

Rumi,
don't cause
trouble for
Haru-kun,
all right?

It's fine,
don't worry
about it.
You're my
sister-in-
law, Nee-
san.

Thank you
for doing
this, Haru-
kun, I really
appreciate
it.

犬の気持ち Puppy's Feelings

Take
good care
of her this
week.

I will.
Good luck
with your
job, Nee-
san.

Thanks.
Bye.

Okay,
Rumi.

Mama's
going
now.

Okay.

Alright,
then go take
a bath while
I fix us
something
to eat.

Okay.

Yeah.

So, Rumi.
You up for
lunch?

I-Isn't that, y'know...

Hmm? Oops.

s-something that happens when you look at someone you love?

That's right.

I got erect from looking at your body, Rumi.

Wear your pigtails, though. I like them.

Erm...

You mean sex?

When we step out of the bath, would you like to do something nice with me?

Yeah.

...Yes.

You're such a naughty girl, Rumi.

You're very well informed, huh?

Don't get changed. Leave the bath-room like that.

はう、
I-I'm not!

You're going to become a puppy from now on.

What?!

Ah!

Huh?!

Starting today, you're a puppy, Rumi.

Y-You can't be serious...! Haru-kun?!

My adorable pet puppy.

Noo!!

Don't you think it's weird for dogs to speak human language?

Rumi.

You won't listen to your owner's orders?

Go on, say woof.

No!

Huh?

Haru-kun?!

You cleaned
up properly
in the bath,
didn't you?

S-Stop!!
Not that...!

No!

You're
acting quite
out of line.
Maybe you
need to be
disciplined.

I don't
like this!
Stop!

Aah!

Noo!

Nh!

Why are
you doing this?
I want to stop...
Haru-kun...

Uuh...
Please stop,
Haru-kun...
I don't want
this...

Aah!!

Noo!

Relax.

N-No...

Ugh!

Noo!

Stoop!

Don't do it!

I'm gonna move.

If you don't relax more, It'll tear, Rumi.

But... This is... I can't do it.

No way... Stop...

Ah! Aah!!

Huh?!

Since you did so well...

There, there, Rumi.

ちゅぽっ

I'll give you a present.

No!!
Stop!!
Nooo!!

I told you, didn't I, Rumi? You're my pet.

No!!
I don't want... this thing...

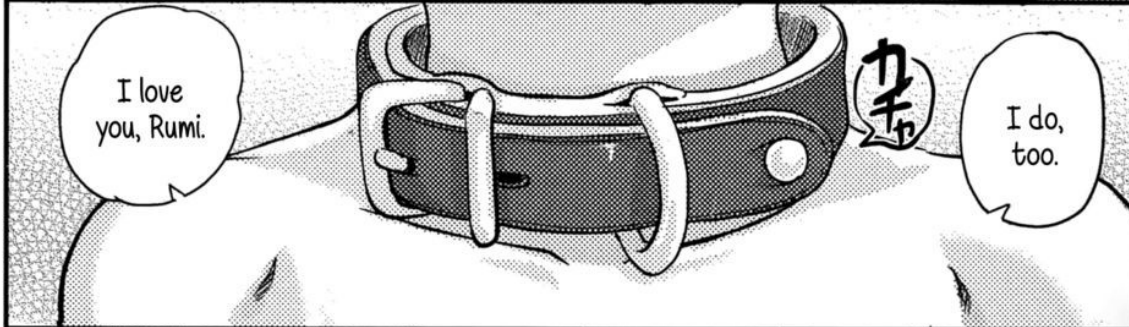

No, Rumi. Don't take it out.

...Your pet?

Mine and mine alone.

Right.

I don't... want it...!

Now, now.
You stopped
moving your
tongue,
Rumi.

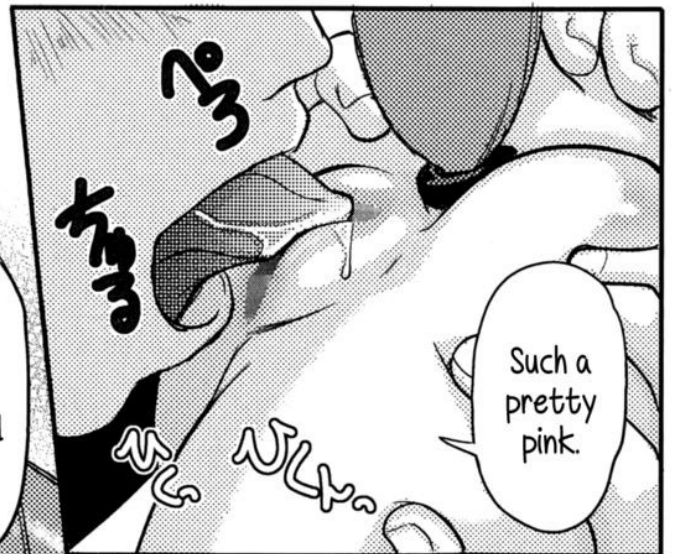

Your slit
is so cute,
Rumi.

Rumi,
your dew is
delicious.

You're
flooding
with lewd
juices.

Such a
pretty
pink.

It's
twitching
in response.
How cute.

Look.
