I don't know what manner of thing is influencing kids these days

Who do you think you're talking to?!

Nha?!

No, I didn't mean...

...Uh!

to make you all have such foul language!

Rascals like you!! Why I oughta-!!

No excuses!!

Damn...

Ah!

Don't use that kind of language around Misaki-chan!!

Hey!! Takeruu!!

Ack!

But!

Mii-chan was...!

These two are cousins.

Presented by Coupon-Itai

Kinoshita Misaki (10)

That's enough, auntie.

Calm down.

Are you sure?

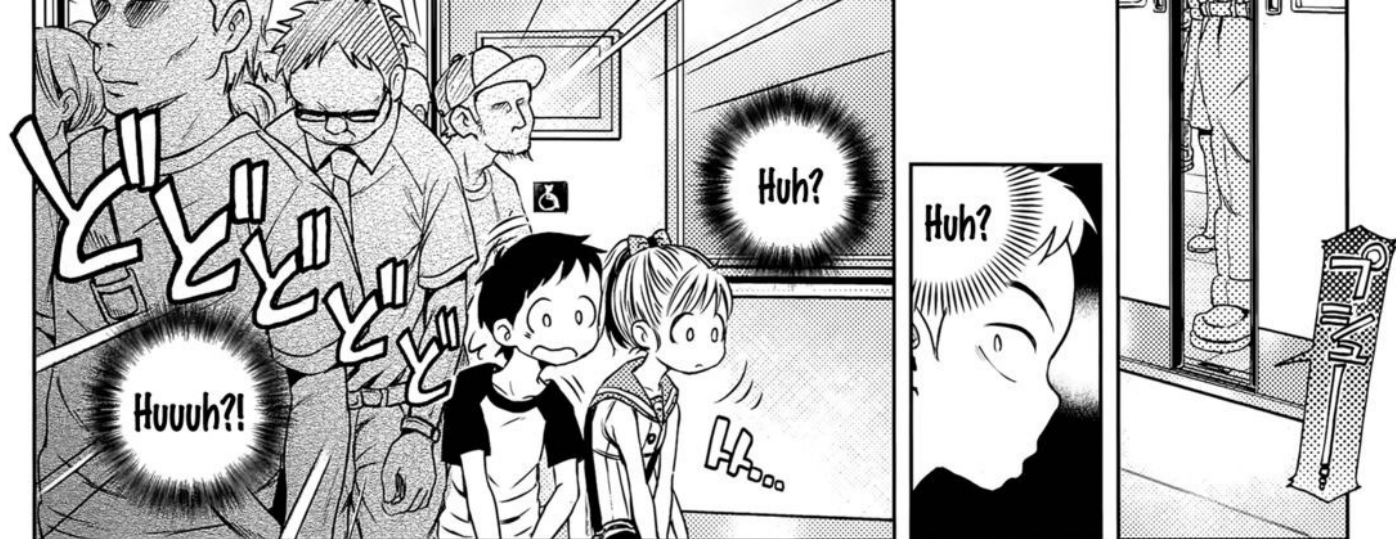

All right. Then, can you run an errand for me again today, Misaki-chan?

You got it!

Psh!

Ono Takeru (10)

Is she nervous 'cause of the huge crowd?

She's awfully quiet.

...Mhm.

Did you hear that, Mii-chan?

We have the worst luck.

This is an express train.

They're here

GYUU...

There will be no stops until ○△ station.

GYUU...

Seriously?!

We're gonna be canned like sardines for 30 minutes?!

She's all goody-two-shoes around my parents, but when we're alone, she won't stop messing with me.

You only cost 100 yen? How cheap!

Just because she's 2 weeks older and 2 centimetres taller than me, she thinks she's more grown up.

Who the hell goes around giving kanchos to people, honestly!!

Kh...! My butt still hurts...!

Guess I'll have to make do with a tickle strike.

I can't give her a kancho like this, though.

Got nothing else to do, might as well have my revenge now.

Her hair tickles!

Take this! My tickle attack!

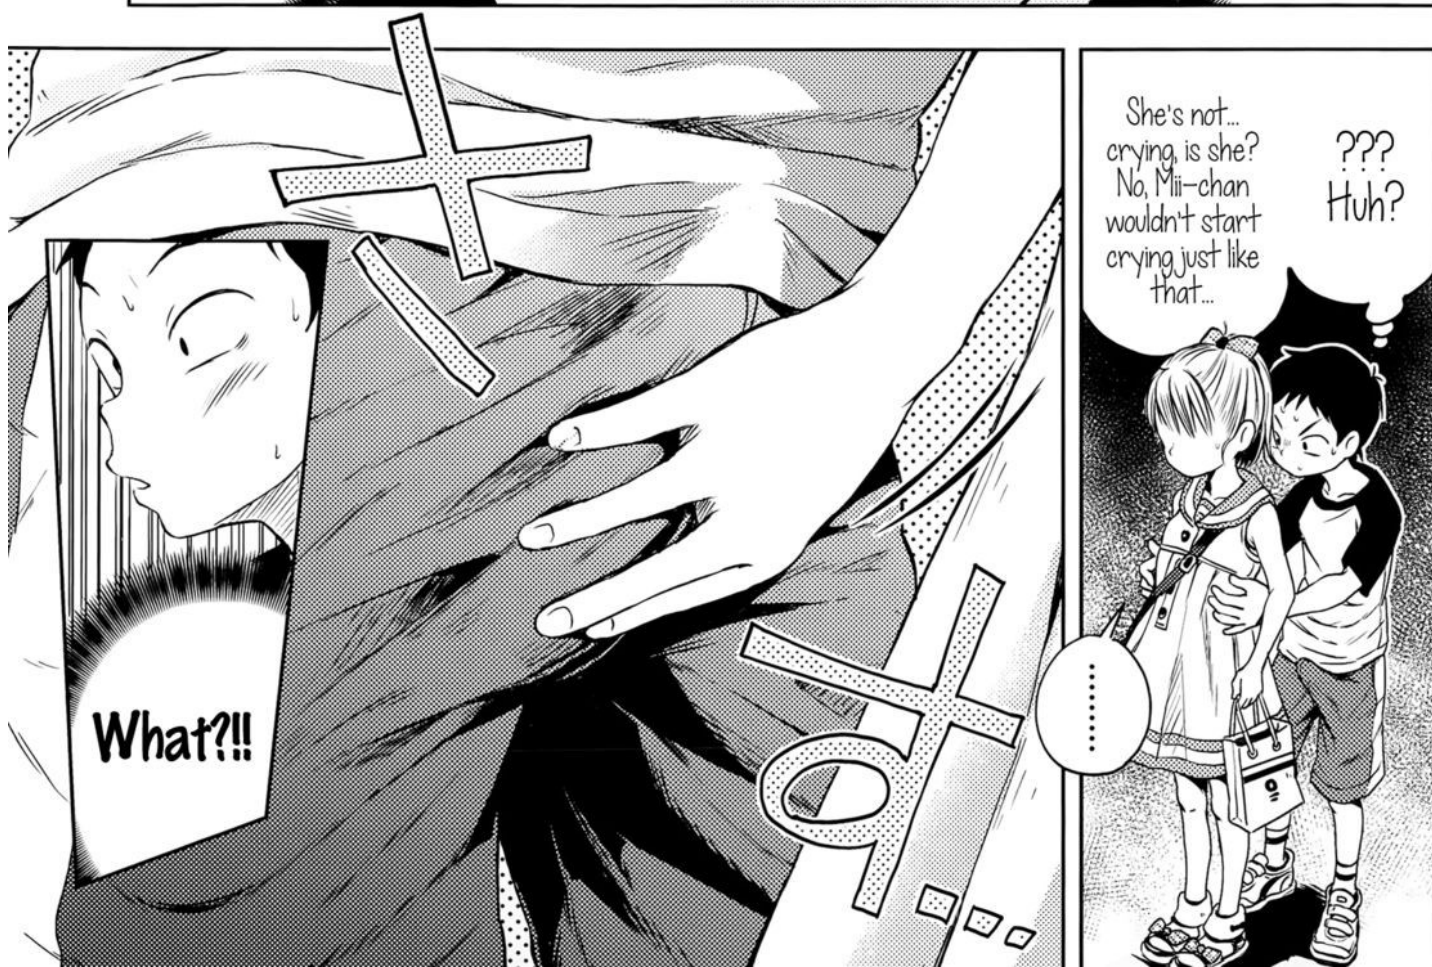

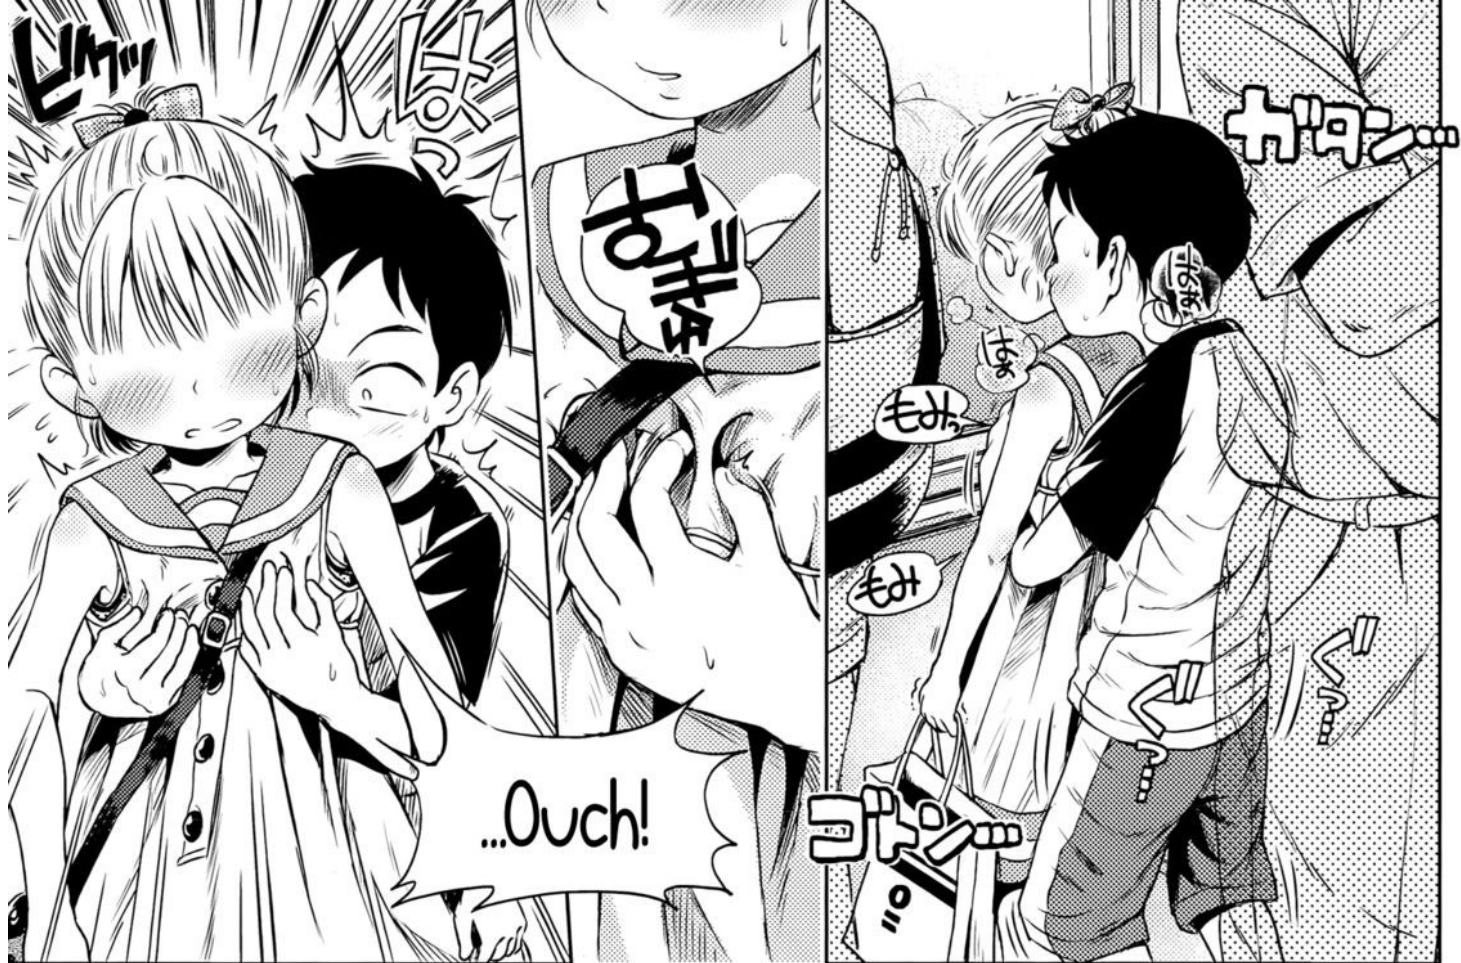

She's as flat as a board! I can feel a couple of slight bumps, though...

Hm? Are these...

I'm getting into a weird mood.

Mii-chan smells pretty nice, actually.

I know!

Whoa...!

おめ...
おめ...
おめ...

Did she give up?

She stopped attacking.

I think...

She's so wet down here that...

It'll feel really good, right?!

おめ...
おめ...
おめ...
!!?

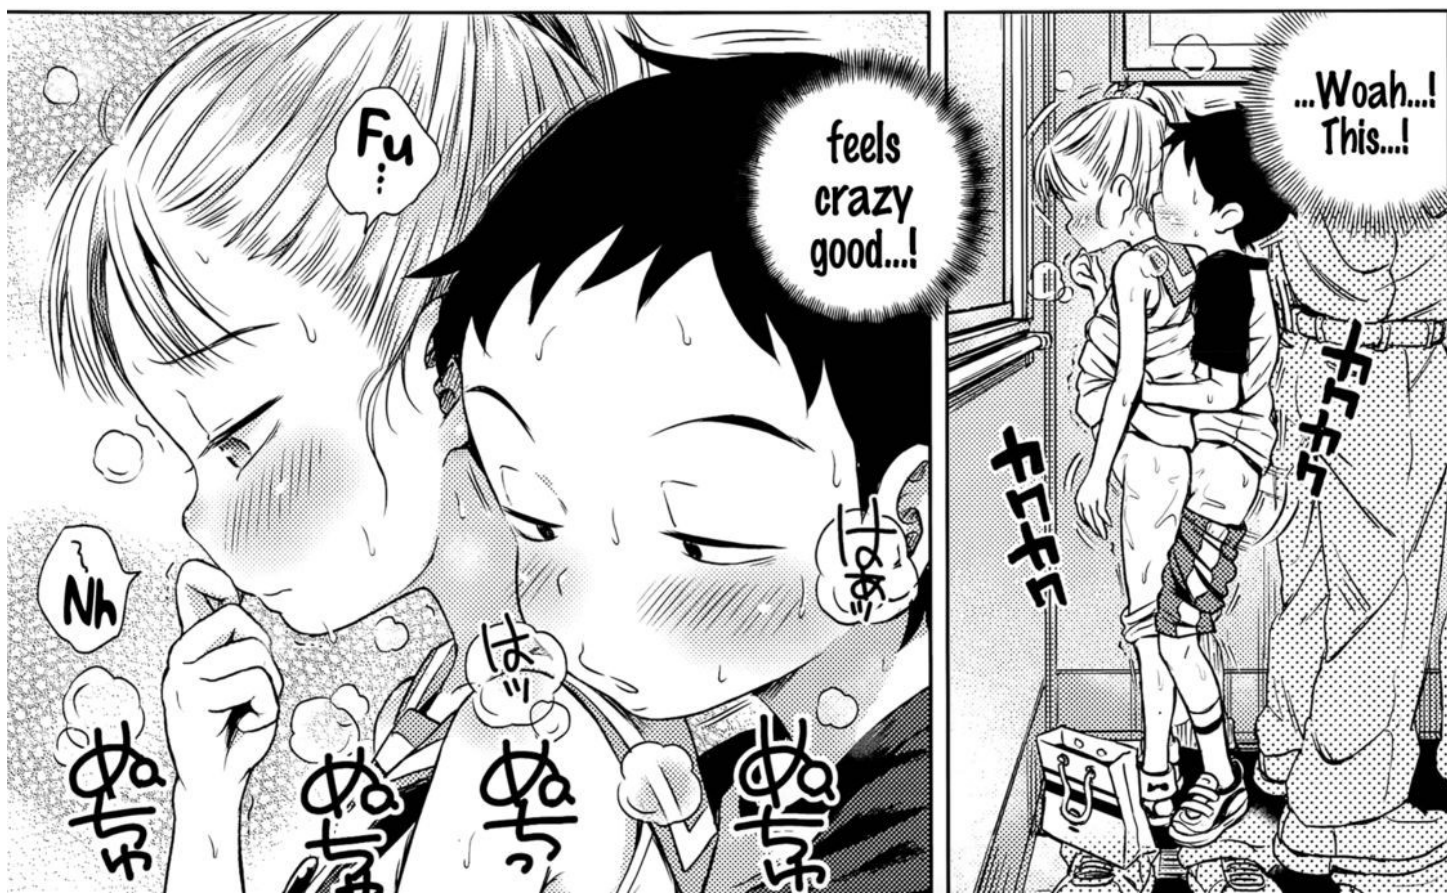

if I do this...

おめ...
おめ...
おめ...

Dick
coochie-coo
attack!!

Take that!
And that!

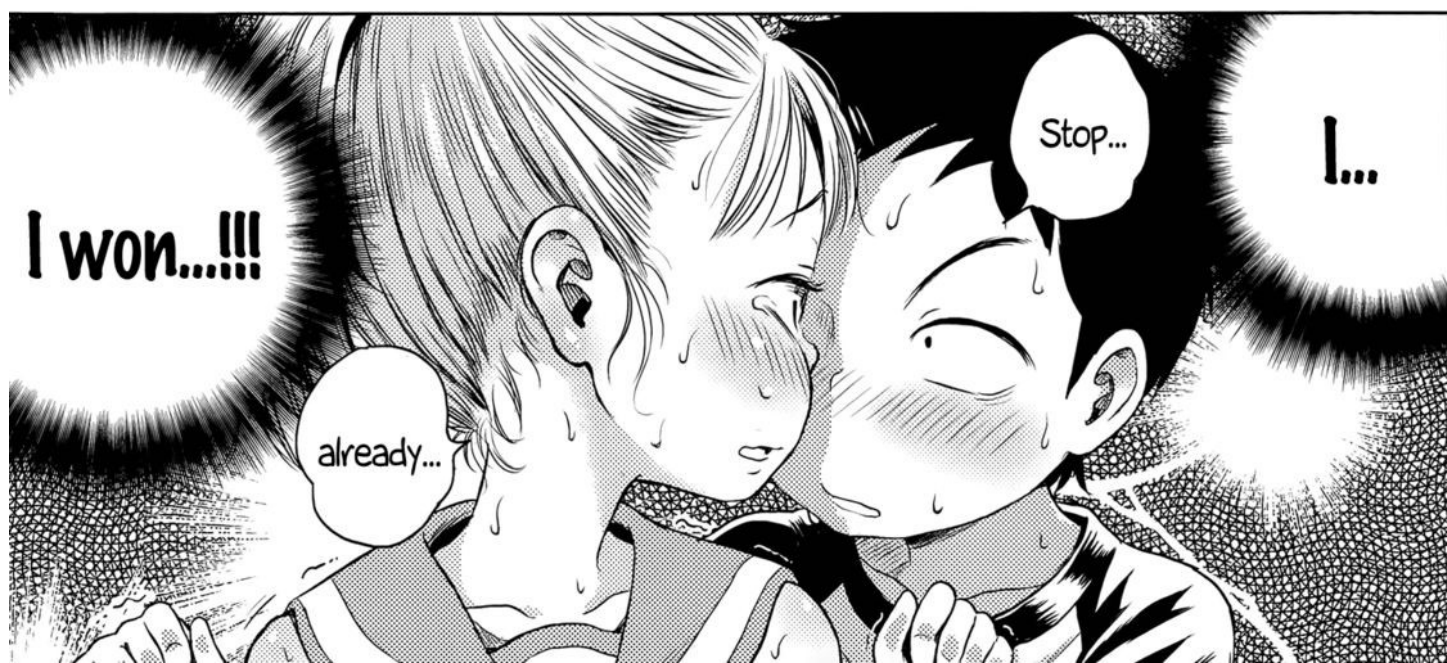

feels
crazy
good...!

...Woah...!
This...!

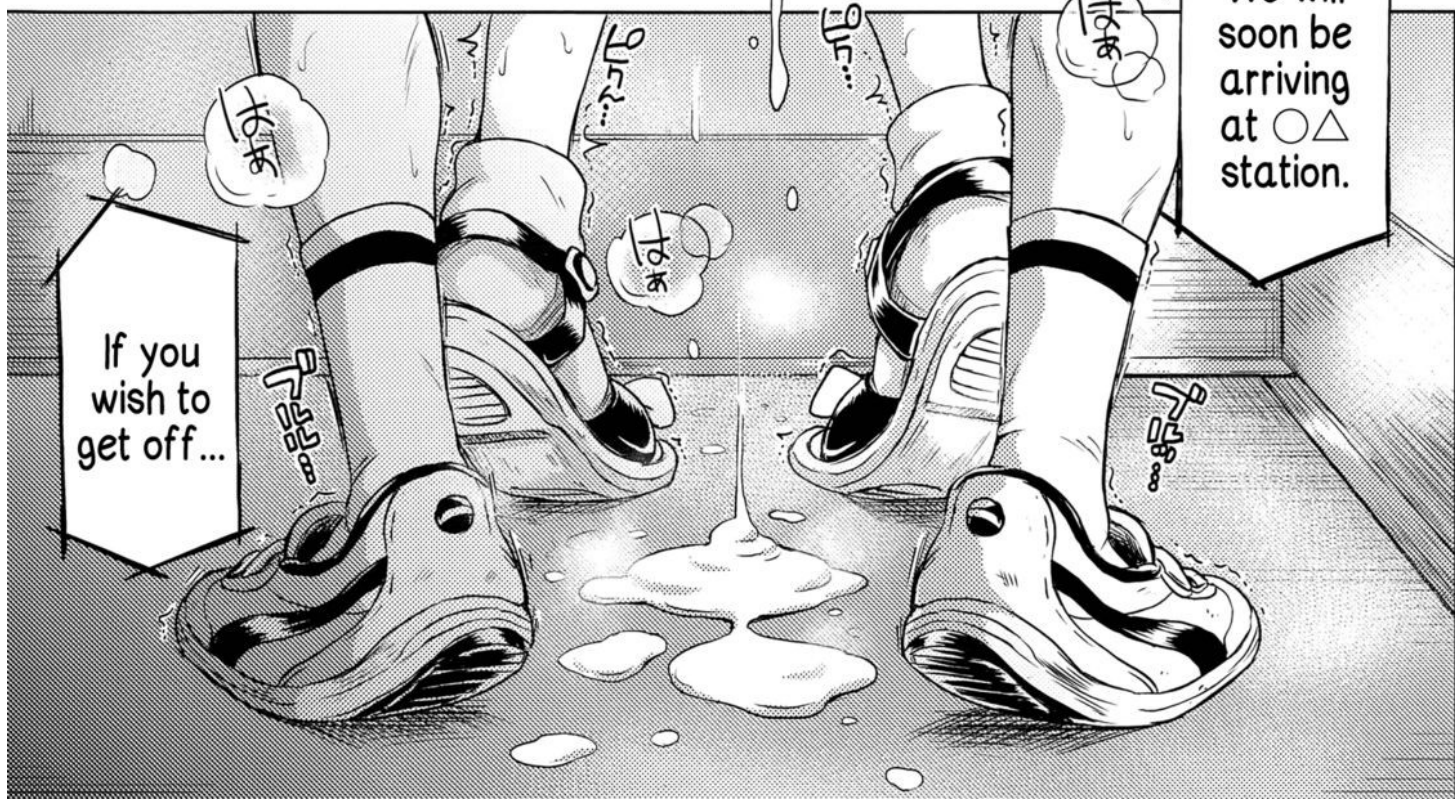

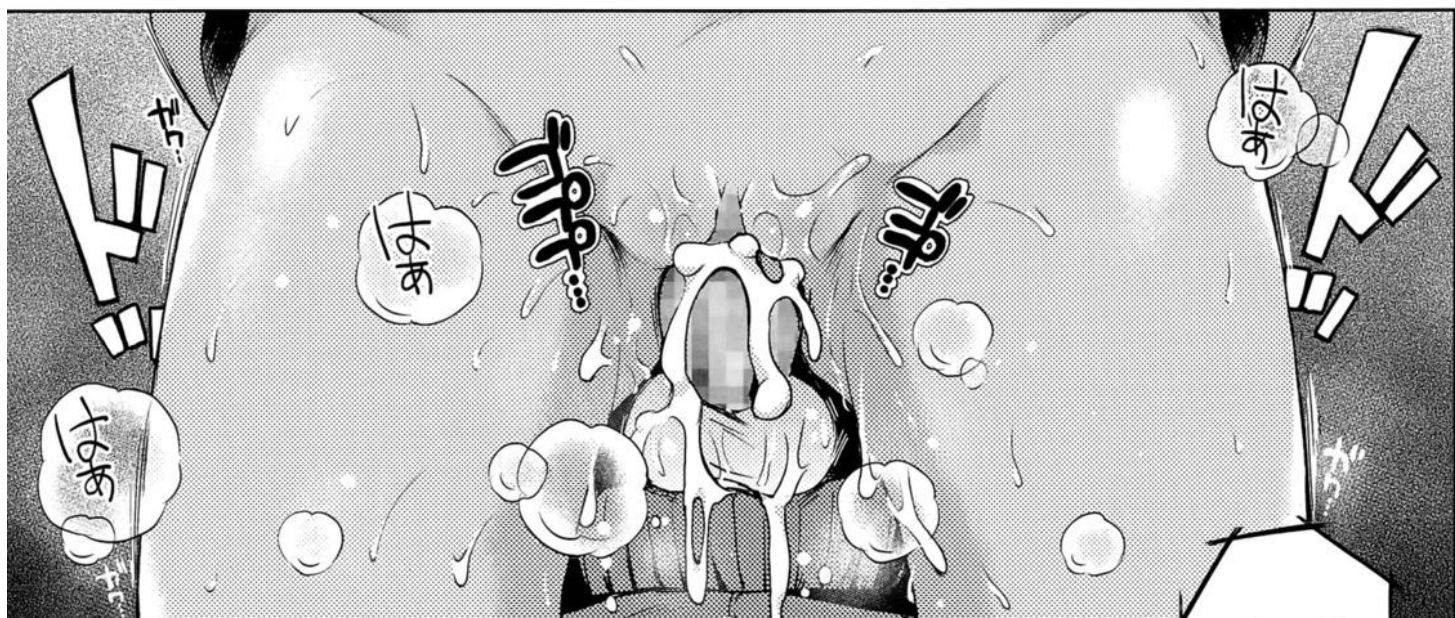

Shit, shit, shit! I went too far!
I went way too fricking far!
She's been ignoring me since we stepped
off the train. She looks like she's majorly
crossed at me! What should I do?!

Ooooooooooh...!

Yeah.
Okay!

We're
fine.

Yeah, we
just got off
the train and
now we're
waiting for
the bus.

Yeah.

???
S-Sure!!

Huh?!

Got it?

It was
a draw...

Huh?!

What do
you mean
by "next

No way!
I'm totally
mature 'n
stuff!!

You're

gentle...
Okay?
