■Afterword■

It's nice to meet you, or otherwise, it's good to see you again. Thanks to you, I somehow managed to make it through this year too.

The comics I have had the chance of working in, Comic Koh and LO, are composed for the main part of children, so this time I drew an Onee-san for the first time ever. There's many things I'd like to write about here, like about the cover page or my experimentations with the panel layout, but I don't really have the space so I'd be delighted if you were to take a peek at my blog or twitter for the details.

Well then, I wish you a good year.
