

My name is Kurata Mitsuo.

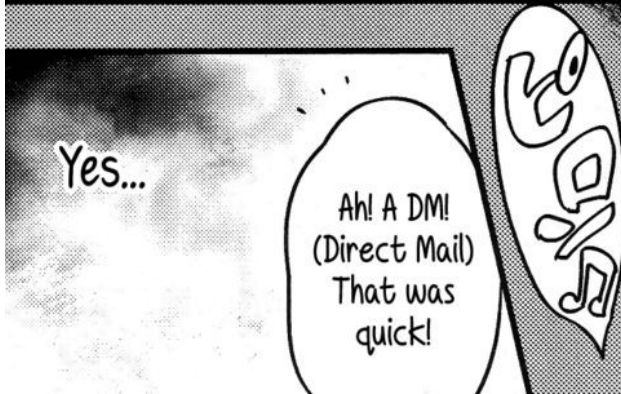

I'm just a chubby otaku who doesn't stand out in class, but recently, I've gotten into something.

If you want to see my penis uncensored send me a DM

That is, posting erotic selfies on toytter...

Yes...

Ah! A DM! (Direct Mail) That was quick!

But knowing that people I don't know are looking at my embarrassing body makes me excited beyond belief and feels really good...

I started out doing this without putting much thought into it, so I don't have that many followers...

You're Kurata Mitsuo-kun from Hoshiya High school, year 1, class 3, right? If I got the wrong guy, then you won't mind if I make this account public.

At first, I really didn't put much thought into it at all.

I was feeling adventurous,  
so I took one in the balcony ♥

Why...?  
Why did  
it turn  
out like  
this...?

If I knew  
this was going  
to happen, I  
never would  
have casually  
posted those  
selfies...

No way!  
I made them  
so big and lewd  
by teasing them  
too much that I  
fixed my inverted  
nipples...

I can't believe  
I'm teasing my  
huge nipples♥  
while jacking  
off!!!

No... I  
can't...

Taking pictures while sitting out on gym class,

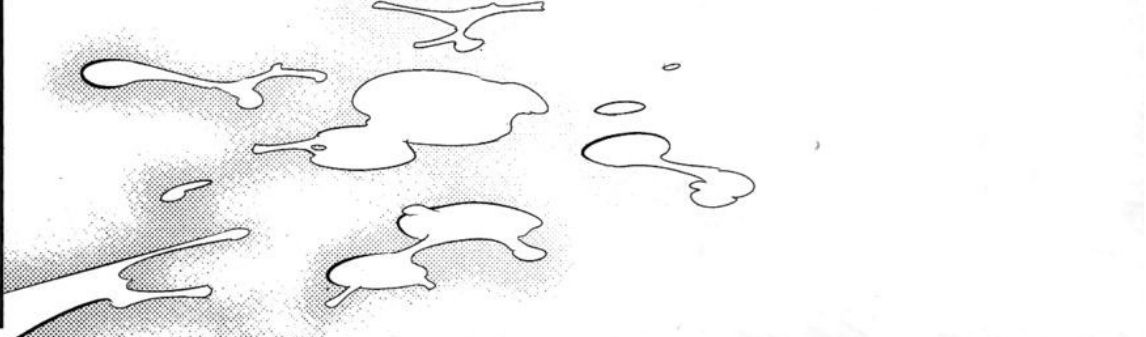

or in the infirmary after school...

I'm a DK who exposes his huge nipples and cock in the classroom in the middle of class.

And even being instructed to take pictures exposing myself in the classroom during self-study...

Masturbating while thinking about what I had done became a daily routine.

But...

Ah...

It would take a fool not to realize it by now...

I didn't have the will to go against the amazing feeling of being ordered and watched.

The number of my pics' RTs and times favourited got higher again...

That the person blackmailing had intimate knowledge about my timetable.

by that logic, Rin-kun is also a possible suspect...

So male bonding will probably be emphasized this year again and...

Have you heard? This season's Kamen Diver scriptwriter is Nasuko-fan!

If the perpetrator is one of my classmates, then...

Y-Yeah, sorry. I've been really busy lately.

It's kinda been a while since the last time we walked home together, huh?

Nah, it couldn't be... So, hey, do you use Toytter, Rin-kun?

Ah! S-Sorry! I was just thinking about something!!

Sheesh! Earth to Mi-chan, are you listening?!

Now that I think about it...

Your instructions this time...

are to wear the outfit I sent you and to head to central park late at night.

No way! I just can't do this! I'm gonna get busted, Rin-kun! What are you thinking...?!

There's... still... Ah!

There's still time... If I run back to the entry-way behind me, I might be able to get out of this without anyone seeing me...

There's still light coming from that window... If they open up the curtains, I'll be completely exposed...

neo@高1

going to take a stroll down the park in this outfit.

The post I made when I left the house is getting a ton of comments... And RTs!

My nipples and cock are more erect right now than they've ever been before~ ♡♡

Very nicely done!  
Since you're already there,  
Let me see you masturbate  
on a park bench. ♥

The only way he could send me a DM with such perfect timing is if...

...Nevermind that.

Rin-kun is watching me from somewhere in the park...!!

No, I'm sure  
he's masturbated  
plenty of times  
while looking at  
my pictures...  
Using me as...  
fap material...

Is Rin-kun  
maybe also going  
to masturbate...  
while watching me  
masturbate...?

W-Well, my nipples used to be inverted because I'm so fat...

This feeling...

I fapped so many times to them. ♡

You know... I've wanted to grab these tits so bad I almost went insane.

I am...!

You have no idea how hard it was to restrain myself from pouncing on you before, when you were mere meters away from me...

Rin-kun... He has been watching me all along. ♡ Masturbating the whole time. ♡♡

And how did you even know about them?!

Well... I recognized the two moles you have next to your crotch.

Huh? How did I figure out it was you, Mitsuo-kun?
