

Sensei really is an adult.

「お叱り」欲じがる

僕の筆先...

She's my calligraphy teacher.

KIRITANI-SENSEI, YOUR CHARACTERS REALLY ARE QUITE SPLENDID.

After I lost my virginity with her, we became sex friends.

This calls for some punishment.

Even though you were just enamored with another girl earlier...

I can't believe someone your age having an armpit hair fetish.

It might not be so bad living as Sensei's pet forever.

no other girls will ever get you hard.

Ehehe. If we do this every day,

That reaction means I hit the mark, right?

Heheh, this kinda makes me want to bully you.

No way, is she the same type of girl as Sensei!?

I thought I noticed something before.

You're going out with Sensei, aren't you?

I don't think... I can keep my promise to Sensei.

Come on, come on! ♡

Ha wa wa wa!

Sometimes I can smell her on you.
