Tachibana
Yuriko-
san!

*Even though she's younger
than me, I still use "san".*

I didn't want
to a library appointee.
I never expected that
my fated encounter
would be there...

TCH!

ハァン!

Oh wow!
Seems like
there won't be
any customers
today...
We're completely
alone...

But...
Lately...

Tachibana-
san!

It's kinda
hard...

She's way
too
immersed
in it!!!

!!
I wanna
touch it!!
Right now
she's just
too careless...

That's
it!!!

She's
too
vulnerable!

At that time, Fujimi's body moved from the shock.
"Oh sorry, I thought I could pass through here but it was too narrow...
I... I'm sorry if I have pushed you any...where..."
At this moment Fujimi didn't had any experience.
But she understood what was happening.
That guy whom she hasn't even seen his face, was pressing through Fujimi's skirt with...
As it is called a man's...

...It was like sorcery.
A boy was stabbing
Fujimi's genitals
through her
skirt....

Her skirt that
was below
the knee,
got
flipped over
before she
could even
notice...

Huuuu!

I can't
stop my
hips any
more...

It is a
PENIS!

Finally...!

Uwo!
It's so
soff!

That!
That...

Wasn't
really
"Disgust".

However
what she
felt...

Fujimi was
being touched
by someone of the
opposite sex
for the first
time...

So
squishy.

She
was
excited...

Fujimi who originally
was reserved around
the opposite gender,
and even made herself
be hated by many....

However
this
boy...

But...
She isn't
resisting...

I...
Is she
alright...

Well
then!!

FF...

HK...

I'm
cumin...

Haa...

He
accepted
her...

Even if
he was
just after
her body...

That
very
instant...

Secretly
Fujimi
prepared
herself for
the worst...

Will
do...

So...
She herself
must accept
everything
the boy...

It was the
first time she
ever recieved
the boiling
hot lump of
meat of men...

IT
GOT
IN!!!

Fujimi
could not
endure it...

She has
given herself
up to this
boy whom she
doesn't even
know his face.

Now, from
Fujimi's mouth
could only
leak the word...

"He
put it
in."

Faster...

She wasn't
able to
stop
anymore.

Fujimi still hasn't
seen that guy's face.
And she never will.
Although she yearns
for him...
And that's it,
the end...

In panic,
the guy comes...
And just
like that,
he flees.

...In this part,
while Fujimi is
getting thrust
with a dick,
she raises her
voice and
that surprises
the guy...

that
so... is...

"Truth is

It has
