Whoa!  
Coach  
is being  
a creep  
again...

Why'd  
that guy  
have to  
be our  
coach...?

Hey,  
Fujital  
That was  
a great  
shot back  
there.

Gosh

Coach~!  
We're in the  
middle of  
practice!

E  
he  
he

Oh!  
Sakamoto,  
have your  
breasts  
gotten  
bigger?

G'job!

Good job to you, too!

Okay!

First years, grab a mop and start tidying up!

Careful on your way home.

That's it for today.

Good job!

Okay!

We have a practice match next week, so let's keep this enthusiasm going!

But he's great at basketball, which only angers me more!

He's a pervert and a creep, so why don't the seniors get mad at him?

Mm~h  
I can't get myself to like that coach one bit!

!?

Guess who!

AKA

Uuh

Yelp!

Being a coach doesn't give you carte blanche to do whatever you want!

Mnh!

What? I'm just massaging my adorable club member's pectoral muscles!

Stop fooling around!

E he he

You guessed right!

Don't "guess who" me! You're the only one who'd try to pull something like this, Coach!

Ah!

Hey!

What are you doing?!

No!

Let me loosen up your muscles directly.

Hmm, you still wear a sport's bra, Fujita? Yeah, keeping it simple is so you.

Huh?!

P-Please stop...

But when your nipples are erect, you can see them through your clothes, so you might want to invest in a real brassiere soon.

Well, depending on how hard you try, I might let you play in next week's game.

I do, but-!

What does that have to do with this..!

Mh? Don't you want to become a better basketball player?

Huh

No hairs yet, huh? It's gonna be fun watching you grow.

Hya!

Among the first years, you're the one I have most hopes for.

...You won't fool me...

No

Noo

That's! Because I was practicing until just now!

Oh! You're wet!

It's sweat ...!

Feels good, doesn't it? I'm pretty confident in my fingers.

I'd have to be to be a Basketball club advisor.

Are you sure? But you're positively drenched.

No! Not there!

D-Don't...

quit your day job...

Ah!

Uuh... I-I can barely stand...

Although, this sweat is proof of how hard you worked during club activities!

Don't lick me!!

Ah!

It's not dirty in the slightest!

Because I know that you work harder than any of the other freshman!

Aah!

Ah!

Coach...

The juices flowing out now aren't sweat, are they?

This is embarrassing, coach!

No!

This is the taste of your efforts!

Noo!

Ha

Ha

T-That's!

It's important to take other people's input seriously!

Coach... You want me to attack... your...  
But that's...

I can't be the only one on offense. Fujita, come at me, too!  
Huh...?

Sakamoto, the team leader, also became a much better player after going through this special training!

People who don't give it their all at fellatio can't give it their all at basketball either, right?!

Good!

I-I'll do it...!

If I do this, then I'll also...

But... the coach is only thinking of what's best for me...

The team did this too? N-No way...

Don't think about it too hard!  
Just go for it!

Huh...?

Coach is enjoying it...

That feels great, Fujital

Like this...?

Y-Yeah. You're a quick learner, Fujita. I expected nothing less of you!

What should I do with his penis, though...

Lick it with your tongue and stroke it with your hand.

What am I doing...? I don't even know anymore...

My head's starting to feel dizzy.. Being licked might not be that bad...

Yes, coach...

Look for your opponent's weak point and then strike!

You can apply this concept to basketball as well.

Regardless, I have to do my best...!

You're doing good, Fujital But I won't lose either!

Ah!

And unroll it from the top down to the base.

Pinch the tip so you don't let air in...

Done!

Ah...

Then we'll start after I'm wearing this.

In the name of sportsmanship.

Listen... This is my first time, so...

Don't worry. Leave everything to me.

Ah!

Ah...

Ha

Sst

O-Okay...

Sst

Ha

Relax and take deep breaths...

Once you get through the pain, you'll be in a world of true bliss.

Hold on just a bit longer!

I'm... okay...

My stomach hurts a little, but...

How does it feel, Fujita?

Okay...

Yes!

There! Right there!

Aaa aah!

Ah!

Ah!

Ah!

You mean here?

It feels nice when you prod the back, I think...
