Mr. Harada Yoshitaka

Hello~ Is Kuroda-san in~?

Okay, let me confirm this real quick.

We're basically strangers to each other, aren't we?

Your grandfather was discharged just a few days ago, right?

So why are you still coming here?

We may be strangers, but what's wrong in coming to visit someone who's hospitalized?

You're here again, Akizuki-chan?

Wah, that's a mean way to put it~

And you say "strangers", but didn't I confess to you a few days ago~? You kinda turned me down, but I haven't given up!

No, you should give up... Getting followed by someone I rejected feels awkward and a little scary, you know.

A... Akizuki-chan?! What the hell are you doing?! And how are you in...

I was hiding inside the hospital-

I... don't want to give up just because I'm still a student.

You said you had no interest in kids, didn't you?

But if I waited until I really grew up, you might've gotten a lover by then... Or you could have even gotten married.

I came here to show you... That I won't lose to adults...

Did looking at my nude body get you excited?

Aha~♥ It's gotten even harder.

A-Akizuki-chan...

I'll do everything for now...

But stay still for a while longer.

It isn't dirty at all.

St-Stop it, it's dirty..!

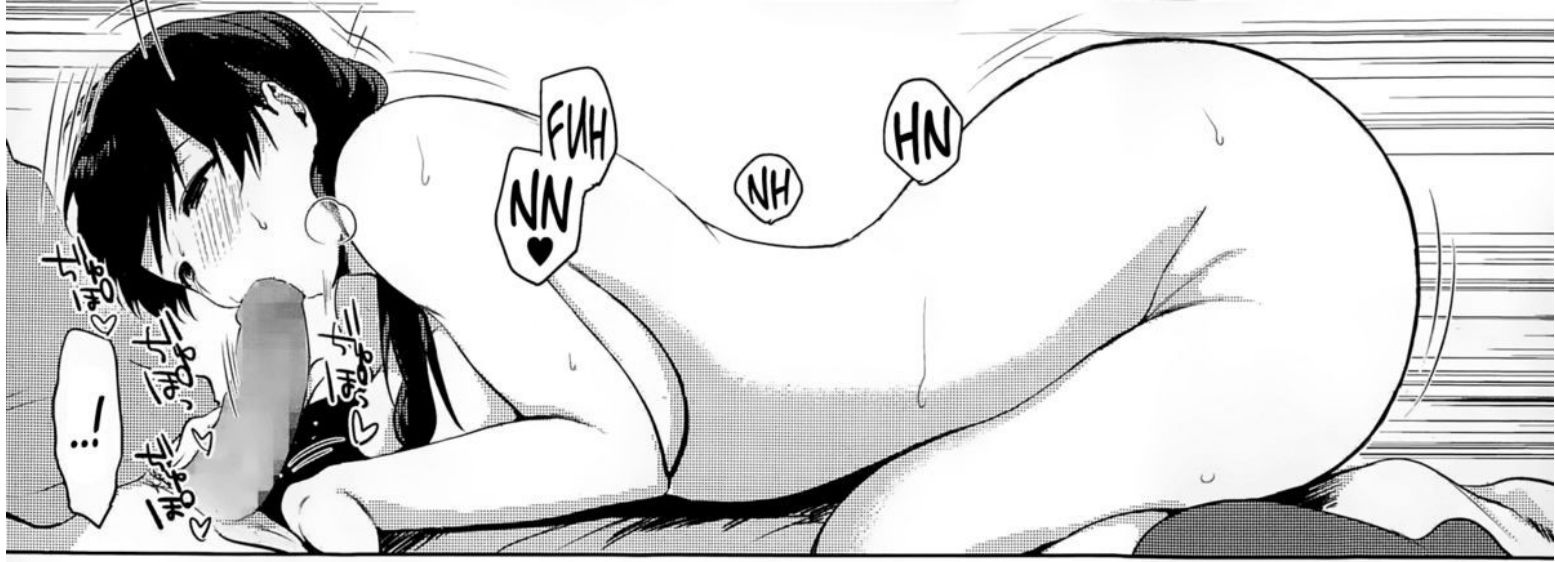

The smell, the taste... I love everything about it...

It's your dick after all...

Okay? ♥

!?

Can I cum this time?

But that's okay.

Oh my, you came already... I wanted to cum together, though...

What a shame...

Eh-

Did something happen between you and her?

Oh, right. The girl who came to visit you every day...

Haha... I think I've had enough of hospitals for a while.

You can come back whenever you feel something's wrong~

Got it. Thank you for taking good care of me.

...Then, remember to take take this medicine for a week's time at home.

Then I'll wait until your business is done~

ハハハ...

To think that the day of your discharge and our school's founding day would be the same... This must be fate~♥ Let's go on a date right now, okay~♥

♥

とーん!!

Harada-san!

Congratulations for your discharge!

Ahh... To tell you the truth...

I've gotta go visit my workplace now, though...

Ah- Yes, take care now...

Really, thanks for everything.

Uhh, that's how it is, so...
