And again, on the following day

Well, I think I'm gonna go back to my room and get a bit more sleep.

This is awesome!
He's shoving his dick in her pussy!

She-

She's still asleep ...

This is sex.

I figured that as long as you were just touching my boobs and staring at me that I'd just leave you be.

But you finally went and did it.

S-E-X. ♡

You've been very interested in me lately.

SEX! ♡

You'd better take responsibility.

'Kay? ♡

FWAAHHH!

Aah!

Aah!

My penis feels all slimy!

The tip is tingly!

Aha! ♡

Did your foreskin peel back inside my pussy?

AHH! AH!

“My Lazy Sister” by Agata

うちの姉はナマケモノ

Release No. 0050

Axalon

This was nice.

Uncomplicated Onee-chan sex, something Agata's pretty good at. I really enjoyed the lackadaisical sister, her nonchalant attitude, and, as always, Agata's pleasant artstyle.

Agata and /ss/ are always a great combination.
Lazy, yet loving onee-chans are the best.

This sort of thing isn't usually my style, but something about the way Agata writes and draws this story really clicked with me. Enjoyed it more than I thought I would ^_^
