?! I can still keep at it~!

What if you got yourself injured?!

You're a woman, so you have to take better care of your body...

Geez~! I'm telling you, I'll be fine!

HE APPROVED OF ME AS A WOMAN, BUT GETTING HIM TO SEE ME AS A PROPER MEMBER OF HIS UNIT WILL STILL TAKE SOME MORE TIME!

MAO

Do your best, Mao-chan...
